8*. MOTION – ESTABLISHMENT OF SPECIAL NEEDS UNITS IN EVERY PRIMARY AND SECONDARY SCHOOL

(The Hon. Mishi Juma Mboko, M.P.)

THAT, aware that Article 53(b) and 54 of the Constitution guarantees the right to free and compulsory basic education for every child and provides for persons with disabilities respectively in that persons with disability have a right to access educational institutions and facilities that are integrated into society to the extent compatible with their interests and needs; further aware that the government provides for education to children living with disabilities through integrated units in primary schools; cognizant of the fact that the lack of a clear implementation framework of the Special Needs Education policy, inadequate funding, and inadequate teachers with the right skills to teach children with disabilities across the various regions of the country hampers access by children with disabilities; deeply concerned that that there are few designated special education schools in the country hampering access by those children living with various disabilities including and not limited to autism, dyslexia, down syndrome, cerebral palsy and physical disabilities and therefore there is need to provide special attention to these children; this House **urges** the Government through the Ministry of Education to establish a special needs unit in every primary and secondary school.

(Question to be put)

9*. **MOTION- PROVISION OF FINANCIAL SUPPORT AS DISASTER RELIEF TO COCONUT FARMERS AFFECTED BY DROUGHT IN KILIFI COUNTY**

(The Hon. Owen Baya, M.P.)

THAT, aware that Agriculture is the mainstay of the Kenyan economy, contributing to food security and employment of rural households; further aware that the recurrent drought being experience in many parts of the Country has adversely affected this sector leading to a worrying drop in production particularly among the coconut farmers in Kilifi County; noting that farmers in Kilifi have not only suffered losses of income for their livelihood due to drought but are also faced with huge debts resulting from high interest levied for default on loans advanced to them for coconut production; recognizing that the Government of Kenya in 2016 launched the Kenya National Agricultural Insurance Program, which is designed to among other things, address the challenges that agricultural producers face when there are large production shocks, such as droughts and floods with focus on livestock insurance, and maize and wheat insurance; this House urges the Government to provide financial support as disaster relief to the affected coconut farmers in Kilifi County and put in place sustainable measures to mitigate future drought related losses through inclusion of coconut insurance under the National Agricultural Insurance Program.

Amendment proposed -

THAT, the Motion be amended as follows:

- (a) by inserting the words "the coast region, particularly in" after the words "coconut farmers in" in the fifth line; and
- (b) by deleting the words "Kilifi County" in the fourteenth line and substituting thereof the words "Counties in the Coast region."

- Morning Sitting)*

(Balance of time - 23 minutes)

10*. **MOTION - PROVISION OF SPECIALIZED TRAINING AND SUBSIDIZED COSTS RELATING TO FISTULA SURGERY**

(The Hon. Janet Nangabo, M.P.)

THAT, aware that Article 43 of the Constitution provides that every person has the right to the highest attainable standard of health, which includes the right to health care services, including reproductive health care; further aware that Obstetric or Vesical Vaginal Fistula (VVF) is a devastating condition that affects women and girls across the country and which has seen many of the patients victimized,

abandoned and ostracized by their communities; deeply concerned that it is estimated that more than two million women and girls live with Obstetric Fistula, and that four out of every 1,000 deliveries in Kenya result in fistula which results in between 50,000 to 100,000 new fistula cases every year; alarmed that according to available reports, though Obstetric Fistula is treatable with proper medical attention, only 7.5 per cent of patients with fistula are able to access medical care for the condition mainly due to the related costs and lack of suitably trained surgeons; this House urges the Government to provide specialized training for fistula surgeons and subsidizes costs for fistula surgery in all health facilities in order to make treatment accessible and affordable.

**12*. MOTION- DECLARATION OF YOUTH UNEMPLOYMENT AS A
NATIONAL DISASTER AND ESTABLISHMENT OF A
NATIONAL YOUTH FUND**

(The Hon. Anthony Tom Oluoch, M.P.)

THAT, aware that Seventy-five percent of Kenya's population is under 35 years of age and that, overall unemployment among youth is at 55 percent; cognizant of the Government's plan in the Big Four Agenda aimed at creating 1.3 million manufacturing jobs by 2022; appreciating that Article 260 of the Constitution of Kenya and the Public Finance Management Act (National Government Affirmative Action Fund) Regulations, 2016 supports the affirmative action for the youth; aware that in the Appropriation Act, 2018, youth empowerment programme was only allocated a total sum of Kshs.7,352,220,651; this House urges that the Government declares youth unemployment as a national disaster and further establishes a National Youth Fund of at least 5 percent of the national revenue collected each year to be administered by an Authority or Commission for purpose of youth empowerment and employment.
