c) on re-committal of Petitions to Standing Committees

“Honorable Senators,

You may recall that on Thursday, 15th July, 2021 a half day workshop for all Senators to deliberate on the legislative agenda for the remaining

time of the Twelfth Parliament was held. During the meeting, it was noted that there was a significant number of business pending before respective committees. One of the drawbacks identified was that a number of Petitions had been referred to more than one committee, thereby reducing committee effectiveness in considering them.

Honourable Senators,

The following Petitions have been brought to my attention as having been committed to more than one committee-

- (i) Petition by residents of Utheri wa Lari in Kiambu County concerning compensation for parcels of land acquired by the Government to pave way for the construction of the Standard Gauge Railway was referred to the Standing Committee on Land, Environment and Natural Resources and the Standing Committee on Roads and Transportation on 30th May, 2018;
- (ii) Petition by the Governor of Nandi County, Hon. Stephen K. Sang concerning landslides, as a result of heavy rains, in Nandi County was referred to the Standing Committee on Land, Environment and Natural Resources and the Standing Committee on National Security, Defence and Foreign Relations on 7th July, 2020; and
- (iii) Petition by Mr. Kimutai Arap Chelule and residents of Kericho County concerning Muhoroni Land LR. No. 3977 and 3978 in Kericho County was referred to the Standing Committee on Land, Environment and Natural Resources, the Standing Committee on Justice, Legal Affairs and Human Rights and the Standing Committee on National Security, Defence and Foreign Relations on 24th November, 2020.

Honourable Senators,

Upon consultation on the status of these Petitions and the issues raised therein, I therefore direct as follows-

- (i) The Petition by the residents of Utheri wa Lari in Kiambu County concerning compensation for parcels of land acquired by the Government to pave way for the construction of the Standard Gauge Railway is hereby recommitted to the Standing Committee on Land, Environment and Natural Resources.
- (ii) The Petition by the Governor of Nandi County, Hon. Stephen K. Sang, concerning landslides, as a result of heavy rains, in Nandi County is hereby recommitted to the Standing Committee on National Security, Defence and Foreign Relations.

- (iii) The Petition by Mr. Kimutai Arap Chelule and residents of Kericho County concerning Muhoroni Land LR. No. 3977 and 3978 in Kericho County is hereby recommitted to the Standing Committee on Justice, Legal Affairs and Human Rights.

Considering that the timeline stipulated in the Standing Orders has already been exhausted, I therefore direct that the respective Standing Committees to expedite the said Petitions and table reports within the next 30 days.

Thank you!"

4. PAPERS LAID

The following Papers were laid on the Table of the Senate –

- (i) Report of the Standing Committee on Agriculture, Livestock and Fisheries on the Coffee Bill (Senate Bills No. 22 of 2020)

5. NOTICE OF MOTION- PROMOTION OF MENTAL HEALTH FACILITIES FOR MOTHERS

(Sen. (Arch.) Sylvia Kasanga, MP)

THAT, AWARE THAT according to the World Health Organization, globally 10% of pregnant women and 13% of women who have just given birth experience a mental condition, referred to as perinatal depression, which is higher in developing countries with 15.6% during pregnancy, and 19.8% after child birth;

FURTHER AWARE that women who go through still birth and those that lose their children during delivery are taken to the general maternity ward where other mothers with healthy babies are recovering, causing them mental anguish and adversely impacting their mental health;

NOTING THAT integrating mental health care into primary healthcare settings requires training in psychiatric care and providing consulting support to primary care providers, considering that there are not enough mental health care providers to meet the current and growing need for mental health services;

APPRECIATING THAT the Health Act under section 6 (1) (b) provides that every person has a right to reproductive health care which includes the right of access to appropriate health care services that will enable mothers go safely through pregnancy, childbirth, and the postpartum period which should include the integration of mental health in perinatal care as recommended by the National Mental Health Taskforce in its “Mental Health and Wellbeing towards Happiness and National Prosperity” report;

NOW THEREFORE, the Senate urges the Ministry of Health in collaboration with the Council of Governors to:

1. ensure that all county maternal health facilities allocate a separate ward for recovery for the mothers who have gone through still birth or those that have lost their babies during delivery;
2. facilitate continuous mental health training and the provision of counseling support in the perinatal wards for all primary care providers in all counties; and,
