## 5. **PETITION**

The Speaker conveyed the following Petition –

"Hon. Members, Standing Orders requires that the Speaker reports to the House, any Petition other than those presented through a Member. I therefore wish to convey to the House that my office has received a Petition signed by one Blamuel Njururi, a resident of Nairobi County regarding proposed amendments to the National Transport and Safety Authority Act, 2012. The Petitioner is proposing amendments to the Act to provide for introduction of road safety branded advisories and the establishment of a National Road Safety Insurance Fund.

Honourable Members, the petitioner states that over three thousand (3,000) lives are lost through road carnage every year hence the urgency to introduce a road use awareness strategy for the safety of millions of Kenyans exposed to road carnage. He further emphasizes that the proposed amendments will broaden road safety awareness and provide a financial safety net to cushion victims of road carnage. The petitioner therefore prays that the National Assembly –

- (i) Reviews the National Transport and Safety Authority Act, 2012 to provide for provision of road safety branding; and,
- (ii) Enact legislation to provide for establishment of National Road Safety Insurance Fund.

Honourable Members, the Petition stands committed to the Departmental Committee on Transport, Public Works and Housing for consideration. The Committee is required to consider the Petition and report its findings to the Petitioner and the House in accordance with Standing Order 227(2). I urge that the Committee to engage with the Petitioner.

Thank you.

(ii) Free Issuance of Kenya Police Medical Examination (P3) Forms

**THAT**, aware that the Kenya Police Medical Examination (P3) form is a legal document that is produced in a court of law as evidence in cases which involve body injury; noting that victims are required to have the P3 form completed by a certified public medical officer; further aware that the victims are charged a fee for this service by the hospitals attending to this particular service; concerned that most citizens are financially challenged hence the medical fee charged by the hospitals, is in contravention of Article 48 of the Constitution on access to justice; deeply concerned that if the situation is left unchecked, it may lead to continued abuse of the poor, delayed justice and possible incidents of unrest; this House urges the Government to ensure that completion of P3 forms is offered free of charge at all public healthcare facilities.
