(Balance of time – 1hr 50 mins)*

**9\*. MOTION - PERIOD OF SERVICE FOR POLICE OFFICERS UPON COMPLETION OF SPECIALIZED TRAINING**

(The Hon. John Waluke, M.P.)

**THAT**, aware that the Kenya Police Service spends considerable resources on training officers among the cadre of trainees; further aware that many of the police detectives are hired by other government and private institutions as soon as they acquire the necessary expertise and experience; deeply concerned that this results in delayed and botched investigations and failed conclusion of critical prosecutions plus a high number of acquittals due to perennial shortage of specialized officers in critical departments such as ballistics, forensics, document examinations, fraud detection, money laundering, transnational crime and cyber crime; cognizant of the fact that private employers are able to offer superior terms, this House **urges** the Government to ensure that any Regular Police, Administration Police officer and Prisons Officer who benefits from specialized training at the taxpayers' expense should serve in the public sector for at least 10 years before leaving for the private sector or refund the public funds used in their training.

**10\*. MOTION - DECLARATION OF CATTLE RUSTLING AS A NATIONAL DISASTER & ESTABLISHMENT OF A SPECIAL FUND FOR VICTIMS**

(The Hon. William Cheptumo, M.P.)

**THAT**, aware that cattle rustling is a major menace and security threat in the South and North Rift regions and other regions in the country; noting that cattle rustling leaves behind destruction of property and loss of lives; deeply concerned that the menace has since left irreparable and negative socio-economic impact which include but are not limited to increased number of widows, widowers, orphaned children, poverty, displacement of people leading to the emergency of Internally displaced persons (IDPS), disruption of educational programmes and other economic activities owing to the destruction and/or closure of educational, health and other institutions; deeply concerned that the people living in the affected regions have been denied the enjoyment of their social, economic and political rights as guaranteed to them under the Bill of Rights as enshrined in Chapter Four of the Constitution; this House **urges** that the National Government declares cattle rustling as a national disaster and establishes a Special Fund to be used in mitigating the losses suffered by and in compensating all victims of cattle rustling and resettle all Internally displaced persons across the country created by the menace.

**11\*. MOTION - FIREARMS TRACKING AND REGISTRATION SYSTEM**

(The Hon. (Dr.) Victor Munyaka, M.P.)

**THAT**, aware that many innocent Kenyans have been victims of crime attributable to stolen and illegally acquired firearms; concerned that, despite the proliferation of small arms, there has not been efforts to track location, movement and use of firearms held by licensed persons and the disciplined forces; acknowledging the need to adopt a mechanism for providing real-time geophysical location and movement of firearms to facilitate recovery of stolen firearms and forensic identification of guns used in crime scenes; cognizant of the fact that a number of countries continue to implement modern technologies to regulate, monitor and track use of firearms; further aware that use of electronic tracking technologies, including the Global Positioning Systems (GPS) has been used to track and record location and movement of firearms; this House **urges** the Government to fit all guns held by licensed persons and the disciplined forces with electronic tracking devices and ensure the proper and comprehensive registration of all firearms in the country in order to curb insecurity.

**12\*. MOTION - DEVELOPMENT OF A NATIONAL CURRICULUM FOR EMERGENCY TRAINING OF MEDICAL PERSONNEL**

(The Hon. Dr. Susan Musyoka, M.P.)

**THAT**, aware that Article 43 (1) (a) and (2) of the Constitution provides for the right to the highest attainable standard of health for every person; further aware that emergency health care is an important component of standard health services; concerned that many lives continue to be lost due to lack of adequate emergency health care and poor response to emergencies in the country; noting that only 13% of public health facilities in the Country

have basic components to support emergency cases; deeply concerned that emergency patients are exposed to untrained personnel and/or good Samaritans who in most cases worsen the situation; cognizant of the need for the Country to have a well-coordinated emergency care system; this House **resolves** that the Government immediately develops and implements a national curriculum for emergency training of all medical personnel in the Country.

**13\*. MOTION - ENGAGEMENT OF THE NATIONAL YOUTH SERVICE  
IN CONSTRUCTION OF DAMS**

(The Hon. Joe Musyimi Mutambu, M.P.)

**THAT**, aware that Article 43(1)(c) of the Constitution provides that every person has the right to be free from hunger and to have adequate food of acceptable quality; further aware that Kenya's food production is heavily dependent on rain-fed agriculture; cognizant of the fact that counties such as Kitui, Makueni and Machakos in semi-arid and arid lower Eastern part of the country experience perennial food shortages due to inadequate rainfall; noting that these counties however receive seasonal rainfall whose water can be harnessed and stored for irrigation; appreciating that the Government has invested heavily in the National Youth Service in terms of machinery and technical training; this House **urges** the Government to consider engaging the labour force and machinery of the National Youth Service to construct earth-dams for harnessing water for irrigation with a view to enhancing food production and alleviating hunger among the residents of the said counties and other semi-arid and arid regions of this country.
