V. THE REPORT ON THE CRISIS FACING THE SUGAR INDUSTRY IN KENYA

1. Notice is given that the Member for Ugunja Constituency (Hon. James O.Wandayi), intends to move the following amendment to the Report of the Departmental Committee on Agriculture, Livestock and Cooperatives on the Crisis facing the Sugar Industry in Kenya –

THAT, the motion be amended by deleting the full stop at the end and inserting the words, “**subject to the insertion of the following new Recommendations after Recommendation 120 on page 52:**

121. **THAT**, stiff legal action be taken against all the Managing Directors, Transport Managers, Commercial Directors, Finance Directors, National Sales Managers (sugar), Procurement Managers and other officials serving in the Board of Management of Mumias Sugar Company between 2011 and 2014 for losses incurred by the company.
122. **THAT**, disciplinary action be taken against the staff of Mumias Sugar Company who approved and paid extra invoices to some companies like Milicon's, and allowed execution of variations without first obtaining cost estimates and the approval of the Management Tender Committee of the Mumias Sugar Company.
123. **THAT**, disciplinary action be taken against the staff who failed to adhere to company policy on pricing, discounts, recruitment and management of distributors and transporters and management of inter-warehouse transfers at Mumias Sugar Company.
124. **THAT**, all distributor and transport contracts at Mumias Sugar Company should be reviewed immediately. All distributors and transporters that do not meet the mandatory requirements as per contract should be terminated.
125. **THAT**, the Chief Executive Officer of Mumias Sugar Company takes disciplinary action against all the staff identified as being responsible for anomalies and failings in the sugar importation process; and
126. **THAT**, the Board of Mumias Sugar Company undertakes a review of their internal audit department with a view to assessing current risks and employing measures to address them.

2. **Notice is given that the Member for Mumias East (Hon. Benjamin Washiali) intends to move the following amendments to the Report of the Departmental Committee on Agriculture, Livestock and Cooperatives on the Crisis Facing the Sugar Industry in Kenya laid on the floor of the House on March 12, 2015 pursuant to Standing Order 54**

THAT, the Motion be amended by inserting the following words:- "*subject to amendment of the Report by:*"

(a) *deletion of Paragraph 101;*

(b) *insertion of the following new Paragraphs immediately before Paragraph 102 (Observations of the Committee):-*

101A. The key conclusion from investigations on Mumias Sugar Company's exports was that it was a ploy to defraud the Government of the realizable Value Added Tax (VAT). Neither the Management nor the Board of the Company could confirm that the sugar actually left the country.

101B. Although the former Mumias Sugar Company Managing Director Dr. Evans Kidero submitted that documents proving that the consignment indeed left the country in the custody of the Company, the current Mumias Sugar Company management was at pains to prove that indeed the sugar left the country. Documents provided by the management in an attempt to prove that the sugar was indeed exported were not verifiable. The Board of Directors, through the Chairman Mr. Dan Ameyo, submitted that the Board would carry out a forensic audit on the exports, like it had done on company sugar imports, and give its findings to the Committee within six months.

(c) *deletion of Paragraph 115 (Recommendations of the Committee) and substituting therefor the following:-*

115. In view of the fact that there is little evidence that Mumias Sugar Company did make any sugar exports to the regional market between 2006 and 2009, the House recommends that:

(i) the Government recovers from the then Managing Director of Mumias Company, Dr. Evans Kidero, the lost VAT revenue amounting to Ksh 577 million which it would have realized had the Company made the exports;

(ii) the then Managing Director Dr. Evans Kidero takes full responsibility and be barred from holding public office since the fraudulent transactions took place during his tenure as the Chief Executive Officer; and that

(iii) the Ethics and Anti-Corruption Commission and the Directorate of Criminal Investigations investigate the owners of all the trucks that apparently ferried the sugar from Mumias go-downs supposedly for export together with the directors of companies associated with them, namely YH Wholesalers, Paleah Stores Ltd, International Relief Services with a view to preferring charges against them if found culpable.
