**9\*. MOTION - ESTABLISHMENT OF FISHERIES TRAINING INSTITUTIONS AND FISH PROCESSING PLANTS**

(The Hon. Rose Nyamunga, M.P.)

**THAT**, aware that Kenya's high seas and inland fresh water bodies are a key resource for diversification of the country's economy through fishing; noting that most fishermen and women use traditional methods of fish harvesting, preservation and processing; conscious that there are few training institutions that offer studies in fisheries, oceanography and maritime technology in Kenya; further noting that huge losses are incurred due to lack of proper post-harvest management and inadequate fish processing plants in the country; concerned that this lacuna has contributed to relegation of the otherwise lucrative fishing industry to a *jua kali* sector; deeply worried that lack of training and inadequate fish processing facilities have resulted in meagre earnings for many Kenyans, including women who depend on fishing; this House **urges** the Government to establish both inland and coastal training institutions and processing plants with a view of building capacity for fishing communities to maximize their returns from the lucrative fishing sector.

*(Question to be put)*
