*(The Leader of the Majority Party)*

5. **NOTICE OF MOTION** – (Hon. Joseph Lekuton)

**THAT**, aware that there is need to realize a green economy and mitigate the effects of climate change and put the economy on a low-carbon growth path; further aware that there is a vital need to provide affordable energy to thousands of people in rural and marginalized areas where the reach of regular power is problematic; greatly concerned that the timeframe for delivery of sufficient power from Ethiopia could take a long time; cognizant of the fact that Kenya as a member of the international community ought to be keen in the conservation of energy resources; also aware that the country can generate a safe, reliable and sufficient amount of electricity from solar energy during daylight hours in many parts of the country, which is what net metering will be based on; this House resolves that the Government establishes a framework and mechanisms for the use of Net Metering mode of billing, among other alternative means of reducing electricity consumption.

6. **STATEMENTS PURSUANT TO STANDING ORDER 44(2)(c)**
