**17/09/2015**      **Motion, Statements, Motions and Bills**

**A. MOTION** – (Sen. Beatrice Elachi)

(Department of Interior and Coordination of National Government)

**THAT**, cognizant that Article 12 of the Constitution guarantees a right to citizenship; noting that it is the right of every Kenyan attaining 18 years to register and be issued with a National Identity Card ; further noting that the National Identity Card is at the core in determining the extent to which an individual enjoys his or her fundamental rights and freedoms; concerned that Orphans and Vulnerable Children attaining the age of 18 years in children's homes have difficulties obtaining the National Identity Cards, the Senate urges the National Government to take remedial, policy, administrative and legislative measures to improve and expedite the process of registration for National Identity Cards especially for the Orphans and Vulnerable Children who live in children's homes and have attained 18 years of age.

**B. MOTION** – (Sen. Zipporah Kittony)

(Ministry of Transport and Infrastructure)

**THAT, AWARE** that traffic congestion in Nairobi Metropolitan Region is increasingly becoming worse leading to increased costs, longer travel times, constrained economic productivity and adverse health and environmental externalities;

**CONCERNED** that the economic cost of the congestion is estimated to be Kshs.1 billion annually on account of wasted man-hours and wasted fuel due to vehicular queuing;

**APPRECIATING** the government's effort in mitigating the problem by expanding infrastructure and initiating other interventions such as installation of traffic lights in the Central Business District;

The Senate now calls upon the Government to consider formulating additional policy interventions to mitigate the problem by:-

1. Enacting legislation to allow only high capacity public transport to operate in the city; and
2. Creating regulations to:-
  - a) Require all deliveries to business premises to be done at night;
  - b) Require construction on roads that are in use to be done at night; and
  - c) Reroute heavy commercial vehicles to use the bypasses.

**C. MOTION** – (Sen. Fatuma Dullo)

**WHEREAS** Article 51 of the Constitution of Kenya protects the rights of detained persons, persons held in custody and other imprisoned persons under the law, and requires Parliament to enact legislation to provide for the humane treatment of such persons with due regard to the relevant international human rights instruments;

**OBSERVING** that international instruments, including the Universal Declaration of Human Rights, the International Covenant on Economic, Social and Cultural Rights, the International Covenant on Civil and Political Rights, the Convention Against Torture and other Cruel, Inhuman or Degrading Treatment or Punishment and the United Nations Basic Principles for the Treatment of Prisoners set standards on the treatment of persons, including the right to be treated with respect; protection from discrimination on the grounds of race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth of other status;

**AWARE** of the deplorable state of correctional services throughout the country including poor living conditions in the institutions of both officers and prisoners, the poor state of sanitation and nutrition, overcrowding, lack of proper medical attention, frequent outbreak of communicable diseases and frequent reports of deaths of inmates leading to a high rate of recidivism and the inability of former inmates to reintegrate into society;

**APPRECIATING** the urgent need to align the Prisons Act and Borstal Institutions Act with the Constitution of Kenya and the international instruments on the rights of detained persons;

**NOW THEREFORE**, the Senate resolves to establish a Select Committee to undertake an inquiry into the policy and legislation pertaining to the treatment of detained persons as well as the state of correctional institutions in Kenya, including prisons and Borstal institutions, and to submit a Report to the Senate within three months, with recommendations on such
