11*. **MOTION – ACCESSIBILITY TO PUBLIC BUILDINGS BY PERSONS WITH DISABILITY**
(The Hon. Isaac M. Mwaura, M.P.)

THAT, aware that Article 54 (c) of the Constitution provides that a person with disability is entitled to reasonable access to all places, public transport and information; further aware that Section 21 of the Persons with Disability Act, 2003 provides that persons with disabilities are entitled to a barrier-free and disability-friendly environment to enable them have access to buildings, roads and other social amenities, assistive devices and other equipment to promote their mobility; concerned that over the years, persons with disabilities have not been given the right to enjoy all their fundamental freedoms; cognizant of the fact that accessibility is vital in increasing the mobility of these individuals and reducing the ratio of dependency on people; this House urges that the Government makes the necessary structural design adjustments to all public buildings, Government Ministries, departments and agencies to make them more user-friendly to persons with disabilities, and that the National Council for Persons with Disabilities approves all new public structures to ensure their designs are compliant to minimum accessibility standards.

12*. **MOTION – DECENTRALIZATION OF THE REGISTRATION OF NATIONAL IDENTIFICATION CARDS**
(The Hon. Chris Wamalwa, M.P.)

THAT, aware that devolution was meant to devolve governance and public services across the country, including access to basic services like acquisition of identity cards, passports, birth certificates, voters cards, among others; further noting that currently all registration of national identity cards only happens at one centre in Nairobi; cognizant of the fact that this delays the acquisition of identity cards, thus denying Kenyans their right to employment, ability to vote, access to public funds like Uwezo Fund and other crucial services, this House resolves that the Government decentralizes the registration of national identification cards to the county level to expedite the process and allow Kenyans to access public services in a timely manner.

13*. **MOTION – ALLOWING PEOPLE WITH SERIALIZED WAITING
CARDS TO REGISTER AS VOTERS**

(Hon. Fredinand Wanyonyi, MP)

THAT, aware that, voter registration is a crucial exercise in the electioneering process, further aware that for one to register as a voter requires a National Identification Card; and concerned that thousands of youth do not have Identification Cards due to the long and tedious process involved in the processing of these Cards and further compounded by centralization of the process; noting that once a person applies for the Identification Card is issued with a serialized waiting card; further aware that the serial number on the waiting card appears in the Identity Card; mindful of the fact that many people especially youth have applied and issued with serialized waiting cards; concerned that the ongoing voter registration exercise which commenced on Monday, 15th February, 2016 is likely to come to a close in a month's time and in effect these youth with serialized waiting cards would not have received their Identity cards, this House resolves that the Independent Boundaries and Electoral Commission be authorized to allow all people who were successful vetted and issued with serialized waiting cards to register as voters in the ongoing and future voter registration exercises.
