THAT, aware that Kiswahili is the national as well as official language of the Republic as enshrined in the Constitution; further aware that equality and freedom from discrimination and access to information are fundamental rights; cognizant of the fact that democracy and public participation of the people is a national value and principle of governance as per Article 10 of the Constitution; deeply concerned that a section of Kenyans have a low level of knowledge of their legal rights and laws passed by this House as a result of the existing language barriers; convinced that unless we, as a nation, lay down mechanisms for translating **the Constitution and** laws passed by Parliament and county assemblies into Kiswahili, most Kenyans will continue being partially aware of the law, this House urges the National Council for Law Reporting to progressively translate the laws of Kenya into Kiswahili.

THAT, aware that the Marriage Act, 2014 was assented to by H.E the President on 29th April, 2014 and commenced on the 20th of May, 2014; noting that the act was by and large an amalgamation of the previous Acts, thus amendments relating to the regulations were minimal in effect; deeply concerned that there are only twelve offices for the registrar of marriages in the whole country, making it difficult for the hopefuls to issue notice of marriages; mindful of the fact that the upward revision of the marriage certificate acquisition fee is not affordable to many Kenyans, thus inhibiting them from registering marriages as envisaged by the new Act; this House **urges** the Government to review the procedure and the cost of marriage registration, and to decentralize the offices of the registrar of marriages to a minimum of all sub-counties so as to reduce bureaucracy and enhance accessibility.

(The Hon. John Waluke, M.P.)

THAT, aware that the Kenya Police Service spends considerable resources on training officers among the cadre of trainees; further aware that many of the police detectives are hired by other government and private institutions as soon as they are acquire the necessary expertise and experience; deeply concerned that this results in delayed and botched investigations and failed conclusion of critical prosecutions plus a high number of acquittals due to perennial shortage of specialized officers in critical departments such as ballistics, forensics, document examinations, fraud detection, money laundering, transnational crime and cyber crime; cognizant of the fact that private employers are able to offer superior terms, this House **urges** the Government to ensure that any Regular Police, Administration Police officer and Prisons Officer who benefits from specialized training at the taxpayers' expense should serve in the public sector for at least 10 years before leaving for the private sector or refund the public funds used in their training.

I. MOTION - DECLARATION OF CATTLE RUSTLING AS A NATIONAL DISASTER

(The Hon. William Cheptumo, M.P.)

THAT, aware that cattle rustling is a major menace and security threat in the South and North Rift regions and other regions in the country; noting that cattle rustling leaves behind destruction of property and loss of lives; deeply concerned that the menace has since left irreparable and negative socio-economic impact which include but are not limited to increased number of widows, widowers, orphaned children, poverty, displacement of people leading to the emergency of Internally displaced persons (IDPS), disruption of educational programmes and other economic activities owing to the destruction and/or closure of educational, health and other institutions; deeply concerned that the people living in the affected regions have been denied the enjoyment of their social, economic and political rights as guaranteed to them under the Bill of Rights as enshrined in Chapter Four of the Constitution; this House **urges** that the National Government declares cattle rustling as a national disaster and establishes a Special Fund to be used in mitigating the losses suffered by and in compensating all victims of cattle rustling and resettle all Internally displaced persons across the country created by the menace.

J. MOTION - TRACKING AND REGISTRATION OF FIREARMS IN THE COUNTRY

(The Hon. (Dr.) Victor Munyaka, M.P.)

THAT, aware that many innocent Kenyans have been victims of crime attributable to stolen and illegally acquired firearms; concerned that, despite the proliferation of small arms, there has not been efforts to track location, movement and use of firearms held by licensed persons and the disciplined forces; acknowledging the need to adopt a mechanism for providing real-time geophysical location and movement of firearms to facilitate recovery of stolen firearms and forensic identification of guns used in crime scenes; cognizant of the fact that a number of countries continue to implement modern technologies to regulate, monitor and track use of firearms; further aware that use of electronic tracking technologies, including the Global Positioning Systems (GPS) has been used to track and record location and movement of firearms; this House **urges** the Government to fit all guns held by licensed

STATUS OF MOTIONS – 2015

i) Motions Awaiting & Under Debate *(Does not include Motions on Reports)*

NO.	SUBJECT	PROPOSER & STATUS
1.	<p><u>MOTION - DECENTRALIZATION OF THE REGISTRATION OF NATIONAL IDENTIFICATION CARDS</u></p> <p>THAT, aware that devolution was meant to devolve governance and public services across the country, including access to basic services like acquisition of identity cards, passports, birth certificates, voters cards, among others; further noting that currently all registration of national identity cards only happens at one centre in Nairobi; cognizant of the fact that this delays the acquisition of identity cards, thus denying Kenyans their right to employment, ability to vote, access to public funds like Uwezo Fund and other crucial services, this House resolves that the Government decentralizes the registration of national identification cards to the county level to expedite the process and allow Kenyans to access public services in a timely manner.</p>	The Hon. Chris Wamalwa, MP, (Kimini Constituency)
2.	<p><u>MOTION - ESTABLISHMENT OF A SELECT COMMITTEE TO INVESTIGATE AND INQUIRE INTO THE CAUSES OF DEATH OF CERTAIN PERSONALITIES</u></p> <p>THAT, aware that Article 26 of the Constitution guarantees the right of every person to life, and that no person shall be deprived of life intentionally; further aware that Article 35 provides for the right of access to all important information by all; cognizant of the fact that national leaders and their families form an integral part of national-being that builds and helps in forging unity; concerned that several national leaders and/or prominent personalities including the late Hon. Sen. Mutula Kilonzo, the late Hon. Sen. Otieno Kajwang' and the late Fidel Castro Odinga have lost their lives in unclear circumstances in the last two years; further concerned that the causes of death of these prominent national leaders have been shrouded in mystery creating unnecessary anxiety among different groups of people; this House resolves to establish a Select Committee to comprehensively investigate and inquire into the causes of death of the three personalities, consider and review all related findings on the deaths and table its report within ninety (90) days, and approves the following Members to constitute the Committee:-</p> <ol style="list-style-type: none"> 1. Jomo Kenyatta was the founding President of the Republic of Kenya and as such is an important historical figure; also aware that upon his death he was interred in a stone, glass and marble mausoleum on the grounds of Parliament; noting that unlike mausoleums of many other deceased Heads of state, President Jomo Kenyatta's tomb, though situated in a most public place, has been off limits to the citizens for 37 years and only open to the public during the anniversaries of his death, and on rare occasions when visiting Heads of State pay their respects; concerned that despite the clamor over the years for the mausoleum to be opened to the public and possibly be a tourist attraction, no steps have been taken in this regard; further concerned that 70 percent of Kenya's population is below the age of 40 years, to whom Jomo Kenyatta remains a distant historical figure with whom they have little or no connection despite his importance in Kenya's history, this House resolves that the Government creates the Jomo Kenyatta National Memorial at the current mausoleum similar to the one of the founding President of the USA, George Washington, where archival information of his life and his remains will be open to public viewing.</p>	<p>The Hon. (Dr.) Susan Musyoka, MP (Machakos County)

	untrained personnel and/or good Samaritans who in most cases worsen the situation; cognizant of the need for the Country to have a well-coordinated emergency care system; this House resolves that the Government immediately develops and implements a national curriculum for emergency training of all medical personnel in the Country.
