(The Hon. William Cheptumo, MP)

THAT, aware that cattle rustling is a major menace and security threat in the South and North Rift regions and other regions in the country; noting that cattle rustling leaves behind destruction of property and loss of lives; deeply concerned that the menace has since left irreparable and negative socio-economic impact which include but are not limited to increased number of widows, widowers, orphaned children, poverty, displacement of people leading to the emergency of Internally displaced persons (IDPS), disruption of educational programmes and other economic activities owing to the destruction and/or closure of educational, health and other institutions; deeply concerned that the people living in the affected regions have been denied the enjoyment of their social, economic and political rights as guaranteed to them under the Bill of Rights as enshrined in Chapter Four of the Constitution; this House urges that the National Government declares cattle rustling as a national disaster and establishes a Special Fund to be used in mitigating the losses suffered by and in compensating all victims of cattle rustling and resettle all Internally displaced persons across the country created by the menace.

...../14*. (cont'd)

incidences of terrorism and violence could be attributed to radicalization of young people; alarmed that the number of young persons from across the country being lured or coerced into joining radical terrorist organizations continues to increase; concerned that despite the history of extremism and radicalization in the country, little empirical inquiry has been conducted to determine the forces behind youth vulnerability to religious and other forms of radicalization; cognizant of the fact that spontaneous and reactionary Government responses in combating extremism and radicalization has borne little fruit; appreciating the role that comprehensive understanding of factors behind radicalization and extremism can play in overcoming this vice; this House **resolves** to establish a select Committee to inquire into and report within ninety (90) days on the circumstances and forces behind vulnerability of young persons to radicalization, and approves the following Members to constitute the Committee:-

THAT, aware that water is one of the most basic human needs; concerned about children in primary schools, especially, those that do not have access to clean tapped water; also aware that the Government is already providing electricity and food to these schools; deeply concerned that lack of water leads to a host of hygiene-related problems including jigger infestation, cholera and others, this House resolves that the Government formulates a financial framework for and provides tapped water to all public facilities, especially primary schools, as water is life.

16*. **MOTION – PROVISION OF HONORARIUM FOR VILLAGE ELDERS**
(The Hon. Malulu Injendi, M.P.)

THAT, aware that Village Elders play a critical role in facilitating the work undertaken by Chiefs and Assistant Chiefs namely in solving disputes, addressing petty crimes, handling security issues and generally promoting development initiatives; concerned that the Government is yet to adequately recognize their vital roles by way of facilitating their work; further noting that these hardworking citizens are crucial in the dissemination of government policies and plans to the grassroots, this House urges the National Government to consider giving a monthly or annual Honorarium to Village Elders as a means of appreciating their services and encouraging them to uphold their dedication to the community.
