(The Deputy Leader of Minority Party)

THAT, aware that the betting and gambling industry in Kenya has attracted a lot of public interest in the recent past, leading to its exponential growth; **further aware** that the services of betting companies like *Sportpesa*, *Elibet*, *Betway*, *Betin Kenya* and *mCheza*, among many others are now easily accessible via online and mobile platforms; **deeply concerned** that the industry is facing a myriad of challenges such as weak and insufficient regulatory and institutional frameworks, proliferation of betting and gambling activities and attendant negative societal impacts; **also cognizant** of claims of malpractices in some of the betting, gaming and casino businesses in form of tax evasion, tax avoidance, money laundering, manipulated disclosures and misrepresentation of information; **appreciating** the fact that the Government has a role in strengthening the licensing and collection of tax revenues from the industry while ensuring its sustainability; **further noting** that while the Fourth
