

REPUBLIC OF KENYA

TWELFTH PARLIAMENT – FIFTH SESSION

THE NATIONAL ASSEMBLY

VOTES AND PROCEEDINGS

WEDNESDAY, JUNE 30, 2021

1. The House assembled at thirty minutes past Two O'clock
2. The proceedings were opened with Prayer
3. **Presiding** – the Honourable Speaker
4. **PETITION**

The Speaker conveyed the following Petition –

Alleged negligence by the Kenya Wildlife Service in Mtito Andei wildlife crisis

“Honourable Members,

Standing Order 225(2)(b) requires the Speaker to report to the House any petition, other than those presented by a Member. Further, Article 119 of the Constitution provides for the right of any person to petition Parliament to consider any matter within its authority, including petitioning the House to enact, amend or repeal any legislation.

In this regard, Honourable Members, I wish to report to the House that my office has received a petition from a group calling itself the Mtito Andei Disaster Control Self-Help Group led by one Mr. Abednego Musyoki calling for “*urgent intervention in the ongoing wildlife crisis in Mtito Andei occasioned by negligence by the Kenya Wildlife Services (KWS).*”

In their petition, Honourable Members, the petitioners aver that they are farmers specializing in livestock keeping and cultivation of short-rain crops such as maize, beans, sorghum, millet and green grams which are

unfortunately routinely invaded and destroyed by marauding elephants and other wild animals from Tsavo East and Tsavo West National Parks. Their livestock are also attacked and eaten by hyenas, leopards, cheetahs and lions, which also inflict serious injuries and even cause the death of residents attempting to save the livestock from the animals.

Further, Honourable Members, the petitioners assert that KWS partners such as David Sheldrick Wildlife Trust, Richard Molla, Kravoss and Marcus Dunn misuse their permits by intentionally releasing wild animals under their care into residents' farms to ensure that the wild animals access food near Mtito Andei as opposed to venturing deep into the Parks in a bid to attract tourists to Mtito Andei market centres. The petitioners claim that the said KWS partners routinely transport wild animals from other parks and dump them into Mtito Andei farms to feast on residents' harvest, and also regularly beat up area residents without cause despite the presence of local administrators. In addition, the petitioners state that no single Mtito Andei resident has ever received any compensation for farm losses, injuries and loss of lives primarily because their names are deliberately omitted from KWS compensation data.

The petitioners seek the intervention of this House in urgently addressing this ongoing crisis by securing the erection of an electric fence from Athi River to Mtito Andei Town, compelling the KWS partners to respect farmlands and to undertake requisite corporate social responsibility including provision of water to all surrounding towns and villages, securing the degazettement of the Ngai Ndethya Settlement Scheme which is gazetted as a game reserve despite having people living in it, and securing the timely compensation of all affected Mtito Andei residents.

Honourable Members, pursuant to the provisions of Standing Order 227(1), this Petition stands committed to the Departmental Committee on Environment and Natural Resources. The Committee is requested to consider the petition and report its findings to the House and to the petitioners in accordance with Standing Order 227(2).

Thank you".

5. **PAPERS LAID**

The following Papers were laid on the Table –

- a) Price Stability Target and the Economic Policy of the Government for the Financial Year 2021/22 Budget; and

- b) The Report of the Auditor General and Financial Statements in respect of the TVET Curriculum Development Assessment and Certification Council for the year ended 30th June, 2020 and the certificate thereon

(The Leader of the Majority Party)

- c) Report of the Departmental Committee on Transport, Public Works and Housing on its consideration of a petition regarding the approval, application and use of New Guild's Low-Cost Construction Technology
