10. **MOTION -CREATION OF DISABILITY INCLUSIVE SCHOOL CLUBS IN ALL PUBLIC SCHOOLS**

Motion made and Question proposed-

THAT, WHEREAS Article 19 of the Convention on the Rights of Persons with Disabilities (CRPD) affirms the equal right of all persons with disabilities to live in a community, with choices equal to others, equal access to services and facilities that are responsive to their needs;

AWARE THAT societal perception of disability is negative, mainly due to lack of socialization and integration during the formative years;

COGNIZANT THAT participation in school clubs provides important life skills that prepare children holistically for their future and plays a major role in transforming students' lives as they transit to various professions in adulthood;

CONCERNED THAT no policy exists addressing inclusivity in school clubs for persons with disability in the public school system;

NOW THEREFORE the Senate calls upon the coordinated effort of the National Government through the Ministry of Education, and the County Governments through the Council of Governors to develop policy that would ensure inclusiveness of special needs learners in school clubs in public schools beginning at the Early Childhood Development (ECD) level up to and including Secondary School level.

*(Sen. (Dr.) Getrude Musuruve, MP – 21.02.2019)*

Order deferred.

11. **MOTION - THE REALIZATION OF GENDER EQUITY IN ELECTIVE AND APPOINTIVE POSITIONS IN KENYA**

(Sen. (Canon) Naomi Waqo Jilo, MP)

AWARE THAT, the Constitution of Kenya recognizes dignity, economic, social and cultural rights, education, housing and the right to health including reproductive health; and that the principle of equality and non-discrimination is established as a core value of leadership and the national values and principles of governance include human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of marginalized groups, among others;

FURTHER AWARE THAT, the Constitution of Kenya has very progressive articles that indicate commitment to the international and regional obligations arising from treaties and conventions and other Commitments signed or ratified;

COGNIZANT that Kenya has ratified the Convention on Elimination of all forms of discrimination against Women and the Protocol to the African Charter on Human and People's Rights of the Right of Women which are international instruments that are key to promoting women's rights;

RECALLING that policy framework to enhance gender equality has also been developed, and include the National Gender and Development Policy 2000, the Kenya Vision 2030, Sessional paper No. 2, of 2006, the National Land Policy, the

National Policy for Response to Gender Based Violence, and the National Policy for the Abandonment of Female Genital Mutilation;

NOTING THAT, despite there being sound constitutional provisions and elaborate policy framework to realise gender equity, both national government and county governments have not done enough to realise the achievement of gender equality;

CONCERNED that women in Kenya experience hardships when it comes to elective offices, and are underrated by society with most opportunities for elective and appointive offices being awarded to men;

NOW THEREFORE, the Senate resolves

- 1) that Parliament fast track the enactment of the law that shall give effect to the one third gender rule; and,
- 2) that pursuant to Article 81 of the Constitution both the National and County governments observe the principle of equality, and empowers the female gender by increasing the appointive position to at least fifty per cent.

14. **MOTION - ADDRESSING THE PLIGHT OF STREET FAMILIES IN URBAN CENTRES**

FURTHER AWARE THAT the mandate of SFRTF includes coordinating rehabilitation activities for street families; conducting public education on street families issues; mobilizing resources and fundraising as well as receiving donations and funding street families rehabilitation programmes; managing donations for the rehabilitation of street families through a trust fund; monitoring expenditure and disbursement of donations; and advising the government and other relevant agencies on matters relating to rehabilitation of street families;

NOTING THAT Article 43 (1) of the Constitution of Kenya provides for the right to every person to the highest attainable standard of health, accessible and adequate housing, adequate food of acceptable quality, clean and safe water in adequate quantities, education, and social security;

CONCERNED THAT the street family phenomenon has persisted despite the existence of the SFRTF and street families do not enjoy the rights enshrined in the Constitution due to lack of a national policy on the rehabilitation of street families, with women and children being the primary victims;

COGNIZANT THAT the Ministry of Devolution and ASAL Areas through the SFRTF supports children and youth through charitable and community based

organizations which are vetted and approved for funding under the rescue, rehabilitation and reintegration of street families programme;

NOTING THAT both the National and County Governments have a role to play in addressing the plight of street families across the Country;

NOW THEREFORE the Senate resolves that Ministry of Devolution and ASAL Areas in collaboration with the Council of Governors-

- 1) conducts a census of street families in all urban centres in the country to determine their numbers and demographics;
- 2) develops a clear policy on street families rehabilitation and reintegration at county level; and
