(The Hon. Jessica Mbalu, M.P.)

THAT, aware that education is an important tool for empowering Kenyan youth to actively participate in national development towards realization of Kenya's Vision 2030 and the Sustainable Development Goals; noting that conducive and enabling working environment for teachers is fundamental in enhancing efficiency and safety of learning materials; cognizant of the fact that teachers in a number of public schools and early childhood development (ECD) centres work from poor staffrooms or makeshift facilities at both levels of government, including ECD Centres, some of which have no staffroom facilities, or storage facilities for equipment or books; further concerned that teachers and students in most leaning institutions have no internet infrastructure for accessing online learning resources; concerned that such poor working conditions constrain optimal service delivery by teachers and expose learning materials, including books purchased under the Free Primary Education and subsidized secondary school capitation funds, to destruction and theft; this House urges the National Government and the county governments to initiate a comprehensive programme to ensure that all public primary and secondary schools and ECD centres have standardized staffrooms for teachers and safe custody of learning resources and internet connectivity for accessing online learning resources.
