(Question to be put)*

**B.   MOTION - EXPRESSION OF DISPLEASURE**

(The Hon. (Dr). Patrick M. Musimba, M.P.)

**THAT**, pursuant to the provisions of Standing Order 87(1) and noting with concern that the Speaker of the National Assembly Hon. Justin Muturi, EGH, M.P. has and continues to degrade the character and the ability of the Honourable Members of this August House through making of contemptuous, malicious and unfounded allegations against them; aware that the said allegations have eroded the collective dignity, esteem and honour of Members of Parliament in and out of the House; concerned that the Speaker in so doing has failed in his Constitutional duty to protect the dignity, honour and integrity of National Assembly; this House expresses its displeasure and disappointment with the conduct of the Speaker and censures him.

**C.   MOTION - THE SPECIAL REPORT OF THE PUBLIC INVESTMENTS COMMITTEE**

(The Chairperson, Public Investments Committee)

## MORNING SITTING

**WEDNESDAY:**

25/3/2015

**Communication from the Chair, Petitions, Papers Laid, Notices  
Motions, Messages and Statements.**

**A. MOTION - PROPER DISPOSAL OF ALCOHOLIC CONTAINERS &  
ARRANGING RECREATIONAL ACTIVITIES DURING SCHOOL  
HOLIDAYS**

(The Hon. Kigo Njenga, M.P.)

**THAT**, aware that there has been an increase of alcohol use and abuse in Kenya especially in urban areas; further aware that over 2.2 million Kenyans are addicted to alcohol; noting that improper disposal of alcoholic containers has been on the rise leading to unintended exposure and use of containers for vending illicit brew especially by school going children; deeply concerned that this is both an environmental and a health risk; this House **urges** the government in conjunction with all relevant authorities particularly NACADA, to institute and ensure proper disposal of alcoholic containers and organize recreational activities during school holidays in all Constituencies, **to launch targeted campaigns in all constituencies towards safe disposal of these containers as well as recycling measures and enforce all existing laws relating to safe disposal of the said containers.**

*(Motion as amended)*

*(Resumption of debate interrupted on Wednesday, March 18, 2015 – Morning Sitting)  
(Balance of time 40 mins)*

**B. MOTION - TRANSLATION OF THE LAWS OF KENYA INTO  
KISWAHILI**

(The Hon. Joyce Wanjalah Lay, M.P.)

**THAT**, aware that Kiswahili is the national as well as official language of the Republic as enshrined in the Constitution; further aware that equality and freedom from discrimination and access to information are fundamental rights; cognizant of the fact that democracy and public participation of the people is a national value and principle of governance as per Article 10 of the Constitution; deeply concerned that a section of Kenyans have a low level of knowledge of their legal rights and laws passed by this House as a result of the existing language barriers; convinced that unless we, as a nation, lay down mechanisms for translating laws passed by Parliament and county assemblies into Kiswahili, most Kenyans will continue being partially aware of the law, this House **urges** the National Council for Law Reporting to progressively translate the laws of Kenya into Kiswahili.

**C. MOTION - REVIEW OF THE PROCEDURE & THE COST OF MARRIAGE REGISTRATION, & DECENTRALIZATION OF THE OFFICES OF THE REGISTRAR OF MARRIAGES**

(The Hon. Malulu Injendi, M.P.)

THAT, aware that the Marriage Act, 2014 was assented to by H.E the President on 29th April, 2014 and commenced on the 20th of May, 2014; noting that the act was by and large an amalgamation of the previous Acts, thus amendments relating to the regulations were minimal in effect; deeply concerned that there are only twelve offices for the registrar of marriages in the whole country, making it difficult for the hopefuls to issue notice of marriages; mindful of the fact that the upward revision of the marriage certificate acquisition fee is not affordable to many Kenyans, thus inhibiting them from registering marriages as envisaged by the new Act; this House **urges** the Government to review the procedure and the cost of marriage registration, and to decentralize the offices of the registrar of marriages to a minimum of all sub-counties so as to reduce bureaucracy and enhance accessibility.

**D. MOTION - PERIOD OF SERVICE FOR POLICE OFFICERS UPON COMPLETION OF SPECIALIZED TRAINING**

(The Hon. John Waluke, M.P.)

**THAT**, aware that the Kenya Police Service spends considerable resources on training officers among the cadre of trainees; further aware that many of the police detectives are hired by other government and private institutions as soon as they acquire the necessary expertise and experience; deeply concerned that this results in delayed and botched investigations and failed conclusion of critical prosecutions plus a high number of acquittals due to perennial shortage of specialized officers in critical departments such as ballistics, forensics, document examinations, fraud detection, money laundering, transnational crime and cyber crime; cognizant of the fact that private employers are able to offer superior terms, this House **urges** the Government to ensure that any Regular Police, Administration Police officer and Prisons Officer who benefits from specialized training at the taxpayers' expense should serve in the public sector for at least 10 years before leaving for the private sector or refund the public funds used in their training.

**E. MOTION - ESTABLISHMENT OF INTENSIVE CARE & BLOOD TRANSFUSION UNITS IN EVERY CONSTITUENCY**

(The Hon. Abdul Rahim Dawood, M.P.)

**THAT**, aware that the Country has been experiencing a series of fatal emergency situations that necessitate the need for urgent medical care and blood transfusions; deeply concerned that currently the country lacks sufficient blood reserves; noting that health services and blood donations in critical emergency situations are crucial to saving lives; this House **urges** the Government to consider setting up an Intensive Care Unit (ICU) and a blood transfusion unit in every constituency to provide medical care and blood in emergency situations.

**F. MOTION - DECLARATION OF CATTLE RUSTLING AS A NATIONAL DISASTER**

(The Hon. William Cheptumo, M.P.)

**THAT**, aware that cattle rustling is a major menace and security threat in the South and North Rift regions and other regions in the country; noting that cattle rustling leaves behind destruction of property and loss of lives; deeply concerned that the menace has since left irreparable and negative socio-economic impact which include but are not limited to increased number of widows, widowers, orphaned children, poverty, displacement of people leading to the emergency of Internally displaced persons (IDPS), disruption of educational programmes and other economic activities owing to the destruction and/or closure of educational, health and other institutions; deeply concerned that the people living in the affected regions have been denied the enjoyment of their social, economic and political rights as guaranteed to them under the Bill of Rights as enshrined in Chapter Four of the Constitution; this House **urges** that the National Government declares cattle rustling as a national disaster and establishes a Special Fund to be used in mitigating the losses suffered by and in compensating all victims of cattle rustling and resettle all Internally displaced persons across the country created by the menace.

### STATUS OF MOTIONS – 2015

#### **i) Motions Awaiting & Under Debate (Excluding Motions on Reports)**

NO.	SUBJECT	PROPOSER & STATUS
1.	<p><b><u>MOTION - DECENTRALIZATION OF THE REGISTRATION OF NATIONAL IDENTIFICATION CARDS</u></b></p> <p><b>THAT</b>, aware that devolution was meant to devolve governance and public services across the country, including access to basic services like acquisition of identity cards, passports, birth certificates, voters cards, among others; further noting that currently all registration of national identity cards only happens at one centre in Nairobi; cognizant of the fact that this delays the acquisition of identity cards, thus denying Kenyans their right to employment, ability to vote, access to public funds like Uwezo Fund and other crucial services, this House <b>resolves</b> that the Government decentralizes the registration of national identification cards to the county level to expedite the process and allow Kenyans to access public services in a timely manner.</p>	The Hon. Chris Wamalwa, MP, (Kimini Constituency)
2.	<p><b><u>MOTION - ESTABLISHMENT OF A SELECT COMMITTEE TO INVESTIGATE AND INQUIRE INTO THE CAUSES OF DEATH OF CERTAIN PERSONALITIES</u></b></p> <p><b>THAT</b>, aware that Article 26 of the Constitution guarantees the right of every person to life, and that no person shall be deprived of life intentionally; further aware that Article 35 provides for the right of access to all important information by all; cognizant of the fact that national leaders and their families form an integral part of national-being that builds and helps in forging unity; concerned that several national leaders and/or prominent personalities including the late Hon. Sen. Mutula Kilonzo, the late Hon. Sen. Otieno Kajwang' and the late Fidel Castro Odinga have lost their lives in unclear circumstances in the last two years; further concerned that the causes of death of these prominent national leaders have been shrouded in mystery creating unnecessary anxiety among different groups of people; this House <b>resolves</b> to establish a Select Committee to comprehensively investigate and inquire into the causes of death of the three personalities, consider and review all related findings on the deaths and table its report within ninety (90) days, and approves the following Members to constitute the Committee:-</p> <ol style="list-style-type: none"> <li>1. Adan Keynan, CBS, MP</li> <li>5. The Hon. Aisha Juma, MP</li> <li>6. The Hon. Bare Shill, MP</li> <li>7. The Hon. Charles Mongare Geni, MP</li> <li>8. The Hon. Florence Kajuku, MP</li> <li>9. The Hon. Samuel Chepkong'a, MP</li> <li>15. The Hon. (Dr.) Robert Pukose, MP</li> </ol>	<p>The Hon. Ken Obura, MP, (Kisumu Central Constituency)</p> <p><b>(Debate commence but deferred pursuant to SO 96 on Wednesday, March 4, 2015)</b></p>

3.	<p><b><u>MOTION - PROPER DISPOSAL OF ALCOHOLIC CONTAINERS AND ARRANGING RECREATIONAL ACTIVITIES DURING SCHOOL HOLIDAYS</u></b></p> <p><b>THAT</b>, aware that there has been an increase of alcohol use and abuse in Kenya especially in urban areas; further aware that over 2.2 million Kenyans are addicted to alcohol; noting that improper disposal of alcoholic containers has been on the rise leading to unintended exposure and use of containers for vending illicit brew especially by school going children; deeply concerned that this is both an environmental and a health risk; this House urges the Government in conjunction with all relevant authorities, particularly, NACADA, <b>to launch targeted campaigns in all constituencies towards safe disposal of these containers as well as recycling measures and enforce all existing laws relating to safe disposal of the said containers.</b></p>	<p>The Hon. Francis Kigo Njenga, MP, (Gatundu North Constituency) <b>(Debate ongoing)</b></p> <p>Motion as amended <b>(in bold)</b></p>
4.	<p><b><u>MOTION - TRANSLATION OF THE LAWS OF KENYA INTO KISWAHILI</u></b></p> <p><b>THAT</b>, aware that Kiswahili is the national as well as official language of the Republic as enshrined in the Constitution; further aware that equality and freedom from discrimination and access to information are fundamental rights; cognizant of the fact that democracy and public participation of the people is a national value and principle of governance as per Article 10 of the Constitution; deeply concerned that a section of Kenyans have a low level of knowledge of their legal rights and laws passed by this House as a result of the existing language barriers; convinced that unless we, as a nation, lay down mechanisms for translating laws passed by Parliament and county assemblies into Kiswahili, most Kenyans will continue being partially aware of the law, this House <b>urges</b> the National Council for Law Reporting to progressively translate the laws of Kenya into Kiswahili.</p>	<p>The Hon. Joyce Wanjalah Lay, MP (Taita Taveta County)</p>
5.	<p><b><u>MOTION - CREATION OF JOMO KENYATTA NATIONAL MEMORIAL</u></b></p> <p><b>THAT</b>, aware that, H.E. Jomo Kenyatta was the founding President of the Republic of Kenya and as such is an important historical figure; also aware that upon his death he was interred in a stone, glass and marble mausoleum on the grounds of Parliament; noting that unlike mausoleums of many other deceased Heads of state, President Jomo Kenyatta's tomb, though situated in a most public place, has been off limits to the citizens for 37 years and only open to the public during the anniversaries of his death, and on rare occasions when visiting Heads of State pay their respects; concerned that despite the clamor over the years for the mausoleum to be opened to the public and possibly be a tourist attraction, no steps have been taken in this regard; further concerned that 70 percent of Kenya's population is below the age of 40 years, to whom Jomo Kenyatta remains a distant historical figure with whom they have little or no connection despite his importance in Kenya's history, this House <b>resolves</b> that the Government creates the Jomo Kenyatta National Memorial at the current mausoleum similar to the one of the founding President of the USA, George Washington, where archival information of his life and his remains will be open to public viewing.</p>	<p>The Hon. Malulu Injendi, MP (Malava Constituency)</p>
6.	<p><b><u>MOTION - REVIEW OF THE PROCEDURE &amp; COST OF MARRIAGE REGISTRATION, &amp; DECENTRALIZATION OF THE OFFICES OF REGISTRAR OF MARRIAGES</u></b></p> <p><b>THAT</b>, aware that the Marriage Act, 2014 was assented to by H.E the President on 29<sup>th</sup> April, 2014 and commenced on the 20<sup>th</sup> of May, 2014; noting that the act was by and large an amalgamation of the previous Acts, thus amendments relating to the regulations were minimal in effect; deeply concerned that there are only twelve offices for the registrar of marriages in the whole country, making it difficult for the hopefuls to issue notice of marriages; mindful of the fact that the upward revision of the marriage certificate acquisition fee is not affordable to many Kenyans, thus inhibiting them from registering marriages as envisaged by the new Act; this House <b>urges</b> the Government to review the procedure and the cost of marriage registration, and to decentralize the offices of the registrar of marriages to a minimum of all sub-counties so as to reduce bureaucracy and enhance accessibility.</p>	<p>The Hon. Malulu Injendi, MP (Malava Constituency)</p>

7.	<p><b><u>MOTION - PERIOD OF SERVICE FOR POLICE OFFICERS UPON COMPLETION OF SPECIALIZED TRAINING</u></b></p> <p><b>THAT</b>, aware that the Kenya Police Service spends considerable resources on training officers among the cadre of trainees; further aware that many of the police detectives are hired by other government and private institutions as soon as they are acquire the necessary expertise and experience; deeply concerned that this results in delayed and botched investigations and failed conclusion of critical prosecutions plus a high number of acquittals due to perennial shortage of specialized officers in critical departments such as ballistics, forensics, document examinations, fraud detection, money laundering, transnational crime and cyber crime; cognizant of the fact that private employers are able to offer superior terms, this House <b>urges</b> the Government to ensure that any Regular Police, Administration Police officer and Prisons Officer who benefits from specialized training at the taxpayers' expense should serve in the public sector for at least 10 years before leaving for the private sector or refund the public funds used in their training.</p>	The Hon. John Waluke Koyi, MP, (Sirisia Constituency)
8.	<p><b><u>MOTION - ESTABLISHMENT OF INTENSIVE CARE &amp; BLOOD TRANSFUSION UNITS IN EVERY CONSTITUENCY</u></b></p> <p><b>THAT</b>, aware that the Country has been experiencing a series of fatal emergency situations that necessitate the need for urgent medical care and blood transfusions; deeply concerned that currently the country lacks sufficient blood reserves; noting that health services and blood donations in critical emergency situations are crucial to saving lives; this House <b>urges</b> the Government to consider setting up an Intensive Care Unit (ICU) and a blood transfusion unit in every constituency to provide medical care and blood in emergency situations.</p>	The Hon. Abdul Rahim Dawood, MP (North Imenti Constituency)
9.	<p><b><u>MOTION - DECLARATION OF CATTLE RUSTLING AS A NATIONAL DISASTER &amp; ESTABLISHMENT OF A SPECIAL FUND FOR VICTIMS</u></b></p> <p><b>THAT</b>, aware that cattle rustling is a major menace and security threat in the South and North Rift regions and other regions in the country; noting that cattle rustling leaves behind destruction of property and loss of lives; deeply concerned that the menace has since left irreparable and negative socio-economic impact which include but are not limited to increased number of widows, widowers, orphaned children, poverty, displacement of people leading to the emergency of Internally displaced persons (IDPS), disruption of educational programmes and other economic activities owing to the destruction and/or closure of educational, health and other institutions; deeply concerned that the people living in the affected regions have been denied the enjoyment of their social, economic and political rights as guaranteed to them under the Bill of Rights as enshrined in Chapter Four of the Constitution; this House <b>urges</b> that the National Government declares cattle rustling as a national disaster and establishes a Special Fund to be used in mitigating the losses suffered by and in compensating all victims of cattle rustling and resettle all Internally displaced persons across the country created by the menace.</p>	The Hon. William Cheptumo, MP (Baringo North Constituency)
10.	<p><b><u>MOTION - TRACKING AND REGISTRATION OF FIREARMS IN THE COUNTRY</u></b></p> <p><b>THAT</b>, aware that many innocent Kenyans have been victims of crime attributable to stolen and illegally acquired firearms; concerned that, despite the proliferation of small arms, there has not been efforts to track location, movement and use of firearms held by licensed persons and the disciplined forces; acknowledging the need to adopt a mechanism for providing real-time geophysical location and movement of firearms to facilitate recovery of stolen firearms and forensic identification of guns used in crime scenes; cognizant of the fact that a number of countries continue to implement modern technologies to regulate, monitor and track use of firearms; further aware that use of electronic tracking technologies, including the Global Positioning Systems (GPS) has been used to track and record location and movement of firearms; this House <b>urges</b> the Government to fit all guns held by licensed persons and the disciplined forces with electronic tracking devices and ensure the proper and comprehensive registration of all</p>	The Hon. 	firearms in the country in order to curb insecurity.	
11.	<p><b><u>MOTION – DEVELOPMENT AND IMPLEMENTATION OF A NATIONAL CURRICULUM FOR EMERGENCY TRAINING OF ALL MEDICAL PERSONNEL</u></b></p> <p><b>THAT</b>, aware that Article 43 (1) (a) and (2) of the Constitution provides for the right to the highest attainable standard of health for every person; further aware that emergency health care is an important component of standard health services; concerned that many lives continue to be lost due to lack of adequate emergency health care and poor response to emergencies in the country; noting that only 13% of public health facilities in the Country have basic components to support emergency cases; deeply concerned that emergency patients are exposed to untrained personnel and/or good Samaritans who in most cases worsen the situation; cognizant of the need for the Country to have a well-coordinated emergency care system; this House resolves that the Government immediately develops and implements a national curriculum for emergency training of all medical personnel in the Country.</p>	The Hon. (Dr.) Susan Musyoka, MP (Machakos County)
12.	<p><b><u>MOTION – ENGAGING THE NATIONAL YOUTH SERVICE LABOUR FORCE &amp; MACHINERY TO CONSTRUCT EARTH-DAMS</u></b></p> <p><b>THAT</b>, aware that Article 43(1)(c) of the Constitution provides that every person has the right to be free from hunger and to have adequate food of acceptable quality; further aware that Kenya's food production is heavily dependent on rain-fed agriculture; cognizant of the fact that counties such as Kitui, Makueni and Machakos in semi-arid and arid lower Eastern part of the country experience perennial food shortages due to inadequate rainfall; noting that these counties however receive seasonal rainfall whose water can be harnessed and stored for irrigation; appreciating that the Government has invested heavily in the National Youth Service in terms of machinery and technical training; this House urges the Government to consider engaging the labour force and machinery of the National Youth Service to construct earth-dams for harnessing water for irrigation with a view to enhancing food production and alleviating hunger among the residents of the said counties and other semi-arid and arid regions of this country.</p>	The Hon. Joe Musyimi Mutambu, MP (Mwingi Central Constituency)
13.	<p><b><u>MOTION - IMPLEMENTATION OF FLEXIBLE WORK POLICIES</u></b></p> <p><b>THAT</b>, aware that Section 27(1) of the Employment Act provides that <i>“An employer shall regulate the working hours of each employee in accordance with the provisions of this Act and any other written law”</i>; further aware that motorists and passengers waste a lot of time in traffic jams during rush hours; noting the importance of quality output from employees as well as the ability to juggle between work and family responsibility; this House urges the Government to implement flexible work policies that will allow employees to schedule work during favourable times in order to accomplish more and provide time for recreational activities such as sports.</p>	The Hon. Muthomi Njuki, MP (Chuka Igambang'ombe Constituency)
14.	<p><b><u>MOTION – EXPRESSION OF DISPLEASURE</u></b></p> <p><b>THAT</b>, pursuant to the provisions of Standing Order 87(1) and noting with concern that the Speaker of the National Assembly Hon.
