(The Hon. Patrick Wangamati, M.P.)

Motion made and Question proposed;

THAT, aware that in 2013 the British Government agreed to pay Kenyans who were abused, tortured maimed and detained by British colonial forces during the *Mau Mau* uprising in 1952 and onwards compensation of Kshs. 2.5 billion as an out of court settlement; further aware that the compensation was only paid to a section of *Mau Mau* victims from Kiambu and Nyeri counties, leaving out victims from Meru, Kirinyanga, Murang'a, Embu, Kajiado and other parts of Kenya; cognizant of the fact that the leaders from the two counties initiated a court process claim for compensation to the victims who were eventually compensated; noting that the struggle for independence in this country involved various communities and individuals like the followers of *Dini ya Musambwa* movement who took part in the uprising against the colonial government, and were also killed, tortured and detained and therefore also deserve equal compensation from the British Government; also aware that the British Government has accepted to release further compensation money, on condition that only the victims who are still alive and can prove that they were tortured will be compensated from these monies, this House resolves that the Government ensures that compensation from the British Government goes to all affected homes and families of victims who are still alive all over the country. And the time being One O'clock, the Second Chairperson interrupted the proceedings and adjourned the House without Question put pursuant to the Standing Orders.
