30/04/2015      **Motion, Statements, Motions and Bills**

**A. MOTION - (Sen. (Dr.) Wilfred Machage)**  
(Department of Health)

**THAT**, aware that currently there are approximately 44 million persons living with dementia worldwide, a figure that is expected to triple by 2050; acknowledging that caring for dementia patients can be a difficult experience; appreciating the contribution of family members and other care givers of people suffering from dementia across Kenya; noting with concern that mental healthcare does not seem to be a priority in the public health sector in Kenya since the allocation for mental healthcare is less than 1% of the total public health budget; acknowledging the importance of raising awareness of dementia and ensuring that

people with dementia are treated with dignity and respect; appreciating the contribution of non- governmental organizations such as the Africa Mental Health Foundation and the International Institute for Legislative Affairs who provide a platform for sharing of views and experiences on care of people with dementia; noting the need to enhance awareness on and provide better care for patients of dementia; the Senate directs the Standing Committee on Health to immediately initiate review of the existing legislation on health care in order to mainstream and enhance care for patients of dementia and further that the Committee submits a report to the House on the matter within ninety (90) days.

B. **MOTION** – (Sen. Beatrice Elachi)  
(Department of Interior and Coordination of National Government)

**THAT**, cognizant that Article 12 of the Constitution guarantees a right to citizenship; noting that it is the right of every Kenyan attaining 18 years to register and be issued with a National Identity Card ; further noting that the National Identity Card is at the core in determining the extent to which an individual enjoys his or her fundamental rights and freedoms; concerned that Orphans and Vulnerable Children attaining the age of 18 years in children’s homes have difficulties obtaining the National Identity Cards, the Senate urges the National Government to take remedial, policy, administrative and legislative measures to improve and expedite the process of registration for National Identity Cards especially for the Orphans and Vulnerable Children who live in children’s homes and have attained 18 years of age.

C. **MOTION** – (Sen. Sammy Leshore)  
(Department of Health)

**THAT**, cognizant that the core mandate of the National AIDS Control Council (NACC) is to develop strategies, policies and guidelines relevant to the prevention and control of HIV and AIDS in Kenya; noting that the operational structure of NACC has not been aligned to the Constitution of Kenya 2010; acknowledging the objects of devolution as set out under Article 174 of the Constitution; recognizing that under the Fourth Schedule, the health function has been devolved except for the health policy and referral hospitals; concerned that an estimated 1.2 million Kenyans are infected with HIV/AIDS and a 100,000 are infected annually; recognizing the need to achieve an “*AIDS free society*” by stepping up the fight against the pandemic at the County level, the Senate urges the National Government to set up the National AIDS Control Council (NACC) County offices in all County Headquarters with the National Headquarters providing overall co-ordination and that the resources allocated for the fight against HIV/AIDS be disbursed and managed at the County level.
