

NATIONAL ASSEMBLY

OFFICIAL REPORT

SPECIAL SITTING

Thursday, 20th September 2018

The House met at 2.30 p.m.

[The Speaker (Hon. Justin Muturi) in the Chair]

PRAYERS

Hon. Speaker: Order Hon. Members! Hon. Members, I can see there is a lot of interest in the business that is almost before the House. Due to the late period at which we concluded the consideration of the Supplementary Estimates, the Supplementary Appropriations Bill is in the final stages of preparation. It will be made available to the House in the next 30 to 50 minutes. Therefore, for the convenience of the House, I rearrange the business for consideration by the House such that the business appearing as Order Nos.8, 9 and 10 (i) be conducted after the business appearing as Order No.10 (ii) has been concluded. Therefore, can you read Order No.10?

(The Speaker consulted the Clerk-at-the-Table)

Sorry, Hon. Members. There is a Supplementary Order Paper which has Order No.10 as a Procedural Motion dealing with the reduction of the Publication Period of the Supplementary Appropriations Bill. In keeping with our rules, the Leader of the Majority Party may not, in moving that Motion, refer to a Bill that is not before the House. That business is also to be rearranged until such time as copies of the Bill will have been made available to Hon. Members and the entire House. It is the business appearing as Order Nos.8, 9 and 10 that my earlier comments relate to. Order No.11 (i) is affected.

Therefore, the Clerk may proceed.

COMMITTEE OF THE WHOLE HOUSE

(Order for Committee read)

[The Speaker (Hon. Justin Muturi) left the Chair]

IN THE COMMITTEE

[The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuya) took the Chair]

CONSIDERATION OF THE PRESIDENT'S RESERVATIONS TO THE FINANCE BILL, 2018

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuya): Members, we are in the Committee of the whole House to consider the President's Reservations to the Finance Bill (National Assembly Bill No.20 of 2018).

Hon. Members: On a point of order!

The Temporary Deputy Speaker (Hon. (Ms.) Soipan Tuya): Members, please go to the Supplementary Order Paper.

Hon. Members: We do not have it!

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuya): We will make sure that everyone has a copy. Members, we will wait until Members have copies of the Order Paper. Serjeant-at-Arms, please circulate copies of the Order Paper.

(The Serjeant-at-Arms circulated the Supplementary Order Paper)

Hon. Members, I hope everyone has a copy of the Order Paper. They are in circulation and they should be reaching you.

Hon. T.J. Kajwang' (Ruaraka, ODM): On a point of order, Hon. Temporary Deputy Chairlady.

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuya): We have not even started, Hon. Kajwang'. We have not started anything.

(Loud consultations)

Clause 2

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuya): Sorry, Hon. Members, let us hear Hon. Kajwang'.

Hon. T.J. Kajwang' (Ruaraka, ODM): Hon. Temporary Deputy Chairlady, allow me to raise a point of order. Protect me from the Chief Whip, who is standing between me and the Chair. In keeping with the Standing Orders, in Committees of the whole House, we always begin with other substantive parts of the Bill before we come to the definitive clauses of the Bill. This is because as you will realize, the term "winnings" was never either in the Bill before or in the text that was taken to the President. There will be issues as to whether the definition of the term "winnings" will affect the substance of the Bill or not. In keeping with the Standing Orders, can we begin with Clause 18? When we are done with the Bill, we will then come to Clause 2.

I submit.

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuya): Hon. Kajwang', there is no harm in that. We shall start with Clause 18.

Clause 18

Hon. Aden Duale (Garissa Township, JP) Hon. Temporary Deputy Chairlady, I beg to move:

THAT, Clause 18 of the Bill be amended by deleting paragraph (b).

Hon. Temporary Deputy Chairlady, this is the crux of the matter. I want people to listen to me. This is the most important matter. You remember in Clause 18, the amendment of Hon. Junet proposed to amend Section B of Part I of the First Schedule to the VAT Act, 2013 by deleting the expression “1st September 2016” appearing in paragraph (ii). That is what we did in this House. Because the President has returned it, let me go on record that as we speak today, the VAT on petroleum products as passed by the House in 2013 stands. Whatever action we take this afternoon will change that position.

I really want to speak to those who are saying “no” and ‘yes” so that we deal with this matter in the interest of the people of Kenya. So, notwithstanding paragraph (i), the exemption was to be extended by a further two years from 1st September 2018. The President disagrees with that, as provided in the Memorandum he has sent which is in the Order Paper and which I beg to move as it is.

I will now go to the justification of why the President felt that he should disagree with the House and reduce the 16 per cent which was passed in 2013. After listening to the people of Kenya and their concerns, he said let us reduce it for this year to 8 per cent. The import of this provision is that at 16 per cent, the National Treasury was to collect a revenue of about Kshs35 billion by the end of June 2019. This figure is already factored in the revenue estimates for this financial year, Hon. Temporary Deputy Chairman.

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuya): Hon. Duale, you are addressing someone who is not here.

Hon. Aden Duale (Garissa Township, JP): Hon. Temporary Deputy Chairlady, I am sorry.

(Hon. Omboko Milemba spoke off record)

You know I have never been in the teachers’ union, so I do not panic. And I have enough shocks. So, Hon. Milemba, I am not the Teachers Service Commission Chief Executive Officer who you could intimidate. I am the Member for Garissa Township.

This figure of Kshs35 billion was factored in the Budget of 2018/2019 by this House itself. Further extension of this will create a huge deficit in the Budget that this House has passed. This morning we were dealing with that deficit. In the course of approving the Finance Bill, 2018, the National Assembly removed other policy measures that could have given us more revenue.

In sum, the Finance Bill, 2018 as currently approved by the House, has created a financial gap of Kshs48.6 billion. This is in addition to Kshs18.9 billion which was the gap that we passed with the Appropriation Bill of Financial Year 2018/2019, which we are amending this afternoon, when we get copies. The question that we beg to ask ourselves is that we are, therefore, looking at a budget-funding gap of Kshs67.5 billion in Financial Year 2018/2019 from this amendment.

If you look at the Public Finance Management Act Section 50(4), it is incumbent upon this House to pass a budget that balances. There are a number of people who asked: Why are we charging VAT on petroleum products? Number one, as we stand today, this is the first time we are charging VAT on petroleum products. Suppliers of this product are currently not able to claim any investment in terms of input on VAT. If we pass this legislation today, then they will join the rest of the other suppliers in the country whose products are VAT-chargeable. This will trickle down to the consumers of such suppliers.

More fundamentally, this is the one reason the country must know, unlike other sectors in the economy, the Government... This House, under the leadership of the former chair of the Committee on Delegated Legislation, who is now the presiding Chair, passed the Energy (Petroleum Pricing) Regulations which regulate the retail prices of petroleum products. Never again can anybody say that because there is VAT on petroleum products, I will sell kerosene, super or diesel at this price. The moment we pass this 8 per cent, the Energy Regulatory Commission (ERC) as a body mandated will do a calculation on the 8 per cent the President is proposing which will be translated into other sectors of the economy. So, this notion that if we put 8 per cent, tomorrow the bus that plies Garissa to Nairobi will charge Kshs1,000 should stop. The moment this becomes law, ERC will determine the only transferable cost payable by passengers or any other sector of the economy.

The Kenyan economy can only be compared to that of our peers like South Africa, Ghana and Nigeria. In South Africa they charge 14 per cent VAT and in Ghana they charge 15 per cent. Nigeria charges 5 per cent. Do not compare us with economies whose Gross Domestic Product when combined does not reach ours. This is the only economy that this House and the Chair of Budget and Appropriations Committee can prove that our Budget is 99 per cent funded by our domestic revenue. We do not beg the International Monetary Fund (IMF) and World Bank. In fact last Thursday, the IMF withdrew the insurance on the volatility of a shilling. Until today our shilling is very strong.

I have given enough reasons and I beg to move that the amendment on the Memorandum be approved. I beg to move.

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuyu): Very well, the Leader of the Majority Party.

(Question of the amendment proposed)

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuyu): Member for Bomachoge. But before that, I see the Leader of the Minority Party. You have the benefit of precedence.

Hon. John Mbadi (Suba South, ODM): Thank you, Hon. Temporary Deputy Chairlady. I want to support this amendment. I just want to say two things. We are all aware that the Bill that we took to the President was suspended.

Hon. Members: Zero! Zero!

Hon. John Mbadi (Suba South, ODM): I hear people talking about zero. There is no zero-rating of petroleum products. What is there is that we had asked the President....

Hon. Members: No! No! No!

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuyu): Order Members! Please, let us allow the Leader of Minority to have his say.

Hon. John Mbadi (Suba South, ODM): Before my colleagues who are saying “zero” proceed, I want to say one thing: I am one of the people who were against levying any tax on petroleum products, and for a very good reason. My thinking was that it would send a negative signal to the economy. However, I want to put it clearly that if the 8 per cent tax is implemented properly, even transporters and *matatu* operators must understand that the 8 per cent VAT on petroleum products is not effectively 8 per cent because if you go down, you will find that Excise Duty is removed as you calculate the 8 per cent.

Hon. Members: Zero! Zero! Zero!

Hon. Temporary Deputy Chair, you now see why these Members come here and when they leave, they do not even know what they passed. They are shouting “zero” instead of engaging in debate.

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuyu): Order, Members! Whichever side of the divide you are in, how will you be heard if you shout? Let us listen to the Leader of the Minority Party. We are not in Second Reading. So, please, be brief and to the point, Hon. Mbadi.

Hon. Member: On a point of order, Hon. Temporary Deputy Chairlady!

Hon. John Mbadi (Suba South, ODM): What is out of order? You do not even understand what I am saying.

So, I support.

Hon. Members: Zero! Zero! Zero!

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuyu): Let us hear Hon. Kajwang’

Hon. T.J Kajwang’ (Ruaraka, ODM): Thank you, Hon. Temporary Deputy Chairlady. I thank those Members who are saying “zero”. I rise to oppose.

Just before we vote, I want Members to know what they are voting for. I want to refer you to the Value Added Tax Act, Section 5, which states that the rate of taxation shall be zero per cent or 16 per cent. Section 6 gives the Cabinet Secretary (CS) powers to amend the rate of tax even through a Gazette Notice, if a value or percentage has been added to it. What does it mean? It means that if today we give 8 per cent, in the next one week, the CS will, by way of a Gazette Notice, without coming to the National Assembly, increase it to a maximum of 25 per cent. That is the law. For that reason, I oppose.

Hon. Members: Zero! Zero! Zero!

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuyu): Order! Order, Members! I cannot put the Question when you are screaming. We cannot proceed when you are screaming. I will proceed and put the Question in silence.

*(Question, that the words to be left out
be left out, put and agreed to)*

Hon. Members: No! No!

(Loud consultations)

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuyu): Order, Hon. Members!
Hon. Members, Order!

(Members chanted “Bado mapambano, Bado mapambano”)

Hon. Members, take your seats. Take your seats, Hon. Members. Serjeant-at-Arms, I order that we have the bell rung for five minutes to prepare for voting. Ring the bell.

(Several Hon. Members withdrew from the Chamber)

(The Division Bell was rung)

Order, Hon. Members! Order, Hon. Members! Hon. Members, the bell is ringing and at the stop of the bell you will start voting. Take your seats, Hon. Members! Once the bell stops you start voting. Take your seats.

(Hon. (Ms.) Beatrice Nyaga stood at her place)

Hon. Nkatha, take your seat. Hon. Members, take your seats. Order, Hon. Members! Get ready to vote. The bell is ringing. Those asking for points of order, there is nothing out of order. Just prepare yourselves to vote. Open the doors. Keep the doors open.

(Hon. Members refused to take their seats)

The Temporary Deputy Chairlady (Hon. (Ms) Soipan Tuyu): Order, Hon. Members! Now can we have the Bars drawn? The five minutes are over. Close the doors and let us get down to voting. Get ready. Stop making noise. Insert your cards. There is nothing out of order when you are voting. Hon. Jaldesa, insert your card ready for voting.

(Some Members refused to insert cards)

Order! Hon. Members, take out your cards.

Hon. Members: Duale must go! Duale must go!

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuyu): Order, Hon. Members! Put in your cards, Hon. Members. Now sit down and vote. Put your cards, Hon. Members. Log in your cards now, Hon. Members.

(Hon. Members refused to vote)

Hon. Members: No! No! No! No voting!

(Loud consultations)

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuya): Order Members. Hon. Members, we will be guided by the Standing Orders. I now direct the Clerks-at-the Table under Standing Order No. 72 to take a head count of the number of Members in the House. Hon. Members, take your seats.

(Hon. Members continued standing)

(The Clerks-at-the Table took a head count of the Members)

Nobody is allowed to leave the House at the moment. Order Members! Hon. Members, take your seats. Hon. Wanyonyi, take your seat. The head count has been taken. We have a total of 215 Members present in the House. In that case, the Ayes have it, Hon. Members.

Hon. Members: No! No!

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuya): Serjeant-at-Arms, open the Bars. Hon. Members, do you want to do *mlolongo*?

Hon. Members: Yes! Yes!

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuya): Okay, fine. Listen, Hon. Members, take one queue. Let us do *mlolongo*. Take one queue. All of you go to one side. This is the queue, Hon. Members.

Hon. Members: Sialai must go! Sialai must go! No! No! No! No voting! No *mlolongo*!

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuya): Order, Members. Let us be silent. Hon. Members, can you be honest? Do you want the count to happen? Do you want us to count the Members? Then let us do it in an orderly manner. Take your seats Members. Hon. Mishra and your team, please take your seats.

(Several Hon. Members stood in their places, gangways and aisle)

Hon. Members, take your seats. We are taking a roll call.

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuya): Take your seats, Hon. Members. Please take your seats.

*(Hon. Kassait Kamket, Hon. (Ms.) Odhiambo-Mabona
and several other Members stood on the aisle)*

Hon. Kamket and Hon. Millie, please take your seats. Let us take our seats and then we can take the roll call.

(Loud consultations)

Hon. Members, we are taking the roll call. When I call your name, make your stand whether you are voting “no” or “yes”. That is simple enough, Hon. Members. That is simple. Sit down Members.

(Applause)

Okay, Members, now take your seats. Let us do this quickly.

(Hon. Joseph Manje and Hon Kiptanui stood on the aisle)

Hon. Manje and Hon. Kiptanui, please, take your seats. The Hon. Member, here, please take your seat. Let us do this in a simple way. When I call the name of Hon. Member, you rise and say “no” or “yes”. That is simple.

Hon. Members: No! No! Why are you counting us? No! No!

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuyu): Hon. Members, do you really want to vote?

(Hon. Temporary Deputy Chairlady called out names)

Hon. Bashir Abdullahi, say “yes” or “no”. Okay, you will sign.

(Clerk-at-the Table took the roll call register to Hon. Major (Rtd) Bashir Abdullahi)

(Several Hon. Members congregated around Hon. Major (Rtd) Bashir Abdullahi)

Order, Members! Hon. Members, you cannot be hypocritical. If you want to vote, then let us have the vote. Do you want a vote? Do you want to confirm the numbers?

Hon. Member: We want to do a roll call. The only way the HANSARD will show we were here

(Loud consultations)

Hon. Member: Let us engage the Speaker.

The Temporary Deputy Chairlady (Hon. (Ms.) Soipan Tuyu): Order Members!

(Several Hon. Members congregated round the Dispatch Box)

(Grave disorder)

(The House resumed)

[The Speaker (Hon. Justin Muturi) in the Chair pursuant to Standing Order 112(2)]

Hon. Speaker: Order, Members! Take your seats!

(Loud consultations)

All Members upstanding please take your seats.

Hon. Members: No! No! Zero! Zero!

Hon. Speaker: You have liberty in the House to take whatever position on a matter. Hon. Members, the House must at all times be guided by its own rules.

Hon. Members, you were in Committee of the whole House. Some of you claimed for a division.

Hon. Members: No! No!

Hon. Speaker: Hon. Members, when the House is transacting business that requires a fixed threshold, at all times, the Chair must confirm that there is the requisite quorum.

Hon. Members: There was quorum!

Hon. Speaker: Hon. Members, the figures that were given were disputed by a section of Members. How can you complain that any Member walked out?

Hon. Members: No! No!

(Hon. Daniel Wanyama stood in his place)

Hon. Speaker: Hon. Wanyama!

(Hon. (Ms.) Rehema Jaldesa spoke off record)

Hon. Jaldesa! Hon. Members, you will have to go by the rules. Let me tell you that, any time there is voting and specific threshold is required, it must be ascertained that there is presence of that number in the House. Hon. Members, just listen! None of you keeps the count.

(Loud consultations)

You will hold your horses.

Hon. Members: On a point of order!

Hon. Speaker: Let me make it absolutely clear that you all know that walking out or walking in is part of your rights.

Hon. Members, when you start telling me that anybody was influenced, I do not know whether anybody is playing some magic to influence another here. Hon. Members, there is no debate.

Hon. Speaker: Hon. Millie Odhiambo, there is no debate. The House was in Committee of the whole House. At that time, even the Division Bell was rung.

Hon. Members: No!

Hon. Speaker: Hon. Members, do not address me as though I was in outer space. I was just here.

Hon. Members: Muturi must go! Muturi must go!

Hon. Speaker: Proceed! Proceed! But I can assure you that the House must conduct its business in a manner that reflects its decorum. The House must conduct its business in a manner that reflects its decorum and dignity. Therefore, if the dispute is with regard to the result of the division...

(Hon. Simba Arati spoke off record)

Hon. Simba Arati...

(Hon. Richard Onyonka spoke off record)

Hon. Richard Onyonka, you have no authority to address me. I must get advice from the lead Clerk-at-the Table.

Hon. Members: *Haki yetu! Haki yetu! Haki yetu!*

Hon. Speaker: Hon. Members, this will not last long because the House must transact. There have arisen some disputes from you making certain claims.

Hon. Members: Yes.

Hon. Speaker: I will listen to the claims a maximum of...

Hon. Members: Muturi for president! Muturi for president!

Hon. Speaker: Hon. Members, because the House is still sitting and there has arisen that dispute, we will listen to a maximum of 10 Members, five from each side and each Member shall speak for a period of two minutes, after which, I will make a determination. In the meantime, I direct the Serjeant-at-Arms to open the doors.

(Loud consultations)

Order Members! I thought we have agreed. Member for Mvita, we want to listen to any of the 10 persons make their contributions with regard to the disputes.

Hon. Members, with regard to the decision we have taken, we will have 10 Members to explain what the dispute is all about. The House must transact as it normally does. There will be five from this side and five from the other side. That is the way we operate in this kind of governance. Let us listen to every person without saying people are out of order. There is a general concern that the female gender gets side-lined most of the time because they are not always here in good time to log in their cards. You will allow me the liberty to...

(Loud consultations)

I am not saying it is only the female gender.

From Nairobi, we will have Hon. T.J. Kajwang', from western, there will be... I am told to consider the youth. So, Mohamed Ali from Kisauni. Let us also agree. Those of you in leadership, who always get a chance, let us allow Hon. Millie Odhiambo and Hon. Zuleikha. We

have agreed on five. Whoever is going to speak, we have agreed he is going to speak on behalf of the majority.

The Leader of the Majority Party and the Leader of the Minority, you will have to listen to this. Let them say what they have to say. Who is this talking on phone? The Lady from Laikipia County, Hon. Jaldesa and the Member for Mandera North.

We agreed on five Members from each side. There is nothing out of order now. We are not going to operate that way. These are the Members who are going to speak for a maximum of two minutes each, or one and a half as you say, namely, Hon. TJ Kajwang', Hon. Mohamed Ali, Hon. Makali Mulu, Hon. Millie Odhiambo and Hon. Zuleikha. From this side, Hon. Waruguru, Hon. Jaldesa, Hon. Abdullahi, Hon. Tuwei from Mosop and Hon. Wamuchomba. That is five.

(Loud consultations)

We agreed on 10. Can we start? Let us hear Hon. Kajwang'.

Hon. T. J. Kajwang' (Ruaraka, ODM): Hon. Speaker, I may have lost my voice, but I will try to address you in the best way. With a lot of respect, Hon. Speaker, when we went into Committee, Clause 18 was called by the Chairperson and Members made representations and a vote was called according to the Standing Orders.

(Loud consultations)

Just a minute. Just give me time. I will get there. A voice vote was called and the Chair pronounced herself very clearly that, "The Noes have it." When we began, the Chair had satisfied herself that we were more than 232 in the House. So, after the voice call voting was done, Hon. Duale, Member for Garissa Township, led a drove of people, including my brother - a person I respect, my friend. We were 304. I have not called anybody. We were 234 when Hon. Duale led a horde of people away. All of them went.

Hon. Speaker, what you have to rule on... I want to get your attention. I request your attention. One of the issues you want to rule on is whether after a vote has been called and when there is no division called, Members able to leave the Chamber. And if they leave, is that discounted from the general membership of the plenary when we vote? I will leave time for the rest. But you need to decide whether, first of all, it was in order for Hon. Duale to leave with his people. Two, if they went out, is that discounted from the general membership of the plenary?

(Hon. John Mbadi spoke off record with Hon. T.J. Kajwang')

Hon. T. J. Kajwang' (Ruaraka, ODM): You can do nothing to me. This is *Bunge*.

Hon. Speaker: Order, Hon. Kajwang'. I think you have prosecuted your point. Let me appeal to you: Do not make any direct attacks on one another, please. Just address whatever issue you want to address through the Chair.

Hon. Mohamed Ali.

Hon. Mohamed Ali (Nyali, Independent): Mhe. Spika, Shukrani sana kwa kunipa fursa hii. Kwanza kabisa, ningependa kuweka rekodi sawa kabisa. La kwanza na muhimu zaidi ni kwamba idadi ya Wabunge waliokuwa wakitaka kupiga kura ilikuwa mia asili mia. Ya pili, swali likauliza na Wabunge wote kwa kauli moja wakakubaliana na kupinga na kusema ya kwamba hawatakubali kama wanavyotaka ila kama anavyotaka Wanjiku. Hamna mtafaruku wowote ambao umetokea baina yetu.

Wakati ambapo Mwenyekiti aliomba tupige kura, tulikubaliana kwa kauli moja tuweke foleni lakini baadhi ya viongozi ndani ya Bunge, wakiwemo Duale na Mbadi, wakaanza kuiingilia na kuzuia upigaji wa kura.

(Loud consultations)

Hon. Speaker: Hon. Members, I want to listen to what the Member is saying.

Hon. Mohamed Ali (Nyali, Independent): Ya pili, tunataka *access to information*. Tunataka kujua venye kila Mbunge atakavyopiga kura. Kura tumepiga. Tumemaliza kupiga kura. Na kauli mbiu ni kwamba Wabunge wamekataa. Nitampisha ndugu yangu naye achangeie kwa dakika moja yangu.

Hon. Babu Owino (Embakasi East, ODM): *Amenidonetia* dakika moja, Mhe. Spika.

Hon. Speaker: That is wrong. Hon. Mohamed Ali, that is disorder, because there are very many Members who needed to speak, but we agreed it is five-five. To want to use the Floor to donate other time is not right. We could have said even 10 Members.

Hon. Makali Mulu.

Hon. Makali Mulu (Kitui Central, WDM-K): Thank you, Hon. Speaker. As you have heard, the no vote carried the day. Procedurally, what is expected is for people to stand wherever they are if they want to go for a division. I can confirm nobody stood up. Instead, people started walking out. So, the issue is: Should they have stood in their places to be counted so that we go for a division or should they have walked out? From that point, we lost it. But the vote was taken and the no carried it.

Thank you.

Hon. Speaker: Hon. Millie Odhiambo.

Hon. (Ms.) Odhiambo-Mabona (Suba North, ODM): Thank you, Hon. Speaker. Procedurally, I want to reiterate what the Member has said. The Chair was very categorical when she called out the vote and the Noes had it. For her to do that, she must have first convinced herself that there was quorum. The quorum for such a matter is two-thirds and she convinced herself that we had two-thirds and we took the vote.

Thereafter, we were being forced to go into a further voting after we had voted. Being obedient Members of Parliament, we were even willing to subject ourselves to that, but even the mode that was used to determine the number of Members was extremely faulty. We even challenged that, because at that point, Members had already finished. We had already voted. No Member on the other side stood in their place. It was over. Now, when we were dancing, some

are celebrating, some are out, some are in the toilet, they purported to do a vote. If you looked at the electronic system, it showed we were even more than the actual legal numbers. Jesus Christ and religious and spiritual leaders, including Muslim ones, were with us in this House. That is why the numbers were higher.

Finally, I want to reiterate what Hon. Mohammed Ali has said. Article 35 of the Constitution on freedom and access to information which is also contained in the access to information Act says that we must know who was in the House.

Hon. Speaker: Let us have Hon. Zuleikha. Please, do it in two minutes

Hon. (Ms.) Zuleikha Hassan (Kwale CWR, ODM): Ahsante sana, Mhe. Spika kwa kunipatia nafasi hii ya kuzungumza. Tulipiga kura kama wenzangu walivyosema na tukakataa na tukafaulu na Mhe. Naibu Spika wa Muda akakubali. Lakini baadaye, kukawa kuna wengine ambao wanataka tupige kura kupitia tarakilishi. Kwa hivyo, tukaweka kadi zetu na zikaonyesha idadi kubwa zaidi ya mia tatu hamsini na mbili. Kukawa na utatanishi kwa sababu hiyo idadi si ya jumla ya Bunge kwa hivyo, haiwezekani. Makarani wakaanza kutuhesabu sisi na vidole kwa kweli, huwezi kuhesabu watu katika chumba kikubwa kama hiki kwa vidole. Kwa hivyo, hiyo kura haiwezi kuwa halali.

Mlango ukafungwa lakini *Serjeant-at-Arms* wakawakubalia wengine kutoka. Mimi nimekuwa hapa Bunge kwa muhula wa pili na ninajua kwamba mlango ukifungwa Wabunge hawaruhusiwi kuingia na kutoka. Saa hizi, hakuna njia ya kuonyesha ni Mbunge yupi alikuwa ndani. Ni haki ya wananchi kujua ni nani yuko na wao na nani hawako na wao. Kwa hivyo, ninataka utusaidie tupate huo ujumbe. Shukrani sana.

Hon. Speaker: Let us have Hon. Waruguru.

Hon. (Ms.) Catherine Waruguru (Laikipia CWR, JP): Thank you, Hon. Speaker for according me this rare opportunity to explain the situation. You realise that this House is covered by CCTV cameras and there is nothing happening which is not recorded. For the sake of the HANSARD and moving forward in terms of the way this House is going to be judged by Kenyans and the people who have been critiquing the legislative arm outside there, the truth of the matter is that there was a unanimous “No”. For that purpose, there was no need for a Division Bell. That came as an after-thought when the Hon. Leader of the Majority Party caused confusion at the Floor of the House by championing people to walk out of the Chamber. So for that reason, let it come on record. I support a “No”, I am standing with zero and nobody can take away the rights of Kenyans.

Thank you.

Hon. Speaker: Hon. Rehema Jaldesa.

Hon. (Ms.) Rehema Jaldesa (Isiolo CWR, JP): Thank you, Hon. Speaker. What my colleagues have stated is the true position. The Hon. Temporary Deputy Chairlady called for a Division, but 99 per cent of the House had voted “No”. At that point, the Leader of the Majority Party started pushing people to go out and he locked some people in the toilet. So, we voted “No” and shall still vote “No”. It is dishonest when the media was put off and they sent a fake message out there that the Bill was passed. The Bill was not passed and we rejected the proposal.

Thank you.

Hon. Speaker: Next is Hon. Abdikhaim.

Hon. Mohamed Abdikhaim (Fafi, KANU): Thank you, Hon. Speaker, I want to reiterate what other Members have said before me. When the vote was happening, two-thirds of the Members were present in the House. However, when that happened, some Members were forced to walk out of the Chambers and that resulted in numbers not being enough. Even after

they walked out, I suspect we had the numbers. The issue that came into play is that the Members who remained here became agitated and that is why there was bit of confusion and disorder, but from where I sat, the “Noes” had the majority. Thank you.

Hon. Speaker: Let us have Hon. Tuwei.

Hon. Vincent Tuwei (Mosop, JP): Thank you, Hon. Speaker. What is at play here is parliamentary democracy guided by its own rules. Under Article 95 of our Constitution, which is very clear on the mandate we have today of representation, legislation and oversight, one cannot believe what we have seen here today when Members took a vote and there was an equivocal “No” in the whole House.

Hon. Speaker, I am a first-time Member and if this is how Parliament is going to be conducted, the public there will not have confidence in us. I wonder why we have gadgets before us showing the programme of voting. We voted and it totalled to 352; rigging which surprised us.

Hon. Speaker, the vote was taken and the “Noes” had it. As a Member of Parliament for Mosop, I cannot stand this. I have been sent here to represent my people and I must be given my position to state it clearly whether “Ayes” or “Noes”, but not what we have seen here. Games are being played and party positions are here, but it has come to Members’ position to realise where they want to vote. I have seen Members’ position to decide where to cast their vote. I have seen Members’ cards being taken away including my neighbour’s here. All these cards have been taken by a Member and he has disappeared to the toilet. It is a shame. We cannot conduct the House business like this.

Hon. Speaker: Hon. Members, you are also being dishonest. We agreed that we were going to have five Members from every side and so, we are through on this side. How many people have spoken? Please, on this side, Hon. T.J Kajwang’ has spoken. We are not repeating, Hon. Makali Mulu, Hon Zuleikha and Hon. Millie Odhiambo have spoken and we only have one Member from this side. Hon. Wamuchomba.

(Hon Shakeel stood in his place)

Hon Shakeel, why are you behaving that way? You are doing your third term. I thought you would be the one to show the way and you are the Chair of the African Parliamentarians Network Against Corruption (APNAC). Let us allow Hon. Wamuchomba to speak.

Hon. (Ms.) Gathoni Wamuchomba (Kiambu CWR, JP): Thank you, Hon. Speaker for giving me this opportunity. I want to, indeed, confirm that when we came in the House, we had enough numbers, but I am very concerned about the conspiracy that has been seen in this House to ensure that they create a divide. Even when Members have soundly given their views, I want to understand the technology in the House which is actually deceiving Members. The screens were showing that we had 352 Members. How did they come up with that number, yet you say there is no quorum?

I have some information that the 411 platform has sent information to the effect that the Bill has been passed, which is completely wrong. This is shameful. We cannot allow that. We came here dedicated, ready and committed to stand with Wanjiku. We must stand with Wanjiku, no matter what.

Hon. Speaker: Hon. Members, we agreed that we will have five Members from the left side to express themselves and five from the right side. The issue being raised is one of numbers.

(Hon. (Ms.) Gathoni Wamuchomba spoke off record)

(Hon. Vincent Tuwei spoke off record)

Hon. Speaker: The two of you, do not tell me. That is to the two of you, Hon. Tuwei and Hon. Wamuchomba. I was just here observing what was on the screens. If you read Article 97 of the Constitution, it shows you the numbers of this House. They are 349. It is, indeed, true. Part of the reason why I came in is because I got shocked how the screens could show that 352 Members were present.

(Loud consultations)

Hon. Tuwei and Hon. Wamuchomba, in their own words, have also admitted that, indeed, that was the figure being shown on the screens. It was also the figure being shown on the screen in the room behind here where I was. Surely, looking at this hall which has got 350 seats, I do not know where the 352 were seated. You can see how seats are empty. Hon. Members, it, therefore, means that we must fall back to Standing Order No.72. We must be guided by our own Standing Orders. Where there is doubt, the Speaker...

(Loud consultations)

Hon. Members, where there is doubt, the Speaker orders a second round of voting.

Hon. Members, it is good to listen. Before we do that, it is mandatory that where a specified threshold is required, the first thing to be confirmed is the number of Members present in the Chamber. Therefore, I have already contacted our IT Department so that we do not fall into a similar problem of having more Members present than the Constitution allows. Hon. Members, therefore, to allow the technical department of Parliament to address the issue of the electronics, I will suspend this sitting for a period of 15 minutes so that when we come back...

(Loud consultations)

Hon. Members, those of you who are insisting on going on with the Division... Hon. Members, if we go on with the Division with faulty machines, you will reject the results. Let our technicians work on the machines. Hon. Members, there can only be one person to make some decisions. They may be unpopular, but they must be made because in any event, none of you is leaving. So, let us just get the technical department finish the problem and we come back here.

So, Hon. Members, the sitting is suspended for 15 minutes to allow them to finish what they have to do.

(The Sitting was suspended at 4.26 p.m.)

(The House resumed at 4.51 p.m.)

[The Speaker (Hon. Justin Muturi) in the Chair]

Hon. Speaker: Hon. Members, I appreciate that some of you may have taken a tea break. It is only fair that we alert them that we are starting the business of the House. Serjeant-at-Arms, ring the bell for five minutes.

(The Division Bell was rung)

(Loud consultations)

Hon. Speaker: Order Members. We may now resume.

Hon. Richard Onyonka (Kitutu Chache South, FORD-K): On a point of order, Hon. Speaker.

Hon. Speaker: What is your point of order, Hon. Onyonka? How can there be a point of order? What is out of order?

Hon. Richard Onyonka (Kitutu Chache South, FORD-K): Thank you.

Hon. Speaker: Hon. Onyonka, thank you for what? Hon. Members, as you know, this is a House of rules. This is a copy of the Constitution of Kenya, 2010. I am doing this, Hon. Members, just to remind ourselves of my Communication on Tuesday, but in very minor details.

Article 122 of the Constitution is headed, "Voting in Parliament." Clause (1) says:

"Except as otherwise provided in this Constitution, any question proposed for decision in either House of Parliament shall be determined by a majority of the members in that House, present and voting."

The operative words are "except as otherwise provided in this Constitution."

So, is there anything that is exceptional? Yes, and I am sure you all know it: Presidential Assent and Referral. Article 115(4) says:

"Parliament, after considering the President's reservations, may pass the Bill a second time, without amendment, or with amendments that do not fully accommodate the President's reservations, by a vote supported-

- a) by two-thirds of members of the National Assembly; and
- b) two-thirds of the delegations of the Senate."

Hon. Members, that is the Constitution. Our Standing Order No.72(2), titled "Roll call Division claimed" says:

(An Hon. Member addressed Hon. Speaker off record)

Hon. Members, do not address me. We are now in serious business.

(Several Hon. Members spoke off record)

Hon. Members, please, do not engage me in semantics.

"The Speaker shall direct a division to be taken in every instance where the Constitution lays down that a fixed majority is necessary to decide any question."

For that to happen, whether in the plenary or in committee, where there is a fixed majority requirement, the first step is to ascertain the presence in the House of not less than two-thirds of the Members of the Assembly present and voting.

Hon. Members, as far as I am concerned, and I am sure all of you know the official record of Parliament and of this House is the HANSARD. I have got a transcription of all what transpired in the Committee of the whole House. I now want to read.

Hon. Members, take your seats. Take your seats, Hon. Members. Serjeant-at-Arms, I order that the bell be rung for five minutes to prepare for voting. Ring the bell.

(The Division Bell was rung)

I am reading you the official record, which even 100 years from now...

(Loud consultations)

Hon. Members, this is not made by me. The HANSARD record is not made by me. Hon. Members, it shows 'loud consultations'.

"Order, Hon. Members. Order, Hon. Members! Order, Members! Hon. Members, the bell..."

(Loud consultations)

Just listen. Hon. Members, listen to the HANSARD.

"Hon. Members, the Bell is ringing and at the stop of the Bell, you will start voting."

(Loud consultations)

Order, Members!

Hon. Member: On a point of order.

(Hon. Paul Abuor stood in his place and spoke off record)

Hon. Speaker: Hon. Member, you are out of order. Hon. Member, you are out of order. You are out of order.

Hon. Member, you are out of order! I am reading the official record.

Hon. Members: No!

Hon. Speaker: You can all deny, but there will be no other official record.

(Hon. Justus Makokha spoke off record)

Hon. Murunga, there will not be any other official record of the proceedings of that time except this one. It reads:

“Hon. Members, once the Bell stops ringing, you start voting. Take your seats”.

(Hon. (Ms.) Beatrice Nyaga stood in her place)

Hon. Nkatha, take your seat. Hon. Member, take your seats. Order, Hon. Members! Get ready to vote. The bell is ringing. Those asking for points of order, there is nothing out of order. Just prepare yourselves to vote. Open the doors. Keep the doors open.”

Hon. Members, unfortunately, even what I am saying is also being captured on the HANSARD. It is also going to capture that there was loud noise. That is the way it is configured. It will also be showing that there were loud consultations. That is what is going to happen even now. What I am saying is also being captured on the HANSARD.

Hon. Member: On a point of order!

Hon. Speaker: There cannot be any point of order. I am the one delivering this.

(Hon. Paul Abuor spoke off record)

Hon. Member, because you are not very regular, I am not able to remember your name or recognize your face well, but very soon, I will know your name. It is the Member for Rongo. Member for Rongo Constituency, please, relax. Hon. Members, I am not going to look for any other official record except this one. Each of you is at liberty to obtain a copy of the HANSARD which continues to say...”

Hon. Member: On a point of order!

Hon. Speaker: There is no point of order!

Hon. Member: On a point of information!

Hon. Speaker: I am not going to take information.

(Loud consultations)

“Stop making noise. Insert your cards.

(Loud consultations) ...”

(Hon. Kassait Kamket spoke off record)

Hon. Kamket, you have been an employee of Parliament. You have never heard of the HANSARD capturing anything except what is said on the Floor of the House. You better relax, Hon. Kamket.

(Hon. Simba Arati stood in his place)

Hon. Simba Arati, this is very dispassionate. I have nothing personal about this. The HANSARD goes on:

“Hon. Members, we will be guided by the Standing Orders. I now direct the Clerks-at-the-Table, under Standing Order No.72 to take a head count of the number of Members in the House. Members, take your seats.

(Clerks-at-the-Table took a head count of the Members)

Nobody is allowed to leave the House at the moment. Hon. Wanyonyi, take your seat. The head count has been taken. We have a total of 215 Members present in the House. In that case, the Ayes have it.”

Hon. Members, that is the record of the proceedings of this House as captured in the HANSARD.

(Members chanted “Muturi must go!”)

You can repeat that as many times as you wish. I cannot read anything different from what is on the official record! It concludes that the Ayes have it. It, therefore, means, Hon. Members, that the clause which was under consideration at that point was carried. Therefore, we will proceed to the Committee in the next Order.

(Members chanted “Bado Mapambano!”)

(Loud consultations)

Hon. Speaker: Order, Hon. Members! We have had more than enough consultations. Hon. Members, we have done more than enough consultations and, as far as I am concerned, until or unless a court of law invalidates the record here, I have no other record to go by, except the HANSARD. It is the official record of Parliament and of this House in particular. It, therefore, means, as the record shows, that the clause that was being considered...

Rightfully, the record shows Hon. Kajwang’ had said it should be Clause 18. It is the record that I am reading. The vote on that clause was lost on the basis that you did not have 233 Members opposing.

(Loud consultations)

Hon. Members, that is the official position and the House shall now proceed to the Committee to continue with the consideration of the other clauses.
