**8*. MOTION - PROGRESSIVE TRANSLATION OF THE CONSTITUTION
AND LAWS OF KENYA INTO KISWAHILI**

(The Hon. Joyce Wanjalah Lay, M.P.)

THAT, aware that Kiswahili is the national as well as official language of the Republic as enshrined in the Constitution; further aware that equality and freedom from discrimination and access to information are fundamental rights; cognizant of the fact that democracy and public participation of the people is a national value and principle of governance as per Article 10 of the Constitution; deeply concerned that a section of Kenyans have a low level of knowledge of their legal rights and laws passed by this House as a result of the existing language barriers; convinced that unless we, as a nation, lay down mechanisms for translating **the Constitution and** laws passed by Parliament and County Assemblies into Kiswahili, most Kenyans will continue being partially aware of the law; this House urges the National Council for Law Reporting to progressively translate the laws of Kenya into Kiswahili.

12*. **MOTION - REVIEW OF THE PROCEDURE & THE COST OF**
MARRIAGE REGISTRATION, & DECENTRALIZATION
OF THE OFFICES OF THE REGISTRAR OF MARRIAGES

THAT, aware that the Marriage Act, 2014 was assented to by H.E the President on 29th April, 2014 and commenced on the 20th of May, 2014; noting that the act was by and large an amalgamation of the previous Acts, thus amendments relating to the regulations were minimal in effect; deeply concerned that there are only twelve offices for the registrar of marriages in the whole country, making it difficult for the hopefuls to issue notice of marriages; mindful of the fact that the upward revision of the marriage certificate acquisition fee is not affordable to many Kenyans, thus inhibiting them from registering marriages as envisaged by the new Act; this House **urges** the Government to review the procedure and the cost of marriage registration, and to decentralize the offices of the registrar of marriages to a minimum of all sub-counties so as to reduce bureaucracy and enhance accessibility.

13*. **MOTION - PERIOD OF SERVICE FOR POLICE OFFICERS UPON**
COMPLETION OF SPECIALIZED TRAINING

(The Hon. John Waluke, M.P.)

THAT, aware that the Kenya Police Service spends considerable resources on training officers among the cadre of trainees; further aware that many of the police detectives are hired by other government and private institutions as soon as they are acquire the necessary expertise and experience; deeply concerned that this results in delayed and botched investigations and failed conclusion of critical prosecutions plus a high number of acquittals due to perennial shortage of specialized officers in critical departments such as ballistics, forensics, document examinations, fraud detection, money laundering, transnational crime and cyber crime; cognizant of the fact that private employers are able to offer superior terms, this House **urges** the Government to ensure that any Regular Police, Administration Police officer and Prisons Officer who benefits from specialized training at the taxpayers' expense should serve in the public sector for at least 10 years before leaving for the private sector or refund the public funds used in their training.

14*. **MOTION - ESTABLISHMENT OF INTENSIVE CARE & BLOOD TRANSFUSION UNITS IN EVERY CONSTITUENCY**

(The Hon. Abdul Rahim Dawood, M.P.)

THAT, aware that the Country has been experiencing a series of fatal emergency situations that necessitate the need for urgent medical care and blood transfusions; deeply concerned that currently the country lacks sufficient blood reserves; noting that health services and blood donations in critical emergency situations are crucial to saving lives; this House **urges** the Government to consider setting up an Intensive Care Unit (ICU) and a blood transfusion unit in every constituency to provide medical care and blood in emergency situations.

15*. **MOTION - DECLARATION OF CATTLE RUSTLING AS A NATIONAL DISASTER**

(The Hon. William Cheptumo, M.P.)

THAT, aware that cattle rustling is a major menace and security threat in the South and North Rift regions and other regions in the country; noting that cattle rustling leaves behind destruction of property and loss of lives; deeply concerned that the menace has since left irreparable and negative socio-economic impact which include but are not limited to increased number of widows, widowers, orphaned children, poverty, displacement of people leading to the emergency of Internally displaced persons (IDPS), disruption of educational programmes and other economic activities owing to the destruction and/or closure of educational, health and other institutions; deeply concerned that the people living in the affected regions have been denied the enjoyment of their social, economic and political rights as guaranteed to them under the Bill of Rights as enshrined in Chapter Four of the Constitution; this House **urges** that the National Government declares cattle rustling as a national disaster and establishes a Special Fund to be used in mitigating the losses suffered by and in compensating all victims of cattle rustling and resettle all Internally displaced persons across the country created by the menace.

16*. **MOTION - TRACKING AND REGISTRATION OF FIREARMS IN THE COUNTRY**

(The Hon. (Dr.) Victor Munyaka, M.P.)

THAT, aware that many innocent Kenyans have been victims of crime attributable to stolen and illegally acquired firearms; concerned that, despite the proliferation of small arms, there has not been efforts to track location, movement and use of firearms held by licensed persons and the disciplined forces; acknowledging the need to adopt a mechanism for providing real-time geophysical location and movement of firearms to facilitate recovery of stolen firearms and forensic identification of guns used in crime scenes; cognizant of the fact that a number of

countries continue to implement modern technologies to regulate, monitor and track use of firearms; further aware that use of electronic tracking technologies, including the Global Positioning Systems (GPS) has been used to track and record location and movement of firearms; this House **urges** the Government to fit all guns held by licensed persons and the disciplined forces with electronic tracking devices and ensure the proper and comprehensive registration of all firearms in the country in order to curb insecurity.
