13. **MOTION – PROVISION OF CEMETERY, FUNERAL PARLOURS AND CREMATORIA IN ALL COUNTIES**

(Sen. (Dr.) Alice Milgo, MP)

THAT, AWARE THAT under Article 61 of the Constitution of Kenya, land in Kenya is classified into three categories, public, Community and private land;

FURTHER AWARE THAT, public land is vested in both the County and National Governments and is managed on their behalf by the National Land Commission, and that Article 62 (2) clarifies the distribution of public land between the two levels of government.;

COGNIZANT THAT, the Fourth Schedule of the Constitution delegates cemeteries, funeral parlours and crematoria as a function of County Governments;

CONCERNED THAT, cemeteries in the Country are filling up, and counties are finding it increasingly difficult to identify land to allocate as “public” for use as a cemetery with the knowledge that any cemetery or burial-place that is crowded and therefore dangerous to health is defined as constituting a nuisance in the Public Health Act;

NOW THEREFORE, the Senate calls upon the county governments to ensure that funds are allocated in the County Annual Development Plans for FY 2020/2021, towards the planning and development of cemetery, funeral parlours and crematory facilities.
