9.	<b>THAT</b> , aware that the Independent Electoral and Boundaries Commission (IEBC) is currently conducting countrywide mass voter registration; further aware that this activity forms an integral component of democracy and specifically the exercise of universal suffrage; appreciating the fact that as elected national leaders, Members of Parliament are key stakeholders in the process; concerned that unlike in the previous dispensation where the Executive, as part of the House, would regularly apprise the House on progress of such activities; also concerned that Parliament is oblivious of the current progress; further concerned of reports of low voter turnout in the current enlisting; noting the need for the deployment of a persuasive mechanism to encourage voter registration and participation in election of all identity card holders in the country; further noting that this would go a long way in the furtherance of Article 38 of the Constitution; this House <b>instructs</b> the Departmental Committee on Justice and Legal Affairs to urgently formulate and propose persuasive and compelling mechanisms, for consideration by Parliament, to motivate and encourage all unregistered citizens to register. 	Calendar of the House ( <i>Regular Sessions</i> ) for the Fifth Session of the Assembly, as contained in the Schedule.		
11.	<p><b>THAT</b>, aware that Article 43 of the Constitution provides that every person has the right to clean and safe water in adequate quantities; further aware that water harvesting is an important practice for water management; cognizant of the fact that earth-dams and water-pans would play a key role in water harvesting especially in arid and semi-arid areas; noting that a large quantity of run-off water goes to waste in most parts of the country; further noting that this run-off water if properly harvested and managed would be useful for domestic, livestock and irrigation purposes; appreciating that increased infrastructural development especially in roads has led to the mobilization of machineries and human resources in most areas; further appreciating that these civil engineering machineries and personnel can be useful in the construction of earth-dams and water-pans; this House <b>resolves</b> that the Government through the Ministry of Transport, Infrastructure, Housing and Urban Development ensures that all road designs and constructions incorporate run-off water harvesting and management mechanisms.</p>	Hon. 12.	<p><b>THAT</b>, Pursuant to the provisions of Standing Order 49 (2) (a), this House resolves to rescind the decision made by the House on Thursday, February 09, 2017 regarding the Question that “this House do agree with the Report of the Committee of the whole House on the Privatization (Amendment) Bill (National Assembly Bill No.27 of 2016)” and further pursuant to the provisions of Standing Order 136 resolves to agree with the Committee of the whole House on the said report subject to re-committal of Clause 3 of the Bill.</p>	Leader of the Majority Party	<i>Adopted</i>

12.	<p><b>THAT,</b> aware that education is an important tool for empowering Kenyan youth to actively participate in national development towards realization of Kenya's Vision 2030 and the Sustainable Development Goals; noting that conducive and enabling working environment for teachers is fundamental in enhancing efficiency and safety of learning materials; cognizant of the fact that teachers in a number of public schools and early childhood development (ECD) centres work from poor staffrooms or makeshift facilities at both levels of government, including ECD Centres, some of which have no staffroom facilities, or storage facilities for equipment or books; further concerned that teachers and students in most leaning institutions have no internet infrastructure for accessing online learning resources; concerned that such poor working conditions constrain optimal service delivery by teachers and expose learning materials, including books purchased under the Free Primary Education and subsidized secondary school capitation funds, to destruction and theft; this House urges the National Government and the county governments to initiate a comprehensive programme to ensure that all public primary and secondary schools and ECD centres have standardized staffrooms for teachers and safe custody of learning resources and internet connectivity for accessing online learning resources.</p>	Hon.Jessica Mbalu, MP (Member for Kibwezi East Constituency)	<i>Awaiting debate</i>
