INSTITUTIONS**

(The Hon. Geoffrey Odanga, M.P.)

**THAT**, aware that cases of unbecoming conduct among young people has been on the rise as exemplified by runaway drug abuse and addiction, drunkenness, sexual orgies and general irresponsibility; and deeply concerned that these incidents of loose morals have

Been worsened in the recent past by emerging radicalization of the youth leading to inclination towards terrorism and lawlessness, this House **urges** the National Government to consider deploying chaplains to all secondary schools and tertiary institutions in order to instill desired morals, social virtues, national values and a sense of responsibility, to address and root out moral decadence at an early age, and to supplement the work of guidance and counseling departments operating in these institutions.

*(Resumption of debate interrupted on Wednesday, October 5, 2016, – Morning Sitting)  
(Balance of time – 53 Minutes)*

**12\*. MOTION– FREE ISSUANCE OF KENYA POLICE MEDICAL EXAMINATION (P3) FORMS**

(The Hon. Omar Mwinyi, M.P.)

**THAT**, aware that the Kenya Police Medical Examination (P3) form is a legal document that is produced in a court of law as evidence in cases which involve body injury; noting that victims are required to have the P3 form completed by a certified public medical officer; further aware that the victims are charged a fee for this service by the hospitals attending to this particular service; concerned that most citizens are financially challenged hence the medical fee charged by the hospitals, is in contravention of Article 48 of the Constitution on access to justice; deeply concerned that if the situation is left unchecked, it may lead to continued abuse of the poor, delayed justice and possible incidents of unrest; this House **urges** the Government to ensure that completion of P3 forms is offered free of charge at all public healthcare facilities.

**13\*. MOTION– SUPPORT FOR YOUTH INNOVATIONS BY THE GOVERNMENT**

(The Hon. Isaac Mwaura, M.P.)

**THAT**, aware that there are many talents amongst the youth of this country; having noted that this talents have been severally displayed through various inventions and innovations by the youth in platforms such as the Science Congress and the Annual Youth Innovation Week; concerned, that most of these discoveries do not go beyond making sensational newspaper and electronic media stories; noting that most of these innovations are aimed at addressing the problems that afflict us as Kenyans on a daily basis; further concerned that there is inadequate enabling legislation and administrative measures to support these innovations; cognizant of the fact that the Kenya Vision 2030 seeks to make our country an industrialized middle-income economy in the next 14 years; aware of the immense potential for wealth creation and job opportunities that such innovations would generate if well-developed and commercialized; also recognizing that our imports are well in excess of Kshs. 1.3 billion shillings, a gap that would be narrowed if we had our own local production, this House **urges** the Government to support youth innovation by creating an innovation fund and a national incubation system, among other measures.

**14\*. MOTION– ESTABLISHMENT OF A SELECT COMMITTEE TO INVESTIGATE MATTERS RELATING TO GMOs**

(The Hon. (Dr.) Wilber Ottichilo, M.P.)

**THAT**, aware that the Government banned the importation of Genetically Modified Organisms (GMO) imports in 2012; further aware that the Ministry of Health which initiated the ban has consistently maintained that GMO foods are not safe for human and animal consumption; considering that no tangible evidence on the same has been provided; cognizant of the fact that local and international scientific institutions and stakeholders have consistently endorsed the use of GMO foods as a necessary measure for the present and future food security in the Country; concerned that the National Bio-Safety Authority (NBA) established under Bio-Safety Act was not involved in the decision to ban the use of GMO foods in the country; concerned that the Country continues to lose millions of shillings monthly in lost business opportunities related to GMO products; further concerned that research on bio-technology and bio-safety has stalled; this House **resolves** to establish a Select Committee to comprehensively investigate and inquire into all matters relating to GMOs, consider and review all related research findings and make recommendations and table its report within ninety (90) days and approves the following Members to constitute the Committee:-

1. The Hon. (Dr.) Wilber Ottichilo, MP - Chairperson

**15\*. MOTION – RECRUITMENT OF SCHOOL BURSARS TO ENSURE PRUDENT UTILIZATION/MANAGEMENT OF FREE PRIMARY EDUCATION FUNDS**

(The Hon. James Lusweti, M.P.)

**THAT**, aware that Free Primary Education is an important milestone to economic and social development in the country; further aware that since the introduction of Free Primary Education (FPE) in 2002, the Government has spent huge amount of money on the programme; noting that the recent Report by the Ministry of Education submitted to the Ethics and Anti-Corruption Commission (EACC) indicated that the Government could be losing millions of capitation funds in public schools through inflated enrollment figures, fraudulent deals that include irregular allocation of funds, procurement of goods and questionable expenditure by Head teachers; concerned that the spirit of FPE was to provide a chance to every student in the country to acquire free education, giving effect to Article 43(1)(f) of the Constitution; noting that most Head teachers do not possess requisite financial management skills to proficiently handle FPE funds; this House **urges** that the Government, through County Education Boards to recruit School Bursars to ensure prudent utilization/management of FPE funds disbursed to various schools in the country.

**16\*. MOTION– FORMULATION OF A POLICY TO GUARANTEE CAREER ADVANCEMENT, PROMOTIONS AND SECURITY OF TENURE FOR PUBLIC SERVANTS**

(The Hon. Joyce Emanikor, M.P.)

**THAT**, aware that a sufficiently skilled and trained workforce is an essential pillar for attainment of Kenya's Vision 2030; further aware that the number of doctors, accountants, engineers, teachers, nurses, lecturers, scientists and other professionals in the public sector undertaking further studies of specialized skills within or outside the country is on the increase; deeply concerned that quite a number of professionals seemingly get demoralized by the fact that on returning from studies abroad or after undertaking further studies locally they are either deployed to lower positions, placed below supervisors whose skills they exceed or stagnate in the same position they were before furthering their skills; further concerned by the fact that most of them thereafter opt to leave the public service for the private sector, civil society or Non-Governmental Organizations (NGOs) or even migrate abroad in search of greener pastures leading to regrettable brain drain; this House **resolves** that the Government establishes a comprehensive policy to guarantee career advancement, promotions and security of tenure for public servants and officers who undertake to refine their skills through further studies.
