1.4 Committal of the Kenya Institute of Curriculum Development (Amendment) Bill of 2019 (National Assembly Bill No. 33)

The Kenya Institute of Curriculum Development (Amendment) Bill, 2019 (National Assembly Bill No. 33) was Read a First Time on 26th June, 2019 and was effectively committed to the Committee for consideration pursuant to Standing Order 127(1).

The Committee held five meetings in which the Kenya Institute of Curriculum Development (Amendment) Bill, 2019 was considered. During the meetings, the Members expressed their support for the proposed amendments brought forth by the sponsor of the draft legislation.

The KICD Bill seeks to amend the KICD Act, 2013 with a view to ensuring that disasters in learning institutions are reduced by:

- incorporating personal safety skills, self-defence, demonstrations on security drills, first aid, detection and response to weapons and evacuation procedures in the curriculum; and,
- (b) incorporating psychosocial skills and services to students in the curriculum.

The incorporation of these skills in the curriculum will equip the students with the knowledge necessary to respond to disasters and thus reduce the impact.

Having considered the KICD (Amendment) Bill 2019, the Committee recommends that the Bill be approved. The introduction of safety training courses in schools by amending the curriculum will introduce safer measures of handling disasters. The learning institutions will become better and safer abodes for learning.

1.5 Acknowledgement

The Committee is thankful to the Office of the Speaker and the Clerk of the National Assembly for the logistical and technical support accorded to it during its sittings.

On behalf of the Committee, and pursuant to Standing Order 127(4), it is my pleasant duty to table the Report of the Departmental Committee on Education and Research on its consideration of the Kenya Institute of Curriculum Development (Amendment) Bill, 2019.

Signed

Hon. Julius Melly, MP

Chairman, Departmental Committee on Education and Research

The Members were fully in support of the proposed KICD (Amendment) Bill, 2019. The proposed legislation would ensure safety in schools. It would streamline training of teachers by including safety and security in the curriculum for training teachers.

3.0 PUBLIC PARTICIPATION ON THE KICD (AMENDMENT) BILL, 2019

Pursuant to Article 118 of the Constitution and Standing Orders 127(3), the Committee placed adverts in the "Daily Nation" and the "Standard" Newspapers on 21st August, 2019. However, no representations were received at the lapse of the period for submission of memoranda (Annex I).

4.0 MEETING WITH THE SPONSOR OF THE KICD (AMENDMENT) BILL 2019

The Committee held a session with Hon. Joyce Emanikor, MP, on Wednesday 28th August, 2019. During the meeting, Hon. Emanikor informed the Members as follows: -

Institutions of learning were ill equipped to deal with disasters;

- Disaster management courses should thus be introduced in schools to mitigate catastrophes once they occur;
- Courses and training on disaster management should be included in the school curriculum;
- iv. It was proposed that teachers be trained first so that they could disseminate safety information to the students.

The Committee Members made the following suggestions:

There was need for KICD to amend the training curriculum to ensure that teachers were adequately trained on disaster management and mitigation courses.

The Bill would ultimately reduce the impact of disasters when they occur. KICD should thus be used as a vessel to facilitate the process of implementing the proposals once passed.

It was evident that schools and many institutions of learning were not physically prepared to deal with disasters. When such disasters occur, the effects are far reaching.

The KICD curriculum was currently overloaded. There was need to ensure that introduction of more courses into the curriculum did not overstretch the curriculum further. It was necessary to balance the workload for pupils to avoid over-burdening them.

The subject on disaster management and life skills development could be made examinable so as to attract interest from teachers. Schools and other educational institutions should be given the opportunity to procure life skills training equipment with a view to making the process transparent and accountable.

5.0 SUBMISSION FROM THE MINISTRY OF EDUCATION

The Principal Secretary, Ministry of Education, appeared before the Committee on 29th August, 2019. The Principal Secretary submitted that the Ministry was in support of the proposed amendments to the KICD Act, 2013. The Ministry's concurrence is contained in a letter dated 29th August, 2019, annexed (Annex II).

6.0 CONSIDERATION OF THE KICD (AMENDMENT) BILL, 2019

In a meeting held on 31st August, 2019, the Committee considered all the Clauses of the Bill as follows: -

Clause 1 - Agreed to

Clause 2 - Agreed to

Short Title - Agreed to

Long Title - Agreed to

6.0 COMMITTEE OBSERVATIONS

The proposed amendments are timely given that previously, disasters have been witnessed in schools with untold destruction and casualties. The proposals will go a long way in ensuring safety in schools and enhancement of life skills in dealing with disasters.

7.0 RECOMMENDATION ON THE KICD (AMENDMENT) BILL, 2019

Having considered the proposed Kenya Institute of Curriculum Development (Amendment) Bill (National Assembly Bill No. 33) of 2019, the Committee recommends that the Bill be passed.
