D. MOTION - COMPENSATION OF MAU MAU VICTIMS BY THE BRITISH GOVERNMENT

(Hon. Patrick Wangamati, MP)

THAT, aware that in 2013 the British Government agreed to pay Kenyans who were abused, tortured maimed and detained by British colonial forces during the *Mau Mau* uprising in 1952 and onwards compensation of Kshs. 2.5 billion as an out of court settlement; further aware that the compensation was only paid to a section of *Mau Mau* victims from Kiambu and Nyeri counties, leaving out victims from Meru, Kirinyanga, Murang'a, Embu, Kajiado and other parts of Kenya; cognizant of the fact that the leaders from the two counties initiated a court process claim for compensation to the victims who were eventually compensated; noting that the struggle for independence in this country

involved various communities and individuals like the followers of *Dini ya Musambwa* movement who took part in the uprising against the colonial government, and were also killed, tortured and detained and therefore also deserve equal compensation from the British Government; also aware that the British Government has accepted to release further compensation money, on condition that only the victims who are still alive and can prove that they were tortured will be compensated from these monies, this House resolves that the Government ensures that compensation from the British Government goes to all affected homes and families of victims who are still alive all over the country.

E. MOTION - ABOLISHMENT OF THE RANKING SYSTEM IN NATIONAL EXAMINATIONS

(Hon. Chris Wamalwa, MP)

THAT, aware that Article 35 (1) (a) of the Constitution provides for the right of access to information held by the state; further aware that the education sector has recently been marred by confusion and unnecessary anxiety due to the abolishment of the ranking system in national examinations; concerned that this action by the Ministry of Education was arrived at without due consultation with all relevant stakeholders including KUPPET, KNUT, the parent associations, investors in the sector among others, contrary to Article 118 of the Constitution; cognizant of the fact that the ranking system has been a long-held tradition in the sector both locally and internationally, and has been a source of positive competition, motivation, rewarding and an important guideline for resource allocation; this House **resolves** that the government through the Ministry immediately reverts to the ranking system for national examination and specifically the Kenya Certificate of Primary Education (KCPE) and the Kenya Certificate of Secondary Education (KCSE).

F. MOTION - ESTABLISHMENT OF A SELECT COMMITTEE TO INVESTIGATE AND INQUIRE INTO THE CAUSES OF DEATH OF CERTAIN PERSONALITIES

(Hon. Ken Obura, MP)

THAT, aware that Article 26 of the Constitution guarantees the right of every person to life, and that no person shall be deprived of life intentionally; further aware that Article 35 provides for the right of access to all important information by all; cognizant of the fact that national leaders and their families form an integral part of national-being that builds and helps in forging unity; concerned that several national leaders and/or prominent personalities including the late Hon. Sen. Mutula Kilonzo, the late Hon. Sen. Otieno Kajwang' and the late Fidel Castro Odinga have lost their lives in unclear circumstances in the last two years; further concerned that the causes of death of these prominent national leaders have been shrouded in mystery creating unnecessary anxiety among different groups of people; this House **resolves** to establish a Select Committee to comprehensively investigate and inquire into the causes of death of the three personalities, consider and review all related findings on the deaths and table its report within ninety (90) days, and approves the following Members to constitute the Committee:-

1. Hon. Ken Obura, MP - **Chairperson**

G. MOTION - PROPER DISPOSAL OF ALCOHOLIC CONTAINERS & ARRANGING RECREATIONAL ACTIVITIES DURING SCHOOL HOLIDAYS

(The Hon. Kigo Njenga, MP)

THAT, aware that there has been an increase of alcohol use and abuse in Kenya especially in urban areas; further aware that over 2.2 million Kenyans are addicted to alcohol; noting that improper disposal of alcoholic containers has been on the rise leading to unintended exposure and use of containers for vending illicit brew especially by school going children; deeply concerned that this is both an environmental and a health risk; this House urges the government in conjunction with all relevant authorities particularly NACADA, to institute and ensure proper disposal of alcoholic containers and organize recreational activities during school holidays in all Constituencies.

H. MOTION - TRANSLATION OF THE LAWS OF KENYA INTO KISWAHILI

(The Hon. Joyce Wanjalah Lay, MP)

THAT, aware that Kiswahili is the national as well as official language of the Republic as enshrined in the Constitution; further aware that equality and freedom from discrimination and access to information are fundamental rights; cognizant of the fact that democracy and public participation of the people is a national value and principle of governance as per Article 10 of the Constitution; deeply concerned that a section of Kenyans have a low level of knowledge of their legal rights and laws passed by this House as a result of the existing language barriers; convinced that unless we, as a nation, lay down mechanisms for translating laws passed by Parliament and county assemblies into Kiswahili, most Kenyans will continue being partially aware of the law, this House urges the National Council for Law Reporting to progressively translate the laws of Kenya into Kiswahili.

ANNEX III

STATUS OF MOTIONS – 2015

i) Motions Awaiting Debate

NO.	SUBJECT	PROPOSER
1.	<p><u>MOTION - COMPENSATION OF MAU MAU VICTIMS BY THE BRITISH GOVERNMENT</u></p> <p>THAT, aware that in 2013 the British Government agreed to pay Kenyans who were abused, tortured maimed and detained by British colonial forces during the Mau Mau uprising in 1952 and onwards compensation of Kshs. 2.5 billion as an out of court settlement; further aware that the compensation was only paid to a section of Mau Mau victims from Kiambu and Nyeri counties, leaving out victims from Meru, Kirinyanga, Murang'a, Embu, Kajiado and other parts of Kenya; cognizant of the fact that the leaders from the two counties initiated a court process claim for compensation to the victims who were eventually compensated; noting that the struggle for independence in this country involved various communities and individuals like the followers of <i>Dini ya Musambwa</i> movement who took part in the uprising against the colonial government, and were also killed, tortured and detained and therefore also deserve equal compensation from the British Government; also aware that the British Government has accepted to release further compensation money, on condition that only the victims who are still alive and can prove that they were tortured will be compensated from these monies, this House resolves that the Government ensures that compensation from the British Government goes to all affected homes and families of victims who are still alive all over the country.</p>	The Hon. Patrick Wangamati, MP, (Nominated Member)
2.	<p><u>MOTION - ABOLISHMENT OF THE RANKING SYSTEM IN NATIONAL EXAMINATIONS</u></p> <p>THAT, aware that Article 35 (1) (a) of the Constitution provides for the right of access to information held by the state; further aware that the education sector has recently been marred by confusion and unnecessary anxiety due to the abolishment of the ranking system in national examinations; concerned that this action by the Ministry of Education was arrived at without due consultation with all relevant stakeholders including KUPPET, KNUT, the parent associations, investors in the sector among others, contrary to Article 118 of the Constitution; cognizant of the fact that the ranking system has been a long-held tradition in the sector both locally and internationally, and has been a source of positive competition, motivation, rewarding and an important guideline for resource allocation; this House resolves that the government through the Ministry immediately reverts to the ranking system for national examination and specifically the Kenya Certificate of Primary Education (KCPE) and the Kenya Certificate of Secondary Education (KCSE).</p>	The Hon. Chris Wamalwa, MP (Kimini Constituency)
3.	<p><u>MOTION - DECENTRALIZATION OF THE REGISTRATION OF NATIONAL IDENTIFICATION CARDS</u></p> <p>THAT, aware that devolution was meant to devolve governance and public services across the country, including access to basic services like acquisition of identity cards, passports, birth certificates, voters cards, among others; further noting that currently all registration of national identity cards only happens at one centre in Nairobi; cognizant of the fact that this delays the acquisition of identity cards, thus denying Kenyans their right to employment, ability to vote, access to public funds like Uwezo Fund and other crucial services, this House resolves that the Government decentralizes the registration of national identification cards to the county level to expedite the process and allow Kenyans to access public services in a timely manner.</p>	The Hon. Chris Wamalwa, MP, (Kimini Constituency)

4.	<p><u>MOTION - ESTABLISHMENT OF A SELECT COMMITTEE TO INVESTIGATE AND INQUIRE INTO THE CAUSES OF DEATH OF CERTAIN PERSONALITIES</u></p> <p>THAT, aware that Article 26 of the Constitution guarantees the right of every person to life, and that no person shall be deprived of life intentionally; further aware that Article 35 provides for the right of access to all important information by all; cognizant of the fact that national leaders and their families form an integral part of national-being that builds and helps in forging unity; concerned that several national leaders and/or prominent personalities including the late Hon. Sen. Mutula Kilonzo, the late Hon. Sen. Otieno Kajwang' and the late Fidel Castro Odinga have lost their lives in unclear circumstances in the last two years; further concerned that the causes of death of these prominent national leaders have been shrouded in mystery creating unnecessary anxiety among different groups of people; this House resolves to establish a Select Committee to comprehensively investigate and inquire into the causes of death of the three personalities, consider and review all related findings on the deaths and table its report within ninety (90) days, and approves the following Members to constitute the Committee:-</p> <table><tr><td>1. 5.	<p><u>MOTION - TRANSLATION OF THE LAWS OF KENYA INTO KISWAHILI</u></p> <p>THAT, aware that Kiswahili is the national as well as official language of the Republic as enshrined in the Constitution; further aware that equality and freedom from discrimination and access to information are fundamental rights; cognizant of the fact that democracy and public participation of the people is a national value and principle of governance as per Article 10 of the Constitution; deeply concerned that a section of Kenyans have a low level of knowledge of their legal rights and laws passed by this House as a result of the existing language barriers; convinced that unless we, as a nation, lay down mechanisms for translating laws passed by Parliament and county assemblies into Kiswahili, most Kenyans will continue being partially aware of the law, this House urges the National Council for Law Reporting to progressively translate the laws of Kenya into Kiswahili.</p>	The Hon. Joyce Wanjalah Lay, MP (Taita Taveta County)																														
6.	<p><u>MOTION - PROPER DISPOSAL OF ALCOHOLIC CONTAINERS AND ENSURING ORGANIZE RECREATIONAL ACTIVITIES DURING SCHOOL HOLIDAYS</u></p> <p>THAT, aware that there has been an increase of alcohol use and abuse in Kenya especially in urban areas; further aware that over 2.2 million Kenyans are addicted to alcohol; noting that improper disposal of alcoholic containers has been on the rise leading to unintended exposure and use of containers for vending illicit brew especially by school going children; deeply concerned that this is both an environmental and a health risk; this House urges the government in conjunction with all relevant authorities particularly NACADA, to institute and ensure proper disposal of alcoholic containers and organize recreational activities during school holidays in all Constituencies.</p>	Hon. Francis Kigo Njenga, MP, (Gatundu North Constituency)																														

7.	<p><u>MOTION -</u></p> <p>THAT, aware that, H.E. Jomo Kenyatta was the founding President of the Republic of Kenya and as such is an important historical figure; also aware that upon his death he was interred in a stone, glass and marble mausoleum on the grounds of Parliament; noting that unlike mausoleums of many other deceased Heads of state, President Jomo Kenyatta's tomb, though situated in a most public place, has been off limits to the citizens for 37 years and only open to the public during the anniversaries of his death, and on rare occasions when visiting Heads of State pay their respects; concerned that despite the clamor over the years for the mausoleum to be opened to the public and possibly be a tourist attraction, no steps have been taken in this regard; further concerned that 70 percent of Kenya's population is below the age of 40 years, to whom Jomo Kenyatta remains a distant historical figure with whom they have little or no connection despite his importance in Kenya's history, this House resolves that the Government creates the Jomo Kenyatta National Memorial at the current mausoleum similar to the one of the founding President of the USA, George Washington, where archival information of his life and his remains will be open to public viewing.</p>	Hon. Malulu Injendi, MP (Malava Constituency)
8.	<p><u>MOTION -</u></p> <p>THAT, aware that the Marriage Act, 2014 was assented to by H.E the President on 29th April, 2014 and commenced on the 20th of May, 2014; noting that the act was by and large an amalgamation of the previous Acts, thus amendments relating to the regulations were minimal in effect; deeply concerned that there are only twelve offices for the registrar of marriages in the whole country, making it difficult for the hopefuls to issue notice of marriages; mindful of the fact that the upward revision of the marriage certificate acquisition fee is not affordable to many Kenyans, thus inhibiting them from registering marriages as envisaged by the new Act; this House urges the Government to review the procedure and the cost of marriage registration, and to decentralize the offices of the registrar of marriages to a minimum of all sub-counties so as to reduce bureaucracy and enhance accessibility.</p>	Hon. Malulu Injendi, MP (Malava Constituency)
9.	<p><u>MOTION -</u></p> <p>THAT, aware that the Kenya Police Service spends considerable resources on training officers among the cadre of trainees; further aware that many of the police detectives are hired by other government and private institutions as soon as they are acquire the necessary expertise and experience; deeply concerned that this results in delayed and botched investigations and failed conclusion of critical prosecutions plus a high number of acquittals due to perennial shortage of specialized officers in critical departments such as ballistics, forensics, document examinations, fraud detection, money laundering, transnational crime and cyber crime; cognizant of the fact that private employers are able to offer superior terms, this House urges the Government to ensure that any Regular Police, Administration Police officer and Prisons Officer who benefits from specialized training at the taxpayers' expense should serve in the public sector for at least 10 years before leaving for the private sector or refund the public funds used in their training.</p>	The Hon. John Waluke Koyi, MP, (Sirisia Constituency)
