(The Hon. Yusuf Hassan, M.P.)

**THAT**, aware that the Kamukunji grounds is undoubtedly one of the most important public spaces in Kenya's political history; further aware that it was here that our national leaders held groundbreaking political rallies that mobilized the masses in the struggle for freedom and independence from colonial rule; cognizant of the fact that for the last 40 years, the Kamukunji grounds have continued to play a significant role in the Kenyan peoples' struggle for human rights and democracy, specifically the Saba Saba Rally that brought an end to the one-party rule ushering in a new era of multi-party democracy; concerned that the historic ground has been forgotten and neglected yet the great men and women of this great nation suffered so that we could be free; this House **resolves** that the Government declares the Kamukunji grounds a protected national monument and a historic place of great importance and transforms it into a safe and livable public space for present and future generations.

(The Hon. Kanini Kega, M.P.)

**THAT**, aware that national security, peace and stability is integral for national development; worried that the stability of Kenya continues to be susceptible to sporadic terror attacks by militant groups; further concerned that the escalating incidences of terrorism and violence could be attributed to radicalization of young people; alarmed that the number of young persons from across the country being lured or coerced into joining radical terrorist organizations continues to increase; concerned that despite the history of extremism and radicalization in the country, little empirical inquiry has been conducted to determine the forces behind youth vulnerability to religious and other forms of radicalization; cognizant of the fact that spontaneous and reactionary Government responses in combating extremism and radicalization has borne little fruit; appreciating the role that comprehensive understanding of factors behind radicalization and extremism can play in overcoming this vice; this House **resolves** to establish a select Committee to inquire into and report within ninety (90) days on the circumstances and forces behind vulnerability of young persons to radicalization, and approves the following Members to constitute the Committee:-
