CHAIRPERSON'S FOREWORD

Election campaign financing is an emerging concept that has been applied in most jurisdictions. In Kenya, an attempt to regulate the amounts of expenditure incurred by individual politicians and political parties was realized when Parliament enacted the Elections Campaign Financing Act (*No.42 of 2013*), under which Act, Parliament delegated certain powers through sections 5, 12, 18, 19 and 29, to the Independent Electoral and Boundaries Commission (IEBC) to make Regulations and to formulate Rules and to further publish gazette notices for the purpose of operationalizing the Act. The commencement of the Act was however suspended for the 2017 general elections and was to come into force on the 12th of August 2017.

Section 29 of the Elections Campaign Financing Act confers on the IEBC powers to make Regulations for the better performance of its functions under the Act, which Regulations must be submitted to the National Assembly before publication and which should provide for *inter alia* spending limits for the different elections, and guidelines for expenditure for political parties and independent candidates.

Section 5 of the Act requires the Commission to have made Rules limiting expenditure on election campaigns which Rules ought to have been made and published latest by 9th August, 2021, being 12 months before the election date.

Further, the Commission is required pursuant to sections 12, 18, and 19 of the Act to publish notices in the gazette at least twelve months before a general election, on limits to contributions, spending limits, and authorised expenditures.

In 2016, IEBC submitted to the National Assembly, a set of draft Regulations relating to Campaign Financing, which did not conform to the Constitution, the Elections Campaign Financing Act and the Statutory Instruments Act, which were annulled by Parliament.

On the 5th of August 2021, the attention of the Committee was drawn to a letter dated 27th of July, 2021 from the Chairperson of Independent Electoral and Boundaries Commission Ref. IEBC/CP/PARL./VOL.II /63, received at the Office of the Clerk of the National Assembly on the 28th July, 2021 citing draft Regulations which were submitted in 2016.

The Committee held a meeting with the regulation making authority, IEBC, on Wednesday, 11th August 2021 at Parliament Buildings where pertinent issues were raised concerning with the conformity with the Constitution and the Statutory Instruments Act, Statutory timelines and Publication of ceilings among others.

The Committee was of the opinion that IEBC had unjustifiably delayed in submitting the Instruments contrary to section 13 (j) of the Statutory Instruments Act, 2013 which requires the Committee to consider, *inter alia* if a Statutory Instrument before the Committee “*appears to have had unjustifiable delay in its publication or laying before Parliament.*”

Having examined the draft Election Campaign Financing Regulations and Gazette Notice No 8024 in accordance with the Constitution of Kenya, the Interpretations and General Provisions Act (Cap. 2), the Electoral Campaign Finance Act, 2013, and the Statutory Instruments Act (No 23 of 2013), the Committee recommends that the House-

-
- (a) **annuls** Gazette Notice No. 8024 on Contributions and Spending limits for political parties and candidates for the purposes of the General Election scheduled to be held on 9th August, 2022, published by IEBC on 9th August, 2021;
- (b) **rejects** the publication of the draft Election Campaign Financing Regulations submitted by the Independent Electoral and Boundaries Commission.

The Committee wishes to express its gratitude to the Speaker for the support accorded to the Committee in the discharge of its mandate. The Committee also wishes to record its appreciation to the Office of the Clerk of the National Assembly and the supporting Directorates for providing the necessary technical support to the Committee.

On behalf of the Members of the Select Committee on Delegated Legislation and pursuant to Standing Order 210 (4), it is my pleasure and duty to present to the House the Committee's **Report on the Consideration of the draft Election Campaign Financing Regulations.**

HON. KAMKET KASSAIT WILLIAM, M.P.

2.0 CONSIDERATION OF THE ELECTION CAMPAIGN FINANCING REGULATIONS

2.1 Introduction

5. Article 88 of the Constitution mandates the Commission to undertake the following functions, among others-
 - (i) *the regulation of the amount of money that may be spent by or on behalf of a candidate or party in respect of any election;*
 - (j) *the development of a code of conduct for candidates and parties contesting elections;*
6. Section 5 of the Election Campaign Financing Act , 2013 provides that the Independent Electoral and Boundaries Commission (IEBC) shall make rules to regulate election campaign financing—
 - (a) *in the case of a general election; at least twelve months before the election; and*
 - (b) *in the case of a by-election or referendum, at such time as the Commission may determine.*
7. The Chairperson of the Independent Electoral and Boundaries Commission forwarded a letter Ref. IEBC/CP/PARL./VOL.II /63 dated 27th August, 2021 addressed to the Clerk of the National Assembly citing draft Regulations which were submitted in 2016, and annexed the draft Elections Campaign Finance Regulations.
8. The tone of the letter forwarding the draft Regulations indicated that they had submitted the same on 26th July, 2016.

2.2 Background Information

9. In 2016 IEBC submitted a set of Regulations relating to Campaign Financing which did not conform to the Constitution, the Election Campaign Financing Act and the Statutory Instruments Act which were hence annulled by Parliament. The Report of the Committee on Delegated Legislation on its Consideration of the Election Campaign Financing Regulations, 2016 was laid on the Table of the House on **Tuesday, December 20, 2016 (Morning Sitting)** & notice given that pursuant to the provisions of Sections 18 and 19 of the Statutory Instruments Act, 2013 and Standing Order 210(4) (b), the House –
 - (i) **rejects** the Draft Election Campaign Financing Regulations, 2016 as they contravene Section 5 of the Election Campaign Financing Act, 2013 and Section 13(a) of the Statutory Instruments Act, 2013; and
 - (ii) **resolves** that the Justice and Legal Affairs Committee introduces relevant legislation to amend appropriate sections of the Election Campaign Financing Act, 2013 particularly sections 5 and 18 to give suitable timelines for compliance to enable the Independent Electoral and Boundaries Commission (IEBC) submit fresh regulations for approval.

2.3 Suspension of commencement of the Act

10. The Elections Campaign Financing Act, 2013 which was suspended for the 2017 elections and which therefor commenced on 12th August, 2017, places a number of statutory obligations on the chairperson and the IEBC as a Commission, in respect to certain statutory instruments that are to be made under the Elections Campaign Financing Act, and which must comply not only with the act but also the Constitution, the Statutory Instruments Act, the Interpretations and General Provisions Act and other related written laws.

2.4 Statutory Mandate of the Commission to make Regulations

11. Section 29 of the Election Campaign Financing Act confers on the IEBC powers to make Regulations for the better performance of its functions as set out hereunder—
“(1) The Commission may make regulations for the better performance of its functions under this Act, and such regulations shall be laid before the National Assembly for approval before they are published in the Gazette.
(2) In particular and without prejudice to the generality of the power conferred by subsection (1), the Commission may make regulations—
 - (a) providing for spending limits for the different elections;*
 - (b) providing guidelines for expenditure rules for political parties and independent candidates;*
 - (c) prescribing the manner in which contributions may be made;*
 - (d) prescribing procedures for disclosure of the amount of contributions made to a candidate or to a party, the nature of these contributions and the intended expenditures by a candidate or a party;*
 - (e) prescribing mechanisms and procedures for reporting on and monitoring the spending limits;*
 - (f) prescribing the manner in which records shall be prepared and maintained;*
 - (g) prescribing procedures for the determination of claims and objections; and*
 - (h) prescribing anything which is required to be prescribed for purposes of this Act.”*

2.5 Summary of the draft Elections Campaign Financing Regulations

12. The Regulations outlines the principles and objects of campaign financing regulations and overarching considerations by persons who bear duties under the Act; powers of the IEBC, the establishment, composition and registration of authorized persons as provided by section 6 of the Act;
13. The Regulations provide for campaign expenditures by setting out permissible sources of campaign financing, prohibited sources of campaign financing, regulation of loans advanced for purposes of campaign financing; regulation of harambee and the powers of the authorized persons and the Commission in relation to contributions.
14. It deals with the regulation of campaign expenditures by setting out permissible election expenses and incurring of expenses and reporting and disclosure of contributions and expenditures including preparation of preliminary and final reports, presentation to the Commission, consideration by the Commission and rectification of such reports.

2.6 Scrutiny of the draft Elections Campaign Financing Regulations

The Committee having scrutinized the draft Elections Campaign Financing Regulations noted the following –

2.6.1 Conformity with the Constitution and the Statutory Instruments Act

15. Section 13(a) of the Statutory Instruments Act requires the Committee to ensure the Instruments conform to the Constitution, the Act under which they are made and any other written law.
16. The Elections Campaign Financing Act, 2013 which was suspended for the 2017 elections and which therefor commenced on 12th August, 2017, places a number of statutory obligations on the chairperson and the IEBC as a Commission, in respect to certain statutory instruments that are to be made under the Elections Campaign Financing Act, and which must comply not only with the Act but also the Constitution, the Statutory Instruments Act, the Interpretations and General Provisions Act and other related written laws.
17. While Article 88 (4)(i) of the Constitution also mandates the Commission with the responsibility of regulating the amounts of money that may be spent by or on behalf of a candidate or party in respect to elections, the Commission can only exercise this power and perform the function in accordance with the Constitution and national legislation.

2.6.2 Rules to be made for every general election

18. Section 5 of the Elections Campaign Financing Act, 2013 contemplates that Rules regulating election campaign financing are to be made before every general election since the financial circumstances vary from one election to another.
19. A reading of sections 12, 18, and 19 of the Act, contemplates that the Rules should be made before every general election hence the 2016 regulations could not be relied on for the purpose of 2022 General Elections and the new Rules ought to have been made and published latest by 9th August, 2021, being 12 months before the election date.

2.6.3 Unjustifiable delay in submitting the Instruments

20. Section 13 of the Statutory Instruments Act, 2013 requires the committee to consider, *inter alia* if a Statutory Instrument before the Committee “*appears to have had unjustifiable delay in its publication or laying before parliament.*”
 - (i) The House resumed its sittings on **Tuesday, 3rd August, 2021** having been on recess from **Thursday, 8th July, 2021** as per the Calendar of the House (*Regular Sessions*).
 - (ii) A letter from the Independent Electoral and Boundaries Commission (IEBC) dated Wednesday, 27th July, 2021, on the subject of the submission of Election Campaign Financing Regulations was received in the Office of the Clerk on **Wednesday, 28th July, 2021**.
 - (iii) However, the Regulations were not attached as indicated in the letter and instead, what was attached was the Election Campaign Financing (Amendment) Bill, 2020.

-
- (iv) On **Wednesday, 4th August, 2021**, the Director of the Legislative and Procedural Services wrote an email to IEBC communicating the error and asking that they send the Regulations to enable the National Assembly process the same as required by law.
- (v) On the same day, **Wednesday, 4th August, 2021** through an email, IEBC sent the Regulations reading “2016” instead of “2020”. This error was brought to the attention of IEBC and were requested to send the correct copy.
- (vi) On **Thursday, 5th August, 2021**, through an email, IEBC sent the correct copy of the Regulations. **On the same day**, the Draft Election Campaign Financing Regulations, 2020, and accompanying Explanatory Memorandum were laid before the House by the Majority Party Chief Whip on behalf of the Leader of Majority Party and referred to the to the Committee on Delegated Legislation.
- (vii) Immediately after the Regulations were Tabled, the Speaker issued a Communication on the same and **urged the Committee to expedite** the process of consideration of the Draft Regulations and table its report soonest to enable the House to undertake the necessary approval processes in good time.
- (viii) On the same day, **Thursday, 5th August, 2021**, the Regulations were sent to the Committee on Delegated Legislation for processing.

2.6.4 Affirmative Resolution by the House (Approval by National Assembly)

21. Unlike regulations made under other statutes, section 29(1) of the Elections Campaign Financing Act ,2013 requires (*due to their very nature*) that the Regulations made by the Commission under the Act ought to be laid before the National Assembly and approved by the House before they are published in the gazette. This is an affirmative Resolution by the House.
22. Section 5 of said Act also requires the Commission (IEBC) to make **Election Campaign Financing Rules** which rules must be made, for purposes of General Elections, at least **twelve months** before the general elections.
23. The latest possible time that the IEBC is supposed to have published the Rules, that is after undergoing all the legal processes set out in the Statutory Instruments Act, was Monday, 9th of August, 2021 since the general elections are scheduled for 9th of August, 2022.
24. The IEBC has not made any rules under section 5 of the Act as required, neither have they submitted the same to the National Assembly as required by section 11(1) of the Statutory Instruments Act, that all statutory instruments must be submitted for scrutiny. However, the Commission submitted draft Regulations made under section 29 which do not *per se* regulate the Campaign financing for the 2022 general elections as contemplated under the Act.

2.6.5 Public Participation/ Consultations

25. Article 10 of the Constitution read together with Section 5, 5A and the Schedule to the Statutory Instruments Act requires that a Regulation Making Authority must conduct sufficient Public Participation and Consultation with persons before publishing and operationalizing any Statutory Instrument. The Commission has provided in their draft Explanatory memorandum that they consulted:
- (i) Political Parties on 16 -18 March, 2016

(ii) Ministries, Departments and Agencies on 22 - 24th March, 2016

(iii) Media Practitioners and Editors Guild on 19th April 2016

(iv) Civil Society Organizations on 20th April, 2016.

26. However, the Commission did not demonstrate by way of attendance list or otherwise, when, where and who was consulted. This is in contravention of the Statutory Instruments Act and the letter and the spirit of Article 10 of the Constitution on public participation.
27. In addition, the above consultations, if at all, were conducted for the 2016 Regulations and with the change in circumstances Public Participation would have been conducted for the 2021 Regulations.

2.6.6 Conferring with the Regulation Making Authority

28. The Committee held a meeting with the regulation making authority, IEBC on Wednesday, 11th August 2021 where pertinent issues were raised, THAT -
- (i) the Election Campaign Financing Act, 2013 provide for the regulation, management, expenditure and accountability of election campaign funds during election and referendum campaigns.
 - (ii) the Election Campaign Financing Regulations were annulled in 2016 by the previous Committee on Delegated Legislation in the 11th Parliament on grounds of contravening Section 5(a) of the Election Campaign Financing Act. (No. 42 of 2013) and Section 13(a) of the Statutory Instrument Act, 2013.
 - (iii) Section 5 of the Election Campaign Financing Act, 2013 mandates the Commission to make rules to regulate election campaign financing at least twelve months before the elections.
 - (iv) the Act commenced on 12th August, 2017 after being suspended for the 2017 General election period, as per section 1A of the Election Campaign Financing Act.
 - (v) Section 29(1) of the Act empowers the Commission for the better performance of its functions under the Act. This operationalized the new timelines for the Commission to make rules to regulate the Act before the next General Elections.
 - (vi) Further sections 12, 18, 19 of the Act mandates that the Regulations are to be made fresh for every General Election so as to capture any changes in the finances in the country, thus the 2016 regulations aren't usable for the 2022 General Elections.
 - (vii) the Regulations by the Commission are required to be laid before the National Assembly and approved before they are published in the gazette.

3.0 COMMITTEE OBSERVATIONS

29. Having examined the Election Campaign Financing Regulations 2020 in accordance with the Constitution of Kenya, the Interpretations and General Provisions Act (Cap. 2), the Election Campaign Financing Act, 2013, and the Statutory Instruments Act (No 23 of 2013), the Committee made the following observations –

(a) Conformity with the Constitution and the Statutory Instruments Act

30. *Sec 13(a) of the SI Act requires the Committee to ensure the Instruments conform to the Constitution, the Act under which they are made and any other written law.*
31. The Elections Campaign Financing Act, 2013 which was suspended for the 2017 elections and which therefor commenced on 12th August, 2017, places a number of statutory obligations on the chairperson and the IEBC as a Commission, in respect to certain statutory instruments that are to be made under the Election Campaign Financing Act, and which must comply not only with the Act but also the Constitution, the Statutory Instruments Act, the Interpretations And General Provisions Act and other related written laws.
32. While Article 88 (4)(i) of the Constitution also mandates the Commission with the responsibility of regulating the amounts of money that may be spent by or on behalf of a candidate or party in respect to elections, the Commission can only exercise this power and perform the function in accordance with the Constitution and national legislation.

(b) Statutory Timelines

33. THAT, Section 5(a) of the Election Campaign Financing Act requires that IEBC makes rules to regulate Election Campaign Financing at least twelve months before the next general elections. On the contrary, IEBC submitted the draft regulations very late, which would not allow the Committee time to consider them with the set timelines as per section 13 of the Statutory Instruments Act, 2013.
34. The IEBC has not made any rules under section 5 of the Act as required, neither have they submitted the same to the National Assembly as required by section 11(1) of the Statutory Instruments Act, which stipulates that all statutory instruments must be submitted for scrutiny.
35. The draft Election Campaign Financing regulation were laid before the House on Thursday, 5th August 2021 and committed to the Committee on Delegated Legislation on the very same day for scrutiny.

(c) Unjustifiable delay in submitting the Instruments contrary to section 13 (j) of the Statutory Instruments Act, 2013

36. Section 13 of the Statutory Instruments Act, 2013 requires the Committee on Delegated Legislation to consider, *inter alia* if a Statutory Instrument before the Committee “***appears to have had unjustifiable delay in its publication or laying before parliament.***” The Commission had sufficient time, from 2017 after the last general elections, to submit the regulations for consideration to the National Assembly in accordance with Section 12, 18,

19 of the ECF Act. The latest the regulations were to be considered was on 9th August, 2021.

(d) Drafting errors contrary to section 13(m) of the Statutory Instruments Act

37. The Committee noted that the draft Regulations, 2020 are the same ones that were submitted in 2016 without any amendments hence failing to factor in any changes that might have occurred in the course of the four years.
38. The Commission has hurriedly concocted a quick draft with the Title reading “2020” and citation reading “2016” and submitted to the National Assembly out of time, which not only demonstrates unpreparedness in their race against the Statutory timelines but also offends section 13(m) of the Statutory Instruments Act, 2013 which requires the Committee of Delegated Legislation to check during scrutiny if the Regulations contain drafting errors or requires further elucidation.

(e) Omissions in the submissions of the Regulation to parliament

39. Despite the late submission of the draft by the IEBC, the Committee observed that the commission made serious omissions in its submission of the draft and had to be asked severally to send the correct draft regulations as required by law.

(f) Publication of the Ceilings

40. The IEBC has further published unprocedural contributions and spending limits on 9th August, 2021 in the Gazette since the Limits and the Ceilings were to be informed by the Regulations which have not been approved by Parliament.

(g) Consultation / Public participation

41. Article 10 of the Constitution read together with Section 5, 5A and the Schedule to the Statutory Instruments Act requires that a Regulation Making Authority must conduct sufficient Public Participation and Consultation with persons before publishing and operationalizing any Statutory Instrument.
42. The IEBC has not demonstrated by way of attendance list or otherwise, when, where and who was consulted. This is in contravention of the Statutory Instruments Act and the letter and the spirit of Article 10 of the Constitution on public participation.
43. The consultations were conducted for the 2016 regulations and with the change in circumstances Public Participation would have been conducted for the 2021 Regulations.

(h) Amendments by IEBC tabled in the National Assembly

44. The IEBC indicated that it had submitted amendment to the National Assembly’s Committee on Justice and Legal Affairs to amend the parent Act in 2019 to enable it make rules to regulate election campaign financing and that this amendment had not been acted upon.

4.0 COMMITTEE RECOMMENDATION

Having examined the draft Election Campaign Financing Regulations in accordance with the Constitution of Kenya, the Interpretations and General Provisions Act (Cap. 2), the Election Campaign Finance Act, 2013, and the Statutory Instruments Act (No 23 of 2013), the Committee is of the opinion that the draft Regulations and the *Gazette Notice No. 8024 on Contributions and Spending limits for political parties and candidates for the purposes of the General Election scheduled to be held on 9th August, 2022* do not meet the constitutional and statutory threshold. The Committee therefore recommends that the House:-

- (a) **annuls** Gazette Notice No. 8024 on Contributions and Spending limits for political parties and candidates for the purposes of the General Election scheduled to be held on 9th August, 2022, published by IEBC on 9th August, 2021;
- (b) **rejects** the publication of the draft Election Campaign Financing Regulations submitted by the Independent Elections and Boundaries Commission.

MIN.NO./NA.CDL.2021/ 181 PRAYER AND PRELIMINARIES

The Vice-Chairperson called the meeting to order at 10.00 a.m. with a word of Prayer. A round of self-introductions was then conducted.

MIN.NO./NA/CDL.2021/182 CONSIDERATION OF THE DRAFT ELECTIONS CAMPAIGN FINANCE REGULATIONS

The committee was informed that the Election Finance Regulation were annulled in 2016 as they contravened Section 5(a) of the Election Campaign Financing Act. (No. 42 of 2013) and Section 13(a) of the Statutory Instrument Act, 2013.

The Commission is required by law to make regulations twelve months before the next general election. The ECF Act therefore commenced on 12th August, 2017 after being suspended for the 2017 general election period, as per section 1A of the ECF Act. This operationalized the new timelines for the Commission to make rules to regulate the Act before the next General Elections. Further sections 12,18,19 of the Act mandates that the Regulations are to be made fresh for every General Election so as to capture any changes in the finances in the country, thus the 2016 regulations aren't usable for the 2022 General Elections.. Section 29 (1) of the ECF Act,2013 requires that the Regulations by the Commission be laid before the National Assembly and approved before they are published in the gazette.

The draft ECF regulation were laid before the House on Thursday, 5th August 2021 and committed to the Committee on Delegated Legislation on the very same day for scrutiny.

Committee Observations:

The Committee made the following observations, THAT–

(a) Conformity with the Constitution and the Statutory Instruments Act.

Sec 13(a) of the SI Act requires the Committee to ensure the Instruments conform to the Constitution, the Act under which they are made and any other written law.

The Elections Campaign Finance Act , 2013 which was suspended for the 2017 elections and which therefor commenced on 12th August , 2017, places a number of statutory obligations on the chairperson and the IEBC as a Commission, in respect to certain statutory instruments that are to be made under the Elections Campaign Finance Act , and which must comply not only with the act but also the Constitution, the Statutory Instruments Act, the Interpretations And General Provisions Act and other related written laws.

While Article 88 (4)(i) of the Constitution also mandates the Commission with the responsibility of regulating the amounts of money that may be spent by or on behalf of a candidate or party in

respect to elections, the Commission can only exercise this power and perform the function in accordance with the Constitution and national legislation.

(b) Statutory Timelines

Section 5(a) of the ECF Act requires that IEBC makes rules to regulate Election Campaign Financing at least twelve months before the next general elections. On the contrary IEBC submitted the draft regulations very late which would not allow the Committee time to consider them with the set timelines as per Section 13 of the Statutory Instruments Act, 2013. The IEBC has not made any rules under section 5 of the Act as required, neither have they submitted the same to the National Assembly as required by section 11(1) of the Statutory Instruments Act, that all statutory instruments must be submitted for scrutiny.

(c) Unjustifiable delay in submitting the Instruments contrary to section 13 (j) of the Statutory Instruments Act, 2013

Section 13 of the Statutory Instruments Act, 2013 requires the committee to consider, *inter alia* if a Statutory Instrument before the Committee “*appears to have had unjustifiable delay in its publication or laying before parliament.*” The Commission had from 2017 after the last general elections to submit the regulations for consideration to the National Assembly in accordance with Section 12, 18, 19 of the ECF Act. The latest the regulations were to be considered was on 9th August, 2021.

(d) Drafting errors contrary to section 13(m) of the Statutory Instruments Act

The Committee noted that the draft Regulations, 2020 are the same ones that were submitted in 2016 without any amendments hence failing to factor in any changes that might have occurred in the course of the four years.

The Commission has hurriedly concocted a quick draft with the Title reading “2020” and citation reading “2016” and submitted to the National Assembly out of time ,which not only demonstrates unpreparedness in their race against the Statutory timelines but also offends section 13(m) of the Statutory Instruments Act, 2013 which requires the Committee of Delegated Legislation to check during scrutiny if the Regulations contain drafting errors or requires further elucidation.

(e) Omissions in the submissions of the Regulation to parliament.

Despite the late submission of the draft by the commission, the committee observed that the commission made serious omissions in its submission of the draft and had to be asked severally to send the correct draft regulations as required by law.

(f) Publication of the Ceilings

The Commission has further published unprocedural contributions and spending limits on the 9th of August, 2021 in the Gazette since the limits and the Ceilings were to be informed by the Regulations which have not been approved by Parliament.

The commission has further published undprocedural contributions and spending limits on the 9th Augustm 2021 in the Gazette since the limits and the Ceilings were to be informed by the Regulations which have not been approved by Parliament.

(g) Public participation/Consultation

Article 10 of the Constitution read together with Section 5, 5A and the Schedule to the Statutory Instruments Act requires that a Regulation Making Authority must conduct sufficient Public Participation and Consultation with persons before publishing and operationalizing any Statutory Instrument.

- (i) The Commission has provided in their draft Explanatory memorandum that they consulted Political Parties on 16-18 March, 2016
- (ii) Ministries, Departments and Agencies on 22-24th March, 2016
- (iii) Media Practitioners and Editors Guild on 19th April 2016
- (iv) Civil Society Organizations on 20th April, 2016.

They have not demonstrated by way of attendance list or otherwise, when, where and who was consulted. This is in contravention of the Statutory Instruments Act and the letter and the spirit of Article 10 of the Constitution on public participation.

The above consultations if at all were conducted for the 2016 regulations and with the change in circumstances Public Participation would have been conducted for the 2021 Regulations.

(h) Amendments by IEBC tabled in the National Assembly

The IEBC indicated that it had submitted amendment to the National Assembly's Committee Justice and Legal Affairs to amend the parent Act in 2019 to enable it make rules to regulate election campaign financing and that this amendment had not been acted upon.

Committee Resolution

Having examined the draft Election Campaign Financing Regulations in accordance with the Constitution of Kenya, the Interpretations and General Provisions Act (Cap. 2), the Electoral Campaign Finance Act, 2013, and the Statutory Instruments Act (No 23 of 2013), the Committee recommends that the House-

- (a) annuls** Gazette Notice No. 8024 on Contributions and Spending limits for political parties and candidates for the purposes of the General Election scheduled to be held on 9th August, 2022, published by IEBC on 9th August, 2021;
- (b) rejects** the publication of the draft Election Campaign Financing Regulations submitted by the Independent Elections and Boundaries Commission.

The decision to annul them were proposed by Hon. Martha Wangari M.P. and seconded by Hon. Abdi Tepo, M.P.

MIN.NO./NA/CDL.2021/182 ADJOURNMENT

**GUIDE REGARDING SUBMISSION OF THE DRAFT ELECTION CAMPAIGN
FINANCING REGULATIONS BY THE INDEPENDENT ELECTORAL AND
BOUNDARIES COMMISSION**

Honourable Members,

This Guide relates to the *Paper* that has just been laid before the House by the Majority Party Chief Whip on behalf of the Leader of Majority Party titled "*The Draft Election Campaign Financing Regulations and accompanying Explanatory Memorandum*". The Paper originated from Independent Electoral and Boundaries Commission (IEBC).

You will recall that the Election Campaign Financing Act, 2013 was enacted by Parliament to provide for the regulation, management, expenditure and accountability of election campaign funds during election and referendum campaigns. The Act was suspended with respect to the 2017 General Elections.

Honourable Members, Section 29(1) of the said Act empowers the Independent Electoral and Boundaries Commission (IEBC) to make regulations for the better performance of its functions under this Act. The said section provides as follows–

"29. (1) The Commission may make regulations for the better performance of its functions under this Act, and such regulations shall be laid before the National Assembly for approval before they are published in the Gazette."

In addition, **Honourable Members**, Section 5 of the Act mandates the Commission to make rules to regulate election campaign financing **at least twelve (12) months before the election**. For avoidance of doubt, the said section provides as follows, and I quote-

"5. The Commission shall make rules to regulate election campaign financing--

(a) in the case of a general election; at least twelve months before the election; and

(b) in the case of a by-election or referendum, at such time as the Commission may determine."

Honourable Members, it is important for you to note that the Regulations are expected to provide for among other things -

- (i) the spending limits for the different elections;
- (ii) guidelines for expenditure rules for political parties and independent candidates; and,
- (iii) the manner in which contributions may be made.

Honourable Members, Sections 12, 18 and 19 of the Act empower the Commission to set limits for contributions and expenditures for candidates and political parties participating in an election, **at least twelve (12) months before** the election. Having said that, you will agree with me that these are not just ordinary regulations, which may be the reason why Parliament provided that they are submitted to the House in DRAFT form for approval before they are published in the *Gazette*.

Honourable Members, even as the Election Campaign Financing Act, 2013, stipulates the timelines necessary for the approval of the said regulations, the Statutory Instruments Act provides for the ultimate process and procedure for consideration of regulations.

In this regard, **Honourable Members**, the Draft Regulations and the Explanatory Memorandum are hereby referred to the Committee on Delegated Legislation for consideration in accordance with the law. The Committee may also undertake the necessary public engagements on the Draft Regulations. Given the statutory timelines set under Section 5 of the Election Campaign Financing Act, 2013, I urge the Committee to expedite the process of consideration of the Draft Regulations and Table its report soonest to enable the House to undertake the necessary approval processes in good time.

The Committee and indeed the House are accordingly guided.

I thank you.

RE: IEBC SUBMISSIONS ON THE ELECTION CAMPAIGN FINANCING REGULATIONS

Reference is made to the above.

The Electoral Campaign Financing Act, 2013 is an Act of Parliament to provide for the regulation, management, expenditure and accountability of election campaign funds during election and referendum campaigns.

Section 29 (1) of the Act empowers the Commission to make Regulations for the better performance of its functions under this Act. Following the enactment of the Act, the Commission developed the regulations and forwarded the same to the Clerk of the National Assembly and the Parliamentary Delegated Committee on Subsidiary Legislation on 25th July 2016, which draft has not been enacted to-date.

The Act which was suspended for the 2017 General Elections is now in operation and Section 5 of the Act mandates the Commission to make rules to regulate election campaign financing at least twelve months before the election.

The Regulations are expected to:

- (a) Provide for Spending Limits for the different elections.
- (b) Provide Guidelines for expenditure rules for political parties and independent candidates;
- (c) Prescribing the manner in which contributions may be made.

- (d) Prescribing procedures for disclosure of the amount of contributions made to a candidate or to a party, the nature of these contributions and the intended expenditures by a candidate or a party;
- (e) Prescribing mechanisms and procedures for reporting on and monitoring the spending limits;
- (f) Prescribing the manner in which records shall be prepared and maintained;
- (g) Prescribing procedures for the determination of claims and objections; and
- (h) Prescribing anything which is required to be prescribed for purposes of this Act.

In tandem, Sections 12, 18 and 19 of the Act gives the Commission the statutory basis for setting contribution and expenditure limits for candidates and political parties participating in an election at least twelve months before the election, being the 9th of August 2021 for purposes of the 2022 General Elections.

We again forward herewith the said Draft Regulations for approval and enactment to enable us to operationalize the said Act. The Commission is committed to implement Article 88(4)(i) of the Constitution and the Election Campaign Financing Act, 2013 in the upcoming 2022 General Election.

ELECTIONS CAMPAIGN FINANCING REGULATIONS, 2020

EXPLANATORY MEMORANDUM

Introduction

1. This explanatory memorandum has been prepared by the Independent Electoral and Boundaries Commission and is laid before the House in pursuance of Section 29 of the Elections Campaign Financing Regulations 2020.
2. The explanatory memorandum contains information in relation to the development of the Election Campaign Financing Regulations 2020, a statutory instrument developed by the Commission in accordance with the 2013 Act, for the purpose of consideration by the Committees of Delegated Legislation of the National Assembly and the Senate.

Description

3. The statutory instrument is concerned with the implementation of the Elections Campaign Financing Regulations 2013 and specifically to provide for administration of the campaign financing regime, regulation of contributions and expenditures relating to election campaigns by political parties and candidates, regulation of financing of referendum campaigns, reporting and disclosure.
4. Specifically, this instrument:
 - a. Outlines the principles and objects of campaign financing regulations and overarching considerations by persons who bear duties under the Act;
 - b. Outlines the powers of the IEBC, the establishment, composition and registration of authorized persons as provided by section 6 of the Act;
 - c. Provides for regulation of campaign expenditures by setting out permissible sources of campaign financing, prohibited sources of campaign financing, regulation of loans advanced for purposes of campaign financing, regulation of harambees and the powers of the authorized persons and the Commission in relation to contributions.
 - d. Provides for regulation of campaign expenditures by setting out permissible election expenses and incurring of expenses.
 - e. Provides for reporting and disclosure of contributions and expenditures including preparation of preliminary and final reports, presentation to the Commission, consideration by the Commission and rectification of such reports.

Constitutional and Legislative Background

1. Article 4(1) of the Constitution, provides that the mandate of the IEBC include, among others, *“the regulation of the amount of money that may be spent by or on behalf of a candidate or party in respect of any election”*. The Electoral Campaign Finance Act, 2013 provides The Electoral Campaign Financing Act 2013 seeks to implement Article 88(4)(i) by making provisions for the regulation, management, expenditure and accountability of election campaign funds during election and referendum campaigns; and for connected purposes. The Act provides for an administrative and compliance provisions based on self regulation by candidates and parties, under supervision and enforcement by the IEBC.
5. The Electoral Campaign Financing Act, 2013 is an Act of Parliament to provide for the regulation, management, expenditure and accountability of election campaign funds during election and referendum campaigns; and for connected purposes. The Act, seeks to achieve this overall objective through the following mechanisms:
 - Establishing an administrative regime that provides specific responsibilities for political parties and candidates, and facilitates supervision and enforcement by the IEBC.
 - Regulating sources and limits of contributions and donations which may be received by political parties and candidates;
 - Regulating the election expenses and to empower the Commission to set limits on expenditure in accordance with Article 88(4)(I) of the Constitution;
 - To provide a framework for transparency and accountability through a mechanism of reporting, disclosure of election campaign finance.
 - To establish mechanisms for enforcement and dispute resolution.

Policy Background

6. Electoral Campaign Finance is a necessary yet challenging reform initiative, often lends itself to policy considerations and priorities which are not invariably mutually reinforcing or which may be irreconcilable by other constitutional principles for an open and democratic society. The overreaching objectives and standards of campaign finance regulation are:
 - (a) To afford access or approximately equal opportunity for eligible persons to stand and compete in elections particularly through public funding;
 - (b) Preventing political actors from corrupting elections or monopolizing the electoral process through the abuse of state resources;
 - (c) Preventing the biased and partisan use of enforcement mechanisms against political opponents;
 - (d) To prevent “dirty money” obtained through corruption or organized crime from infiltrating the political system and thereby influencing public decision making; and

- (e) Demanding that parties and candidates be transparent about how they collect and spend their money; and
- (f) Enforcement of other electoral offences.

7. These considerations have informed the body of Kenyan electoral legislation in various ways. Under the Political Parties Act, 2011 there is a regime of public funding for political parties. The Elections Act makes provisions relating to curtail use of public resources in campaigns. The 2013 Act makes comprehensive and substantive provisions relating to regulation of campaign financing.

Extent

8. The statutory instrument applies in the Republic of Kenya. There are specific provisions relating to prevention of foreign sources of funding in accordance with the 2013 Act.

Impact

9. The costs and benefits associated with implementation of Act and the statutory instrument are taken into account in the 2016-17 budget of the Commission.

Compliance with the Constitution and the Act

10. The draft statutory instrument complies with the powers of the Commission under section 29 of the Act and the Constitution.

Stakeholder Consultations

11. The Commission has taken initiative and facilitated broad stakeholder consultations to consider various drafts of the regulation. The consultations were with the:

- a. political parties on 16-18th March 2016;

- d. civil society organizations on 20th April 2016; and
- e. Other (MDAs) government institutions on 19th July 2016.

12. On 16-18th March, 2016, the Commission met political parties at Manzoni Lodge. The political parties recommended that the Act be amended to fill gaps and duplication, that the Commission designs mechanisms to enforce the Act more so with regard to contributions and expenditures limits and that the Commission builds capacity to enable better prosecute those violating the provisions of the Act.

13. THE COMMISSION MET ministries, departments and agencies (MDAs) on 22-24th March 2016. They recommended that the Commission builds capacity to enable better

prosecute those violating the provisions of the Act and designs mechanisms to enforce the Act more so with regard to contributions and expenditures limits.

After introducing the legal and institutional architecture for campaign finance in Kenya, focus turned to the issue of media adverting and campaign financing. The participants recommended: introducing an Inflation index for purpose of adjusting contribution and expenditure limits; creation of public awareness about the law; and, designing structures and mechanisms to ensure compliance with the Act.
15. The Commission met the civil society on 20th April 2016. The discussions centered on: contributions and limits; mechanisms for monitoring use of public resources; affirmative action; coalitions and campaign financing; access to information; capacity of the Commission to regulate campaign finance; and, the interaction the Act and the Constitution. The participants recommended that the regulations must: Set out a criteria for setting limits, require political parties and candidates to publish their assets, not over-regulate political parties and candidates; and Factor in coalitions.
16. The Commission met participants drawn from ministries, departments and agencies including the National Treasury, Kenya Revenue Authority, and, Ethics and Anti-Corruption Commission on 19th July 2016.
