8*. MOTION – PERSUASIVE VOTER REGISTRATION

(The Hon. Jude Njomo, M.P.)

THAT, cognizant of the provisions of Article 38(3) of the Constitution regarding political rights of the citizens, aware that the Independent Electoral and Boundaries Commission (IEBC) is currently conducting country wide mass voter registration; further aware that this activity forms an integral component of democracy and specifically the exercise of universal suffrage; appreciating the fact that as elected national leaders, Members of Parliament are key stakeholders in the process; concerned that unlike in the previous dispensation where the Executive, as part of the House, would regularly apprise the House on progress of such activities; also concerned that Parliament is oblivious of the current progress; further concerned of reports of low voter turnout in the current enlisting; noting the need for the deployment of a persuasive mechanism to encourage voter registration and participation in election of all identity card holders in the country; further noting that this would go a long way in the furtherance of Article 38 of the Constitution; this House **instructs** the Departmental Committee on Justice and Legal Affairs to urgently formulate and propose persuasive and compelling mechanisms, for consideration by Parliament, to motivate and encourage all unregistered citizens to register as voters and ultimately participate in the General Elections.
