CHAIRPERSON'S FOREWORD

This report contains the Committee's proceedings on the consideration of the Public Petition regarding incessant incidences of insecurity in Bumula Constituency. The Petition dated 5th March, 2020 by Hon. Mwambu Mabongah, MP on behalf of the residents of Bumula Constituency in Bungoma County was presented to the National Assembly on 5th March, 2020 and subsequently committed to the Departmental Committee on Administration and National Security for consideration and report to the House pursuant to the provisions of Standing Order 227(1).

The Committee was required to respond to the Petitioner by way of a report addressed to the petitioner or petitioners and laid on the Table of the National Assembly not more than sixty (60) calendar days from the time of reading the prayer.

While considering the Petition, Hon. Mwambu Mabonga and the Inspector-General of Police appeared before the Committee and made submissions. The Committee on 19th March, 2020 travelled to Bungoma for public hearing in Bumula but could not undertake the hearing on 20th March, 2020 after the Government announced protocols on the prevention of spread of the deadly corona virus disease, which among others prohibited public gatherings.

The Committee is grateful to the Offices of the Speaker and the Clerk of the National Assembly for the logistical and technical support accorded to it during the consideration of the Petition. Finally, I wish to express my appreciation to the Honourable Members of the Committee, the Committee secretariat and all the stakeholders who made submissions towards the preparation and production of this report.

On behalf of the Departmental Committee on Administration and National Security and pursuant to provisions of Standing Order 227(2), it is my pleasant privilege and honor to present to this House the report of the Committee on its consideration of the Public Petition No. 005 of 2020 regarding the incessant incidences of insecurity in Bumula Constituency.

HON. PAUL KOINANGE, M.P
CHAIRPERSON

EXECUTIVE SUMMARY

The Public Petition No. 005 of 2020 dated 5th March, 2020 regarding incessant incidences of insecurity in Bumula Constituency, Bungoma County was submitted to the National Assembly on Thursday, 5th March, 2020 by Hon. Mwambu Mabongah, MP on behalf of the residents of Bumula Constituency. The Petition was subsequently committed to the Departmental Committee on Administration and National Security for consideration and report to the House pursuant to the provisions of Standing Order 227(1).

The petitioners averred that there were alarming incessant cases of insecurity involving armed gangs who had been attacking homes, businesses and individuals thereby causing loss of lives, property, injury to victims and continued disruption of economic activities.

The petitioners averred that due to proximity of the constituency to the Kenya-Uganda border, they believed that some perpetrators of the heinous attacks sneaked in from the neighbouring country, wreaked havoc then retreated. Despite the numerous complaints filed by residents, no definitive security measures had been taken by the security agencies to secure lives and property of residents thereby raising suspicion as to the possibility of ineptness or conspiracy by police officers.

Those who made submissions before the Committee on the petition were Hon. Mwambu Mabonga on behalf of Butula constituents and the Inspector-General of Police. Their submissions were key in determination of the Committee's recommendations.

The Committee therefore recommends as follows-

- (i) The Inspector-General of Police should as a matter of urgency transfer police officers who have served and overstayed their posting at the Bumula Police Station;
- (ii) The Inspector-General of Police should take necessary action to ensure the Bumula Police Station is allocated adequate vehicles and fuel for patrol; and
- (iii) The Inspector-General of Police should ensure that night patrols are enhanced.

PART 1

2.0 INTRODUCTION

2.1 Constitutional and Statutory provisions regarding Petitions

5. Standing Order 227 provides for the committal of public petitions to the House whereby every Petition presented or reported to the House shall be committed to the relevant Departmental Committee for consideration and report to the House and petitioner within sixty (60) days. Further, the Petition to Parliament (Procedure) Act, 2012 provides for the procedure to be followed in the submission, processing and consideration of a Petition.
6. The Public Petition No. 005 of 2020 regarding insecurity in Bumula Constituency is dated 5th March 2020 and was presented to the National Assembly on Thursday, 5th March 2020 by Hon. Mwambu Mabongah on behalf of the residents of Bumula Constituency which is in Bungoma County. The Petition was subsequently committed to the Departmental Committee on Administration and National Security for consideration and report to the House and petitioners pursuant to the provisions of Standing Order 227(1);
7. Article 26 of the Constitution of Kenya guarantees every Kenyan the inalienable right to life by providing that a person shall not be deprived of life intentionally while Article 29 of the constitution safeguards every person's right to freedom and security, which includes the right not to be subjected to any form of violence from either public or private sources.
8. Article 238 of the constitution envisages National Security as the protection against internal and external threats to Kenya's territorial integrity and sovereignty, its people, their rights, freedoms, property, peace, stability and prosperity.
9. Article 239(2) of the Constitution places the primary responsibility and obligation for promoting and guaranteeing national security on national security organs, which are the Kenya Defence Forces, the National Intelligence Service and the National Police Service.

10. Articles 94 as read together with Article 95 of the Constitution further provides for the role and by extension the authority of Parliament in general and the National Assembly in particular. Generally, the Houses of Parliament exercise the legislative mandate of the people, deliberate on matters of national interest and oversight the exercise of power by other arms of government.
11. The right to Petition Parliament is provided for under Article 119 of the Constitution and states as follows:-

“Every person has a right to Petition Parliament to consider any matter within its authority, including enacting, amending or repealing any legislation. Parliament shall make provision for the procedure for the exercise of this right.”

12. The residents of Bumula Constituency had been experiencing incessant cases of insecurity involving armed gangs that had been attacking homes, businesses and individuals causing loss of lives, property and injury to victims and continued disruption of livelihoods.
13. Despite numerous incidences and complaints by residents on insecurity in the area, no definitive security measures had been taken by security agencies in the constituency to secure lives and property of residents. This culminated in a Petition to the House by Hon. Mwambu Mabonga.

PART 3

3.0 HEARING ON THE PETITION

3.1 HON. MWAMBU MABONGA

14. Hon. Mwambu Mabonga on behalf of the residents of Bumula Constituency appeared before the Committee on 12th March, 2020 and submitted as follows-

- (i) On 15th September, 2019, a second year University student, Amos Faluma was attacked and murdered in cold blood at Syoya Village in Kabula Ward and his motorbike stolen;
- (ii) On 19th September 2019, thugs armed with guns struck Napara market in Kimaeti Ward and injured a number of people, including Moses Kokonya, a woman by the name Evelyn and Martin Kwapwondi;
- (iii) On 21st November 2019, a form 2 student, Nipher Wafula of St. Antony Naburereya Secondary School in Kabula Ward was shot dead at Sibembe market by armed attackers;
- (iv) On 19th December 2019, armed thugs attacked Mareba Bar at Mateka Market in South Bukusu Ward, shot and killed one person identified as Mamboo;
- (v) In December 2019 and January 2020, several heads of cattle were stolen from Kibachenje, Tabuti, Mateka and Muanda among other villages in South Bukusu ward and the theft of livestock had been ongoing on almost on a daily basis throughout the constituency;

- (vi) On 10th January, 2020, a young man named Chrispinus Murakhi Wamalwa was attacked by a gang at a local pub at Miyanga Township in Kimaeti ward and later succumbed to injuries;
- (vii) On 15th January 2020, a young businessman named Philip Osiyako Mutichiro was fatally shot by thugs at night at Samichi village in Kabula ward and the following day on 16th January 2020, Yonah Simiyu was hacked to death at his home and his wife raped in front of their children in Bitobo village;
- (viii) Due to the proximity of the constituency to the Kenya-Uganda border there were claims that some perpetrators of the heinous attacks sneaked in from the neighbouring country, wreaked havoc then retreated to their home country;
- (ix) Despite the numerous incidences and many others not detailed, and despite the numerous complaints filed by residents, no definitive security measures had been taken by the security agencies in the constituency to secure lives and property of residents;
- (x) The issue of insecurity was getting out of hand noting that so far the constituency had lost 12 persons and several animals with the latest being on 11th March, 2020. The incidences happened under the watch of police officers. He highlighted various issues of concern in the constituency including;
 - a) Issues of the porous Uganda border;
 - b) The opening time of the Government slaughter at 4:00am;
 - c) Political instability in the region;
 - d) Police officers who have overstayed in the post beyond 3years requirement;
 - e) Lack of equipment by the police officers which inhibit quick response; and
 - f) Police officers doing business with local residence.

- (xi) The Police seem to be in business with criminals thus protecting them. Out of the several cases reported, none of them had been successfully investigated and suspects charged in court which was suspicious;
- (xii) His political competitors were also to blame for insecurity in the Sub-County as a result of their negative political utterances whenever criminal incidents occurred;
- (xiii) Community policing and Nyumba Kumi initiatives were ineffective in the county leading to increased crime rate. Whereas residents, knew the criminals terrorizing them, they could not report them to the police for fear of reprisals considering that some of the criminals were under police protection;
- (xiv) He affirmed that the matters raised in the petition were not pending before any court of law.

15. The Petition therefore asked the House through the Departmental Committee on Administration and National Security to inquire into all the matters raised in the Petition with a view to compelling the relevant state agencies to take necessary action towards restoration of security, protection of lives and property of residents and compensation of victims of the said attacks.

 - (ii) On 16th January, 2020 at Kabula Market Samich village Sub-Location one Philip Adoli Osiako aged 27 years an M-Pesa shop operator, while driving home was attacked by two (2) people on a motorcycle registration number unknown. He was shot several times within his compound and was rushed to hospital but pronounced dead on arrival. Police visited the scene and recovered nine spent cartridges. The case was still under investigations;

- (ii) The National Police Service was in the process of deploying a platoon of Anti-Stock Theft Unit to enhance security;
- (iii) The County Security Intelligence Committee held a peace and security meeting in Bumula Division and was planning to hold other such meetings with Kakamega and Busia Counties;
- (iv) Kabula, Myanga and Kimwanga had been upgraded to police stations and five (5) police posts upgraded.

18. Arising from the submissions by the petitioner and the meeting with the Inspector-General of Police, the Committee observed and or found as follows-

- (i) Indeed, incidents of insecurity in Bumula Sub County were incessant leading to deaths, loss of property and loss of economic livelihood income;
- (ii) Despite the numerous incidences and complaints filed by residents, no definitive security measures had been taken by the Ministry of Interior and Coordination of National Government and the Inspector General of Police to secure lives and properties of residents;
- (iii) Despite several cases being reported long time ago, the Police Service and the Directorate of Criminal Investigations had not yet concluded investigations and charged suspects in court;
- (iv) There were Police Officers who were serving and had overstayed their posting in Bumula Sub-County and had nothing new to offer in ensuring peace and security in the Constituency;

4.0 COMMITTEE OBSERVATIONS

- a) Due to the proximity of the Constituency to the Kenya-Uganda border some of the heinous attackers sneaked in from the neighboring country, wreaked havoc then retreated to their home country;

SPEAKER OF THE NATIONAL ASSEMBLY
P.O BOX 41842 – 00100
NAIROBI.

RE: PUBLIC PETITION ON BEHALF OF RESIDENTS OF BUMULA CONSTITUENCY REGARDING INSECURITY

I, the **UNDERSIGNED**, on behalf of the residents of Bumula Constituency,

DRAW the attention of the House to the following:-

1. **THAT**, Article 26 of the constitution guarantees Kenyans their inalienable right to life by establishing that a person shall not be deprived of life intentionally while Article 29 of the same constitution safeguards the freedom and security of Kenyans by establishing the right not to be subjected to any form of violence from either public or private sources;
2. **THAT**, Article 239 (2) of the constitution places the primary responsibility and obligation for promoting and guaranteeing national security on the national security organs which are the Kenya Defence Forces, the National Intelligence Service and the National Police Service;
3. **THAT** Bumula Constituency has been experiencing increased cases of insecurity involving armed gangs attacking homes, businesses and individuals causing loss of lives, property, and injury to victims.
4. **THAT** on 15th September 2019, a Second Year University student named Amos Faluma was murdered in cold blood and his motorbike stolen at Syoya village in Kabula ward.
5. **THAT** on 19th November 2019, thugs armed with guns struck Napara market in Kimaeti ward injuring a number of people including Moses Kokonya, Evelyn and Martin Khapwondi.
6. **THAT** on 21st November 2019, a form 2 student named Nipher Wafula of St. Antony Naburereya Secondary school in Kabula ward was shot dead at Sibembe market.
7. **THAT** on 19th December 2019, armed thugs attacked Mareba Bar at Mateka market in South Bukusu ward and short one person identified as Mambo.
8. **THAT** in the months of December 2019 up to January 2020, several cattle were stolen from Kibachenje, Tabuti, Mateka and Muanda among other villages in Bumula constituency.
9. **THAT** this theft of cattle is going on almost on a daily basis throughout the constituency.
10. **THAT** on 10th of January 2020, a young man named Christopher Mubaki Wamalwa was attacked by the said gang at a local pub at Mwinga Township in Kimaeti ward and succumbed to the injuries a few days later but no action has been taken to date by the police.

11. THAT on 15th January 2020, a young businessman named Philip Osiyako Mutichiro was fatally shot by thugs at night at Samichi village in Kabula ward.
12. THAT on 16th January 2020, Yonah Simiyu was, at his home, hacked to death and his wife raped in front of their young children in Bitobo village.
13. THAT Bumula constituency is close to the Uganda border and there are claims that some of the perpetrators sneak in from the neighboring country, wreak havoc and disappear.
14. THAT despite these numerous incidences and many others not detailed here, and despite the numerous complaints from the residents, they have not seen any definitive security measures taken by security agencies in the constituency to secure the lives and property of my people.
15. THAT I have raised this issue on the floor of this House, I have written to the Cabinet Secretary for Interior and Coordination of National Government, I have also written to the Inspector General of Police as well as to the Chairman of the Committee on Administration and National Security.
16. THAT I have not received any response from the aforesaid offices and to-date there has not been any arrests and there is no one who has been arraigned in court.
17. THAT there seems to be general negligence, laxity and probably collusion in the perpetration of these crimes and people are living in total fear.
18. THAT the victims and families of those who lost their loved ones are crying for justice.
19. THAT the matters raised in this Petition are not pending before any court of law in Kenya.
20. THAT the Petitioner therefore prays for:-
 - (a) Pursuant to Standing Order 216(5)(a), the relevant Committee of the House does inquire into all the matters raised in this Petition in particular why there is an increased rate of violent crime in Bumula Constituency, why there have not been arrests and arraignment to court and measures that the national security organs have taken to protect people's right to life and freedom and security contemplated under Articles 26 and 29 of the constitution
 - (b) Pursuant to Standing Order 216(5)(a), the relevant Committee of the House does make recommendations necessary for the promotion of security and compensation of the victims of violent crime in Bumula constituency.
