**THAT WHEREAS** Article 43 (1) (f) of the Constitution of Kenya explicitly provides for the right to education for all;

**AND WHEREAS** it is the responsibility of the State to ensure that the right to education is enjoyed by all;

**OBSERVING THAT** that the Teachers Service Commission (TSC) is the constitutionally mandated body to handle matters of employment, deployment, remuneration and discipline of teachers in all public schools;

**APPRECIATING** efforts made by the national government through the Teachers Service Commission (TSC) to improve the teacher pupil ratio to international standards in all public schools through yearly employment of teachers;

**CONCERNED THAT** currently there exists great disparities in the distribution of teachers in schools across the country, with major teacher shortage being experienced in rural and marginalized areas;

**FURTHER CONCERNED** that there is major inequality in the distribution and allocation of teachers among schools across the country leading to either oversupply or undersupply of teachers in some public schools;

**AWARE THAT** medical services are now a devolved function;

**CONCERNED THAT** of the nearly 4 million Kenyans living with disabilities who reside in Kenya, there is a very small fraction of the number which is duly registered;

**FURTHER CONCERNED THAT** without proper registration, many persons living with disabilities are denied services because they lack the necessary proof of disability;

**ALSO CONCERNED THAT** owing to lack of accurate data on persons living with disabilities, the government at both levels cannot plan properly for his category of people;

**NOW THEREFORE**, there the Senate calls upon the National Council for Persons with Disabilities in collaboration with Ministry of East African Community, Labour and Social Protection and county governments, to carry out a nationwide registration of all persons living with disabilities in order to determine their exact population to facilitate effective service for this marginalized group of our society.
