

REPUBLIC OF KENYA

TWELFTH PARLIAMENT

THE NATIONAL ASSEMBLY – (FIRST SESSION)

(No. 03 of 2017)

COMMUNICATION FROM THE CHAIR ON THE BUNGE SPORTS CLUB

Honourable Members,

The Parliament of Kenya has endeavoured to provide an all-round favourable working environment for Members of Parliament and the staff. In doing so, the institution has put in place various mechanisms intended to promote professional and personal wellbeing of Members and the staff of Parliament. The Bunge Sports Club is one such mechanism.

The Bunge Sports Club is as old as the Parliament of Kenya. The objective of the club is to enhance sporting activities in Parliament. The club was established out of the realization that sporting activities offer a much-needed platform for Members of Parliament to interact with one another and the wider public away from the rigors of the legislative business of the House. Additionally, sports accord participants innumerable health benefits ranging from overall wellbeing to general physical fitness.

Honourable Members,

The Parliament of Kenya, through the Bunge Sports Club often participates in various sporting activities nationally as well at the regional level where the various legislatures of the member states of the East African Community (EAC) compete against each other through the auspices of the East African Legislative Assembly (EALA). In this regard,

the Parliament of Kenya has participated in and emerged as the overall best team in different disciplines during the East African Community (EAC) Games over the years.

Kenya had the privilege of hosting the most recent edition of the East African Community Games in Mombasa in December, 2016. The event recorded unprecedented success attracting Corporate partners, local as well as international media.

In the circumstances, Honourable Members are invited to take part in the various sporting activities planned by the Bunge Sports Club. Details regarding Bunge Sports Club can be obtained from the Health Club, Continental House, Parliament Buildings.

I Thank You!
