9*.MOTION – (The Hon. Paul Koinange)

THAT, aware that health facilities in the country invariably decline to attend to patients who are in critical emergency conditions without admission deposits or payment leading to worsening of patients' conditions and sometimes leading to loss of life; concerned that most Kenyans are poor and lack medical insurance cover; noting that Article 43(2) of the Constitution of Kenya states that "a person shall not be denied emergency medical treatment," this House urges the Government to ensure that all health facilities provide emergency medical care to victims of accidents and those in emergency medical condition without denying them admission on grounds that they are not able to pay deposits.
