CHAIRPERSON'S FOREWORD

Section 24(2A) of the Public Finance Management Act, 2012 empowers the Commission to make Regulations establishing various categories of Funds for Parliament. In exercise of these powers, the Hon. Justin Muturi, EGH, MP, Speaker of the National Assembly and Chairperson of the Parliamentary Service Commission, made the Public Finance Management (Parliamentary Mortgage (Members) Scheme Fund) (Amendment) Regulations, 2020 (*L.N. No. 185 of 2020*).

The Regulations were published in the Kenya Gazette on 16th September, 2020; submitted to the Clerk of the National Assembly on 23rd September, 2020; tabled on 24th September, 2020 and subsequently referred to the Committee on Delegated Legislation for consideration pursuant to section 12 of the Statutory Instruments Act, 2013.

The Regulations seek to amend the principal Regulations, i.e. the Public Finance Management (Parliamentary Mortgage (Members) Scheme Fund) Regulations, 2013 (*L.N. No. 67 of 2013*), so as to allow Members of the Parliamentary Mortgage (Members) Scheme Fund who profess the Islamic faith to benefit from the facility without fear of infringing on their religious beliefs.

The Regulations further provide for monthly meetings of the Loans Management Committee so as to ensure that loan applications are considered and approved on time so that applicants meet their contractual obligations.

Having examined the Regulations against the Constitution of Kenya, the Interpretations and General Provisions Act (Cap 2), the Public Finance Management Act (No. 18 of 2012) and the Statutory Instruments Act (*No. 23 of 2013*), the Committee was satisfied that the Regulations were submitted to the National Assembly within the statutory timelines stipulated in section 11 of the Statutory Instruments Act.

The Committee was also satisfied with the extent of public participation undertaken as required by Articles 10 and 118 of the Constitution and sections 5, 5A and the Schedule to the Statutory Instruments Act, read together with Standing Order 210.

With the foregoing, therefore, the Committee approved the Regulations in accordance with Standing Order 210 (4) (a) and section 24(2A) the Public Finance Management Act (*No. 18 of 2012*) which requires the approval of the National Assembly.

In conclusion, I wish to most sincerely thank the Speaker and the Office of the Clerk of the National Assembly for the invaluable support accorded to the Committee in the discharge of its mandate.

On behalf of the Members of the Select Committee on Delegated Legislation and pursuant to Standing Order 210 (4) (b) and section 24(2A) the Public Finance Management Act (*No. 18 of 2012*), it is my pleasure and duty to present to the House, the Committee's **Report on the Consideration of the Public Finance Management (Parliamentary Mortgage (Members) Scheme Fund) (Amendment) Regulations, 2020 (*L.N. No. 185 of 2020*)**.

2.0 CONSIDERATION OF THE PUBLIC FINANCE MANAGEMENT (PARLIAMENTARY MORTGAGE (MEMBERS) SCHEME FUND) (AMENDMENT) REGULATIONS, 2020

2.1 Introduction

5. The Public Finance Management (Parliamentary Mortgage (Members) Scheme Fund (Amendment) Regulations, 2020 were made by the Hon. Justin Muturi, EGH, MP, Speaker of the National Assembly and Chairperson of the Parliamentary Service Commission, pursuant to section 24(2A) of the Public Finance Management Act, 2012 which empowers the Commission to make Regulations establishing various categories of Funds for Parliament.
6. The Regulations were published in the Kenya Gazette as L.N. No. 185 of 2020 on 16th September, 2020; submitted to the Clerk of the National Assembly on 23rd September, 2020 and tabled on 24th September, 2020.

2.2 Legislative Context

7. Section 24(2A) of the Public Finance Management Act, 2012 provides that the Parliamentary Service Commission may, with the approval of the National Assembly, establish a Fund for the purpose of Parliament or a House of Parliament.
8. The Parliamentary Mortgage (Members) Scheme Fund was previously established under the Government Financial Management (Parliamentary Mortgage Scheme Fund) Regulations, 2008 whose parent Act was the Government Financial Management Act (*now repealed*). The Parliamentary Service Commission re-established the Parliamentary Mortgage Scheme Fund for Members of Parliament under the Public Finance Management Act, 2012 vide the Public Finance Management (Parliamentary Mortgage (Members) Scheme Fund) Regulations, 2013 (*L.N. No. 67 of 2013*).
9. The Fund is established for purposes for availing loan facilities to the Scheme Members for the purchase, development, renovation or repair of residential property by members of the Scheme. Loan beneficiaries are required to repay the loans fully before the end of their term of parliament.

2.3 Purpose of the Regulations

10. The Regulations seek to amend the principal Regulations, i.e., Public Finance Management (Parliamentary Mortgage (Members) Scheme Fund) Regulations, 2013 so as to allow Members of the Scheme who profess the Islamic faith to benefit from the facility without fear of infringing their religious beliefs.
11. The Regulations further provide for monthly meetings of the Loans Management Committee so as to ensure that loan applications are considered and approved on time so that applicants meet their contractual obligations.

2.4 Overview of the amendment to the principal Regulations

12. Regulation 1 relates to citation.

13. Regulation 2 and 3 seek to amend Regulation 5(4) of the Public Finance Management (Parliamentary Mortgage) (Members) Scheme Fund) Regulations by deleting the word “interest” wherever it appears and substituting therefor the words “administrative costs”.
14. Regulation 4 seeks to amend Regulation 6 of the principal Regulations to introduce a requirement for the mortgage committee to sit more frequently, being at least once every month.
15. Regulation 5 and 6 seek to amend Regulations 14 and 18, respectively, to delete the words “interest” and “interests on loans” and substituting therefor the words “administrative costs”.

2.5 Committee Observations

16. Having examined the Public Finance Management (Parliamentary Mortgage (Members) Scheme Fund) (Amendment) Regulations, 2020 against the Constitution, the Interpretations and General Provisions Act (*Cap 2*), the Public Finance Management Act (*No. 18 of 2012*) and the Statutory Instruments Act (*No. 23 of 2013*), the Committee observed as follows –

2.5.1 Statutory Timelines

- 1) THAT, the Regulations were submitted to the Clerk of the National Assembly within the requisite statutory timelines under section 11(1) of the Statutory Instruments Act.

2.5.2 Consultation /Public Participation

- 2) THAT, Articles 10 and 118 of the Constitution, section 5, 5A and the schedule to the Statutory Instruments Act, read together with Standing Order 210 requires the regulation-making authority to conduct public participation and sufficient consultation with the stakeholders and persons likely to be affected by the regulations. The regulation making authority being the Parliamentary Service Commission attached an Explanatory Memorandum as required by section 11(2) of the Statutory Instruments Act and indicated that a number of Members of Parliament who profess the Islamic faith gave opinions to indicate that the principal Regulations as currently obtaining prohibit them from benefitting from the loan facility on account of requirement to pay for interest. They requested that the Regulations be amended to make them Islamic-friendly.

Further, Members of Parliament who made representations to the Commission indicated that loan approvals sometimes take too long to process thereby interfering with the contractual obligations of the sellers of the residential houses.

In addition, the concerned Members cited a number of amendments made to other statutes on Islamic Banking through the Finance Act, 2017 such as: Section 2 of Value Added Tax Act, 2013; Section 2 of Income Tax Act, 2013; Section 2 of the Stamp Duty Act; Section 2 of the Public Finance Management Act and Section 2 of the Sacco Societies Act, 2018.

2.5.3 Regulatory Impact Statement

- 3) THAT, the Regulations do not require a Regulatory Impact Statement within the meaning of sections 6, 7 and 8 of the Statutory Instruments Act, as they deal with the interest of members in respect to the mortgage and have no significant effect on members of the community who are not Members of Parliament.

3.0 COMMITTEE RECOMMENDATION

17. Having examined the Public Finance Management (Parliamentary Mortgage (Members) Scheme Fund) (Amendment) Regulations, 2020 against the Constitution, the Interpretations and General Provisions Act (*Cap 2*), the Public Finance Management Act (*No. 18 of 2012*) and the Statutory Instruments Act (*No. 23 of 2013*), **the Committee recommends that the House approves the said statutory instrument in accordance with section 24(2A) of the Public Finance Management Act, 2012.**

CONSULTATION OUTCOME.

The Parliamentary Service Commission received representations from both Members and staff of Parliament that loan approvals sometimes take a bit too long to process thereby interfering with the contractual provisions that they have with the sellers of motor vehicles. SACCO SOCIETIES ACT, 2008

Section 2 of the Sacco Societies Act, 2008, is amended—

- a) in the definition of the word "deposit", by inserting the words "a return" immediately after the word "interest";
- b) In the definition of the expression "deposit taking business", by deleting the words "to members" appearing at the end of paragraph (b) and substituting therefor the words "or funding or in compliance with the Islamic law";
- c) In the definition of the expression "sacco business", by inserting-
 - (i) The words "or in compliance with Islamic law" immediately after the words "in accordance with this Act,"

The Members and staff of Parliament who profess the Islamic faith therefore submitted that there is a general policy in the country to make banking and other related facilities Islamic friendly. They further stated that by making the facilities Islamic friendly, they would not affect the rights or faith of other Members and staff of Parliament in any way.

The instrument was prior to publication presented and deliberated upon by the Board of Senior Management of the Parliamentary Service Commission. The Board recommended to allow setting up of a separate Fund for Members and Staff of Parliament who are Muslims to ensure complete segregation of funds and prohibit payment of interest.

The Board recommended that the meetings of the Loans Management Committee should be held at least once every month.

The recommendations of the Board were presented and deliberated upon before the Committee on Members Welfare and the Loans Management Committee of the Parliamentary Service Commission. Both Committees and the Commission resolved that it was sufficient to amend all the sections of the regulations that provide for interest by removing the term "interest" and substituting the same with the term "administrative costs".

It was further noted that the term "administrative costs" was actually more accurate than interest as the fund was a revolving fund with no profit payable to any person. The 3% charged on all loans goes to pay administrative expenses such as valuers and auctioneer charges. All surplus is used to increase the fund. No money is paid out as "profit".

The Committees and the Commission also approved that the Loans Management Committee should be held once every month to consider loan applications.

GUIDANCE.

The instrument amends the Public Finance Management (Parliamentary Mortgage (Members) Scheme Fund) Regulations, 2013, to the effect that person who benefits from the Fund shall be required to be paying administrative costs in place of interest. The rate and modalities of payment remain the same.

The Secretariat of Loan Management Committee shall organize meetings of the Committee that shall be held at least once a month to consider applications for loans.

IMPACT

No impact assessment has been prepared. The instrument applies exclusively to Members of Parliament.

MONITORING AND REVIEWING.

The Parliamentary Service Commission shall review the outcome of the implementation of the instrument after 24 months. The review shall entail the following

Whether or not the regulations have encouraged Muslim Members of Parliament to benefits from the Fund after removal of the term “interest” and replacing the same with the term “administrative cost” from the regulations.

Whether or not applications for loans are being considered and approved on time.

MIN.NO. /NA/CDL/2020/340 CONSIDERATION OF THE PUBLIC FINANCE MANAGEMENT (PARLIAMENTARY CAR LOAN) (MEMBERS) (SCHEME FUND) REGULATIONS, 2020 (L.N. NO. 184 OF 2020)

The Committee was informed that the Public Finance Management (Parliamentary Car loan) (Members) Scheme Fund (Amendment) Regulations were made by the Parliamentary Service

Commission pursuant to section 24(2A) of the Public Finance Management Act, which empowers the Commission to make Regulations establishing various categories of Funds for Parliament.

Overview of the amendment to the principal Regulations

- (i) Regulation 1 relates to citation.
- (ii) Regulation 2 seeks to amend Regulation 6 of the Public Finance Management (Parliamentary Car loan) (Members) Scheme Fund) Regulations, 2013 by introducing a requirement that the committee dealing with members' car loans to sit more frequently being at least once every month to make the meetings of the Loan Management Committee regular and consistent.

- (iii) Regulation 3 seeks to amend Regulation 11 of the principal Regulations by deleting the word "interest" and "carry an interest" wherever they appear and substituting therefor the words "administrative costs".

Committee Observations

- (i) **Statutory Timelines** - The Regulations were published in the gazette as LN No. 184/2020 on 16th September, 2020; submitted to the Clerk of the National Assembly on 23rd September, 2020 and tabled on 24th September, 2020. This was within the requisite statutory timelines under section 11(1) of the Statutory Instruments Act.
- (ii) **Consultation / Public Participation** - Articles 10 and 118 of the Constitution, section 5, 5A and the schedule to the Statutory Instruments Act, read together with Standing Order 210 requires the regulation-making authority to conduct public participation and sufficient consultation with the stakeholders and persons likely to be affected by the regulations. The regulation making authority being the Speaker of the National Assembly has attached an Explanatory Memorandum as required by section 11(2) of the Statutory Instruments Act and indicated that a number of members of Parliament and staff who profess the Islamic faith gave opinions to indicate that the principal Regulations as currently obtain prohibit them from benefitting from the loan facility on account of requirement to pay for interest. That they further requested that the Regulations be amended to make them Islamic-friendly. That further, Members of Parliament and some Parliamentary staff who made representations to the Commission indicated that loan approvals sometimes take too long to process thereby interfering with the contractual obligations of the sellers of the motor vehicles.

Further that during the consultations, the concerned Members cited a number of amendments made to other statutes on Islamic Banking through the Finance Act, 2017 such as: Section 2 of Value Added Tax Act, 2013; Section 2 of Income Tax Act, 2013; Section 2 of the Stamp Duty Act; Section 2 of the Public Finance Management Act and Section 2 of the Sacco Societies Act, 2018.

- (iii) **Regulatory Impact Statement:** The Regulations do not require a Regulatory Impact Statement within the meaning of sections 6, 7, and 8 of the Statutory Instruments Act, as they deal with the interest of members in respect to the car loans and have no significant effect on members of the community who are not members of Parliament.

Committee Resolution

Having examined the Public Finance Management (Parliamentary Car loan) (Members) Scheme Fund (Amendment) Regulations against the Constitution, the Interpretations and General Provisions Act (Cap 2), the Public Finance Management Act (No. 18 of 2012) and the Statutory Instruments Act (No. 23 of 2013), the Committee resolved to approve them as proposed by Hon. Patrick Mariru, M.P. and seconded by Hon. George Murugara, M.P.
