27. MOTION – (Sen. (Eng.) Muriuki Karue)
(Ministry of Interior and Coordination of National Government)

THAT,

CONCERNED about the numerous reports of the arbitrary arrests of innocent people by the police;

FURTHER CONCERNED that a large number of those arrested are allegedly locked up in police cells without being recorded either in the Occurrence Book or elsewhere;

DEEPLY CONCERNED that some of the arrested people disappear without a trace and that many who are subsequently traced are found dead away from where they were known to have been locked up;

..... /Motion

APPRECIATING that the Closed Circuit Television (CCTV) system installed by the Government in Nairobi has helped a lot in criminal investigations;

NOW THEREFORE the Senate calls upon the National Government to-

- a. install CCTV cameras in all police stations and police posts in order to record each and every person going in and out of the station;
- b. have the CCTV system designed in such a way that it is capable of capturing the Occurrence Book entries every twelve hours; and
