ii) Motions Awaiting & Under Debate *(Does not include Motions on Reports)*

NO.	SUBJECT	PROPOSER & STATUS
1.	<p><u>MOTION- DECENTRALIZATION OF THE REGISTRATION OF NATIONAL IDENTIFICATION CARDS</u></p> <p>THAT, aware that devolution was meant to devolve governance and public services across the country, including access to basic services like acquisition of identity cards, passports, birth certificates, voters cards, among others; further noting that currently all registration of national identity cards only happens at one centre in Nairobi; cognizant of the fact that this delays the acquisition of identity cards, thus denying Kenyans their right to employment, ability to vote, access to public funds like Uwezo Fund and other crucial services, this House resolves that the Government decentralizes the registration of national identification cards to the county level to expedite the process and allow Kenyans to access public services in a timely manner.</p>	The Hon. Chris Wamalwa, MP, (Kimini Constituency)
2.	<p><u>MOTION - ESTABLISHMENT OF A SELECT COMMITTEE TO INVESTIGATE AND INQUIRE INTO THE CAUSES OF DEATH OF CERTAIN PERSONALITIES</u></p> <p>THAT, aware that Article 26 of the Constitution guarantees the right of every person to life, and that no person shall be deprived of life intentionally; further aware that Article 35 provides for the right of access to all important information by all; cognizant of the fact that national leaders and their families form an integral part of national-being that builds and helps in forging unity; concerned that several national leaders and/or prominent personalities including the late Hon. Jomo Kenyatta was the founding President of the Republic of Kenya and as such is an important historical figure; also aware that upon his death he was interred in a stone, glass and marble mausoleum on the grounds of Parliament; noting that unlike mausoleums of many other deceased Heads of state, President Jomo Kenyatta's tomb, though situated in a most public place, has been off limits to the citizens for 37 years and only open to the public during the anniversaries of his death, and on rare occasions when visiting Heads of State pay their respects; concerned that despite the clamor over the years for the mausoleum to be opened to the public and possibly be a tourist attraction, no steps have been taken in this regard; further concerned that 70 percent of Kenya's population is below the age of 40 years, to whom Jomo Kenyatta remains a distant historical figure with whom they have little or no connection despite his importance in Kenya's history, this House resolves that the Government creates the Jomo Kenyatta National Memorial at the current mausoleum similar to the one of the founding President of the USA, George Washington, where archival information of his life and his remains will be open to public viewing.</p>	The Hon. Malululnjendi, MP (Malava Constituency)

	<p>employment to more than thirty per cent of the citizens; cognizant of the fact that most of our neighbouring countries are also agriculture-driven economies and that free trade has become more pronounced especially in the East African region; Concerned that the cost of production in our neighboring countries is reported to be lesser as compared to the Kenyan cost of production; further concerned that this scenario will lead to loss of revenue due to importation of these cheaper products; alarmed that the long term impact is detrimental to the economic development of the state; further noting that there is no specific policy that cushions our farmers against losses caused by weather vagaries such as flood, drought, frost and hailstones which in turn affects produce returns; this House resolves that the Government immediately establishes a policy to ensure that minimum returns on local crop and animal products are safeguarded and to consider exemption of the Value Added Taxes(VAT) on the farm inputs and other materials used in production of animal feeds and fertilizers.</p>
