- (i) The In-Vitro Fertilization Bill (National Assembly Bill No. 36 of 2014)
(The Hon. Millie Odhiambo-Mabona, M.P.)

(Resumption of consideration interrupted on Wednesday, February 24, 2016 – Morning Sitting)

(To resume from Clause 28)

- (ii) The Political Parties (Amendment) Bill (National Assembly Bill No. 5 of 2015)
(The Hon. Chrisantus Wamalwa, M.P.)

9*. MOTION – ACCESSIBILITY TO PUBLIC BUILDINGS BY PERSONS WITH DISABILITY

(The Hon. Isaac M. Mwaura, M.P.)

THAT, aware that Article 54 (c) of the Constitution provides that a person with disability is entitled to reasonable access to all places, public transport and information; further aware that Section 21 of the Persons with Disability Act, 2003 provides that persons with disabilities are entitled to a barrier-free and disability-friendly environment to enable them have access to buildings, roads and other social amenities, assistive devices and other equipment to promote their mobility; concerned that over the years, persons with disabilities have not been given the right to enjoy all their fundamental freedoms; cognizant of the fact that accessibility is vital in increasing the mobility of these individuals and reducing the ratio of dependency on people; this House **resolves** that the Government

provides Parliament with a clear plan of action with timelines for making the necessary structural design adjustments to all public buildings, Government Ministries, departments and agencies to make them more user-friendly to persons with disabilities, and that the National Council for Persons with Disabilities approves all new public structures to ensure their designs are compliant to minimum accessibility standards.

(Balance of time – 45 minutes)

(Motion as amended)

10*. MOTION – DECENTRALIZATION OF REGISTRATION OF NATIONAL IDENTIFICATION CARDS
(The Hon. Chrisantus Wamalwa, M.P.)

THAT, aware that devolution was meant to devolve governance and public services across the country, including access to basic services like acquisition of identity cards, passports, birth certificates, voters cards, among others; further noting that currently all registration of national identity cards only happens at one centre in Nairobi; cognizant of the fact that this delays the acquisition of identity cards, thus denying Kenyans their right to employment, ability to vote, access to public funds like Uwezo Fund and other crucial services, this House resolves that the Government decentralizes the registration of national identification cards **and passports** to the county level to expedite the process and allow Kenyans to access public services in a timely manner.

(Resumption of debate interrupted on Wednesday March 02, 2016 – Morning Sitting)

(Balance of time – 20 minutes)

(Motion as amended)

11*. MOTION – ALLOWING PERSONS WITH SERIALIZED WAITING CARDS TO REGISTER AS VOTERS
(The Hon. Ferdinand Wanyonyi, MP)

THAT, aware that voter registration is a crucial exercise in the electioneering process, further aware that to register as a voter, one requires a National Identification Card; concerned that thousands of youth are yet to issued with Identification Cards due to the long and tedious process involved in the processing of these Cards and further compounded by centralization of the registration process; noting that once a person applies for the Identification Card, he/she is issued with a serialized waiting card whose serial number appears in the Identity Card; mindful of the fact that many persons especially youth in possession of *serialized waiting cards* would not have received their Identity cards by 15th March 2016 and are likely to miss out on being listed as voters when the ongoing voter registration exercise that commenced on Monday, 15th February, 2016 shall be coming to a close; cognizant of the fact that universal equal suffrage is a fundamental right recognized under the United Nations Charter on Human Rights; appreciating that Section 5 sub-sections (3A) and 3(B) of the Elections Act, 2011 obligates the Independent Boundaries and Electoral Commission (IEBC) to register all Kenyans who have attained the age of

...../11*(cont'd)

eighteen (18) years, have applied for issuance of Identity Cards and are in possession of *serialized waiting cards*, pending issuance of the Identity Cards; worried that by failing to enlist eligible voters in the voters' register the IEBC is disenfranchising them and impeding their inalienable democratic right to participate in elections, this House resolves that the Independent Boundaries and Electoral Commission immediately allows all persons who were successful vetted and issued with *serialized waiting cards* to register as voters in the ongoing and future voter registration exercises in accordance with Section 5 of the Elections Act, 2011.

12* . THE CONSTITUTION OF KENYA (AMENDMENT) (NO.5) BILL
