(The Hon. Francis Waititu, M.P.)

Second Reading

**11\*. MOTION- DEVELOPMENT AND IMPLEMENTATION OF A CURRICULUM FOR TRAINING STUDENTS AND PUPILS IN SCHOOLS ON ROAD SAFETY**

(The Hon. Silvanus Osoro, M.P.)

**THAT**, concerned that available reports indicate that on average, road traffic accidents in the country cause an estimated 3,000 deaths with many other victims injured and maimed as a result, placing Kenya among the Countries with the highest road carnage globally; further concerned that it is estimated that the cost to the economy from road traffic accidents is in excess of Kshs. 300 billion annually according to the National Transport Safety Authority (NTSA) Road Safety Status Report (2015); aware that legislation and policies in place to a large extent addresses the key road safety risk factors, and the challenge is in implementation and enforcement; cognizant that road safety awareness would help in combating road accidents in the country; acknowledging that section 4(2) of the National Transport and Safety Act mandates the NTSA to develop and implement road safety strategies; and facilitate the education of Members of the public on road safety; recognizing that schools provide the largest and most concentrated group of Members of the public who can benefit from road safety education; this House **resolves** that the National Government urgently develops and implements a mandatory and examinable curriculum for training of students and pupils in Primary and Secondary Schools on road safety.

**12\*. MOTION- REVIEW OF THE MANDATORY RETIREMENT AGE IN THE PUBLIC SERVICE**

(The Hon. Charles Njagua Kanyi, M.P.)

**THAT**, aware that seventy-five percent of Kenya's population is under the age of thirty-five years and that, the overall unemployment among the youth is at fifty-five percent; further aware that over 800,000 graduates from Universities, Colleges, Technical Institutes, Vocational Centres and other tertiary institutions join the job market annually with only approximately 70,000 being

...../12\*(Cont'd)

absorbed into the formal labour force market; concerned that the high rate of unemployment in Kenya, particularly among the youth remains a major challenge; recognizing that Article 55 of the Constitution requires the state to take measures to ensure that the youth gain access to relevant education, training and employment; noting that the mandatory retirement age for public servants is set at sixty (60) years; this House **urges** the Government to review the mandatory retirement age in the public service from the current sixty to fifty years to among other things, create opportunities for the employment of the youth.

**13\*. MOTION - POLICY MEASURES TO ENSURE 100 PERCENT TRANSITION FROM SECONDARY EDUCATION TO TERTIARY EDUCATION**

(The Hon. John Munene Wambugu, M.P.)

**THAT**, aware that according to available data from the country's education sector, a huge percentage of the students who sit for the Kenya Certificate of Secondary Education do not transition to Universities to pursue degree courses; further aware that technical skills and knowledge are fundamental in every profession; concerned that despite the importance of technical and vocational training in teaching necessary skills and building adequate human capital to achieve and sustain the Country, its uptake in the Country remains low; cognizant that promotion of technical and vocational education and skills alongside academics provides a mix of professionals and skills that the economy requires so as to create balanced manpower requirements; recognizing that Article 55 of the Constitution requires the state to take measures to ensure that the youth access relevant education and training; appreciating the Government's policy of achieving 100 per cent transition of pupils from primary to secondary schools which has seen a huge increase in enrollment in secondary schools; this House resolves that the Government puts in place policy measures to ensure 100 percent transition from secondary to tertiary education.

**14\*. MOTION - CERVICAL CANCER SCREENING SERVICES TO ALL WOMEN AND ISSUANCE OF THE HPV VACCINE TO BOYS AND GIRLS BY THE NATIONAL GOVERNMENT**

(The Hon. (Dr.) Tecla Tum, M.P.)

**THAT**, aware that Cervical cancer is the leading type of cancer in the country causing the greatest number of deaths with at least 8 to 10 women succumbing every day to the disease; further aware that most women diagnosed with precancerous changes in the cervix are in their 20s and 30s, but the average age of women when they are diagnosed with cervical cancer is the mid-50s; considering that Human Papilloma Virus (HPV) is one of the most common viruses in the world with 4 out of 5 (80%) persons getting some type of HPV at least once in a lifetime; cognizant of the fact that men and women can get HPV typically with the immune system getting rid of HPV without needing treatment;

...../14\*(Cont'd)

deeply concerned that HPV is a major risk factor of cervical cancer with nearly 99.7 percent of cervical cancers being caused by infection from high-risk HPV; appreciating that cervical cancer could be totally eliminated and further averted by putting preventative measures through timely treatments, this House therefore **resolves** that the National Government rolls out free screening services to all women and issuance of the HPV vaccines to boys and girls to reduce the mortality rates and completely eradicate deaths caused by Cervical Cancer in the Country.
