L. MOTION – PROVISION OF CEMETERY, FUNERAL PARLOURS AND CREMATORIA IN ALL COUNTIES

(Sen. (Dr.) Alice Milgo, MP)

THAT, AWARE THAT under Article 61 of the Constitution of Kenya, land in Kenya is classified into three categories, public, Community and private land;

FURTHER AWARE THAT , public land is vested in both the County and National Governments and is managed on their behalf by the National Land Commission, and that Article 62 (2) clarifies the distribution of public land between the two levels of government.;

COGNIZANT THAT, the Fourth Schedule of the Constitution delegates cemeteries, funeral parlours and crematoria as a function of County Governments;

CONCERNED THAT, cemeteries in the Country are filling up, and counties are finding it increasingly difficult to identify land to allocate as “public” for use as a cemetery with the knowledge that any cemetery or burial-place that is crowded and therefore dangerous to health is defined as constituting a nuisance in the Public Health Act;

NOW THEREFORE, the Senate calls upon the county governments to ensure that funds are allocated in the County Annual Development Plans for FY 2020/2021, towards the planning and development of cemetery, funeral parlours and crematory facilities.

G. MOTION ADDRESSING THE CATASTROPHE OF THE DESERT LOCUST INVASION IN THE COUNTRY

(Sen. Njeru Ndwiga, MP)

AWARE THAT, for the first time in seventy years, Kenya is experiencing a humanitarian and conservation catastrophe in the wake of the desert locust invasion affecting more than a quarter of the entire country;

FURTHER AWARE THAT, the swarms now invading Kenya arrived from Somalia and Ethiopia, where they have already caused widespread devastation of crops and grazing land before moving south and then west;

COGNIZANT THAT, locusts are highly mobile and destructive, and according to the Food and Agricultural Organization of the United Nations (FAO), each square kilometre of locusts in a swarm can eat as much in a day as 35,000 people;

CONCERNED THAT, localized aerial spraying using chemicals that are purportedly safe for humans and other insects has failed to contain the invasion, causing farmers to take matters into their own hands, and use more harmful pesticides that could have a serious environmental impact;

NOW THEREFORE, the Senate urges the National Government, through the Ministry of Agriculture, Livestock and Fisheries, in partnership with the County Governments to:

1. declare the locust invasion a national disaster.
2. develop methods for sharing information and best practices to coordinate and build the necessary capacity in combating the locust menace to predict, monitor and control the spread of new swarms;
3. establish modalities for enhancing the requisite financial, technical and logistical capacity of the Desert Locust Control Organisation for Eastern Africa;
4. support the counties with urgent and consistent resources such as pesticides, sprayers and motor vehicles in order to control the reproduction and further spread of the locusts;
5. fast track the impact assessment of the locust invasion and ensure adequate restitution initiatives are in place for farmers who suffered loss as a result of destruction caused by the locusts; and,
6. establish mechanisms to safeguard the strategic grain reserves with a view to mitigate against famine and food shortages across the country.

H. MOTION ON RECOGNIZING AND APPRECIATING THE ELDERLY BY COUNTY GOVERNMENTS

(Sen. Rose Nyamunga, MP)

THAT, AWARE that in 2006, the National Government initiated the Older Persons Cash Transfer (OPCT) Programme, popularly known as *Pesa ya Wazee*, which is an unconditional cash transfer programme to destitute elderly persons above the age of 65 years to cater for their subsistence needs;

NOTING THAT the beneficiaries receive a monthly stipend of Kshs. 2,000, delivered every two months through appointed payment agents, and also entitled to medical insurance through the National Health Insurance Fund (NHIF);

CONCERNED HOWEVER THAT the programme's credibility is marred by issues of delayed payments to beneficiaries, difficulties in processing of payments through the stipulated agents and payments to unregistered persons;

NOW THEREFORE, the Senate recommends that the County Governments complement the efforts of the National Government and assist in resolving these challenges by:-

1. Developing legislation and policies to protect the elderly including ensuring all elderly persons in their counties are registered in the OPCT programme; and
2. Organise value addition mechanisms such as financial training to help the beneficiaries of the programme to efficiently utilise this allowance.
