LIST OF ABBREVIATIONS

The following abbreviations are used in this report.

Abbreviation	Full Description
CLMB	County Lands Management Board
GOK	Government of Kenya
KPA	Kenya Ports Authority
KRC	Kenya Railways Corporation
KURA	Kenya Urbans Roads Authority
KENHA	Kenya National Highways Authority
LAPPSET	Lamu Port South Sudan Ethopia Transport
MOWI	Ministry of Water and Irrigation
NCWPC	National Water Conservation & Pipeline Corporation
NLC	National Land Commission
PAC	Public Accounts Committee
PAP	Project Affected Person
SGR	Standard Gauge Railway

1 EXECUTIVE SUMMARY

1.1 Introduction

1.1.1 The special audit was conducted pursuant to a request by the Public Accounts Committee (PAC) of the National Assembly vide a letter referenced NA/DCS/PAC/2018 (011) requesting the Auditor-General to conduct a special audit to determine whether payments made by the National Land Commission (NLC) on behalf of other Government Entities for financial years 2014/2015-2016/2017 were used in a prudent and responsible way pursuant to the provisions of Article 201 (d) of the Constitution.

1.1.2 The request specifically required the Auditor-General to establish whether:

- Ownership and/ or lawful occupation as per the two-year prescription were established before recommendation of compensation;
- NLC ascertained parcel numbers, precise acreage/sizes and independently confirmed the accurate value through valuation of the respective parcels and or improvements thereon before approval for compensation;
- Acquisition of the parcels were necessary and for a public purpose as required by law;
- NLC confirmed that the parcels were lawfully acquired and were not public land as defined by law;
- There are any instances of over compensation, double compensation in different areas or false claims for compensation;
- Compensation paid was fair, equitable, transparent and accountable without favouritism;
- The process was lawful, transparent, accountable and without collusion, conflict of interest or abuse of power; and
- There exists any lawful excuse or justification for failure to respond to audit queries on this matter.

1.2 Scope of Work

1.2.1 The special audit involved reviews at NLC Headquarters, acquiring institutions and field inspection at project sites. The scope of work was limited to financial years 2014/2015 -2016/2017 covering the following acquiring institutions:

- Kenya Urban Roads Authority (KURA);
- Kenya National Highway Authority (KENHA);

- State Department for Housing and Urban Development;
- National Water Conservation and Pipeline Corporation (NWC&PC);
- Lamu Port South Sudan Ethopia Transport (LAPPSET);
- Tanathi Water Service Board; and
- Kenya Railway Corporation (KRC)

1.3 Sampling strategy and sample size

1.3.1 In view of the large size of data involved, time and resource constraints, out of the total amount received by NLC during the period under review of Kshs.23,110,803,828 the special audit prioritized acquiring institutions that had disbursed to NLC an amount of Kshs.22,194,554,938 as an appropriate sample size for this special audit. Out of this sample, an amount of Kshs.14,287,579,994 was reviewed.

1.3.2 The sample was considered high risk due to involvement of significant funding (financial materiality) and sensitivity to the public (social materiality) as they involved mass displacement of people as follows:

	Entity	Basis of sampling	Amount received by NLC (Kshs)	Amount reviewed (Kshs)
1	KURA	Significant amount	6,676,607,372	5,528,531,473
2	KENHA	Significant amount	5,045,548,543	365,740,845
3	State Department for Housing and Urban Development (Murang'a Sanitary Land Fill)	Significant amount	135,470,000	135,470,000
4	MOWI (NWCPC)	Mass displacement	462,800,269	71,630,143
5	LAPSSET (Includes Kshs.2,115,562,333 to KPA)	Mass displacement	2,578,362,602	2,213,930,804
6	TANATHI	Mass displacement	1,551,000,000	1,441,471,736
7	KRC (Amount from KRC+ Amounts from Ministry of Transport)	Significant amount & mass displacement	5,744,766,152	4,530,804,993
	Total		22,194,554,938	14,287,579,994

1.4 Challenges and Limitations

1.4.1 Due to large size of data involved, the special audit team could not review all transactions. We however applied a risk based sampling approach using financial and social materiality;

1.4.2 In some cases, valuation reports availed by NLC management were not dated, not signed and could not therefore be relied upon to give assurance on lawfulness and effectiveness in utilization of public funds;

1.4.3 Some of the developments acquired together with land had been demolished as at the time of the special audit. In such circumstances, the special audit relied on document review and interviews to obtain relevant information; and

1.4.4 Delays by NLC management in availing relevant information coupled with the expansive nature of the assignment affected timely finalization of this special audit report.

1.5 Structure of the report

1.5.1 The special audit report has four sections; the executive summary, introduction, detailed findings and appendices. The report should be read in its entirety in order to comprehend fully the approach and the findings. The report has reported on facts as understood, with the aim of informing the Public Accounts Committee in their deliberations and decision making taking cognizance of any limitations raised.

1.5.2 Section 1.7 summarizes irregularities and weaknesses noted together with respective managerial culpabilities.

1.6 Key Findings

Preamble

1.6.1 The NLC's total approved budgetary allocation for the period under review was Kshs.4,434,000,000. This excludes amounts for compensation of land, which are factored in the budgets of acquiring institutions.

1.6.2 Budgeting and financing for acquisition of land on behalf of other Government entities is NOT budgeted under NLC Vote 2021, but is budgeted by the respective Public Entities after which compensation funds are sent by the respective Public institutions to NLC to effect compensations. The persons whose parcels of land are acquired, are referred to as Projects Affected Persons (PAPs).

1.6.3 In this regard, NLC received a total of Kshs.23,110,803,828 in its National Bank of Kenya Ltd. A/c. No. 01001032980000 from various acquiring institutions to finance compensations on compulsory acquisition of land.

1.6.4 It was further established that NLC earned a total of Kshs.226,245,345 inform of interest on monthly cash balances held in its National Bank of Kenya Ltd. A/c. no. 01001032980000 as follows: Kshs.92,162,353 in financial year 2015/2016 and Kshs.134,082,992 in financial year 2016/2017.

1.6.5 Management of NLC utilized the interest earned to supplement NLC operational budget and also cover administrative expenditures incurred in relation to acquisition of land on behalf of other government entities. These funds had not been budgeted for, and there was no approval given by the National Treasury or Parliament for the funds to be utilized for this purpose. This contravened Section 68 (1) (a) of the Public Finance Management Act, 2012 that requires Accounting Officers to ensure public resources are used in a lawful and authorized manner.

1.6.6 The special audit notes that there was delegation of responsibility effected on 6 October, 2014, whereby the NLC delegated the role of dispensing payments to KRC under direct supervision through a letter from the Chairman of NLC to the Managing Director of KRC, stating the reasons for the delegations as "urgency of the SGR project".

1.6.7 KRC received a total transfer of Kshs.17,794,794,179, in its SGR Land Compensation Account Number 1162575387 held at KCB Bank Ltd. This transfer was made up of Kshs.5,744,766,152 originally disbursed to NLC (Kshs.4,513,264,776 originally from KRC and Kshs.1,231,501,376 originally from the Ministry of Transport), together with an additional funding of Kshs.12,050,028,007 from the Ministry of Transport and Infrastructure.

1.6.8 Further engagement with NLC revealed that the Commission does not maintain a database/ register of all Public Land acquired contrary to Sections 8 (a) of the Land Act, 2012, which requires NLC, in managing public land on behalf of National and County governments, to identify public land, prepare and keep a database of all public land, which should be geo-referenced and authenticated by the statutory body responsible for survey'. This therefore means that NLC had not delivered on part of its legislative mandate.

Establishment of ownership and lawful occupation as per the two-year prescription

1.6.9 Section 9 (3)(b) of the Lands Acquisition Act Cap 295 read together with section 3(a) of the schedule of the Lands Acquisition Act Cap 295 (Repealed by Land Act. No. 6 of 2012) required that if the market value of land has been increased, or is currently increased by reason of an improvement made by the owner or his predecessor in title within two years before the date of publication in the Gazette of the notice of intention to acquire the land, unless it is proved that the improvement was made bona fide and not in contemplation of proceedings for the acquisition of the land, the increase shall be disregarded.

1.6.10 The special audit observed that ownership and lawful occupation in regard to the two years' prescription was not done by NLC or the acquiring institution for ALL the sampled payments of parcels amounting to Kshs.14,287,579,994 (Table 6) before recommendation for compensation was done. Management of NLC based their justification on the repealed Lands Acquisition Act Cap 295, and therefore claimed not to have a legal basis to apply this provision in processing land transactions.

Establishment of parcel numbers, precise sizes and independent confirmation of the accurate value of land before acquisition

1.6.11 It was established that determination of parcel numbers and precise sizes of land to be acquired was done by respective acquiring institutions and requests for acquisition made to NLC.

1.6.12 Section 113 (1) of the Lands Act, 2012 requires NLC to prepare written awards, in which it shall make a separate award of compensation for every person whom NLC has determined to have an interest in the land. Section 113 (2) further provides that the award shall be conclusive evidence of: the size of the land to be acquired; the value, in the opinion of NLC, of the land and the amount of compensation payable.

1.6.13 Valuation of the acquired parcels of land was done by NLC Valuation and Taxation Department. The special audit established that the valuation compensation schedule used as a basis of effecting compensation payments detailed below, and totaling Kshs.7,741,072,555 were either not dated, not signed or not availed:

		Entity	Project	Remarks	Amount (Kshs)
1		KURA	Nairobi Eastern missing link Road	Undated & unsigned	867,626,242
2		KURA	Meru Eastern & Western Bypass	Meru	715,355,300
3		KENHA	Kangema-Gacharage (C 70) Road, Murang'a	Not provided	224,203,976
4		State Department of Housing & Urban Development	Murang'a sanitary landfill project	Undated & unsigned	135,470,000
5		NWC&PC	Muruny 'Siyoi' Water Project	Did not indicate the period when the exercise was carried out and the officers involved	94,324,025
6		LAPPSSET	Construction of Lamu Port	Not provided	2,124,794,128
7		TANATHI Water Service Board	Thwake Dam	Did not indicate the officers involved in valuation	3,579,298,884
					7,741,072,555

1.6.14 Under the circumstances, the special audit could not give assurance that the parcel numbers, precise sizes, and independent confirmation of the accurate value of land was established before acquisition and therefore the aforementioned expenditures were not incurred in a manner that was lawful and effective to guarantee value for money.

Whether acquisition of the parcels was necessary and for a public purpose

1.6.15 The special audit established that the acquisition of the following parcels of land were triggered by the need for construction of public projects and were therefore necessary and for public purpose:

	Entity	Purpose	Amount reviewed (Kshs)
1	KURA	Construction of Roads: Outering Road, Eastern missing Road in Nairobi and Meru Eastern and Western by pass	5,528,531,473
2	KENHA	Construction of Roads: Kangema-Gacharage Road, Murang'a and Dongo Kundu Road, Mombasa	365,740,845
3	State Department for Housing and Urban Development	Solve solid waste management challenges in Murang'a, Kiambu and Nairobi Counties: Murang'a sanitary landfill project	135,470,000
4	MOWI (NWCPC)	Construction of way leaves and tank sites in West Pokot County: Muruny 'Siyoi' Water Project	71,630,143
5	LAPSSET	Construction of Lamu Port	2,213,930,840
6	TANATHI	Construction of Thwake Water Dam	1,441,471,736
7	KRC	Construction of SGR	3,781,267,013
	Total		13,448,905,338

1.6.16 The other exception noted during the field inspection exercise conducted at Emali and Sultan Hamud in Makueni County was that KRC initially acquired land of 12.98Ha for construction of a station at Sultan Hamud, but later redesigned the SGR route resulting in relocation of the station from Sultan Hamud to Emali. There was no explanation given for redesigning the SGR route.

1.6.17 As a result, land and development valued at Kshs.21,792,500 acquired at Sultan Hamud for construction of the station remains unutilized despite government funds having been incurred in its acquisition. Under the circumstances, the Government will not realize Value for Money from this expenditure unless its put into productive use.

Whether NLC confirmed that the parcels were lawfully acquired and were not public land

1.6.18 In order to establish that the parcels of land to be acquired were not public land, NLC is expected to conduct an official search at the Lands Registry to get satisfaction on the true ownership of the land.

1.6.19 On the contrary, there was no evidence to indicate that NLC had conducted an official search at the Lands Registry to confirm that the following parcels of land had been lawfully acquired and were not public land:

	Entity	Purpose	Amount (Kshs)
1	KURA	Eastern missing Road in Nairobi	1,183,373,187
2	KENHA	Dongo Kundu Road, Mombasa	220,480,555
3	MOWI (NWCPC)	Construction of way leaves and tank sites in West Pokot County: Muruny 'Siyoi' Water Project	71,630,143
4	LAPSSET	Construction of Lamu Port	2,124,794,128
5	TANATHI	Construction of Thwake Water Dam	1,441,471,736
6	KRC	Construction of SGR	4,530,804,993
	Total		9,572,554,742

1.6.20 Under the circumstance, the special audit could not provide assurance that NLC had confirmed that the aforementioned parcels were lawfully acquired and were not public land as defined by law.

Instances of over compensation, double compensation in different areas or false claims for compensation

1.6.21 The special audit noted valuation reports amounting to Kshs.7,741,072,555 were either not dated, not signed or not availed at all thereby raising doubt on reliability of these reports in effecting compensation payments. In such circumstances of poor record keeping and inadequate controls, it was not possible for the special audit team to validate instance of over compensation, double compensation in different areas or false claims for compensation.

Authenticity of expenditure incurred / fairness, equitability and comparability

1.6.22 The special audit considered expenditures to be authentic, fair, equitable and comparable only if they were based on a reliable valuation report. As earlier mentioned, valuation of the acquired parcels of land was done in house by the NLC Valuation and Taxation Department. The special audit established that valuation compensation schedule availed for review amounting to Kshs.7,741,072,555 were either not dated not signed or not availed at all. Under the circumstances, we could not provide assurance that these expenditures were authentic, incurred and/ or factored the principles of fairness, equity or comparability.

1.6.23 In addition, on 15 December, 2016, another exception was noted where NLC vide cheque No.435, paid a total of Kshs.221,375,000 out of its NBK Account No. 01001032980000 for four (4) properties that were said to be situated along the Embakasi Station Railway Reserve as detailed below:

S.No.	DESCRIPTION	ACREAGE (HA)	OWNER	PAYEE	AMOUNT KSHS.
1	LR N0.9088	0.904	Dasahe Investment Ltd	Keboiwo Investment ltd	89,930,000
2	LR N0.9087	0.44	Dasahe Investment Ltd	Keboiwo Investment ltd	43,815,000
3	LR N0.9086	0.44	Olomotit Estate Ltd	Keboiwo Investment ltd	43,815,000
4	LR N0.9085	0.44	Dasahe Investment ltd	Keboiwo Investment ltd	43,815,000
			Total		221,375,000

1.6.24 All the above payments were effected through a company by the name Keboiwo Investment Limited which had not been listed as owners of the said property. It was not clear, the circumstances under which NLC effected payments to a company that was different from the one that had been listed as the owner of the property.

1.6.25 The special audit established that the titles for the above land had been revoked by the NLC Committee on Review of Grants and dispositions at its meeting held on 7 October, 2015. This implies that the aforementioned land was to be considered public land.

1.6.26 On 11 October 2016, the Chairman of NLC, vide his letter ref: NLC/CHAIRMAN/VOL.XVIII/145 wrote to Mr. A.K. Maina, Managing Director of KRC informing him that following an appeal for verification of plots within the SGR corridor Land Ref. Numbers 9085,9086,9087 and 9088, the Commission reconsidered its decision and found that the titles to the properties be upheld.

1.6.27 However, there was no evidence that the decision to uphold titles for the four plots was deliberated and approved by the Committee of the Commission on Review of Grants and Dispositions that had earlier revoked them. Under the circumstances, the special audit could not give assurance that public funds amounting to Kshs.221,375,000 incurred for compensation along the Embakasi Station Railway reserve were used in a lawful and effective manner.

1.6.28 Under the circumstances, the special audit could also not provide assurance that compensation paid of Kshs.221,375,000 was fair, equitable, transparent and accountable without favouritism.

Lawfulness, transparency and accountability of the process

1.6.29 The special audit identified various irregularities and weaknesses that raised doubt on the lawfulness, transparency and accountability of the land acquisition process. The irregularities, weaknesses and managerial responsibility in section 1.7 details the actual irregularities established by the special audit, amounts involved and those responsible.

Justification for failure to respond to audit queries

1.6.30 The special audit established that during the financial years 2014/2015 and 2015/2016 the following audit queries amounting to Kshs.3,403,815,462 raised by financial auditors from the Office of the Auditor-General were not adequately responded to by NLC Management and therefore formed the basis for qualified opinion in the financial statements:

Financial year	Audit queries	Amount (Kshs)	Remarks
2014/2015	The statement of receipts ad payments reflected expenditures of Kshs.535,275,993 on use of	535,275,993	There was no evidence that NLC availed approval of the National

Financial year	Audit queries	Amount (Kshs)	Remarks
	Goods and Services against a budget of Kshs.181,067,164. The NLC Management did not avail authority from the National Treasury for the over expenditure in line with section 61 B (1) of the Public Finance Management Act Regulations of 11 October 2013 which provides that " Except as provided for in the Act and these regulations , an Accounting Officer of an entity may not authorize payment to be made out of funds earmarked for specific activities for purposes other than these activities"		Treasury for audit verification. NLC explained that this was as a result of the government's austerity measures that led to budget cut on select items under the vote head: Use of goods and services although the commission had already incurred expenditure and that NLC is in talks with Treasury to regularize this.
2015/2016	Note 7 of the NLC financial statements reflects payments on behalf of other Government entities totaling to Kshs.2,868,539,469. The amounts includes Kshs.2,079,764,002 being compensation payments whose details of acreage and plot numbers were not availed for audit verification. In addition, NLC did not avail for audit verification valuation reports for compensation paid out during the financial year.	2,868,539,469	NLC availed a schedule that didn't disclose acreage, plot numbers acquired and were not supported by valuation reports
	Total amount	3,403,815,462	

1.6.31 Section 66 (1) of the PFMA, 2012 requires Accounting Officers of public entities to promote and enforce transparency, effective management and accountability with regard to the use of public finances. This involves responding to queries raised in

regard to management of public funds. There was therefore no lawful excuse or justification for failure by NLC to respond to the aforementioned audit queries.

1.6.32 In the subsequent financial year 2016/2017, the financial auditors established that NLC financial statements presented fairly, in all material respects, the financial position as at 30 June, 2017, and of its financial performance and its cash flows for the year, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with National Land Commission Act,2012 of the Laws of Kenya. In this regard, the financial statements were unqualified.

1.7 Irregularities, Weakness and Managerial responsibilities

The following irregularities were observed during the audit:

Irregularity/Weakness	Risk /Law violated	Amount involved (Kshs.)	Responsibility	Section of the report
Utilization of interest earned on deposit for operational expenditures without evidence of approval by the National Treasury	Section 68 (1) (a) of the PFMA, 2012	226,245,345	NLC Management	1.6.5
Failure to maintain a database or register of all public land acquired	Section 8 (a) of the Land Act 2012	n/a	NLC Management	1.6.8
Reliance on valuation compensation schedules that were either not dated, not signed and in some cases payments made without evidence of valuation reports	Absence of fairness and accountability in compensation process	7,741,072,555	NLC Management	1.6.13
Incurring public funds on acquiring land at Sultan Hamud for construction of SGR station yet the land remains unutilized despite government funds having been incurred in its acquisition. This implies commitment of public funds on project without adequate planning	• Loss of public funds • Failure to realize Value for Money from public expenditures	21,792,500	KRC Management	1.6.17
Failure to conduct searches at Lands Registry to confirm that parcels of land acquired were NOT public land and had been lawfully acquired	• Loss of public funds • Failure to realize Value for Money from public expenditures	9,572,554,742	NLC Management	1.6.19
Making payments to Project Affected Persons (PAPs) along Embakasi	• Loss of public funds	221,375,000	NLC Management	1.6.27

Irregularity/Weakness	Risk /Law violated	Amount involved (Kshs.)	Responsibility	Section of the report
Station Railway Reserve whose titles had been revoked by the NLC Committee on Review of Grants and dispositions	• Failure to realize Value for Money from public expenditures			
Failure to adequately respond to audit queries in time	Section 66 (1) of the PFMA ,2012	3,403,815,462	NLC Management	1.6.30

1.8 Conclusion and Recommendation

1.8.1 In conclusion, the special audit established that budgeting and financing for acquisition of land on behalf of other Government entities is NOT budgeted under NLC Vote 2021, but its budgeted by respective Public Entities after which compensation funds are sent to NLC to effect compensations.

1.8.2 In this regard, NLC received Kshs.23,110,803,828 from various acquiring institutions for acquisition of land for various public projects. Out of this amounts, the special audit reviewed expenditures amounting to Kshs.14,287,579,994 and established some irregularities and weaknesses in managing these compensations that could be a barrier to realization of value for money and pose a potential risk to realization of the Kenya Vision 2030 flagship projects. This included unreliable valuation reports, failure to conduct adequate due diligence prior to effecting compensations, inadequate record keeping and committing public funds to land that was not put into immediate use.

1.8.3 It was further established that NLC earned a total of Kshs.226,245,345 inform of interest on monthly cash balances held in its National Bank of Kenya Ltd. A/c. no. 01001032980000. These funds were irregularly used to fund NLC operations without approval by the National Treasury contrary to section 68 (1) (a) of the PFMA, 2012.

1.8.4 It is recommended that:

- NLC consults the National Treasury on the way forward on irregular utilization of interest earned on monthly cash balances held in its National Bank of Kenya Ltd. A/c. no. 01001032980000.
- NLC Management maintains a database or register for all public land acquired as provided in section 8 (a) of the Land Act 2012.
- NLC ensures that before effecting payments, there exists reliable valuation compensation schedules that are dated and signed. Adequate controls should be put in place in both Finance and Valuation Departments to ensure appropriate segregation of duties to enhance compliance with this requirement.
- NLC Management should consider automating land compensation transactions to minimize risks of errors and fraud in effecting compensations.

- KRC and other Public entities to ensure proper conceptualization, planning and designing of projects before committing public funds on acquisition of land to avoid circumstances where public funds are incurred on land that is not put into immediate use.
- KRC should consider putting into productive use the land acquired at Sultan Hamud for construction of SGR station that remains unutilized despite government funds having been incurred in its acquisition.
- Further investigations should be conducted by DCI and EACC to establish criminality on payments made to Project Affected Persons (PAPs) along Embakasi Station Railway Reserve whose titles had been revoked by the NLC Committee on Review of Grants and Dispositions.
- Appropriate action should be taken on those found culpable, or responsible for actions as enlisted under Section 1.7 of this special audit report.

NANCY GATHUNGU
AUDITOR-GENERAL

02 September, 2020

2 INTRODUCTION

2.1 Background information

2.1.1 Article 229(6) of the Constitution of Kenya 2010 requires the Auditor-General to confirm and report to the public whether public funds were used in a lawful and effective manner.

2.1.2 In this regard, the Public Accounts Committee vide a letter referenced NA/DCS/PAC/2018 (011) requested the Auditor-General to conduct a special audit to determine whether payments made by the National Land Commission (NLC) on behalf other Government Entities for financial years 2014/2015-2016/2017 were used in a prudent and responsible way pursuant to the provisions of Article 201 (d) of the Constitution.

2.1.3 The request specifically required the Auditor-General to establish whether:

- Ownership and/or lawful occupation as per the two-year prescription were established before recommendation of compensation;
- NLC ascertained parcel numbers, precise acreage/sizes and independently confirmed the accurate value through valuation of the respective parcels and or improvements thereon before approval for compensation;
- Acquisition of the parcels were necessary, and for a public purpose as required by law;
- NLC confirmed that the parcels were lawfully acquired and were not public land as defined by law;
- There are any instances of over compensation, double compensation in different areas of false claims for compensation;
- Compensation paid was fair, equitable, transparent and accountable without favouritism;
- The process was lawful, transparent, accountable and without collusion, conflict of interest or abuse of power; and
- There exists any lawful excuse or justification for failure to respond to audit queries on this matter.

2.1.4 The NLC is an Independent Constitutional Commission established under Article 67 of the Constitution of Kenya, 2010. It was operationalized through Acts of Parliament that gave effect to Article 67 of the Constitution, namely; the National Land

Commission Act, 2012; the Land Act, 2012 and the Land Registration Act, 2012; to carry out its mandate.

2.1.5 It is governed by a Commission comprising nine commissioners serving on full time basis including the Chairman. The Secretariat is headed by the Secretary/Chief Executive Officer and forty-seven (47) County Land Management Boards (CLMBs), each comprising of Board Members and Secretariat.

2.1.6 As part of its fiduciary oversight, NLC has in place a Land Acquisition and Compensation Committee at the Commission level. The Committee is responsible for among other responsibilities, setting policy direction and formulate rules, regulations and guidelines in respect to compulsory acquisition of land both at National and County Government levels.

2.1.7 For the period under review, the composition of the committee was as follows:

Table 1: Land Acquisition and Compensation Committee

	Name	Designation
1	Dr. Tomik Konyimbih Mboya	Convener/Commissioner
2	Dr. Rose Mumbua Musyoka	Member/Commissioner
3	Ms. Emma Muthoni Njogu	Member/Commissioner
4	Mr. Silas Kitoti Muriithi	Member/Commissioner
5	Dr. Salome Munubi	Secretary/Director, Valuation & Taxation

2.2 Objectives

2.2.1 The special audit aimed at establishing whether payments in regard to compensations on compulsory acquisition of land for development made by NLC on behalf of other Government Entities for financial years 2014/2015 to 2016/2017 were done in a prudent and responsible manner pursuant to the provisions of Article 201 (d) of the Constitution of Kenya, 2010.

2.3 Scope of Work and Terms of Reference

2.3.1 The special audit involved reviews at NLC Headquarters, Acquiring Institutions and field inspection at project sites. The scope of work was limited to financial years 2014/2015 -2016/2017 covering the following acquiring institutions:

- Kenya Urban Roads Authority (KURA);
- Kenya National Highway Authority (KENHA);
- State Department for Housing and Urban Development;
- National Water Conservation and Pipeline Corporation (NWC&PC);
- LAPPSET;
- Tanathi Water Service Board; and
- Kenya Railway Corporation (KRC)

2.3.2 For each of the aforementioned acquiring institutions, the special audit covered the following Terms of References issued by the Public Accounts Committee (PAC):

- Established whether NLC ascertained ownership and Lawful occupation of parcels of land acquired on behalf of other Government Entities;
- Established whether NLC ascertained parcel numbers, precise acreage/sizes and independently confirmed the accurate value through valuation of the respective parcels and or improvements thereon before approval for compensation;
- Established whether acquisition of the parcels was necessary and for a public purpose as required by law;
- Established whether NLC confirmed that the parcels were lawfully acquired and were not public land as defined by law;
- Ascertained authenticity of expenditure incurred on claims for compensation;
- Established whether compensation paid was fair, equitable, transparent and accountable without favouritism;
- Established whether the process was lawful, transparent accountable and without collusion, conflict of interest or abuse of power.

2.3.3 The last Term of Reference (TOR) required the special audit to establish whether the process was lawful, transparent, accountable and without collusion, conflict of interest or abuse of power. We also noted several unlawful/irregular transactions which we have reported on each TOR.

2.4 Sampling and Sample Size

2.4.1 In view of the large size of data involved, time and resource constraints, out of the amount received by NLC of Kshs.23,110,803,828 detailed in **Appendix I**, the special

audit prioritized acquiring institutions that had incurred an amount of Kshs.22,194,554,938 as an appropriate sample for this special audit.

2.4.2 The sample was considered high risk due to involvement of significant funding and sensitivity to the public as they involved mass displacement of people as follows:

Table 2: Sampling and Sample size

	Entity	Basis of sampling	Amount received by NLC (Kshs.)	Amount reviewed (Kshs.)
1	KURA	Significant amount	6,676,607,372	5,528,531,473
2	KENHA	Significant amount	5,045,548,543	365,740,845
3	State Department of Housing and Urban Development (Murang'a Sanitary Land Fill)	Significant amount	135,470,000	135,470,000
4	MOWI (NWCPC)	Mass displacement	462,800,269	71,630,143
5	LAPSSET (Includes Kshs.2,115,562,333 to KPA)	Mass displacement	2,578,362,602	2,213,930,804
6	TANATHI	Mass displacement	1,551,000,000	1,441,471,736
7	KRC (Amount from KRC+ Amounts from Ministry of Transport)	Significant amount & mass displacement	5,744,766,152	4,530,804,993
	Total		**22,194,554,938**	**14,287,579,994**

2.4.3 For each entity sampled, the special audit reported on the Terms of Reference requested by PAC.

2.5 Source of information and audit procedures:

2.5.1 We obtained information based on the following audit procedures:

a. **Document Review:** The special audit reviewed requests from acquiring entities that triggered the need for acquisition of land, budgets of the acquiring entities, valuation reports by NLC and payment records.

b. **Analytical Review:** The special audit undertook computations, comparisons and other necessary analysis to obtain required evidence.

c. **Physical Verification/Inspection of works done:** Physical inspections were carried out on the selected projects to confirm whether compensations were made for land that was used for public purpose and whether the funds were received by intended beneficiaries.

d. **Compliance tests:** Tests of controls were undertaken where necessary to test lawfulness on expenditures incurred to identify internal control weaknesses and respective managerial responsibility.

e. **Interviews:** The special audit held interviews, consultations with key members of staff from various Departments as follows:

Table 3: List of persons interviewed

No.	Name	Designation	Date of interview
1	Peter Kamakia	Assistant Accounts Manager at KRC	17.01.2019
2	Erastus Chege	Principal Land Surveyor at KRC	17.01.2019
3	Bernard Cherutich	Acting Director of Finance at NLC	21.01.2019
4	Joash Oindo	Acting Director of Valuation and Taxation at NLC	21.01.2019

3 DETAILED FINDINGS

3.1 Pre-amble

3.1.1 The NLC's total approved budgetary allocation for the period under review was Kshs.4,434,000,000 as detailed below:

Table 4: NLC Budget allocations -Vote 2021

Financial year	Recurrent Kshs.	Development Kshs.	Total in Kshs.
2014/2015	1,093,000,000	442,000,000	1,535,000,000
2015/2016	1,240,000,000	289,000,000	1,529,000,000
2016/2017	1,267,000,000	103,000,000	1,370,000,000
Total	**3,600,000,000**	**834,000,000**	**4,434,000,000**

3.1.2 The above amounts of Kshs.4,434,000,000 excludes amounts for compensation of land, which are factored in the budgets of acquiring institutions.

3.1.3 Budgeting and financing for acquisition of land on behalf of other Government entities is NOT budgeted under NLC Vote 2021, but its budgeted by respective Public entities after which compensation funds are sent by the respective Public institutions to NLC to effect compensations. **The persons whose land is acquired are referred to as Projects Affected Persons (PAPs).**

3.1.4 **In this regard, NLC received a total of Kshs.23,110,803,828 in its National Bank of Kenya Ltd. A/c. No. 01001032980000 from various acquiring institutions to finance compensations on compulsory acquisition of land as summarized below and detailed in Appendix I:**

Table 5: Cash inflows from Acquiring Institutions

	Entity	Amount (Kshs.)
1	Kenya Urban Roads Authority (KURA)	**6,676,607,372**
2	Kenya National Highway Authority (KENHA)	**5,045,548,543**
3	Kenya Railways Corporation (SGR Project)	**4,513,264,776**
4	Kenya Ports Authority (KPA)/ LAPSSET	**2,115,562,333**

5	Tanathi Water Services Board (TANATHI)	**1,551,000,000**
6	Ministry of Transport (SGR Project)	**1,231,501,376**
7	Lamu Port -South Sudan-Ethopia Transport (LAPSSET)	**462,800,269**
8	Ministry of Water and Irrigation (NWCP)	**462,800,269**
9	Kenya Airport Authority (KAA)	**300,840,000**
10	State Dept of Housing & Urban Development-Murang'a Sanitary land Fill Field (Kshs.53,000,000+82,470,000)	**135,470,000**
11	Presidency	**25,000,000**
12	Food and Agricultural Organization (FAO)	**3,815,777**
13	KeRRA	**5,124,863**
14	Ministry of Environment	**5,000,000**
15	Kenya Civil Aviation Authority (KCAA)	**1,500,000**
16	Kenya Rural Roads Authority (KERRA)	**420,000**
17	Un-identified receipts	36,659,047
18	**SGR Refund**	**9,221,200**
19	**Administration charges**	**45,955,822**
	Total income	**22,545,621,647**
	ADD: Non Applied receipts (Unpaid bank remittances for previous year)	**256,466,836**
	Interest earned	**226,245,345**
	Total cash available for land compensation	**23,110,803,828**

3.1.5 The amount of Kshs.135,470,000 received from the State Department of Housing comprise Kshs.53,000,000 received in financial year 2016/2017 and Kshs.82,470,000 received in financial year 2017/2018 .

3.1.6 **It was further established that NLC earned a total of Kshs.226,245,345 inform of interest on monthly cash balances held in its National Bank of Kenya Ltd. A/c. No.**

01001032980000 as follows: Kshs.92,162,353 in financial year 2015/2016 and Kshs.134,082,992 in financial year 2016/2017.

3.1.7 **Management of NLC utilized the interest earned to supplement NLC operational budget and also covers administrative expenditures incurred in relation to acquisition of land on behalf of other government entities. These funds had not been budgeted for, and there was no approval given by the National Treasury or Parliament for the funds to be utilized for this purpose. This contravened Section 68 (1) (a) of the Public Finance Management Act, 2012 that requires Accounting Officers to ensure public resources are used in a lawful and authorized manner.**

3.1.8 **On 6 October, 2014, the NLC delegated the role of dispensing payments to KRC under its direct supervision through a letter from the Chairman of NLC to the Managing Director of KRC, stating the reasons for the delegations as "urgency of the SGR project".**

3.1.9 **In this regard, KRC received a total transfer of Kshs.17,794,794,179, in its SGR Land Compensation Account Number 1162575387 held at KCB Bank Ltd. This transfer was made up of Kshs.5,744,766,152 originally disbursed to NLC (Kshs.4,513,264,776 originally from KRC and Kshs.1,231,501,376 originally from the Ministry of Transport), together with an additional funding of Kshs.12,050,028,007 from the Ministry of Transport and Infrastructure.**

3.1.10 **Further engagement with NLC revealed that the Commission does not maintain a database/ register of all Public Land acquired contrary to Sections 8 (a) of the Land Act, 2012, which requires NLC, in managing public land on behalf of National and County governments, to identify public land, prepare and keep a database of all public land, which should be geo-referenced and authenticated by the statutory body responsible for survey'. This therefore means that NLC had not delivered on part of its legislative mandate.**

3.1.11 Out of the amount received by NLC of Kshs.23,110,803,828, as enlisted under Table 5 the special audit team profiled the following acquiring institutions amounting to Kshs.22,194,554,938 as an appropriate sample to cover the Terms of References (ToRs). The sample was considered high risk because of significant funding and sensitivity as they involved mass displacement of people as follows:

Table 6: Acquiring Entities covered by the special audit

	Entity	Basis of sampling	Amount received by NLC (Kshs.)	Amount reviewed (Kshs.)
1	KURA	Significant amount	6,676,607,372	5,528,531,473
2	KENHA	Significant amount	5,045,548,543	365,740,845
3	State Department of Housing and Urban Development (Murang'a Sanitary Land Fill)	Significant amount	135,470,000	135,470,000
4	MOWI (NWCPC)	Mass displacement	462,800,269	71,630,143
5	LAPSSET (Includes Kshs.2,115,562,333 to KPA)	Mass displacement	2,578,362,602	2,213,930,804
6	TANATHI	Mass displacement	1,551,000,000	1,441,471,736
7	KRC (Amount from KRC+ Amounts from Ministry of Transport)	Significant amount & mass displacement	5,744,766,152	4,530,804,993
	Total		**22,194,554,938**	**14,287,579,994**

3.2 Kenya Urbans Roads Authority (KURA)

3.2.1 During the period under review, NLC received a total of Kshs.6,676,607,372 from KURA for purpose of compulsory acquisition of land for expansion of various roads in the Country. Out of this amount, NLC incurred a total of Kshs.6,542,084,954 as detailed below:

Table 7: Land Acquired by NLC on behalf KURA

No.	Project name	Location	Amount (Kshs)
1	Outering Road	Nairobi	3,984,855,615
2	Eastern Missing Link Road	Nairobi	867,626,242
3	Meru Eastern & Western Bypass	Meru	676,049,616
	Amount reviewed		**5,528,531,473**

No.	Project name	Location	Amount (Kshs)
4	Kisumu- Nyamasaria road	Kisumu	1,878,525
5	Langata Road	Nairobi	975,774,256
6	Nairobi- Northern Bypass Road	Nairobi	35,900,700
	Total		**6,542,084,954**

3.2.2 However, this special audit only covered Outering Road, Nairobi Eastern Missing Link and Meru Eastern and Western Bypass, all amounting to Kshs.5,528,531,473. This was a total of 85 per cent coverage for the funding from KURA.

a) Outering Road

3.2.3 NLC received a total of Kshs.3,984,855,615 from KURA in regard to compulsory land acquisitions for expansion of Outering road during the period under review. Out of this amount, NLC had paid out Kshs.3,943,410,213 to various individuals whose land had been acquired. **Appendix II** details receipts and payments in regard to compulsory land acquisitions for expansion of Outering road. As at the time of audit, the balance of Kshs.41,445,402 was still held by NLC in regard to outstanding claims pending settlement of succession related disputes.

Ownership and Lawful occupation of parcels of land acquired as per two years' prescription

3.2.4 Section 9 (3)(b) of the Lands Acquisition Act Cap 295 read together with section 3(a) of the schedule of the Lands Acquisition Act Cap 295 (Repealed by Land Act. No. 6 of 2012) required that if the market value of land has been increased, or is currently increased by reason of an improvement made by the owner or his predecessor in title within two years before the date of publication in the Gazette of the notice of intention to acquire the land, unless it is proved that the improvement was made bona fide and not in contemplation of proceedings for the acquisition of the land, the increase shall be disregarded.

3.2.5 **The special audit observed that ownership and lawful occupation in regard to the two years' prescription was not done by NLC or the acquiring institution for the payment of parcels for expansion of Outering Road amounting to Kshs.3,943,410,213 before recommendation for compensation was done.**

Management of NLC based their justification on the repealed Lands Acquisition Act Cap 295, and therefore not having a legal basis to apply this provision in processing land transactions.

Establishment of parcel numbers, precise acreage/sizes and independent confirmation of the accurate value of land and development

3.2.6 In this compulsory land acquisition for Outering Road totaling Kshs.3,943,410,213, the special audit noted that the establishment of parcel numbers and precise sizes of land to be acquired was done by KURA and requests for acquisition made to NLC by the Director-General of KURA. The total amounts incurred in regard to compensations and improvement thereof are detailed in **Appendix III.**

3.2.7 Section 113 (1) of the Lands Act, 2012 requires NLC to prepare a written award, in which it shall make a separate award of compensation for every person whom NLC has determined to have an interest in the land. Section 113 (2) further provides that the award shall be conclusive evidence of: the size of the land to be acquired, the value, in the opinion of NLC, of the land and the amount of compensation payable.

3.2.8 **The special audit established that NLC valued, issued award letters and paid out compensations amounting to Kshs.3,943,410,213 in regard to compulsory acquisition of land for Outering Road. This was without any independent confirmation of the accurate value of the land and developments as there was no adequate internal controls on valuation of property and, there was no segregation of duties in valuations amounting to Kshs.1,495,450,158 relating to Barclays Pension Service Limited (Kshs.14,431,350); Rafiki Export Processing Limited (Kshs.63,205,957) and LR NO.7879/4 (Kshs.1,417,812,851) and reports to ensure that valuations are counterchecked by another officer for objectivity, accuracy and fairness.**

Whether acquisition of the parcels was necessary and for a public purpose as required by law

3.2.9 The acquisition of land was triggered by need for expansion of the Outering Road. The road serves the public and is a link road from Northern Airport road to Thika Super Highway. The specific parcels of land were identified by the KURA for purpose of Road

expansion and requests made to NLC to conduct the acquisition process. The special audit therefore noted that acquisition of the land was therefore necessary and for a public purpose.

b) Eastern Missing Link Road- Nairobi

3.2.10 On 7 February, 2014, the Land Acquisition and Compensation Committee of the NLC in its meeting, approved the land acquisition request from KURA for Eastern Missing Links Road in Nairobi.

3.2.11 On 2 May, 2014, the Cabinet Secretary, Ministry of Transport and Infrastructure wrote vide letter Referenced MOTI/I/A.35.08 VOL.8 to the Chairman NLC forwarding a request for approval of application for Land Acquisition for Eastern Missing Links in compliance with Section 107 (1) of the Land Act, 2012. The CS stated that the following properties were to be affected: Ring Road Parklands (15A), Ring Roads Parklands extension (15B), Muratina Street (M5), Accra Road (MI), Quarry Road and Othero Road.

3.2.12 KURA disbursed a total of Kshs.1,015,178,912 to NLC in respect to compulsory land acquisition for the Eastern Missing Link through NLC Account Number 01001032980000 held at National Bank of Kenya, Hill plaza Branch between 22 July, 2016 and 19 October, 2016.

3.2.13 As at the time of the special audit NLC had paid a total of Kshs.867,626,242 to fifty-two (52) Project Affected Persons (PAPs) detailed in **Appendix IV.** The balance of Ksh.147,552,670 detailed in **Appendix V** had been retained by NLC for 12 PAPs pending family succession dispute resolution involving parcels of land before payment is done.

Ownership and Lawful occupation of parcels of land acquired

3.2.14 Section 9 (3)(b) of the Lands Acquisition Act Cap 295 read together with section 3(a) of the schedule of the Lands Acquisition Act Cap 295 (Repealed by Land Act. No. 6 of 2012) required that if the market value of land has been increased, or is currently increased by reason of an improvement made by the owner or his predecessor in title within two years before the date of publication in the Gazette of the notice of intention to acquire the land, unless it is proved that the improvement was made bona fide and not in contemplation of proceedings for the acquisition of the land, the increase shall be disregarded.

3.2.15 **The special audit observed that ownership and lawful occupation in regard to the two years' prescription was not done by NLC or the acquiring institution for the payment of parcels for Eastern Missing Links Road amounting to Kshs.1,015,178,912 before recommendation for compensation was done. Management of NLC based their justification on the repealed Lands Acquisition Act Cap 295, and therefore not having a legal basis to apply this provision in processing land transactions.**

Establishment of parcel numbers, precise acreage/sizes and independent confirmation of the accurate value of land and development

3.2.16 Section 107 (8) of the Lands Act, 2012 requires that all land to be compulsorily acquired shall be geo-referenced and authenticated by the office or authority responsible for survey at both the National and County Government. The affected parcels of land were identified by KURA while designing and defining the project route using cadastral maps obtained from the Survey Department.

3.2.17 The request from KURA dated 5 August, 2011 and 20 February, 2014 requiring NLC to acquire land on its behalf contained acquisition plans which indicated specific parcel numbers to be acquired and the sizes intended to be acquired. Consequently, on 6 March, 2015, NLC published notice of intention to acquire parcels of land measuring a total of 1.7605 Ha from 64 Project Affected Persons (PAPs) for Eastern Missing Link road as detailed in **Appendix VI.**

3.2.18 **Through Gazette Notice No. 7587 dated 9 October, 2015, NLC issued a corrigendum for one (1) parcel of Land Ref. Plot No 1870/1/203 registered in the name of Yogesh Patel - Kenroid Ltd measuring 0.0135 Ha and de-gazette parcels of land measuring 0.6478 ha detailed in Appendix VII which had been earlier included in the notice of intention to acquire dated 6 March, 2015. The de-gazettement was necessitated by the review of the road design by KURA and the degazetted parcels were not affected by the new design and were therefore not compensated. Appendix VII details the revised list of land to be acquired as a result of change of the road design. The special audit could not get justification on what necessitated the change in design and the values involved to justify if it was below the acceptable variation thresholds.**

3.2.19 Section 112 (1) of the Lands Act, 2012 requires that at least thirty days after publishing the notice of intention to acquire land, the NLC shall appoint a date for an inquiry to hear issues of propriety and claims for compensation by persons interested in the land. The public Inquiry session were held between 3 November 2015 and 12 November 2015.

3.2.20 Section 113 (1) of the Lands Act, 2012 provides that upon the conclusion of the inquiry, the NLC shall prepare a written award, in which it shall make a separate award of compensation for every person whom the Commission has determined to have an interest in the land. Section 113 (2) further provides that the award shall be conclusive evidence of: the size of the land to be acquired; the value, in the opinion of the Commission, of the land and the amount of compensation payable.

3.2.21 In this regard, NLC valued and awarded parcels of land and improvements thereon amounting to Kshs.1,015,178,912 as detailed in **Appendix VIII**. The awards indicate sizes, parcel numbers and value pursuant to Section 113 (2) of the Lands Act, 2012. Valuation of the acquired parcels of land was done in house by NLC Valuation and Taxation Department. It involved thereon, loss of business and statutory 15% disturbance allowance.

3.2.22 **Valuation compensation schedule availed for review were not dated and not signed by the valuer, and therefore lacked ownership, credibility and objectivity, in some circumstances the size being acquired was not indicated which leaves room for manipulation. In such circumstances, it was not possible to ascertain the period when the valuation exercise was carried out and the basis/ criteria used in determination. The special audit therefore questions the entire valuation process for the compensation of land amounting to Kshs.1,015,178,912, if indeed these were done in a lawful and effective manner.**

Whether acquisition of the parcels was necessary and for a public purpose

3.2.23 The necessity of acquisition was triggered by a request from KURA dated 5 August, 2011 referenced KURA/PROJ/8/VOL 2(80) and 20 February, 2014 referenced KURA/SUR/14/2 Vol.3 (140) that had been necessitated by change of road design to accommodate Junction improvement, roads expansion and slip roads.

Confirmation that the parcels were lawfully acquired and were not public land

3.2.24 In order to establish that the parcels of land to be acquired were not public land, NLC is expected to conduct an official search at the Lands Registry to get satisfaction on the true ownership of the land.

3.2.25 **The special audit noted that NLC did not conduct an official search at the Lands Registry prior to recommending compensations for compulsory acquisition of the parcels of land amounting to Kshs.1,015,178,912 acquired for construction of Eastern Missing Link Road. Failure by NLC to conduct and document official search on ownership of land prior to compensation has exposed NLC to the potential risk of irregular acquisition of public land that could lead to subsequent disputes and compensations for irregularly acquired parcels and therefore exposes the payments of Kshs.1,015,178,912 to potential loss.**

Ascertain authenticity of expenditure incurred on claims for compensation

3.2.26 **The absence of signed valuation reports and explanation of the basis of determining the value of land, which is critical for compensation of the entire sum of Kshs.1,015,178,912 therefore raised significant doubt on the authenticity of expenditures incurred. Under these circumstance of doubt, lack of proper documentations to demonstrate due procedure was followed, the special audit could therefore not give any assurance on the fairness, equitability, transparency and accountability of the compensation process for Eastern Missing Link Project and therefore holding those responsible accountable to any losses or potential losses of public funds.**

c) Meru Western and Eastern Bypass

3.2.27 The then Director General of KURA Eng. Joseph N. Nkadayo vide a letter referenced KURA/SUR/14/2 Vol.2(102) dated 4 July 2012 addressed to Mr. Zablon M. Mubea, the then Commissioner of Lands in Ministry of Lands submitted acquisition plans for Western and Eastern Meru Bypass.

3.2.28 By April 2017, KURA had disbursed a total of Kshs.752,339,694 to NLC for compulsory land acquisition for the Western and Eastern Meru Bypass through NLC account number 01001032980000 held at National Bank of Kenya as follows:

Table 8: Amount disbursed by KURA to NLC for Meru Western & Eastern Bypass

Date	Amount (Kshs)
01/12/2015	703,710,211
23/02/2016	8,648,538
10/08/2016	26,163,425
18/08/2016	4,130,275
06/12/2016	7,033,820
28/04/2017	2,653,424
Total	**752,339,694**

3.2.29 Out of the receipts of Kshs.752,339,694, NLC paid a total of Kshs.676,049,616 to various Project Affected Persons (PAPs) as detailed in **Appendix IX.** The balance of Kshs.76,290,077 had been retained by NLC pending succession disputes resolution surrounding the parcels of land before payment is done.

Ownership and Lawful occupation of parcels of land acquired

3.2.30 Section 9 (3)(b) of the Lands Acquisition Act Cap 295 read together with section 3(a) of the schedule of the Lands Acquisition Act Cap 295 (Repealed by Land Act. No. 6 of 2012) required that if the market value of land has been increased, or is currently increased by reason of an improvement made by the owner or his predecessor in title within two years before the date of publication in the Gazette of the notice of intention to acquire the land, unless it is proved that the improvement was made bona fide and not in contemplation of proceedings for the acquisition of the land, the increase shall be disregarded.

3.2.31 **The special audit observed that ownership and lawful occupation in regard to the two years' prescription was not done by NLC or the acquiring institution for the payment of parcels for Western and Eastern Meru Bypass amounting to Kshs.676,049,616 before recommendation for compensation was done. Management of NLC based their justification on the repealed Lands Acquisition Act Cap 295, and therefore not having a legal basis to apply this provision in processing land transactions**

Establishment of parcel numbers, precise acreage and independent valuation of the respective parcels and or improvements thereon

3.2.32 The then Director -General KURA Eng. Joseph N. Nkadayo vide a letter referenced KURA/SUR/14/2 Vol.2(102) dated 4 July, 2012 addressed to Mr. Zablon M. Mubea, the then Commissioner of Lands in Ministry of Lands submitted acquisition plans for Western and Eastern Meru Bypass.

3.2.33 The request contained acquisition plans detailing specific parcels numbers affected and the sizes intended to be acquired._The acquisition had been necessitated by the design for the proposed Western and Eastern Meru Bypass in Meru County that included opening up new roads, widening existing and improving road junctions. The properties identified for acquisition were five hundred and thirty-seven (537 No.) parcels of Land. Cadastral plans obtained from the Survey department are used as a basis of designing the route of the project. The land laws (amendment) Act, 2016 defines a cadastral map as a geo-referenced plan approved by the statutory body responsible for survey of land.

3.2.34 Valuation of parcels of land identified for compulsory acquisition, improvements thereon and loss of business was done by the following NLC officers; Dr. Salome L. Munubi, Mr. Dickson Okundi and Ms. Dorcas Buyaki all of whom are registered valuers.

3.2.35 **Valuation compensation schedule availed for review amounting to Kshs.715,355,000 detailed in Appendix X, were not dated and not signed by the valuer, and therefore lacked ownership, credibility and objectivity, in some circumstances the size being acquired was not indicated which leaves room for manipulation. In such circumstances, it was not possible to ascertain the period when the valuation exercise was carried out and the basis/ criteria used in determination. The special audit therefore questions the entire valuation process for the compensation of land amounting to Kshs.715,355,300 if indeed these were done in a lawful and effective manner.**

3.2.36 NLC on behalf of KURA, published notices of intention to acquire and inquiry of parcels of land for Western and Eastern Meru Bypass in gazette notice numbers 13570 and 13571 both dated 4 October, 2013.

3.2.37 On 17 October, 2014, NLC published another Gazette Notice No. 7399 of intention to acquire a total of 27.393 Ha from 614 PAPs. This Gazette Notice also revoked the two Gazette Notice Nos. 13570 and 13571 of 4 October, 2013. The revocation was triggered

by a request for corrigendum from KURA vide letter Ref: KURA/SUR/14/3 Vol.3 (25) dated 9 April, 2014 that amended the previous requests made to reduce the size of land acquired from an **owner Yogesh Patel, LR No. 1870/I/203 from initial 0.0471 Ha to 0.0135 Ha. The special audit noted the appearance of the same owner of a compensation of Eastern Missing Link Road and Meru Bypass and raised a reg flag.**

3.2.38 Section 112 (1) of the Lands Act, 2012 requires that at least thirty days after publishing the notice of intention to acquire land, the NLC shall appoint a date for an inquiry to hear issues of propriety and claims for compensation by persons interested in the land.

3.2.39 The public was invited to attend inquiry sessions through gazette Notice No. 1518 of 6 March, 2015. The inquiry sessions were held between 31 March, 2015 and 13 May, 2015.

3.2.40 On 2 December, 2016, NLC issued another gazette notice No. 9975 which de-gazetted twenty-four (24 No) parcels of land contained in the gazette notice of intention to acquire notice No. 7399 of 17 October, 2014 and notice of inquiry No. 1518 of 6 March, 2015, corrected ownership and acreage of one (1) parcel of land and added four (4) parcels of land as detailed in **Appendix XI.**

3.2.41 The above changes were as a results of KURA reviewing the design that changed the route into Imenti Forest Land. The forest land was noted to be public property which was therefore not subject to compensation, thus the previous parcels belonging to private citizens were degazetted and were not compensated.

Whether acquisition of the parcels was necessary and for a public purpose

3.2.42 The acquisition was necessitated by the design for the proposed Western and Eastern Meru Bypass in Meru County that included opening up new roads, widening existing and improving road junctions.

3.2.43 In this regard, on 4 July, 2012 the then KURA Director General Eng. Joseph N. Nkadayo vide a letter referenced KURA/SUR/14/2 Vol.2(102) wrote to Mr. Zablon M. Mubea, the then Commissioner of Lands in Ministry of Lands submitted acquisition plans for expansion Western and Eastern Meru Bypass. As per KURA, the properties identified for acquisition were five hundred and thirty-seven (537 No.) parcels of Land.

Whether NLC confirmed that the parcels were lawfully acquired and were not public land as defined by law

3.2.44 In order to establish that the parcels of land to be acquired were not public land, NLC conducted official land searches and identified the rightful owners of the parcels of land before recommendation for compensation was done.

3.3 Kenya National Highway Authority (KENHA)

3.3.1 During the period under review, NLC received a total of Kshs.5,045,548,543 from KENHA for various projects in regard to acquisition of land for expansion of roads. The special audit reviewed a total of Kshs.365,740,845 in regard to: acquisition process for Kangema-Gacharage Road in Murang'a (Kshs.145,260,290) and Dongo Kundu Road in Mombasa (Kshs.220,480,555) as detailed below:

a) Kangema- Gacharage (C70) road- Murang'a

3.3.2 NLC received a total of Kshs.145,260,290 from KeNHA through its National Bank of Kenya Hill Branch bank A/c. No. 0100132980000 to facilitate compulsory acquisition of the land for upgrading of Kangema-Gacharage (C 70) Road.

Ownership and Lawful occupation of parcels of land acquired as per the two years' prescription

3.3.3 Section 9 (3)(b) of the Lands Acquisition Act Cap 295 read together with section 3(a) of the schedule of the Lands Acquisition Act Cap 295 (Repealed by Land Act. No. 6 of 2012) required that if the market value of land has been increased, or is currently increased by reason of an improvement made by the owner or his predecessor in title within two years before the date of publication in the Gazette of the notice of intention to acquire the land, unless it is proved that the improvement was made bona fide and not in contemplation of proceedings for the acquisition of the land, the increase shall be disregarded.

3.3.4 The special audit observed that ownership and lawful occupation in regard to the two years' prescription was not done. However, the management of NLC explained that since the Lands Acquisition Act Cap 295 was repealed, there was no legal basis to apply its provisions in processing land transactions.

3.3.5 A notice of intention to acquire the parcel of land was placed on the Kenya Gazette, Number 11675 of 16 August, 2013. Further, an addendum and corrigendum was issued through a Gazette Notice No. 3345 dated 13 May, 2016. The gazette notice indicated that a total land measuring 76.3668 Ha were to be acquired.

3.3.6 The public inquiry sessions were carried out from 24 September, 2013 to 6 November, 2013 and from 5 July, 2016 to 14 July, 2016 as per Gazette Notices numbers 11676 of 16 August, 2013 and 3346 of 13 May, 2016 respectively.

3.3.7 The special established that an official search was carried out at the Murang'a County land registry to confirm ownership of parcels of land whose details are registration number, area to be acquired, title area, registered owners and encumbrances thereof.

Establishment of parcel numbers, precise acreage/sizes and independent confirmation of the accurate value of land and development

3.3.8 Section 107 (8) of the Lands Act 2012 provides that all land to be compulsorily acquired shall be geo-referenced and authenticated by the office or authority responsible for survey at both the National and County Government.

3.3.9 In this regard, a survey was conducted and land acquisition drawings prepared by KeNHA Design and Construction Department dated June, 2012. Thereafter a letter was written by KeNHA to the Commissioner of Lands requesting for acquisition of land for upgrading to bitumen standard the Kangema- Gacharage (C70) road contract no. KeNHA/RD/D&C/444/2011.

3.3.10 The special audit established that an official search was carried out at the Murang'a County land registry to confirm ownership of parcels of land whose details are registration number, area to be acquired, title area, registered owners and encumbrances thereof.

3.3.11 **The NLC valued and awarded compensation for land and improvements totaling Kshs.224,203,976 as detailed in Appendix XII. It was not possible to ascertain the respective officers who carried out the valuation as the names had not been indicated in the valuation reports. The valuation report/ compensation schedule therefore lacked ownership, credibility, objectivity, and created room for manipulation. In such circumstances, it was not possible to ascertain the period when the valuation exercise was carried out and the basis/ criteria used in determination. The special audit therefore questions the entire valuation process**

for the compensation of land amounting to Kshs.224,203,976 if indeed these were done in a lawful and effective manner.

Whether acquisition of the parcels was necessary and for a public purpose as required by law

3.3.12 On 26 June, 2012, Eng. C. O Obuon on behalf of General Manager (Design and Construction) of KENHA vide a letter Ref: KeNHA/D&C/C70/20121 wrote to the Commissioner of Lands requesting for acquisition of land for upgrading to bitumen standard of Kangema- Gacharage (C70) road contract no. KeNHA/RD/D&C/444/2011.

3.3.13 The acquisition was for construction of a public road and was therefore necessary and for a public purpose.

Whether NLC confirmed that the parcels were lawfully acquired and were not public land as defined by law

3.3.14 The special established that an official search was carried out at the Murang'a County land registry to confirm ownership of parcels of land acquired. The details captured included registration number, area to be acquired, title area, registered owners and encumbrances thereof.

Authenticity of expenditure incurred on claims for compensation

3.3.15 As at 30 June, 2017, Out of the Kshs.145,260,290 received from KENHA, NLC had paid a total of Kshs.104,935,044 to three hundred and fifty nine (359) PAPs leaving a balance of Kshs.40,325,245. This amounts had not been paid out due to succession disputes on acquired land and errors in beneficiary bank account numbers.

3.3.16 **The special audit noted that a total of Kshs.22,622,325 was paid to Project Affected Persons (PAPs) between 20 August, 2015 to 30 March, 2016, before they were gazetted in the addendum and corrigendum notice of 13 May, 2016 as detailed in Appendix XIII, this therefore contravened the law.**

Whether compensation paid was fair, equitable and comparable without undue influence

3.3.17 **The special audit considered compensations to be fair and equitable only if they were based on an objective and reliable valuation report. As earlier noted, NLC paid a total of Kshs.224,203,976 without evidence of a valuation report as detailed in Appendix XII. Under the circumstance, the special audit could not provide assurance that these compensations were done in a fair and equitable manner.**

3.3.18 **During field inspection, the special audit established that final survey was yet to be done as the project had not been concluded. Not all PAPs that had been compensated had moved from the acquired parcels. This is likely to result in possible conflict between the acquiring institution and the Project Affected Persons (PAPs). There is need for KeNHA to ensure all PAPs vacate the acquired land.**

b) Dongo Kundu road/ Mombasa Southern by pass and Kipevu new terminal link road

3.3.19 On 23 October, 2013, the then Director -General of KeNHA, vide a letter ref: KeNHA/SP/MPARD/VOL.3/75204 wrote to the National Land Commission (NLC) requesting them to acquire land for purpose of construction of Mombasa Southern Bypass and Kipevu new container terminal link road.

3.3.20 The project was divided into three packages namely; Package One (1): Miritini-Mwache- Kipevu; Package two (2): Mwache- Mteza and Package Three (3): Mteza-Kibundani. During the period under review only Package One of project was undertaken.

3.3.21 Further, on 7 October, 2014, the Director General of KeNHA, vide his letter ref. No. KeNHA/SP/MPARD/Vol.4/77331 wrote to the Chairman of NLC informing him that the total cost for land acquisition for the package one (1) of the project (Miritini-Kipevu New Container Terminal) was estimated at Kshs.2,458,191,243.

3.3.22 KeNHA remitted compensation funds totaling Kshs.1,248,918,359 to NLC's National Bank A/c. No. 01001032980000.

3.3.23 As at 30 June, 2017, NLC had paid a total of Kshs.220,480,555 to one hundred and eighty-eight (188) PAPs as detailed in **Appendix XIV**. Another one hundred and

seventeen (117) PAPs who were awarded a total of Kshs.1,067,946,752 had not been paid due to unresolved land succession issues and inconsistencies in the name of bank details submitted by the Project Affected Persons (PAPs) to NLC.

Ownership and Lawful occupation of parcels of land acquired as per two years' prescription

3.3.24 Section 9 (3)(b) of the Lands Acquisition Act Cap 295 read together with section 3(a) of the schedule of the Lands Acquisition Act Cap 295 (Repealed by Land Act. No. 6 of 2012) required that if the market value of land has been increased, or is currently increased by reason of an improvement made by the owner or his predecessor in title within two years before the date of publication in the Gazette of the notice of intention to acquire the land, unless it is proved that the improvement was made bona fide and not in contemplation of proceedings for the acquisition of the land, the increase shall be disregarded.

3.3.25 The special audit observed that ownership and lawful occupation in regard to the two years' prescription was not done. However, the management of NLC explained that since the Lands Acquisition Act Cap 295 was repealed, there was no legal basis to apply its provisions in processing land transactions.

3.3.26 **The special audit observed that ownership and lawful occupation in regard to the two years' prescription was not done by NLC or the acquiring institution for the payment of parcels for Dongo Kundu road/ Mombasa Southern by pass and Kipevu new terminal link road amounting to Kshs.220,480,555 before recommendation for compensation was done. Management of NLC based their justification on the repealed Lands Acquisition Act Cap 295, and therefore not having a legal basis to apply this provision in processing land transactions.**

3.3.27 Section 107 (8) of the Lands Act, 2012 further provides that all land to be compulsorily acquired shall be geo- referenced and authenticated by the office or authority responsible for survey at both the National and County Government.

3.3.28 In designing the route, they relied on cadastral plans obtained from Survey Department. The Land Laws Amendment Act, 2016 defines a cadastral plan as a geo-referenced plan approved by the statutory body responsible for survey of land.

3.3.29 **The Management of KeNHA did not provide any evidence to support its design for the road, they relied on acquisition plans and cadastral maps obtained from the Department of Survey and searches obtained from the land registries.**

3.3.30 **Further, NLC did not avail evidence to show that it carried out official search of the parcels of land identified for compulsory acquisition to establish ownership contrary to Section 118 of the Lands Act of 2012.**

Establishment of parcel numbers, precise acreage/sizes and independent confirmation of the accurate value of land and development

3.3.31 Section 112 (1) of the Lands Act, 2012 requires that at least thirty days after publishing the notice of intention to acquire land, the NLC shall appoint a date for an inquiry to hear issues of propriety and claims for compensation by persons interested in the land.

3.3.32 **Notice of intention to acquire was published in Kenya Gazette Notice No. 405 of 24 January, 2014 for acquisition of 306 parcels of land measuring 328.187 acres. Public inquiry sessions were held between 4 March, 2014 and 3 April, 2014. NLC management indicated that parcel numbers and precise sizes were determined by acquiring institution (KeNHA). There was however no evidence in support of this assertion.**

3.3.33 Section 113 (1) of the Lands Act ,2012 provides that upon the conclusion of the inquiry, the NLC shall prepare a written award, in which it shall make a separate award of compensation for every person whom the Commission has determined to have an interest in the land. Section 113 (2) further provides that the award shall be conclusive evidence of: the size of the land to be acquired; the value, in the opinion of the Commission, of the land and the amount of compensation payable.

3.3.34 On 5 September, 2014, the Chairman of NLC vide letter ref: VAL.1449/14 wrote to the Director General of KenHA informing him that the Commission had finalized awards of Package One (1) totaling Kshs.2,458,191,243.

3.3.35 **NLC did not avail the valuation report, the period when it was carried out and the officers who were involved in the valuation exercise. Under the circumstances, the special audit could not provide assurance that valuations done by NLC were conducted in a manner that was lawful and effective to guarantee Value for**

Money. As at the time of audit, the Commission had paid compensation amount totaling Kshs.220,480,555 .

Whether acquisition of the parcels was necessary and for a public purpose as required by law

3.3.36 On 23 October, 2013, the then Director- General of KeNHA, vide a letter ref: KeNHA/SP/MPARD/VOL.3/75204 wrote to the National Land Commission (NLC) requesting them to acquire land for purpose of construction of Mombasa Southern Bypass and Kipevu new container terminal link road. In this regard the acquisition of the land was necessary and for public purpose.

Whether NLC confirmed that the parcels were lawfully acquired and were not public land as defined by law

3.3.37 **There was no evidence that NLC carried out official search of the parcels of land amounting to Kshs.220,480,555 identified for compulsory acquisition for construction of Dongo Kundu road to establish ownership contrary to section 118 of the Lands Act of 2012. Under the circumstance, the special audit could not provide assurance that NLC confirmed that the parcels were lawfully acquired and were not public land as defined by law.**

Ascertain authenticity of expenditure incurred on claims for compensation

3.3.38 The special audit could not establish the authenticity of expenditure incurred on claims for compensations amounting to Kshs.220,480,555 due to failure by NLC to avail valuation reports . Under such circumstances, the special audit could not provide assurance that the expenditure was incurred in a lawful and effective manner.

Whether compensation paid was fair, equitable, transparent and accountable without favouritism.

3.3.39 **The special audit considered compensations to be fair and equitable only if they were based on an objective and reliable valuation report. NLC paid compensations amounting to Kshs.220,480,555. However, in the absence of a valuation report the special audit could not provide assurance that compensations were done in a fair, transparent and accountable manner that guarantee Value for Money.**

3.4 State Department of Housing and Urban Development

Murang'a Sanitary Landfill Project

3.4.1 On 11 March, 2016, the then County Executive Committee member (CEC) of Lands, Housing and Physical Planning for Murang'a County Government vide a letter Ref: MCG/LHP/LND BNK/VOL 1/007 wrote to the Chairman, NLC requesting for acquisition of land parcel number Mitubiri/Wempa Block 1/6824 measuring 50 acres for Construction of Murang'a sanitary landfill project.

3.4.2 On 2 August, 2016, Eng. J. N. Maina, Secretary Metropolitan & Project Coordinator, Ministry of Transport and Infrastructure, State Department of Housing and Urban Development wrote to NLC and confirmed availability of funds to acquire the proposed land in Ministry's development vote for 2016/2017 financial year.

3.4.3 Consequently, the State Department of Housing and Urban Development of the Ministry of Transport and Infrastructure, disbursed Kshs.135,470,000 to National Bank A/c. No. 01001032980000 of NLC for acquisition of the land.

Ownership and Lawful occupation of parcels of land acquired as per two years' prescription.

3.4.4 Section 9 (3)(b) of the Lands Acquisition Act Cap 295 read together with section 3(a) of the schedule of the Lands Acquisition Act Cap 295 (Repealed by Land Act. No. 6 of 2012) required that if the market value of land has been increased, or is currently increased by reason of an improvement made by the owner or his predecessor in title within two years before the date of publication in the Gazette of the notice of intention to acquire the land, unless it is proved that the improvement was made bona fide and not in contemplation of proceedings for the acquisition of the land; the increase shall be disregarded.

3.4.5 **The special audit observed that ownership and lawful occupation in regard to the two years' prescription was not done by NLC or the acquiring institution for the payment of parcels for Murang'a Sanitary Landfill Project amounting to Kshs.135,470,000 before recommendation for compensation was done. Management of NLC based their justification on the repealed Lands Acquisition Act**

Cap 295, and therefore not having a legal basis to apply this provision in processing land transactions.

Establishment of parcel numbers, precise acreage/ sizes and independent confirmation of the accurate value of land and development

3.4.6 Identification of parcel number of land to be acquired was made by Murang'a County Government.

3.4.7 On 11 March, 2016, the then County Executive Committee member (CEC) of Lands, Housing and Physical Planning for Murang'a County Government vide a letter Ref: MCG/LHP/LND BNK/VOL 1/007 wrote to the Chairman, NLC requesting for acquisition of land parcel number Mitubiri/Wempa Block 1/6824 measuring 50 acres for Construction of Murang'a sanitary landfill project. The project was identified by Nairobi Metropolitan Services Improvement Projects (NaMSIP) as per Landfill Site Identification Report through spatial multi-criteria analysis technique carried out in four steps approach namely; negative mapping, positive mapping, identification of potential site and valuation of candidate sites. It is through that report that a 50 Acre parcel of land (Mitubiri/Wempa Block 1/6824) was identified as a suitable site but was privately owned hence the compulsory land acquisition.

3.4.8 NLC put a notice of intention to acquire 20.325 Ha (Approx. 50 acres) of land in the Kenya Gazette Notice No. 6601 dated 19 August, 2016. Public inquiry was carried out on 1 November, 2016. Details captured in the gazette notice were L.R NO-Mitubiri/Wempa/Block 1/6824, Registered owner -Chosen Builders Investment Ltd and area to be acquired- 20.325 hectares.

3.4.9 Valuation of the land was done by Officers from the NLC Valuation and Taxation Department. According to the unsigned and undated valuation report for the Murang'a Sanitary Landfill Project availed by NLC Management, the Value of land Mitubiri/Wempa/Block 1/6824 and improvement thereof was estimated at Kshs.135,470,000 as detailed below:

Table 9: Payments for land Mitubiri/Wempa/Block 1/6824

Registered Owner	Area (Ha)	Rate Per (Acre) (Ksh)	Land Value (Ksh)	Improvements (Ksh)	15% disturbance allowance (Ksh)	Total Value (Ksh)
Chosen Builders Investments Ltd.	20.325	2,240,000	112,000,000	5,760,000	17,670,000	135,470,000

3.4.10 Consequently, NLC made an offer of award of Kshs.135,470,000 to M/s. Chosen Builders Investments Ltd, vide a letter Ref: VAL 1506 dated 24 November, 2016 signed by Dr. Salome Munubi, Director of Valuation and Taxation on behalf of NLC. The plot owner accepted the offer of award on 29 November, 2016.

3.4.11 As at the time of special audit, NLC had paid M/s. Chosen Builders Investment Ltd a total of Kshs.135,470,000 in two instalments: Kshs.53,000,000 was paid on 20 April, 2017 while the final instalment of Kshs.82,470,000 was paid on 12 January, 2018.

Whether acquisition of the parcels was necessary and for a public purpose

3.4.12 The project was meant to solve solid waste management challenges in Murang'a, Kiambu and Nairobi Counties. On 8 March, 2016 Murang'a County Governor wrote to the Cabinet Secretary, National Treasury informing him of the proposed project of constructing a sanitary land fill to solve solid waste management challenges in Murang'a, Kiambu and Nairobi Counties.

3.4.13 On 17 May, 2016 the Principal Secretary National Treasury wrote to the Principal Secretary, Ministry of Lands, Housing and Urban Development requesting the PS to convene a consultative meeting to address the Land acquisition issue for Murang'a County Government under NaMSIP project. The PS Ministry of Lands and Physical Planning on 27 May, 2016 wrote to the PS National Treasury and Governor Murang'a County informing of a consultative committee that the Ministry is constituting and requesting them to nominate suitable officers to sit on the committee.

3.4.14 **In this regard, the acquisition of land parcel number Mitubiri/Wempa Block 1/6824 for Construction of Murang'a sanitary landfill project was necessary and for public purpose. However, as at the time of inspection, the parcel was still registered**

under Chosen Builders Investment Ltd despite the land having been fully paid for by January 2018.

3.4.15 **As per the letter from Governor, Murang'a County Government, the sanitary landfill was to solve solid waste management challenges in Murang'a, Kiambu and Nairobi Counties but interviews with officials of Nairobi Metropolitan Services Improvement Projects (NaMSIP) revealed that the project has since been downgraded to only cover Murang'a County. The special audit could not establish the reason for downgrading the project since no documentary evidence was availed at the time of the audit and hence value for money for the parcel of land acquired cannot be ascertained.**

Whether NLC confirmed that the parcels were lawfully acquired and were not public land

3.4.16 An official search was done by Muranga, County Government on 28 May, 2015 at the Murang'a Land's registry that established that the identified land belonged to M/s. Chosen Builders Investments Ltd. In this regard, NLC confirmed that the land parcel number Mitubiri/Wempa Block 1/6824 was lawfully acquired by the seller M/s. Chosen Builders Investments Ltd and was not public land.

Whether compensation paid was fair, equitable and comparable without undue influence

3.4.17 **The special audit considered compensations to be fair and equitable only if they were based on an objective and reliable valuation report. Valuation of the land was done by Officers from the NLC Valuation and Taxation Department. The valuation reports for the Murang'a sanitary landfill project availed by NLC Management were unsigned and undated. Under the circumstance, the special audit could not provide assurance that valuations done by NLC were conducted in a manner that was lawful and effective to guarantee Value for Money. Therefore there was no evidence that compensations amounting to Kshs.135,470,000 were done in a fair and equitable manner.**

3.5 National Water Conservation and Pipeline Corporation (NWCPC)

Compulsory acquisition of Land for Construction of Muruny 'Siyoi' Water Project

3.5.1 The project is located in West Pokot County. The design of the project started in the year 2006 and the original dam site was called Siyoi, which was located within Kapenguria Municipality (7km from Kapenguria Town). The site was abandoned due to social and environmental issues associated with the site after which a new dam site located about 42km from Kapenguria Town was identified.

3.5.2 The New Dam site was named "Muruny-Siyoi Dam Water Project" which was started in March 2011 with the design work done in-house by NWC&PC up to draft final design before a Consultant was awarded a Contract in October, 2012 to review and complete the draft design work done by NWC&PC.

3.5.3 On 7 November, 2014, the then MD of NWCPC vide his letter Ref: NWCPC/P&D/09/FIL IV/ [25] wrote to the NLC requesting for acquisition of land for construction of way leaves and tank sites for the Siyoi Muruny Dam Project.

3.5.4 In this regard, NWC& PC remitted a total of Kshs.462,800,269 to NLC's National Bank Account No. 0132980000 for both Muruny Siyoi and Koru Dams

3.5.5 As at the time of completion of the audit, NLC had paid a total of Kshs.71,630,143 for compensations for land and improvements.

Ownership and Lawful occupation of parcels of land acquired as per two years' prescription

3.5.6 Section 9 (3)(b) of the Lands Acquisition Act Cap 295 read together with section 3(a) of the schedule of the Lands Acquisition Act Cap 295 (Repealed by Land Act. No. 6 of 2012) required that if the market value of land has been increased, or is currently increased by reason of an improvement made by the owner or his predecessor in title within two years before the date of publication in the Gazette of the notice of intention to acquire the land, unless it is proved that the improvement was made bona fide and not in contemplation of proceedings for the acquisition of the land, the increase shall be disregarded.

3.5.7 The special audit observed that ownership and lawful occupation in regard to the two years' prescription was not done. However, the management of NLC explained that

since the Lands Acquisition Act Cap 295 was repealed, there was no legal basis to apply its provisions in processing land transactions

Establishment of parcel numbers, precise acreage/sizes and independent confirmation of the accurate value of land and development

3.5.8 On 28 August, 2014, Mr. Evans Ngibuni, the then Acting Managing Director of National Water Conservation and Pipeline (NWCPC) vide his letter ref: NWCPC/P&D/FIL/09 Vol. IV/ (18) wrote to the Chairman of NLC requesting for assistance to value the land identified for way leaves for pipelines and water tanks for the Muruny Siyoi Water Project.

3.5.9 On 7 November, 2014, the then MD of NWCPC vide his letter Ref: NWCPC/P&D/09/FIL IV/ [25] wrote to the NLC requesting for acquisition of 118 parcels of land measuring 49.32 acres for construction of way leaves and tank sites for the Siyoi Muruny Dam project. On 2 April, 2015, the NLC on behalf of NWCPC advertised in the Daily Nation and Standard Newspapers the intention to acquire parcel of land measuring 48.92 acres for wayleaves for the Muruny 'Siyoi' Water Project. Two addendums were issued on 17 April, 2015 and 3 February, 2017 for the intention to acquire additional 2.69 acres and 0.1395 Ha respectively.

3.5.10 Section 112 (1) of the Lands Act, 2012 requires that at least thirty days after publishing the notice of intention to acquire land, the NLC shall appoint a date for an inquiry to hear issues of propriety and claims for compensation by persons interested in the land.

3.5.11 The public was invited to attend inquiry sessions between 14 August, 2015 and 24 June, 2016. Section 113 (1) of the Lands Act ,2012 provides that upon the conclusion of the inquiry, the NLC shall prepare a written award, in which it shall make a separate award of compensation for every person whom the Commission has determined to have an interest in the land. Section 113 (2) further provides that the award shall be conclusive evidence of: the size of the land to be acquired; the value, in the opinion of the Commission, of the land and the amount of compensation payable.

3.5.12 **NLC valued and awarded compensations for land amounting to Kshs.94,324,025. Out of which Kshs.71,630,143 had been paid. However, the valuation compensation schedule and award report availed for special audit review did not**

indicate the period when the exercise was carried out and the officers who were involved. Under the circumstance, the special audit could not provide assurance that public funds incurred were incurred in a manner that was lawful and effective.

Whether acquisition of the parcels was necessary and for a public purpose

3.5.13 The acquisition of land was triggered by a request dated 7 November, 2014, by the then MD of NWCPC vide his letter Ref: NWCPC/P&D/09/FIL IV/ [25] requesting for acquisition of land for construction of way leaves and tank sites for the Siyoi Muruny Dam project. In this regard, the acquisition of land was necessary and for public purpose.

3.5.14 The Final survey had not been done at the time of audit. The NWCPC explained that the exercise will be undertaken once all the Project Affected Persons (PAPs) whose parcels of land were acquired have been compensated.

Whether NLC confirmed that the parcels were lawfully acquired and were not public land

3.5.15 **There was no evidence that NLC carried out official search at the Lands registry prior to recommending compensations for compulsory acquisition of the land acquired. Under the circumstance, the special audit could not give assurance that NLC confirmed that the parcels were lawfully acquired and were not public land.**

Whether compensation paid was fair, equitable and comparable without undue influence

3.5.16 **The special audit considered compensations to be fair and equitable only if they were based on an objective and reliable valuation report. Though NLC valued and awarded compensations for land amounting to Kshs.94,324,025, the valuation compensation schedule availed for special audit review did not indicate the period when the exercise was carried out and the officers who were involved. Under the circumstance, the special audit could not provide assurance that compensations paid were fair and equitable.**

3.6 Lamu Port South Sudan Ethopia Transport (LAPSSET)

Compulsory acquisition of land for construction of Lamu port

3.6.1 The LAPSSET corridor project is being undertaken jointly by the LAPSSET Corridor Development Authority and eleven (11) government agencies namely; The National Treasury, Ministry of Energy and Petroleum, Ministry of Transport, Infrastructure, Housing and Urban Development, Ministry of Lands, Ministry of Water, Environment and Natural Resources, Ministry of Devolution and Planning, Ministry of Interior and Coordination of National Government, Ministry of East Africa Trade and Tourism, Ministry of Industrialization and Enterprises Development, Ministry of Agriculture, Livestock, Fisheries and Blue Economy and Ministry of Defense.

3.6.2 This project has seven (7) components namely; Lamu Port with 32 Deep sea berths at Manda Bay; Standard Gauge Railway lines from Lamu to Isiolo to South Sudan and Uganda, Isiolo to Ethopia; Highway from Lamu to Isiolo, Isiolo to Nadapa/ Nakodok (South Sudan), Lokichar/Hoima (Uganda), and Isiolo to Moyale - Addis Ababa (Ethopia); Crude Oil Pipeline from Lamu to Isiolo- Nadapa/Nakodok (South Sudan), Lokichar/ Hoima (Uganda) and Product Oil Pipeline from Lamu to Isiolo- Moyale- Addis Ababa (Ethopia); International Airports at Lamu, Isiolo, and Lake Turkana; Resort Cities at Lamu, Isiolo, and Lake Turkana and Merchant Oil Refinery at Lamu.

3.6.3 During the period under review, component one involving construction of the first three berths of Lamu Port and access road was initiated.

3.6.4 NLC received a total of Kshs.2,578,362,602 in regard to compulsory acquisition of land for the project. As at 30 June, 2017, NLC had paid a total of Kshs.2,124,794,128 to two hundred and forty four (245) Project Affected Persons (PAPs). However, the schedule supporting payments made was unreliable as it did not indicate area acquired and is some cases missed details of plot numbers acquired.

Ownership and Lawful occupation of parcels of land acquired as per two years' prescription

3.6.5 Section 9 (3)(b) of the Lands Acquisition Act Cap 295 read together with section 3(a) of the schedule of the Lands Acquisition Act Cap 295 (Repealed by Land Act. No. 6 of 2012) required that if the market value of land has been increased, or is currently

increased by reason of an improvement made by the owner or his predecessor in title within two years before the date of publication in the Gazette of the notice of intention to acquire the land, unless it is proved that the improvement was made bona fide and not in contemplation of proceedings for the acquisition of the land, the increase shall be disregarded.

3.6.6 The special audit observed that ownership and lawful occupation in regard to the two years' prescription was not done. However, the management of NLC explained that since the Lands Acquisition Act Cap 295 was repealed, there was no legal basis to apply its provisions in processing land transactions.

Establishment of parcel numbers, precise acreage/sizes and independent confirmation of the accurate value of land and development

3.6.7 **There was no evidence of a notice of intention to acquire parcels of land contrary to Section 6 (2) of the Land Acquisition Act, Cap 295 that required the Commissioner of Lands to cause a notice that the Government intends to acquire the land to be published in the Gazette. The NLC noted that the land acquisition process was initiated by the Ministry of Lands in 2011, who also identified and validated the identified parcels of land, before NLC came into existence.**

3.6.8 According to a letter Ref: MOT & I/ C/ RAIL/ 007/1/VOL I (52) dated 9 December, 2014 from the then Principal Secretary of the Ministry of Transport, Eng. M.S. M Kamau, CBS to the then Cabinet Secretary Ministry of Lands, Hon. Charity Ngilu and copied to the Chairman of NLC, it was agreed that NLC will formalize the compensation process by issuing a 14 days' notice.

3.6.9 Section 107 (8) of the Lands Act 2012 provides that all land to be compulsorily acquired shall be geo- referenced and authenticated by the office or authority responsible for survey at both the national and county government. Though NLC explained that surveying and demarcation of land for construction of port was carried out by the Ministry of Lands. There was however no evidence availed in support of this assertion.

3.6.10 Section 112 (1) of the Lands Act, 2012 requires that at least thirty days after publishing the notice of intention to acquire land, the NLC shall appoint a date for an inquiry to hear issues of propriety and claims for compensation by persons interested in the land.

3.6.11 On 10 December, 2014, NLC placed an advert in the local newspapers inviting members of the public interested in the affected parcels of land to attend inquiry session on 15 December, 2014.

3.6.12 Section 113 (1) of the Lands Act, 2012 provides that upon the conclusion of the inquiry, the NLC shall prepare a written award, in which it shall make a separate award of compensation for every person whom the Commission has determined to have an interest in the land. Section 113 (2) further provides that the award shall be conclusive evidence of: the size of the land to be acquired; the value, in the opinion of the Commission, of the land and the amount of compensation payable.

3.6.13 **Consequently, valuations and award letters for compulsory acquisition of land totaling Kshs.2,124,794,128 were made and issued to intended beneficiaries. NLC relied on schedules of PAPs prepared by the Ministry of Lands to issue awards. However, valuation reports were not availed and it was not possible to establish when valuations were done and respective officers who were involved. Under the circumstances the special audit could not give assurance that the valuations were done in a lawful and effective manner.**

Whether acquisition of the parcels was necessary and for a public purpose

3.6.14 The land was acquired for construction of a new port at Lamu as part of LAPPSET Transport Corridor which is a mega project aimed at providing an alternative transport corridor and offering a platform for opening the vast interior of northern parts of Kenya and links Kenya, Ethiopia and South Sudan.

Whether NLC confirmed that the parcels were lawfully acquired and were not public land

3.6.15 In order to establish that the parcels of land to be acquired were not public land, NLC was expected to conduct an official search at the Lands Registry to get satisfaction on the true ownership of the land.

3.6.16 **It was noted that the NLC awarded entities for land amounting to Kshs.2,124,794,128 without evidence of confirmation of ownership and lawful occupation contrary to section 119 of the Land Act, 2012 which requires that payment of compensation shall be made only upon the exercise of due diligence**

which shall include final survey and determination of acreage, boundaries, ownership and value.

Whether compensation paid was fair, equitable, transparent and accountable

3.6.17 The special audit considered compensations to be fair and equitable only if they were based on an objective and reliable valuation report. NLC issued awards for compulsory acquisition of land totaling Kshs.2,124,794,128. However, valuation reports were not availed and therefore the special audit could not give assurance that the awards were done in a fair and equitable manner.

3.7 Tanathi Water Services Board

Compulsory acquisition of land for construction of Thwake dam

3.7.1 Pursuant to section 107(2) of the land Act 2012, the then Cabinet Secretary (CS), Ministry of Water and Irrigation Hon. Eugene Wamalwa, vide a letter Ref. No. MWI/IDD.1/46/123 dated 14 December, 2015 wrote to the Chairman of the NLC requesting them to acquire land for construction of Thwake dam.

3.7.2 The NLC Management indicated that identification of the land was triggered by a cadastral plan submitted by Tanaathi Water Service Board that had identified relevant parcels of land that were to be affected by construction of the Dam.

3.7.3 The land acquisition and compensation committee meeting held on 29 February, 2016 deliberated and approved acquisition of land to undertake construction works for the dam.

3.7.4 NLC received a total of Kshs.1,551,000,000 from State Department for Irrigation through its National Bank A/c. No. 01001032980000 in regard to the a land acquisition for Construction of Thwake Dam. An additional Kshs.1,399,748,901 was received during the financial year 2017-2018.

3.7.5 As at 30 June, 2017 NLC had paid a total of Kshs.1,441,471,736 to nine hundred and fifty (950) PAPs as detailed in **Appendix XV .**

Ownership and Lawful occupation of parcels of land acquired as per two years' prescription

3.7.6 Section 9 (3)(b) of the Lands Acquisition Act Cap 295 read together with section 3(a) of the schedule of the Lands Acquisition Act Cap 295 (Repealed by Land Act. No. 6 of 2012) required that if the market value of land has been increased, or is currently increased by reason of an improvement made by the owner or his predecessor in title within two years before the date of publication in the Gazette of the notice of intention to acquire the land, unless it is proved that the improvement was made bona fide and not in contemplation of proceedings for the acquisition of the land, the increase shall be disregarded.

3.7.7 The special audit observed that ownership and lawful occupation in regard to the two years' prescription was not done. However, the management of NLC explained that since the Lands Acquisition Act Cap 295 was repealed, there was no legal basis to apply its provisions in processing land transactions.

3.7.8 The project is being implemented in phases. During the financial year 2015/2016, Tanathi Water Services Board approved budget for compulsory land compensation was Kshs.3,000,000,000.

3.7.9 **It was noted that the NLC valued and awarded entities for land and improvements totaling Kshs.3,579,298,884 as detailed in Appendix XVI without evidence of confirmation of ownership and lawful occupation contrary to section 119 of the Land Act, 2012 which requires that payment of compensation shall be made only upon the exercise of due diligence which shall include final survey and determination of acreage, boundaries, ownership and value. These awards exceeded the approved budget of Kshs.3,000,000,000 by Kshs.579,298,884.**

Establishment of parcel numbers, precise acreage/ sizes and independent confirmation of the accurate value of land and development

3.7.10 Section 112 (1) of the Lands Act, 2012 requires that at least thirty days after publishing the notice of intention to acquire land, the NLC shall appoint a date for an inquiry to hear issues of propriety and claims for compensation by persons interested in the land.

3.7.11 Notice of intention to acquire land was placed in Kenya Gazette Notice No. 1172 dated 26 February, 2016 for acquisition of 508 parcels of land measuring 8,306.10 acres.

3.7.12 Section 113 (1) of the Lands Act ,2012 provides that upon the conclusion of the inquiry, the NLC shall prepare a written award, in which it shall make a separate award of compensation for every person whom the Commission has determined to have an interest in the land. Section 113 (2) further provides that the award shall be conclusive evidence of: the size of the land to be acquired; the value, in the opinion of the Commission, of the land and the amount of compensation payable.

3.7.13 **Public inquiry sessions and valuations were carried out between 26 April 2016 and 27 May, 2016. Subsequently, NLC valued and awarded land and improvements totaling Kshs.3,579,298,884. The valuation compensation schedules availed did not indicate the respective officers who carried out the valuation exercise and were therefore unreliable. Out of this only, Kshs.1,441,471,736 had been paid while the balance of Kshs.2,137,827,148 had not been remitted to NLC by the State Department for Irrigation for onward payment to the PAPs.**

Whether acquisition of the parcels was necessary and for a public purpose

3.7.14 Pursuant to section 107(2) of the land Act 2012, the then Cabinet Secretary (CS), Ministry of Water and Irrigation Hon. Eugene Wamalwa, vide a letter Ref. No. MWI/IDD.1/46/123 dated 14 December, 2015 wrote to the Chairman of the NLC requesting them to acquire land for construction of Thwake dam.

3.7.15 The land acquisition and compensation committee meeting held on 29 February, 2016 deliberated and approved acquisition of land to undertake construction works for the dam. In this regard, acquisition of the land was necessary and for a public purpose.

Whether NLC confirmed that the parcels were lawfully acquired and were not public land as defined by law

3.7.16 In order to establish that the parcels of land to be acquired were not public land, NLC is expected to conduct an official search at the Lands Registry in order to get satisfied on the true ownership of the land. Section 107 (8) of the Lands Act, 2012 further provides that all land to be compulsorily acquired shall be geo- referenced and authenticated by the office or authority responsible for survey at both the national and county government.

3.7.17 There was no evidence that NLC had conducted an official search at the Lands registry prior to recommending compensations for compulsory acquisition of all parcels of land acquired amounting to Kshs.1,441,471,736. Under the circumstance, the special audit could not provide assurance that NCL confirmed that land acquired amounting to Kshs.1,441,471,736 were lawfully acquired and were not public land as defined by law.

Ascertained authenticity of expenditure incurred on claims for compensation

3.7.18 Section 107 (5) of the land Act, 2012 requires that all land being compulsorily acquired must be gazetted and all interested persons and the registrar served with a copy of the gazette notice.

3.7.19 Contrary to this, NLC valued and awarded 48 Project Affected Persons (PAPs) a total of 640.8 acres at Kshs.119,689,588 although these parcels of land were not among those that were gazetted in the notice of intention to acquire No. 1172 of 26 February, 2016 as detailed in Appendix XVII

Whether compensation paid was fair, equitable, transparent and accountable without favouritism

3.7.20 The special audit considered compensations to be fair and equitable only if they were based on an objective and reliable valuation report. NLC valued and awarded land and improvements totaling Kshs.3,579,298,884.

3.7.21 The valuation compensation schedules availed did not indicate the respective officers who carried out the valuation exercise and were therefore unreliable. However, the NLC management explained that the valuation was based on rates approved by the Land Registrar and developments /improvements were based on rates approved by Board of Registration of Architects and Quantity Surveyors (BORAQ).

Report on Thwake Dam Site Inspection.

3.7.22 The special audit conducted an inspection of 414 Project Affected Persons (PAPs) cutting across Kalawa/Kathulumbi, Mavindini/Mavindi, Syomunyu and

Kanyongonyo/Nzambia areas. The inspection was carried out between the 1 October, 2018 and 20 October, 2018.

3.7.23 **It was noted that, no beacons were placed to mark the dam's boundary at the time of the land survey. This creates a potential boundary conflict between the land owner and the Dam contractors especially in cases where the parcels of land were partially acquired.**

3.7.24 **It was also noted that 33 Project Affected Persons (PAPs) detailed in Appendix XVIII whose land had been fully compensated at a total of Kshs.53,436,914 had not vacated the said parcels of land despite the fact that they had been served with eviction notice. Since the compensation process was not yet complete as at the time of audit, transfer of ownership of the land to the government had not been done.**

3.8 Standard Gauge Railway (SGR) line

3.8.1 On 19 August, 2013, the then Acting. Managing Director of Kenya Railways vide a letter Ref. GMB/LS/OP.1/SGR wrote to NLC requesting for commencement of the compulsory land acquisition for construction of the SGR line from Mombasa to Nairobi. The NLC land acquisition committee deliberated on 9 October, 2013 and approved the compulsory acquisition of land for the SGR line project.

3.8.2 The total approved development budget allocation for land compensation in regard to the SGR for the three financial years under review was Kshs.29,000,000,000 as follows.

Table10: Approved Land compensation budget

Financial year	Amount in Kshs.
2014/2015	10,000,000,000
2015/2016	10,000,000,000
2016/2017	9,000,000,000
Total	**29,000,000,000**

3.8.3 During the period under review, the State Department of Transport and Infrastructure released a total of Kshs.17,794,794,159 towards compensation of land for acquisition of SGR. Compensations in regard to SGR project for financial years 2014/2015 and 2015/2016 were done by Kenya Railways Corporation (KRC) upon recommendation of NLC. This was attributed to Human Resource Capacity challenges at NLC.

3.8.4 In this regard, an amount of Kshs.12,050,028,007 was disbursed to KRC while Kshs.5,744,766,152 was disbursed to NLC . This special audit however focused on amounts of Kshs.5,744,766,152 disbursed to NLC.

3.8.5 During the three financial years 2014/2015, 2015/2016 and 2016/2017, both NLC and KRC paid a total of Kshs.16,580,833,000 to the projects affected persons being Kshs.12,050,028,007 by KRC and Kshs.4,530,804,993 by NLC respectively.

Ownership and Lawful occupation of parcels of land acquired

3.8.6 Section 9 (3)(b) of the Lands Acquisition Act Cap 295 read together with section 3(a) of the schedule of the Lands Acquisition Act Cap 295 (Repealed by Land Act. No. 6 of 2012) required that if the market value of land has been increased, or is currently increased by reason of an improvement made by the owner or his predecessor in title within two years before the date of publication in the Gazette of the notice of intention to acquire the land, unless it is proved that the improvement was made bona fide and not in contemplation of proceedings for the acquisition of the land, the increase shall be disregarded.

3.8.7 The special audit noted that NLC did not confirm ownership and lawful occupation in regard to the two years' prescription. However, the management of NLC explained that since the Lands Acquisition Act Cap 295 was repealed, there was no legal basis to apply its provisions in processing land transactions.

3.8.8 Section 107 (8) of the Lands Act, 2012, further provides that all land to be compulsorily acquired shall be geo- referenced and authenticated by the office or authority responsible for survey at both the national and county government.

3.8.9 During the three financial years under consideration, KRC on behalf of SGR, acquired parcels of land and developments located in Makueni, Nairobi, Mombasa, Kwale and Kilifi counties respectively.

3.8.10 The parcels of land were authenticated by the respective County Governments. Further, in designing and mapping of the SGR project route, the KRC used cadastral maps obtained from the Department of Survey.

3.8.11 NLC issued various gazette notices between 7 February, 2014 and 10 February, 2017 being intention to acquire land and developments, addendums, corrigenda and deletion of earlier published notices.

3.8.12 As at the time of the special audit the KRC was still in the process of establishing the actual sizes and location of land acquired for SGR project. In this regard, KRC had

engaged private surveyors to establish the actual sizes and location of all land acquired for the SGR project.

Establishment of parcel numbers, precise acreage/sizes and independent confirmation of the accurate value of land and development

3.8.13 Section 112 (1) of the Lands Act, 2012 requires that at least thirty days after publishing the notice of intention to acquire land, the NLC shall appoint a date for an inquiry to hear issues of propriety and claims for compensation by persons interested in the land.

3.8.14 In this regard, Kenya Gazette Notice No's. 5503, 6205,1180, 952 and 6578 were issued inviting members of the public to attend public hearing of claims to compensation for interested parties in land required for SGR line. The NLC management explained that the actual parcel numbers and precise acreage/sizes of land to be acquired were determined by the acquiring entity (KRC).

3.8.15 The public hearing sessions were held between 26 August, 2014 and 13 October, 2016 and they involved confirmation of land ownership documents and ascertaining the amount payable to each of the Project Affected Persons (PAPs).

3.8.16 NLC explained that in arriving at the amounts payable for the land acquired, they used the prevailing prices of land that were obtained at the land registries within the various counties and for developments, they were guided by the approved prices from Institute of Quantity Surveyors of Kenya. However, no evidence was availed in support of this assertion.

3.8.17 Section 113 (1) of the Lands Act ,2012 provides that upon the conclusion of the inquiry, the NLC shall prepare a written award, in which it shall make a separate award of compensation for every person whom the Commission has determined to have an interest in the land. Section 113 (2) further provides that the award shall be conclusive evidence of: the size of the land to be acquired; the value, in the opinion of the Commission, of the land and the amount of compensation payable.

3.8.18 Consequently, NLC carried out valuation and issued awards totaling Kshs.28,930,335,654 towards compensation of land for SGR project as follows

Table11: Land Compensation Awards for SGR

No.	Phase	Gross Amount in Kshs	Resigned Amount (not payable) in Kshs	Net Amount payable in Kshs

No.	Phase	Gross Amount in Kshs	Resigned Amount (not payable) in Kshs	Net Amount payable in Kshs
1	1	2,101,363,587	368,559,696	1,732,803,891
2	2	2,849,158,568	42,429,731	2,806,728,837
3	3	2,852,158,365	-	2,852,158,365
4	3 (Part Two)	343,960,005	-	343,960,005
5	Mavumbo area	437,794,900	-	437,794,900
6	4	644,705,335	-	644,705,335
7	5	8,561,581,933	-	8,561,581,933
8	5 (Supplementary)	179,562,965	-	179,562,965
9	6	447,617,253	-	447,617,253
10	7	55,911,820	-	55,911,820
11	8 Harmonized	1,776,262,733	1,369,383,270	406,879,463
12	9	8,202,058,424	-	8,202,058,424
13	10	633,014,734	-	633,014,734
14	11	680,549,374	-	680,549,374
15	12	945,008,354	-	945,008,354
	Total	**30,710,708,350**	**1,780,372,697**	**28,930,335,654**

3.8.19 However the special audit was limited to valuation, awards and payments made by NLC totaling Kshs.4,530,804,993.

Whether acquisition of the parcels was necessary and for a public purpose as required by law

3.8.20 The SGR line project is one of the Government's flagship project under the Kenya Vision 2030 development agenda. The SGR line will connect Mombasa to Malaba on the border with Uganda.

3.8.21 However physical verification exercise conducted at Emali and Sultan Hamud in Makueni county revealed that KRC initially acquired land of 12.98Ha for construction of a station at Sultan Hamud, but later redesigned the SGR route resulting in relocation of the station from Sultan Hamud to Emali. There was no explanation given for redesigning the SGR route.

3.8.22 **As a result, land and development valued at Kshs.749,537,980 detailed in Appendix XIX acquired at Sultan Hamud for construction of the station remain unutilized despite government funds having been incurred in its acquisition. Under the circumstances, there was a risk that the Government may not realize Value for Money from this expenditure. It was however explained that the acquired land will form part of land banking that may be used in future.**

Whether NLC confirmed that the parcels were lawfully acquired and were not public land as defined by law

3.8.23 In order to establish that the parcels of land to be acquired were not public land, NLC is expected to conduct an official search at the Lands Registry in order to get satisfied on the true ownership of the land.

3.8.24 **There was no documentary evidence availed that an independent search was carried out prior to recommending compensations for compulsory acquisition of the parcels of land acquired for construction of SGR line.**

Ascertain authenticity of expenditure incurred on claims for compensation

3.8.25 The special audit examined payment schedules, vouchers, bank statements and minutes of the Committee of the Commission on Review of Grants and Dispositions of public land and cadastral maps.

3.8.26 On 15 December, 2016, NLC vide cheque No.435, paid a total of Kshs.221,375,000 out of its NBK Account No. 01001032980000 for four (4) properties that were said to be situated along the Embakasi Station Railway Reserve as detailed below:

Table12: Land Compensation for SGR Embakasi Station Railway Reserve

S.No.	DESCRIPTION	ACREAGE (HA)	OWNER	PAYEE	AMOUNT KSHS.

S.No.	DESCRIPTION	ACREAGE (HA)	OWNER	PAYEE	AMOUNT KSHS.
1	LR N0.9088	0.904	Dasahe Investment Ltd	Keboiwo Investment ltd	89,930,000
2	LR N0.9087	0.44	Dasahe Investment Ltd	Keboiwo Investment ltd	43,815,000
3	LR N0.9086	0.44	Olomotit Estate Ltd	Keboiwo Investment ltd	43,815,000
4	LR N0.9085	0.44	Dasahe Investment ltd	Keboiwo Investment ltd	43,815,000
			Total		**221,375,000**

3.8.27 The special audit established that the titles for the above land had been revoked by the NLC Committee on Review of Grants and dispositions at its meeting held on 7 October, 2015. This implies that the aforementioned land was to be considered public land. The committee comprised of the following members: Dr. Muhammad Swazuri- Chairman, M/s. Abigael Mbagaya Mukolwe- Vice Chair and Commissioners; Emma Njogu, Dr. Rose Musyoka, Clement Lenachuru.

3.8.28 On 11 October, 2016, the Chairman of NLC, vide his letter ref: NLC/CHAIRMAN/VOL.XVIII/145 wrote to Mr. A.K. Maina, MD of KRC informing him that following an appeal for verification of plots within the SGR corridor Land Ref. Numbers 9085,9086,9087 and 9088, the Commission reconsidered its decision and found that the titles to the properties be upheld.

3.8.29 **There was no evidence that the decision to uphold titles for the four plots was deliberated and approved by the Committee of the Commission on Review of Grants and Dispositions that had earlier revoked them.**

3.8.30 **Further, no documentary evidence was availed to confirm ownership of these plots. Letters of award for the above mentioned properties were issued on 25 October, 2016 by the Director of Valuation and Taxation, Dr. Salome Munubi.**

3.8.31 **Under the circumstances, the special audit could not give assurance that public funds amounting to Kshs.221,375,000 incurred for compensation along the Embakasi Station Railway reserve were used in a lawful and effective manner.**

Field inspection

3.8.32 The special audit conducted inspections for land and developments acquired in Emali and Sultan Hamud trading centres located in Makueni County and Kajiado counties and Dafur Dupoto settlement scheme in Embakasi Nairobi.

3.8.33 The parcels of land acquired had not been surveyed and registered. Therefore, verification exercise involved visiting the parcels of land affected by the SGR line project, interviewing local village elders, chiefs and the affected Project Affected Persons (PAPs) to confirm ownership and existence of land, the individual amounts awarded and subsequently paid by both the NLC and KRC.

3.8.34 As at the time of audit, most of the acquired developments had been demolished and this made it difficult to establish their status with an objective of reviewing the reasonableness of the compensation paid.

3.8.35 At Emali, we interviewed one hundred and seventy-five (175) Project Affected Persons (PAPs) who confirmed award and receipt of compensation funds totaling Kshs.142,641,342 .

3.8.36 The special audit established that in the initial SGR line design, a train station was to be built in Sultan Hamud, but this was later relocated to Emali where KRC acquired land measuring 5.553 Ha. At Sultan Hamud, a total of 12.98 Ha (being 9.576 Ha on the Kajiado side and 3.404 Ha on the Makueni side had been acquired) valued at Kshs.749,537,980.

3.8.37 As at the time of audit, the land acquired on the Kajiado side had been fenced by the contractor but remained unutilized. On the Makueni side, NLC paid the following seven (7) PAPs a total of Kshs.21,792,500 for parcels of land which remained unutilized and of which the contractor had not secured by fencing.

Table13: Land Compensated in Makueni but remain unutilized

No.	Plot owner	Plot No.	Amount paid in Kshs.
1	Christopher Kathae Wambua	UNS. B.C.R. Plot No. A	3,956,000
2	Rachael Mumbua Katulenge	UNS. B.C.R. Plot No. C	1,311,000
3	Daniel Mutua Musili	UNS. B.C.R. Plot No. D	1,495,000
4	John Nzioka Mativo	UNS. B.C.R. Plot No. E	1,575,500
5	Phillip Musyoka Kilonzo	UNS. B.C.R. Plot No. F	

No.	Plot owner	Plot No.	Amount paid in Kshs.
			1,725,000
6	ACK Emmanuel Church Sultan Hamud	Unsurvey Church Plot S/Hamud Township	11,730,000
	Total		**21,792,500**

3.8.38 Further, parcel Numbers UNS. B.C.R plot No. A and UNS. B.C.R plot No. C. amounting to Kshs.5,267,000 had been encroached by private developers who have constructed permanent and mabati residential units which were occupied by tenants at the time of audit.

3.8.39 Another plot Number BCR 'B' had a property partially demolished leaving a one storey building with 23 residential units, which KRC had leased to a Mr. Robert Tarus at a monthly rent of Kshs.60,000.

3.9 Payments for disputes relating to projects initiated before FY 2013/2014.

3.9.1 The special audit also established that other than the aforementioned projects, NLC made payments for acquisition of land and improvements and resolved land compensation disputes relating to projects that were initiated before the financial year 2013/2014.

3.9.2 Though this projects were initiated outside the scope of coverage of the special audit, they were completed within the period under review. In this regard, the special audit established that an amount of Kshs.2,327,884,151 were made by NLC on behalf of other Government entities towards land compensation as detailed in **Appendix XX.**

3.9.3 Nothing came to our attention that these payments were done in a manner that was consistent with the Constitution, the Land Act, 2012 and the Public Finance Management Act,2012.

3.10 Justification for failure to respond to audit queries

3.10.1 The special audit established that during the financial years 2014/2015 and 2015/2016 the following audit quarries amounting to Kshs.3,403,815,462 raised by financial auditors from the Office of the Auditor-General were not adequately responded to by NLC Management and therefore formed the basis for qualified opinion in the financial statements:

Table14 : NLC response to audit queries

Financial year	Audit quarries	Amount (Kshs)	Remarks
2014/2015	The statement of receipts ad payments reflected expenditures of Kshs.535,275,993 on use of Goods and Services against a budget of Kshs.181,067,164. The NLC Management did not avail authority from the National Treasury for the over expenditure in line with section 61 B (1) of the Public Finance Management Act Regulations of 11 October 2013 which provides that " Except as provided for in the Act and these regulations , an Accounting Officer of an entity may not authorize payment to be made out of funds earmarked for specific activities for purposes other than these activities	535,275,993	There was no evidence that NLC availed approval of the National Treasury for audit verification. NLC explained that this was as a result of the government's austerity measures that led to budget cut on select items under the vote head: Use of goods and services although the commission had already incurred expenditure and that NLC is in talks with Treasury to regularize this.
2015/2016	Note 7 of the NLC financial statements reflects payments on behalf of other Government entities totaling to Kshs.2,868,539,469. The amounts includes Kshs.2,079,764,002 being compensation payments whose details of acreage and plot numbers were not availed for audit verification. In addition, NLC did not avail for audit verification valuation reports for compensation paid out during the financial year.	2,868,539,469	NLC availed a schedule that didn't disclose acreage, plot numbers acquired and were not supported by valuation reports
	Total amount	3,403,815,462	

3.10.2 Section 66 (1) of the PFMA ,2012 requires Accounting Officers of public entities to promote and enforce transparency, effective management and accountability with regard to the use of public finances. This involves respond to quarries raised in regard to management of public funds. There was therefore no lawful excuse or justification for failure by NLC to respond to the aforementioned audit quarries.

3.10.3 In the financial year 2016/2017, the financial auditors established that NLC financial statements presented fairly, in all material respects, the financial position as at 30 June, 2017, and of its financial performance and its cash flows for the year, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with National Land Commission Act,2012 of the Laws of Kenya. In this regard, the financial statements were unqualified.
