(The Hon. Malulu Injendi, M.P.)

THAT, aware that Village Elders play a critical role in facilitating the work undertaken by Chiefs and Assistant Chiefs namely in solving disputes, addressing petty crimes, handling security issues and generally promoting development initiatives; concerned that the Government is yet to adequately recognize their vital roles by way of facilitating their work; further noting that these hardworking citizens are crucial in the dissemination of government policies and plans to the grassroots, this House **urges** the National Government to consider giving a monthly or annual Honorarium to Village Elders as a means of appreciating their services and encouraging them to uphold their dedication to the community.

(Balance of time – 45 minutes)*

THAT, aware that water is one of the most basic human needs; concerned about children in primary schools, especially, those that do not have access to clean tapped water; also aware that the Government is already providing electricity and food to these schools; deeply concerned that lack of water leads to a host of hygiene-related problems including jigger infestation, cholera and others, this House **resolves** that the Government formulates a financial framework for and provides tapped water to all public facilities, especially primary schools, as water is life.

13*. **MOTION – ESTABLISHMENT OF A SELECT COMMITTEE TO INQUIRE INTO YOUTH VULNERABILITY TO RADICALIZATION**
(The Hon. Kanini Kega, M.P.)

THAT, aware that national security, peace and stability is integral for national development; worried that the stability of Kenya continues to be susceptible to sporadic terror attacks by militant groups; further concerned that the escalating incidences of terrorism and violence could be attributed to radicalization of young people; alarmed that the number of young persons from across the country being lured or coerced into joining radical terrorist organizations continues to increase; concerned that despite the history of extremism and radicalization in the country, little empirical inquiry has been conducted to determine the forces behind youth vulnerability to religious and other forms of radicalization; cognizant of the fact that spontaneous and reactionary Government responses in combating extremism and radicalization has borne little fruit; appreciating the role that comprehensive understanding of factors behind radicalization

and extremism can play in overcoming this vice; this House **resolves** to establish a select Committee to inquire into and report within ninety (90) days on the circumstances and forces behind vulnerability of young persons to radicalization, and approves the following Members to constitute the Committee:-

THAT, aware that cases of unbecoming conduct among young people has been on the rise as exemplified by runaway drug abuse and addiction, drunkenness, sexual orgies and general irresponsibility; and deeply concerned that these incidents of loose morals have been worsened in the recent past by emerging radicalization of the youth leading to inclination towards terrorism and lawlessness, this House **urges** the National Government to consider deploying chaplains to all secondary schools and tertiary institutions in order to instill desired morals, social virtues, national values and a sense of responsibility, to address and root out moral decadence at an early age, and to supplement the work of guidance and counselling departments operating in these institutions.

15*. MOTION – FREE ISSUANCE OF KENYA POLICE MEDICAL EXAMINATION (P3) FORMS
(The Hon. Omar Mwinyi, M.P.)

THAT, aware that the Kenya Police Medical Examination (P3) form is a legal document that is produced in a court of law as evidence in cases which involve body injury; noting that victims are required to have the P3 form completed by a certified public medical officer; further aware that the victims are charged a fee for this service by the hospitals attending to this particular service; concerned that most citizens are financially challenged hence the medical fee charged by the hospitals, is in contravention of Article 48 of the Constitution on access to justice; deeply concerned that if the situation is left unchecked, it may lead to continued abuse of the poor, delayed justice and possible incidents of unrest; this House **urges** the Government to ensure that completion of P3 forms is offered free of charge at all public healthcare facilities.
