NATIONAL DISASTER AND ESTABLISHMENT OF A
NATIONAL YOUTH FUND

(The Hon. Anthony Tom Oluoch, M.P.)

THAT, aware that seventy-five percent of Kenya's population is under 35 years of age and that, overall unemployment among youth is at 55 percent; cognizant of the Government's plan in the Big Four Agenda aimed at creating 1.3 million manufacturing jobs by 2022; appreciating that Article 260 of the Constitution of Kenya and the Public Finance Management Act (National Government Affirmative Action Fund) Regulations, 2016 support affirmative action for the youth; aware that in the Appropriation Act, 2018, the youth empowerment programme was only allocated a total sum of Kshs.7,352,220,651; this House urges that the Government declares youth unemployment as a national disaster and further establishes a National Youth Fund of at least 5 percent of the national revenue collected each year to be administered by an Authority or Commission for purpose of youth empowerment and employment.

13*. **MOTION- ESTABLISHMENT OF APPRENTICE TESTING AND**

(The Hon. Charles Njagua Kanyi, M.P.)

THAT, aware that the informal sector constitutes an important component of the economic activities and development process in Kenya representing about 82.7% of employment in the country; further aware that the workers in the informal sector engage in commercial activities outside the realm of the formally established mechanisms since there is no clear policy framework in place to regulate their operations by the Government; noting that most workers in the informal sector acquire skills and knowledge mainly through apprenticeships but have no access to technical skills upgrading as many lack requisite academic certificates; recognizing that apprenticeship in the informal economy represents the main road map to skills development in most developing countries and appreciating that the National Industrial Training Authority (NITA) through its training centers in Nairobi, Mombasa, Kisumu and Athi River plays an important role in industrial training targeting workers in the formal and informal sector; this House urges the

Government to establish suitably located and facilitated training and testing centers in every constituency to assess the experience and competence of the apprenticed workers particularly in the informal sector and consider putting in place mechanisms to have them awarded with certificates based on their competencies and acquired skills.
