

REPUBLIC OF KENYA

ELEVENTH PARLIAMENT – FOURTH SESSION

THE SENATE

VOTES AND PROCEEDINGS

WEDNESDAY, MARCH 02, 2016 AT 2.30 P.M.

1. The Senate assembled at thirty minutes past Two O'clock.
2. The Proceedings were opened with Prayer said by the Speaker.
3. **COMMUNICATIONS FROM THE CHAIR**

The Speaker conveyed the following Communications from the Chair-

a) Visiting staff and students from Tangaza University College

"Honorable Senators,

I would like to acknowledge the presence, in the Speaker's Gallery this afternoon, of visiting students and staff from Tangaza University College, who are here on a benchmarking visit.

I request the members of the delegation to stand so that they may be acknowledged in the Senate tradition.

On behalf of the Senate and on my own behalf, I welcome them to the Senate and hope that they have a fruitful program.

I thank you."

b) Meeting of the Standing Committee on Finance, Commerce and Budget with the Governor of the Central Bank of Kenya

"Honourable Senators, as you may be aware, on 10th February, 2016, the Senate Minority Leader sought a statement from the Chairperson of the Standing Committee on Finance, Commerce and Budget regarding

the continued issuance, by the Central Bank of Kenya, of currency bearing portraits of individuals, in contravention of the Constitution of Kenya.

On Wednesday, 24th February, 2016, the Chairperson of the Standing Committee on Finance, Commerce and Budget issued a response on the matter. However, the response was not satisfactory going by the number of interventions raised by Senators. I therefore directed the Committee to convene a meeting for all interested Senators and invite the Governor of the Central Bank of Kenya to respond to issues raised.

Honourable Senators, I wish to inform you that the Standing Committee on Finance, Commerce and Budget has convened a meeting of all Senators to deliberate on the matter. The Governor of the Central Bank of Kenya, Dr. Patrick Njoroge, has confirmed his attendance.

The meeting will be held tomorrow, Thursday, 3rd March, 2016 in the Senate Chamber, Main Parliament Building starting at 10.00 am. I therefore urge all Honourable Senators to attend.

I thank you."

c) The Status of the Sessional Committee on County Public Accounts and Investments

"Honourable Senators, as you will recall, at the sitting of the Senate held yesterday, Tuesday, 1st March, 2016, the Deputy Speaker of the Senate, Senator Kembi-Gitura, rose under standing order 45(2)(b) of the Senate Standing Orders seeking a statement from the Chairperson of the Sessional Committee on County Public Accounts and Investments regarding the Report of the Special Committee on the Proposed Removal from Office by Impeachment of Hon. Mwangi wa Iriria, Governor of Murang'a County, dated 6th November 2015. The Deputy Speaker set out a number of issues on which he sought a way forward from the Committee.

Senator Wamatangi, a member of the Sessional Committee on County Public Accounts and Investments, then informed the House that the matter raised by Senator Kembi-Gitura was similar to other matters that were pending before the Committee. He further stated that the Committee was in limbo and had been unable to transact business following the "de-whipping" of the Chairperson of the Committee, Senator Kennedy Okong'o Mong'are.

Senator Wamatangi sought the guidance of the Chair on whether a Committee should be rendered dysfunctional by the "de-whipping" of its chairperson, or whether, despite the "de-whipping" of its chairperson, the Committee could continue to transact its business. The Senator argued that if a committee could be rendered dysfunctional by the "de-whipping" of its chairperson, this would create an avenue to be used by political parties to ensure that when there was business before a committee that

the party did not favour, the business did not proceed. He further expressed concern that the present status of the Sessional Committee on County Public Accounts and Investments would set a bad precedent for the Senate.

A number of Honourable Senators rose on Points of Order to speak to this matter, including Senator Kembi-Gitura, Senator (Dr.) Machage, Senator Muthama, Senator Kennedy Okong'o Mong'are, Senator Billow Kerrow, Senator Abdirahman, Senator Orengo and Senator Elachi. On account of the gravity of the issues raised, I undertook to deliver a ruling on this matter today, Wednesday, 2nd March, 2016.

From the deliberations on this matter, three issues arise that require the direction of the Chair, namely –

- (1) the manner in which the Sessional Committee on County Public Accounts and Investments should be constituted;
- (2) the manner in which the chairperson of a committee can be “de-whipped; and
- (3) the effect of such “de-whipping”?

Honourable Senators, before I proceed to give direction on these issues, it is important that I set out the sequence of events in this matter –

- (1) following the re-constitution of the Sessional Committee on County Public Accounts and Investments, in accordance with standing order 210(1) of the Standing Orders, the Clerk of the Senate convened the first meeting of the Committee on 16th February, 2016 for purposes of election of the chairperson and the vice-chairperson of the Committee;
- (2) at that meeting, Senator Kennedy Okong'o Mong'are was elected as the chairperson of the Committee while Senator (Prof.) Lonyangapuo was elected to the position of vice-chairperson;
- (3) thereafter, by a letter dated 17th February, 2016, the Coalition for Reforms and Democracy, through its Whip, notified the Speaker that Senator Kennedy Okong'o Mong'are had, pursuant to standing order 180, been discharged from the Committee and that the Coalition would be replacing the Senator with Senator (Dr.) Agnes Zani;
- (4) by letters also dated 17th February, 2016, Senator (Prof.) Nyong'o and Senator Khaniri informed the Speaker that they had resigned from the Committee.

Honourable Senators, on the first issue, which is *“how the Sessional Committee on County Public Accounts and Investments should be constituted”*, as you are aware, the sessional committee on County Public

Accounts and Investments is a committee that is established under standing order 212 of the Senate Standing Orders. Standing order 212(2) provides that *"the County Public Accounts and Investments Committee shall consist of a chairperson, who shall be a member of the second largest party or coalition of parties in the Senate, and not more than eleven other Senators"*.

It is important to observe from standing order 212(2) that despite standing order 182 of the Standing Orders which provides for the manner of election of chairpersons of committees, special provision is made relating to the election of the chairperson of the County Public Accounts and Investments Committee. The rationale for this is that the committee is an oversight committee and therefore one which, going by the practices and traditions of our Parliament and those of comparable jurisdictions, cannot be chaired by a member from the Majority Party.

Honourable Senators will however observe that standing order 212 of the Senate Standing Orders makes no further special provisions relating to the election of the vice-chairperson or the nomination of the other members of the Committee. Therefore, although it was argued by some Senators in the various Points of Order on this matter that the vice-chairperson of the Committee should be a member of the minority party, the Standing Orders are silent on this. Consequently, the general provisions of the Standing Orders that apply to the election of vice-chairpersons and the nomination of members to serve in committees apply to this Committee. The upshot of this is, Honourable Senators, that the decision as to which member of a committee shall serve as its vice-chairperson is a decision solely for the members of the particular Committee.

The second issue requiring my direction relates to the removal or "de-whipping" of a Chairperson of a Committee. As Honourable Senators are aware, political parties are a key pillar of the system of governance established in our Constitution. Political parties therefore play a major role in the identification and nomination of members to serve in Committees. They are similarly bestowed with the prerogative of removing or "de-whipping" their members from Committees. In this regard, standing order 180(1) of the Senate Standing Orders provides that *"a Parliamentary Party that nominated a Senator to a Select Committee may give notice, in writing, to the Chairperson of the Rules and Business Committee that the Senator is to be discharged from a Select Committee"*. Standing order 180(2) of the Standing Orders further provides that *"the discharge of a Senator shall take effect upon receipt by the Chairperson of a notice under paragraph (1)"*.

In the case of the Sessional Committee on County Public Accounts and Investments, in terms of standing order 210(1) of the Standing Orders, for purposes of the Fourth Session of the Eleventh Parliament, Senator Kennedy Okong'o Mong'are was, by a letter dated 9th February, 2016, nominated by the Coalition for Reforms and Democracy to serve as a member of the Committee. Subsequently, Senator Mong'are was on

17thFebruary, 2016 elected to serve as the Chairperson of the Committee. However, on 17th February, 2016, by a letter of the same date, the Senator was, pursuant to standing 180(1) of the Standing Orders, discharged and therefore removed by the party from membership in the Committee.

The third question relates to *"the effect of the "de-whipping" of a chairperson of a committee on the business and affairs of the Committee"*.

The question that arose was whether, in light of the "de-whipping" of the Chairperson of the Sessional Committee on County Public Accounts and Investments, the Committee could continue to transact its business. On the one hand, there were Senators who argued that the "de-whipping" of a chairperson of a Committee would not affect the continued transaction of the business of the Committee, so long as the Committee continued to retain a quorum and further, that in the absence of the chairperson, the vice-chairperson of the Committee would chair all subsequent sittings until the election of the new chairperson. It was therefore argued that the Committee was not in limbo and could indeed proceed to consider matters before it.

There were those who, on the other hand, from their contributions, seemed to imply that the Committee was indeed in limbo and that it could not possibly proceed to transact any business before the election of a new chairperson.

The latter position, Honourable Senators, is the correct position. The Standing Orders at standing order 183(2) provide that *"whenever a vacancy occurs in the office of Chairperson or Vice-chairperson of a Select Committee, the Clerk shall, within seven days of the vacancy arising, appoint a place, date and time for the meeting of the Committee to elect the Chairperson or Vice-chairperson"*.

It is evident from this standing order that where there is a vacancy in the office of chairperson or vice-chairperson of a committee, the filling of the vacancy takes precedence over all other business before the Committee. This is why the Standing Orders make specific provision on the timelines relating to the filling of such vacancies. This would be all the more important in the case of the Sessional Committee on County Public Accounts and Investments which, under standing order 212 of the Standing Orders has special requirements relating to the election of its chairperson. Proceeding with the business of the Committee on County Public Accounts and Investments without ensuring the observance of standing order 212(2) would open the proceedings of the Committee to questions as to the validity of the composition of the Committee and possibly also questions as to the status of any business transacted by the Committee in that period. It is therefore imperative that a Chairperson of the Committee be elected in accordance with standing order 212(2) before further proceedings of the Committee.

Although under standing order 192 of the Standing Orders the vice-chairperson may act in the absence of the chairperson, a vacancy is not an absence within the meaning of that standing order. Consequently, it is not open to a committee, particularly one such as this that requires the chairperson to be from the minority party, to proceed with business during a period of vacancy in the office of the chairperson.

It is however imperative to underline that contrary to the position implied by Senator Wamatangi in his request for directions that the removal of a chairperson renders a committee dysfunctional, the position is that such removal has no effect on the validity of the Committee except for the requirement that the Committee first elects a chairperson before proceeding with its the business.

Indeed, Honourable Senators, I note that, by correspondence dated 1st March, 2016 and addressed to members of the Sessional Committee on County Public Accounts and Investments, the Clerk of the Senate has, pursuant to standing order 183(2), appointed Thursday, 10th March, 2016, as the date on which the election of the Chairperson of the Sessional Committee on County Public Accounts and Investments shall be held.

I thank you."

The Chairperson of the Standing Committee on Health issued a statement on the emergence of the Zika viral disease. In the statement, the Chairperson informed the House that the disease is transmitted through the bite of an infected mosquito, primarily *Aedesaegypti*, and generally causes a mild illness which normally lasts for 2 to 7 days.

The Chairperson further informed the House that following the recent outbreak of Zika viral disease in Polynesia and Brazil, the World Health Organization (WHO) had declared the disease to be a public health emergency of international concern, with Kenya being classified as being medium risk for Zika viral disease epidemic. Consequently, the Ministry of Health was closely monitoring the evolution of the outbreak, and implementing several measures to detect and manage the disease.

Regarding the plans undertaken to ensure protection of Kenyan athletes who will participate in the August 2016 Olympic games in Brazil, the Chairperson informed the House that the Ministry of Health would train the medical team selected to take care of the team, on prevention, early detection and management of Zika virus disease.
