VOTES AND PROCEEDINGS

THURSDAY, JULY 02, 2020

1. The House assembled at thirty minutes past Two O'clock
2. The Proceedings were opened with Prayer
3. **Presiding** – the Hon. Speaker

4. **MESSAGES**

The Speaker conveyed the following Messages –

(i) **Message from the H.E. the President regarding his reservations on the Public Finance Management (Amendment) Bill, National Assembly Bill NO. 2 of 2020**

“Honourable Members,

You may recall that on 6th May, 2020, the National Assembly passed The Public Finance Management (Amendment) Bill, National Assembly Bill No.2 of 2020. The Bill was sponsored by the Leader of the Majority Party. Following its passage, I did present the Bill to H.E. the President for Assent in accordance with the provisions of the Constitution and our Standing Orders. However, in exercise of the powers conferred under Article 115(1)(b) of the Constitution, H.E. the President, by way of a Memorandum dated 11th June, 2020, has since referred the Bill back to the National Assembly for reconsideration.

Honourable Members, in his Memorandum, H.E. the President has expressed reservations on Clause 2 of the Bill which sought to amend section 24 of the Public Finance Management Act, 2012, by introducing subsection 2A, to provide that *the Parliamentary Service Commission may with approval of the National Assembly, establish any other funds for the purpose of parliament or a House of Parliament.* Amongst the reasons for his reservations, H.E. the President notes that amending the law in the manner proposed in the Bill may lead to duplication of Funds intended for Parliament since one is already established.

He further adds that the provision in the Bill may also have adverse impact on principle of separation of powers between the Executive and the Legislature with regard to management of public monies. To fully accommodate his Reservations, H.E the President recommends that the Bill be amended to permit the establishment of other parliamentary funds, but limit the purpose of such funds to cater for Parliamentary Mortgage, Parliamentary Car Loan and the Parliamentary Catering, which indeed was the intention of the Bill.

Honourable Members, Standing Order 154(2) requires the House to consider the President's Reservations **within twenty-one (21) days** upon receipt. In this regard, upon receipt of the Reservations, I directed the Clerk to circulate the same to all Members so that they familiarize themselves with its contents. At the same time, I also referred the Reservations of H.E President, as contained in the Memorandum to the Departmental Committee on Finance and National Planning for consideration. I am informed that the Committee is ready to table its report on the said Reservations today afternoon. The report will ease the process of reconsideration of the Bill in Committee of the whole House later during the Sitting.

Honourable Members, may I at this point, remind the House of the *Speaker's Communication* of July 28, 2015 concerning the consideration of the President's reservations to a Bill and amendments thereto. I particularly draw your attention to my guidance, that the voting threshold for the passage of amendments proposed by a Committee or an individual Member that have the effect of **fully accommodating** the President's reservations is **a simple majority** as contemplated under Article 122(1) of the Constitution as read together with Article 115(2)(a).

On the other hand, an amendment that **does not fully accommodate** the President's reservations, or indeed one that has the effect of a total override of the President's reservations, including negating his proposed text, would require a **two-thirds voting** threshold to be passed in keeping with the provisions of Article 115(4) of the Constitution.

The House is accordingly guided. Thank you”.

(ii) Message from the Senate on several Bills

“Honourable Members,

Pursuant to the provisions of Standing Order 41, I wish to report to the House that I have received Messages from the Senate regarding its decision on the following Bills:-

The Message reads “that the Senate considered and passed the Bill **without amendments** on Tuesday, June 30, 2020 and now request the National Assembly to refer the Bill to H. E the President for assent”. In this regard, I will present the said Bill to H.E the President for assent.

The **Second and Third Messages** relates to the decision of the Senate on the National Assembly amendments to the **County Attorney Bill (Senate Bills No. 3 of 2018)**; and the **Petition to County Assemblies (Procedure) Bill (Senate Bills No. 22 of 2018)**, respectively. Honourable Members, the Messages read “that the Senate considered and approved the National Assembly amendments to the two Senate Bills on Tuesday, 30th June, 2020”.

The last Message is in respect of the decision of the Senate on the National Assembly amendments to the **County Early Childhood Education Bill (Senate Bills No. 26 of 2018)**.

Honourable Members, the Message reads “ that on Tuesday 30th June, 2020, the Senate considered and **approved** the National Assembly amendments to clauses **2, 8, 9, 15, 16, 20, 23, 24, 25, 29, 30, 35, 41, 43, 46, 47, 56, 63, 64, 66, 69** and the **Second Schedule** and **rejected** National Assembly amendments to **Clauses 27, 28, 33, 36, 37, 44 and 68** of the Early Childhood Education Bill (Senate Bills No. 26 of 2018)”;

Honourable Members, in this regard therefore, the said Bill stand referred to a Mediation Committee in accordance with Article 112 of the Constitution. Consequently, the leadership of the Majority and Minority Parties in the House are hereby directed to expeditiously nominate three (3) and two (2) Members, respectively, for appointment to the Mediation Committee to be established for consideration of the Bill. Once constituted, the Committee will be expected to speedily embark on the process of developing a *mediated version* of the said Bill in accordance with Article 113 of the Constitution. I thank you”

5. **PETITIONS**

The Speaker conveyed the following Petitions:-

(i) Regarding encroachment of the Nairobi National Park

Honourable Members, Standing Order 225(2) (b) requires the Speaker to report to the House any petition, other than those presented by a Member. I therefore wish to report to the House that my office has received a petition submitted by Ms. Maureen Memo of the Wild Now Foundation.

Honourable Members, the petitioner wishes to draw the attention of the House to some of the proposals in the Nairobi National Park 2020-2030 Management Plan. The petitioner avers that the current encroachment of the park by projects such as the Southern Bypass, the Standard Gauge Railway and Internal Container Depot has led to degradation of the environment through increased air and noise pollution, change in migratory paths of wildlife, increase in human wildlife conflict and decreased sighting of animals.

Honourable Members, the Petitioner is therefore concerned that some of the proposals in the Management Plan such as fencing and introduction of eateries may contribute further to the deterioration of the Park.

Honourable Members, the petitioner prays that the National Assembly through the Departmental Committee on Environment and Natural Resources looks into the matter to ensure the future of this unique park located right in the middle of the capital is not threatened by continued encroachment.

(ii) Regarding the obstruction of tarmacking of the Konza- Katumani road

Honourable Members, Standing Order 225(2) (b) requires the Speaker to report to the House any petition, other than those presented by a Member. I therefore wish to report to the House that my office has received a petition submitted by Mr. Bernard Kioko Mutisya and five others on behalf of the residents of Vota, Mua Ward in Machakos Town Constituency.

Honourable Members, the petitioner wishes to draw the attention of the House to the obstruction of the Kenya Urban Roads Authority from upgrading the road between Konza and Katumani by the registered owner of L.R No. 353/2. The Petitioners aver that the continued use of the road by the public and maintenance by the Government for over 30 years forms the basis for the National Land Commission to create a public right over the parcel of land.

The petitioners are apprehensive that the delay in the commencement of upgrading of the road occasioned by the owner of the parcel is inhibiting the construction of the road despite more funds having been by the Government for the project.

Honourable Members, the petitioner therefore prays that the National Assembly through the Departmental Committee on Lands, intervenes to ensure that the portion of the land L.R No. 353/2 ordinarily utilised as a road be declared public land on the basis of public interest, in accordance with Article 40 (3)(a) and Section 143 of the Lands Act.

(iii) The Member for Laisamis (Hon. Arbelle Malimo) presented a Petition on behalf of the residents of Karare Ward, Marsabit County, regarding compulsory acquisition of land in Marsabit County by the Kenya Defense Forces.
