INSTITUTIONS**

(The Hon. Geoffrey Odanga, M.P.)

THAT, aware that cases of unbecoming conduct among young people has been on the rise as exemplified by runaway drug abuse and addiction, drunkenness, sexual orgies and general irresponsibility; and deeply concerned that these incidents of loose morals have been worsened in the recent past by emerging radicalization of the youth leading to inclination towards terrorism and lawlessness, this House **urges** the National Government to consider deploying chaplains to all secondary schools and tertiary institutions in order to instill desired morals, social virtues, national values and a sense of responsibility, to address and root out moral decadence at an early age, and to supplement the work of guidance and counselling departments operating in these institutions.

*(Resumption of debate interrupted on Wednesday, August 10, 2016 – Morning Sitting)
(Balance of time – 2 hours)*

**D. MOTION – FREE ISSUANCE OF KENYA POLICE MEDICAL
EXAMINATION (P3) FORMS**

(The Hon. Omar Mwinyi, M.P.)

THAT, aware that the Kenya Police Medical Examination(P3) form is a legal document that is produced in a court of law as evidence in cases which involve body injury; noting that victims are required to have the P3 form completed by a certified public medical officer; further aware that the victims are charged a fee for this service by the hospitals attending to this particular service; concerned that most citizens are financially challenged hence the medical fee charged by the hospitals, is in contravention of Article 48 of the Constitution on access to justice; deeply concerned that if the situation is left unchecked, it

may lead to continued abuse of the poor, delayed justice and possible incidents of unrest; this House **urges** the Government to ensure that completion of P3 forms is offered free of charge at all public healthcare facilities.

E. MOTION – SUPPORT FOR YOUTH INNOVATION BY THE GOVERNMENT

(The Hon. Isaac Mwaura, M.P.)

THAT, aware that there are many talents amongst the youth of this country; having noted that this talents have been severally displayed through various inventions and innovations by the youth in platforms such as the Science Congress and the Annual Youth Innovation Week; concerned, that most of these discoveries do not go beyond making sensational newspaper and electronic media stories; noting that most of these innovations are aimed at addressing the problems that afflict us as Kenyans on a daily basis; further concerned that there is inadequate enabling legislation and administrative measures to support these innovations; cognizant of the fact that the Kenya Vision 2030 seeks to make our country an industrialized middle-income economy in the next 14 years; aware of the immense potential for wealth creation and job opportunities that such innovations would generate if well-developed and commercialized; also recognizing that our imports are well in excess of Kshs. 1.3 billion shillings, a gap that would be narrowed if we had our own local production, this House urges the Government to support youth innovation by creating an innovation fund and a national incubation system, among other measures.

F. MOTION– ESTABLISHMENT OF SELECT COMMITTEE TO INVESTIGATE MATTERS RELATING TO GMOs

(The Hon. (Dr.) Wilber Ottichilo, M.P.)

THAT, aware that the Government banned the importation of Genetically Modified Organisms (GMO) imports in 2012; further aware that the Ministry of Health which initiated the ban has consistently maintained that GMO foods are not safe for human and animal consumption; considering that no tangible evidence on the same has been provided; cognizant of the fact that local and international scientific institutions and stakeholders have consistently endorsed the use of GMO foods as a necessary measure for the present and future food security in the Country; concerned that the National Bio-Safety Authority (NBA) established under Bio-Safety Act was not involved in the decision to ban the use of GMO foods in the country; concerned that the Country continues to lose millions of shillings monthly in lost business opportunities related to GMO products; further concerned that research on bio-technology and bio-safety has stalled; this House Resolves to establish a Select Committee to comprehensively investigate and inquire into all matters relating to GMOs, consider and review all related research findings and make recommendations and table its report within ninety (90) days and approves the following Members to constitute the Committee:

1. The Hon. (Dr.) Wilber Ottichilo, MP - Chairperson
2. The Hon. Japhet Kareke Mbiuki, MP

17. The Hon. Richard Katemi Makenga, MP

G. MOTION – RECRUITMENT OF SCHOOL BURSARS TO ENSURE PRUDENT UTILIZATION/MANAGEMENT OF FREE PRIMARY EDUCATION FUNDS

(The Hon. James Luswet, M.P.)

THAT, aware that Free Primary Education is an important milestone to economic and social development in the country; further aware that since the introduction of Free Primary Education (FPE) in 2002, the Government has spent huge amount of money on the programme; noting that the recent Report by the Ministry of Education submitted to the Ethics and Anti-Corruption Commission (EACC) indicated that the Government could be losing millions of capitation funds in public schools through inflated enrollment figures, fraudulent deals that include irregular allocation of funds, procurement of goods and questionable expenditure by Head teachers; concerned that the spirit of FPE was to provide a chance to every student in the country to acquire free education, giving effect to Article 43(1)(f) of the Constitution; noting that most Head teachers do not possess requisite financial management skills to proficiently handle FPE funds; this House **urges** that the Government, through County Education Boards to recruit School Bursars to ensure prudent utilization/management of FPE funds disbursed to various schools in the country.

H. MOTION – FORMULATION OF A POLICY TO GUARANTEE CAREER ADVANCEMENT, PROMOTIONS AND SECURITY OF TENURE FOR PUBLIC SERVANTS

(The Hon. Joyce Emanikor, M.P.)

THAT, aware that a sufficiently skilled and trained workforce is an essential pillar for attainment of Kenya's Vision 2030; further aware that the number of doctors, accountants, engineers, teachers, nurses, lecturers, scientists and other professionals in the public sector undertaking further studies of specialized skills within or outside the country is on the increase: **deeply concerned** that quite a number of professionals seemingly get demoralized

by the fact that on returning from studies abroad or after undertaking further studies locally they are either deployed to lower positions, placed below supervisors whose skills they exceed or stagnate in the same position they were before furthering their skills; **further concerned** by the fact that most of them thereafter opt to leave the public service for the private sector, civil society or Non-Governmental Organizations (NGOs) or even migrate abroad in search of greener pastures leading to regrettable brain drain; this House resolves that the Government establishes a comprehensive policy to guarantee career advancement, promotions and security of tenure for public servants and officers who undertake to refine their skills through further studies.

ANNEX III

C. STATUS OF MOTIONS – 2016

(i) Motions Awaiting & Under Debate *(Does not include Motions on Reports)*

NO.	SUBJECT	PROPOSER & STATUS
1.	<p><u>MOTION - INTRODUCTION OF KENYAN SIGN LANGUAGE IN PRIMARY SCHOOLS</u></p> <p>THAT, aware that Article 7 (3) (b) of the Constitution provides that a State shall promote the development and use of indigenous language, Kenyan Sign language, Braille and other communication formats and technologies accessible to persons with disabilities; further aware that Article 54 (d) provides that a person with disability is entitled to use sign language or other appropriate means of communication; noting that sign language for the deaf is the most important source of knowledge, access to national participation and of great importance to their school work; cognizant of the fact that Kenyan sign language is the medium of communication for the deaf with the community, this House urges that the Government introduces Kenyan sign language to be taught in schools as part of the primary school curriculum to enable Kenyans to acquire the basic skills to communicate with people that have a hearing impairment.</p>	Hon. Isaac Mwaura, MP (Nominated Member)
2.	<p><u>MOTION - ESTABLISHMENT OF TEACHER-AID SCHEME FOR LEARNERS WITH SPECIAL NEEDS</u></p> <p>THAT, aware that many learners with disabilities are not able to attend school due to various barriers such as, negative attitudes from the society, poverty and depravity; concerned that only 2% of learners with disabilities are enrolled in learning institutions as per research conducted by the United Nations Educational and Socio-Cultural Organization (UNESCO); noting that the completion rates of learners with disabilities from primary, secondary and university education remains low; cognizant of the fact that teachers of learners with disabilities require more time to teach students with disabilities than other children; mindful that they do this without due assistance whatsoever for other co-curricular auxiliary/support services such as feeding, orientation and mobility, toileting, interpretation and transcription, this House urges the Government, through the Ministry of Education, to allocate resources to establish a teacher-aid scheme for schools and units of learners with special needs.</p>	Hon. Isaac Mwaura, MP (Nominated Member)
3.	<p><u>MOTION - SUPPORT FOR YOUTH INNOVATIONS BY THE GOVERNMENT</u></p> <p>THAT, aware that there are many talents amongst the youth of this country; having noted that this talents have been severally displayed through various inventions and innovations by the youth in platforms such as the Science Congress and the Annual Youth Innovation Week; concerned, that most of these discoveries do not go beyond making sensational newspaper and electronic media stories; noting that most of these innovations are aimed at addressing the problems that afflict us as Kenyans on a daily basis; further concerned that there is inadequate enabling legislation and administrative measures to support these innovations; cognizant of the fact that the Kenya Vision 2030 seeks to make our country an industrialized middle-income economy in the next 14 years; aware of the immense potential for wealth creation and job opportunities that such innovations would generate if well-developed and commercialized; also recognizing that our imports are well in excess of Kshs. 1.3 billion shillings, a gap that would be narrowed if we had our own local production, this House urges the Government to support youth innovation by creating an innovation fund and a national incubation system, among other measures.</p>	Hon. Isaac Mwaura, MP (Nominated Member)

4.	<p><u>MOTION - ESTABLISHMENT OF A SELECT COMMITTEE TO INQUIRE INTO THE CIRCUMSTANCES & FORCES BEHIND YOUTH VULNERABILITY TO RADICALIZATION</u></p> <p>THAT, aware that national security, peace and stability is integral for national development; worried that the stability of Kenya continues to be susceptible to sporadic terror attacks by militant groups; further concerned that the escalating incidences of terrorism and violence could be attributed to radicalization of young people; alarmed that the number of young persons from across the country being lured or coerced into joining radical terrorist organizations continues to increase; concerned that despite the history of extremism and radicalization in the country, little empirical inquiry has been conducted to determine the forces behind youth vulnerability to religious and other forms of radicalization; cognizant of the fact that spontaneous and reactionary Government responses in combating extremism and radicalization has borne little fruit; appreciating the role that comprehensive understanding of factors behind radicalization and extremism can play in overcoming this vice; this House resolves to establish a select Committee to inquire into and report within ninety (90) days on the circumstances and forces behind vulnerability of young persons to radicalization, and approves the following Members to constitute the Committee:-</p> <ol style="list-style-type: none"> 1. The Hon. Kanini Kega, MP; 2. The Hon. Yusuf Hassan, MP; 3. The Hon. Mishi Juma, MP; 4. The Hon. Francis Chachu Ganya, MP; 5. The Hon. Kimani Ngunjiri, MP; 6. The Hon. David Ochieng, MP; 7. The Hon. Kanini Kega, MP (Kieni Constituency)
5.	<p><u>MOTION - ESTABLISHMENT AND EQUIPPING OF LACTATION CENTRES</u></p> <p>THAT, aware that breastfeeding in society is a nurturing activity as well as a basic human need; noting that breast milk contains essential nutrients and contains growth factors that enhance the maturation of an infant's organ systems; further aware that women require safe conditions to encourage, protect and support the practice of breastfeeding; cognizant of the fact that an environment where basic physical, emotional, and psychological needs of mothers and infants are fulfilled through the practice of comfortably breastfeeding will enable them realize their full potential; concerned that public places such as schools, transportation terminals and shopping malls do not have secluded areas where nursing mothers can breastfeed or express their milk comfortably or wash up; deeply concerned that doing this activity in the rest rooms is not only uncomfortable but also unhygienic; this House resolves that the Ministry of Health enforces the establishment of adequately equipped lactation stations at all health and non-health facilities, that shall promote and encourage breastfeeding and provide the specific measures that would present opportunities for mothers to continue expressing their milk and/or breastfeeding their infant or young child.</p>	Hon. Abdikadir Ore, MP (Wajir West Constituency)

6.	<p><u>MOTION - DEVELOPMENT OF NATIONAL SOILS SURVEY POLICY</u></p> <p>THAT, aware that soil productivity is dependent on its type and fertility levels among other factors; further aware that soil fertility in most of our country's high potential areas has been significantly eroded due to long-term and continuous use of chemical fertilizers which have led to the general acidification of the soils and consequently drastic decline in food production per unit area; concerned that the current Government food security strategy is focused mainly on increasing food production through intensified use of traditional chemical fertilizers regardless of their type and long-term impact on the soils; aware that the Government plans to establish a fertilizer factory in order to fast-track the achievement of the said strategy; further aware that there is increasing use of organic rather than chemical fertilizers in food production; this House resolves that the Government formulates policies for undertaking of a comprehensive national soils survey to determine their current status which will then inform the types of remedial measures to be taken to improve soil fertility and what types of appropriate fertilizers can be used to sustainably improve the production of diversified food crops in different areas.</p>	Hon. (Dr.) Wilber Ottichilo, MP (Emuhaya Constituency)
7.	<p><u>MOTION - ESTABLISHMENT OF SELECT COMMITTEE TO INVESTIGATE MATTERS RELATING TO GMOs</u></p> <p>THAT, aware that the Government banned the importation of Genetically Modified Organisms (GMO) imports in 2012; further aware that the Ministry of Health which initiated the ban has consistently maintained that GMO foods are not safe for human and animal consumption; considering that no tangible evidence on the same has been provided; cognizant of the fact that local and international scientific institutions and stakeholders have consistently endorsed the use of GMO foods as a necessary measure for the present and future food security in the Country; concerned that the National Bio-Safety Authority (NBA) established under Bio-Safety Act was not involved in the decision to ban the use of GMO foods in the country; concerned that the Country continues to lose millions of shillings monthly in lost business opportunities related to GMO products; further concerned that research on bio-technology and bio-safety has stalled; this House Resolves to establish a Select Committee to comprehensively investigate and inquire into all matters relating to GMOs, consider and review all related research findings and make recommendations and table its report within ninety (90) days and approves the following Members to constitute the Committee:</p> <ol style="list-style-type: none"> 18. 12.	<p><u>MOTION - PROCEDURE FOR OBTAINING KENYA POLICE MEDICAL EXAMINATION (P3) FORMS</u></p> <p>THAT, aware that the P3 form is a legal document that is produced in a court of law as evidence in cases which involve body injury; noting that victims are required to have the P3 form completed by a certified public medical officer; further aware that the victims are charged a fee for this service by the hospitals attending to this particular service; concerned that most citizens are financially challenged hence the medical fee charged by the hospitals, is in contravention of Article 48 of the Constitution on access to justice; deeply concerned that if the situation is left unchecked, it may lead to continued abuse of the poor, delayed justice and possible incidents of unrest; this House urges the Government to ensure that completion of P3 forms is offered free of charge at all public healthcare facilities.</p>	<p>Hon. Omar Mwinyi, MP (Changamwe Constituency)</p>																																

13.	<p><u>MOTION - DEPLOYMENT OF CHAPLAINS TO LEARNING INSTITUTIONS</u></p> <p>THAT, aware that cases of unbecoming conduct among young people has been on the rise as exemplified by runaway drug abuse and addiction, drunkenness, sexual orgies and general irresponsibility; and deeply concerned that these incidents of loose morals have been worsened in the recent past by emerging radicalization of the youth leading to inclination towards terrorism and lawlessness, this House urges the National Government to consider deploying chaplains to all secondary schools and tertiary institutions in order to instill desired morals, social virtues, national values and a sense of responsibility, to address and root out moral decadence at an early age, and to supplement the work of guidance and counselling departments operating in these institutions.</p>	<p>Hon. Geoffrey Odanga, MP (Matayos Constituency)</p> <p><i>(Debate on-going)</i></p>
14.	<p><u>MOTION – RECRUITMENT OF SCHOOL BURSARS TO ENSURE PRUDENT UTILIZATION/MANAGEMENT OF FPE FUNDS</u></p> <p>THAT, aware that Free Primary Education is an important milestone to economic and social development in the country; further aware that since the introduction of Free Primary Education (FPE) in 2002, the Government has spent huge amount of money on the programme; noting that the recent Report by the Ministry of Education submitted to the Ethics and Anti-Corruption Commission (EACC) indicated that the Government could be losing millions of capitation funds in public schools through inflated enrollment figures, fraudulent deals that include irregular allocation of funds, procurement of goods and questionable expenditure by Head teachers; concerned that the spirit of FPE was to provide a chance to every student in the country to acquire free education, giving effect to Article 43(1)(f) of the Constitution; noting that most Head teachers do not possess requisite financial management skills to proficiently handle FPE funds; this House urges that the Government, through County Education Boards to recruit School Bursars to ensure prudent utilization/management of FPE funds disbursed to various schools in the country.</p>	<p>Hon. James Lusweti, MP (Kabuchai Constituency)</p>
15.	<p><u>MOTION – ESTABLISHMENT OF A COMPREHENSIVE POLICY TO GUARANTEE CAREER ADVANCEMENT, PROMOTIONS AND SECURITY OF TENURE FOR PUBLIC SERVANTS</u></p> <p>THAT, aware that a sufficiently skilled and trained workforce is an essential pillar for attainment of Kenya’s Vision 2030; further aware that the number of doctors, accountants, engineers, teachers, nurses, lecturers, scientists and other professionals in the public sector undertaking further studies of specialized skills within or outside the country is on the increase: deeply concerned that quite a number of professionals seemingly get demoralized by the fact that on returning from studies abroad or after undertaking further studies locally they are either deployed to lower positions, placed below supervisors whose skills they exceed or stagnate in the same position they were before furthering their skills; further concerned by the fact that most of them thereafter opt to leave the public service for the private sector, civil society or Non-Governmental Organizations (NGOs) or even migrate abroad in search of greener pastures leading to regrettable brain drain; this House resolves that the Government establishes a comprehensive policy to guarantee career advancement, promotions and security of tenure for public servants and officers who undertake to refine their skills through further studies.</p>	<p>Hon. Joyce Emanikor, MP (Turkana County)</p>
16.	<p><u>MOTION - INSTALLATION OF CLOSED CIRCUIT TELEVISION (CCTV) CAMERAS IN PUBLIC BOARDING SECONDARY SCHOOLS</u></p> <p>THAT, aware that incidences of buildings in public boarding secondary schools being torched by unruly students are on the rise; concerned that most perpetrators of the dastardly acts of arson in schools go unpunished due to the difficulty in establishing a nexus between them and the acts; deeply worried that students behind arson in various schools evade responsibility by seeking admission in other schools where they transfer similar vices; afraid that if left unabated, this trend will turn dormitories</p>	<p>Hon. Robert Mbui, MP (Kathiani Constituency)</p>

	<p>in public boarding secondary schools to death traps for innocent students and expose school properties to the risk of arbitrary destruction by riotous students; cognizant of the duty to preserve the lives of innocent students and school properties from the incessant threat of arson; appreciating the role of Information and Communications Technology (ICT) in enhancing security surveillance; this House urges that the Government speedily rolls out installation of Closed Circuit Television (CCTV) cameras in strategic locations in all public boarding secondary schools as an enhanced security mechanism for surveillance of students' activities; makes provisions for regular and mandatory checks to confirm compliance and enforcement of the mechanism; and enforces strict admission criteria, including maintenance of a profile of alleged perpetrators of arson to ensure that they do not escape liability by transferring to other schools without proper screening.</p>	
17.	<p><u>MOTION – SETTLEMENT OF SQUATTERS AND COMPENSATION OF PRIVATE LAND OWNERS</u></p> <p>THAT, aware of the dire plight faced by slum-dwellers in Nairobi County as exemplified by the housing and sanitation woes they face daily in addition to risks of fires razing down houses that are crumpled together; further aware that the Government is in the process of implementing its policy on settling the landless; cognizant of the fact that granting legal land occupancy status to squatters will create confidence in locals and investors for sustainable investment and development that will transform the slums into developed estates; and concerned by the large number of squatters in Mukuru Kwa Njenga, Mukuru Kwa Reuben, Kibera, Maili Saba, Mathare, Mukuru Kaiyaba, Chokaa, Quarry, Soweto, Utawala, Sinai and in other slums countrywide, this House urges the National Government to settle squatters in the lands they currently occupy and compensate private land owners either financially or through the provision of alternative land beginning with Nairobi County and progressively extending to the rest of the country.</p>	Hon. Irshadali Mohamed Sumra, MP (Embakasi South)
18.	<p><u>MOTION – ESTABLISHMENT OF A POLICY TO PROMOTE ILLICIT ALCOHOL AND ABUSE OF DRUGS PUBLIC REHABILITATION FACILITIES REGIONAL LEVEL</u></p> <p>THAT, aware that the use of illicit alcohol and abuse of drugs has reached alarming levels and caused untold suffering to individuals and families throughout the country; further aware that consumption of illicit brew has claimed over 7,000 lives in the last four years; alarmed that the long term impact is detrimental to the socio-economic development of the state; concerned that most rehabilitation centres are in private hands and thus quite expensive for the common Kenyan to afford particularly the recovering former alcoholics who have benefitted from the recent crackdowns on illicit brews; noting that there is no specific policy that ensures that victims are offered affordable and accessible psycho-social support, rehabilitation and treatment for addiction; this House resolves that the Government immediately establishes a policy that would promote regional level public rehabilitation facilities accessible to both urban and rural citizens.</p>	Hon. Joyce Emanikor, MP (Member for Turkana County)
19.	<p><u>SPECIAL MOTION – APPROVAL OF THE DEPLOYMENT OF KENYA DEFENCE FORCES (KDF) TO SOUTH SUDAN</u> (The Leader of the Majority Party)</p> <p>THAT, pursuant to Article 240(8)(a) of the Constitution and section 18 of the Kenya Defence Forces Act, 2012, this House approves the deployment of the Kenya Defence Forces (KDF) for the purpose of regional peace support operations following an urgent troops surge requirement under the United Nations Mission in South Sudan (UNMISS).</p>	Hon. 20.	<p><u>MOTION – PROVISION OF NATIONAL HOSPITAL INSURANCE FUND (NHIF) COVER TO ALL KENYANS AGED 65 YEARS AND ABOVE</u></p> <p>THAT, aware that persons aged 65 years and above who are estimated at 1.39 million, according to the 2015 Kenya National Bureau of Statistics Report, are more susceptible to disease and disability as they age; further aware that only a small</p>	Hon. (Dr.) Njogu Barua, MP (Member for Gichugu Constituency)

	<p>fraction of the said population benefits from the monthly welfare program for the aged leaving a vast majority of them disadvantaged as they are not financially capable; cognizant of the fact that a 2012/2013 National Health Report from the Ministry of Health states that an estimated 32% of the domestic income in Kenya is spent on medical expenses; deeply concerned that the same National Health Report highlights that 2.6 million Kenyans fall into poverty every year due to the burden of medical expenses, this House urges the Government to provide National Hospital Insurance Fund (NHIF) cover to all Kenyans aged 65 years and above to reduce the heavy burden on families, increase the productivity of Kenyans, ensure healthy lives and promote well-being for Kenyans of all ages in line with the Sustainable Development Goals of the United Nations.</p>	
21.	<p><u>MOTION - MERGING AND RESTRUCTURING OF THE ADMINISTRATION OF THE LOCAL AUTHORITY PENSION TRUST (LAPTRUST) AND THE LOCAL AUTHORITY PROVIDENT FUND (LAPFUND)</u></p> <p>THAT, aware that Article 43(1)(e) of the Constitution entitles every Kenyan to social security; cognizant of the fact that the Local Authority Pension Trust (LAPTRUST) and the Local Authority Provident Fund (LAPFUND) were originally set up to cater for the senior cadre staff of local authorities and the rest of the staff, respectively; recalling that later, both the LAPTRUST and LAPFUND allowed both senior and junior staff of local authorities to join their preferred scheme, implying that the two funds were offering similar services to their clientele; noting that the creation of County Governments by the Constitution of Kenya, 2010 effectively scrapped local authorities under which the two funds operates; further aware that, the whereas the two funds are being enforced by County Governments, plans are underway to create a tailor-made retirement benefits Scheme for County Government Workers; considering that these two funds and the envisaged retirement benefits scheme for County Governments will all serve the same employees and employers; this House urges the Government, through the National Treasury, to merge and restructure the administration of LAPTRUST and LAPFUND so as to accord with the devolved system of government rather than creating a parallel fund, so as to eliminate unhealthy competitions, duplication of roles and loss of public funds through multiple retirement benefits funds.</p>	Hon. Samuel Chepkonga, MP (Chairperson, Committee on Justice & Legal Affairs)
22.	<p><u>MOTION - INITIALIZATION OF A PROGRAMME TO ENSURE THAT ALL PUBLIC SCHOOLS INCLUDING EARLY CHILDHOOD DEVELOPMENT SCHOOLS (ECDs) HAVE STANDARDIZED STAFFROOMS FOR TEACHERS AND SAFE CUSTODY OF LEARNING EQUIPMENT AND MATERIALS</u></p> <p>THAT, aware that education is an important tool for empowering the people to actively engage in national development towards realization of Kenya's Vision 2030 and Sustainable Development Goals; noting that conducive working environment for teachers is essential for enhancing efficiency and safety of learning materials; cognizant of the fact that teachers in a number of public schools work from poor staffrooms while others operate in poor makeshift facilities in schools in all levels of government, including early childhood development schools (ECDs) some of which are without staffroom facilities, or equipment or books storage facilities; concerned that such poor working conditions constrain optimal service delivery by teachers and expose learning materials, including books purchased under the Free Primary Education and subsidized secondary school capitation funds, to destruction and theft; this House urges the National Government and the county governments to initiate a comprehensive programme to ensure that all public primary and secondary schools and ECDs have standardized staffrooms for teachers and safe custody of learning equipment and materials.</p>	Hon.
