IV. CHAIRMAN'S STATEMENT

On behalf of the Council members of Kenya Utalii College I am pleased to present to you the Annual Report and Financial Statements for the year ended 30th June 2019. These accounts have been prepared in accordance with International Public Sector Accounting Standards (IPSAS).

In what proved to be a challenging economic year, the Institution continue to have challenges in raising revenue to meet its general operations. During the year, actual revenues from Tourism Fund was **Kshs 567,778,385/-** against a budget of **Kshs.570,000,000/-**. Grants from the government however, decreased to **Kshs.135,444,000/-** down from **Kshs.175,000,000/-** the previous year. Our internally generated funds decreased to **Kshs.333,794,384/-** down from **Kshs. 448,356,555/-** the previous year.

In the implementation of our Strategic Plan 2013 – 2018, there has been a renewed focus on the College's brand Promise in the current year. We have undertaken a culture transformation program; geared towards customer excellence, in order to retain our competitive edge and sustain growth over the long- term.

The Council wishes to acknowledge and thank management, staff, and partners for their continued and invaluable support for the growth of the Institution. We look forward to even greater partnership in the year 2019/2020.

Mr. Mukasa M. Muliro

Chairman – KUC Council

V. PRINCIPAL'S STATEMENT

The financial year 2018/2019 was characterized by a tough economic environment. The College managed to push through all its programs despite the harsh economic situation and reduced funding from our partners. We remain committed to our mission which is to develop a highly qualified human resource for the hospitality industry.

As we reflect on our rich heritage, we at the Institution would like to have greater impact in our society. As one of the premier Institution we want to modernize our teaching and training systems through adapting new technologies. We have initiated implementation of online admission process and upgrade of our ERP System. On the same note we want to improve on kitchen and laundry facilities to meet the industry needs.

Going forward for Utalii Hotel, we will commit our efforts on improving revenues and reducing cost of operations by focusing effort on key drivers of our business that will assist Utalii Hotel generate sufficient revenues in order to bring the Hotel to profitability. Overallly our focus is on efficient use of resources and quality Training.

I sincerely thank the College Council, the management team, staff and all our stakeholders for the support and commitment to the Institution.

Mr. Hashim D. Mohamed

Principal & Chief Executive Officer

VIII. STATEMENT OF COLLEGE COUNCIL RESPONSIBILITIES

The Public Finance Management Act, 2012 and State Corporations Act, require the Council to prepare financial statements in respect of the College, which give a true and fair view of the state of affairs of the College at the end of the financial year and the operating results of the College for that year/period. The College Council is also required to ensure that the College keeps proper accounting records which disclose with reasonable accuracy the financial position of the College. The Management are also responsible for safeguarding the assets of the College

The Council is responsible for the preparation and presentation of the College's financial statements which give a true and fair view of the state of affairs of the College for and as at the end of the financial year ended on June 30, 2019. This responsibility includes:

- (i) Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period;
- (ii) Maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the College;
- (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud;
- (iv) Safeguarding the assets of the College;
- (v) Selecting and applying appropriate accounting policies; and
- (vi) Making accounting estimates that are reasonable in the circumstances.

The Council accept responsibility for the College's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act and the State Corporations Act. The Council is of the opinion that the College financial statements give a true and fair view of the state of College's transactions during the financial year ended June 30, 2019, and of the College's financial position as at that date. The Council further confirm the completeness of the accounting records maintained for the College, which have been relied upon in the preparation of the College's financial statements as well as the adequacy of the systems of internal financial control.

Nothing has come to the attention of the Council to indicate that the College will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The College's financial statements were approved by the College Council, and signed on its behalf by

REPORT OF THE AUDITOR-GENERAL ON KENYA UTALII COLLEGE FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Kenya Utalii College set out on pages 1 to 32, which comprise the statement of financial performance as at 30 June, 2019, and the statement of financial position, statement of cash flow, statement of changes in net assets, consolidated statement of comparison of budget and actual amounts for the year then ended, and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Kenya Utalii College as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Tourism Act No.28 of 2011.

Basis for Qualified Opinion

1.0 Unconfirmed Outstanding Receivables Balances

1.1 Receivables from Exchange Transactions

The statement of financial position reflects receivables from exchange transactions balance totalling Kshs.287,628,455 as at 30 June, 2019. The balance includes long outstanding receivables totalling Kshs.195,075,085 out of which receivables totalling Kshs.186,126,539 or 95 % were aged between one and eight years and the remainder of Kshs.6,153,518 and Kshs.2,795,028 were owed by former staff and insolvent entities respectively.

In addition, the existence and valuation of these debts could not be established as no letters of confirmation were issued by the debtors acknowledging the debts. In view of these issues, the accuracy and recoverability of the receivables from exchange transactions totalling Kshs.287,628,455 reflected in the statement of financial position as at 30 June, 2019 could not be confirmed.

1.2 Receivables from Non-Exchange Transactions

The statement of financial position as at 30 June, 2019 reflects receivables from non-exchange transactions totalling Kshs.131,273,553. The balance includes receivables totalling Kshs.116,205,822 which have been outstanding for between four and seven years. The measures taken by Management to recover the old outstanding debts have not been disclosed.

Consequently, it was not possible to confirm the accuracy and recoverability of receivables from non-exchange transactions balances totalling Kshs.131,273,553 as at 30 June, 2019.

2.0 Inaccurate Statement of Cash Flows

The statement of cash flows for the year under review reflects Kshs.107,956,788 net cashflows from operating activities. The balance includes working capital adjustments referred to as increase/decrease of current assets and liabilities' among other adjustments in Note 20 to the financial statements. However, the accuracy of two adjustments amounting to Kshs.32,801,472 and Kshs.398,113,805 denoted as net change in receivables and net change in payables respectively could not be confirmed.

Consequently, the accuracy of the net cash flows from operating activities totalling Kshs.107,956,788 could not be confirmed.

Emphasis of Matter

Going Concern Status

During the year under review, the College reported a deficit of Kshs.430,649,313, an increase of Kshs.30,984,121 from the deficit of Kshs.399,665,192 incurred in 2018/19, and thereby increased the accumulated operational losses to Kshs.1,548,454,359 as at 30 June, 2019. Further, the statement of financial position reflected current liabilities totalling Kshs.4,193,744,059 and current assets totalling Kshs.636,481,449 as at 30 June, 2019 resulting to a negative working capital of Kshs.3,557,262,610. Therefore, the College was technically insolvent.

In addition, the trade and other payables from exchange transactions balance totalling Kshs.4,009,142,299 as at 30 June, 2019, included accrued interest totalling Kshs.3,678,447,764 payable to the Government of Kenya (GoK), as further disclosed in Note 17 to the financial statements. The balance was equivalent to 92% of the total trade and other payables from exchange transactions balance. In the circumstance, the College's ability to settle bills when they fall due appears doubtful.

However, Management, contrary to the requirements of International Public Sector Accounting Standards (IPSAS) No.1, presentation of financial statements, has not disclosed the measures, if any, that it intends to implement to reverse the declining performance.

In addition, as previously reported, the College has over the years not met its obligations on the loan agreement signed with the National Government in 1996. The loan amounting to Kshs.140 million was disbursed in February, 1996 for refurbishment of Utalii Hotel. Payments on the principal amount totaled Kshs.13 million as at 30 June, 2017 when the repayments ceased.

As reflected in Note 17 to the financial statements for the year under review, unpaid interest on the loan totalled Kshs.3,678,447,764 and the outstanding principal amount Kshs.127,125,028 as at 30 June, 2019. Therefore, the total amount owed was Kshs.3,805,572,792 arising from the Kshs.140 million loan.

Although a disclosure made in the previous year's financial statements indicated that the College had entered into negotiations with the Government to have the loan together with accumulated interest written off, no meaningful progress on the matter has been reported in the year under review.

The Hotel, whose revenues were meant to repay the loan, acts as a training facility for the College and its survival is critical to the attainment of the legal mandate and mission of the College.

These events and conditions indicate that a material uncertainty exists that may cast significant doubt on the College's ability to meet its debt obligations as they fall due, and continue as a going concern. Therefore, its continued existence as a going concern is dependent upon financial support from the Government and its bankers and creditors.

My opinion is not qualified in respect to this matter.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of Kenya Utalii College in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. Except for the matters described in the Basis for Qualified Opinion section, I have determined that there are no key audit matters to communicate in my report.

Other Matter

1.0 Failure to Implement Integrated Financial Information Management Requirement

The National Treasury Circular No.19/15, dated 18, August, 2015, required State Corporations to link to IFMIS and other public financial management systems as

appropriates so as to improve record keeping and enhance monitoring and evaluation. In addition, Executive Order No.2 of 2018 required all State Corporations to employ full use of e-procurement by 1 January, 2019.

However, as similarly reported in the previous year, the College had as at 30 June, 2019 not implemented the Integrated Financial Information Management (IFMIS) system or linked its Enterprise Resource Planning (ERP) system with the IFMIS.

Management's failure to adhere to the Executive Order and National of Treasury instructions is, therefore, irregular.

2.0 Inadequacies at Mombasa Campus

As previously reported, an audit inspection of facilities at Mombasa Campus indicated that the Campus did not have a qualified librarian. The Library is managed by staff picked by the Acting Director of studies in charge of the campus. The Library was in poor condition not befitting the reputation of the College. In addition, the kitchen at the campus lacked the training equipment equivalent to that available at the Nairobi Campus. The anomaly raised doubt on whether training standards set for both campuses were the same.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1.0 High Employee Costs

The expenditure of Kshs.393,550,677 on employee costs reflected in the financial statements represents 49% of the total revenue amounting to Kshs.802,957,952 received by the College during the year under review. The ratio exceeded the recommended threshold of 35% prescribed in Regulation 26(1) of the Public Finance Management (National Government) Regulations, 2015.

Excessive use of funds on personnel emoluments constraints funding for service delivery and development projects and may eventually hinder the College from attaining its mandate.

2.0 Incomplete Student Access Control System

As previously reported, delivery and installation of the student access control system began in September, 2010 under a contract awarded to a local company at Kshs.3,897,967. Payments to the contractor as at 30 June, 2018 totalled Kshs.1,183,390. The works were largely complete but had not been commissioned due to unresolved issues in the contract agreement which the supplier had not resolved as at 30 June, 2019. These included:

- Delivery of access control license registered under Utalii
- Signing of a service level agreement for the system.

Consequently, the services that the new system was expected to provide to the College were not received.

3.0 Misallocation of Development Grant

As previously reported, the Ministry disbursed Kshs.200 million in 2016/2017 financial year to the College for development of a new training building. Available information indicates that Kshs.100 million was deposited in a Call bank account and Kshs.40,261,605 was spent on several activities identified in records to include consultancy services, permit from the County Government, technical evaluation retreat, and advertisements for procurement of construction services. The remainder amounting to Kshs.59,738,395 was spent on recurrent expenses without the approval of the College Council and National Treasury.

As at 30 June, 2019 construction of the training building appeared not to have commenced as no such project was identified during the audit, or reported in the financial statements for the year under review.

Consequently, Management may have breached the terms of the grant and Section 48 1(c) of Public Finance Management Act, 2012 which stipulates that grants be used to finance programs in the integrated development plan.

4.0 Unconfirmed Regularity of Legal Expenses

The College engaged a legal firm to provide arbitration services between the College and a firm of architects. The contract sum amounting to Kshs.458,612 was paid on 25 September, 2018 following receipt of an advance fee note from the Arbitrator. However, the nature of the arbitration undertaken by the law firm was not revealed in the fee note. Further, there was no record to show that the Office of the Attorney-General was consulted on the matter as provided for by Section 5(1) Office of the Attorney-General's Act, of 2012 and The Head of Public Service Circular No OP. CAB. 39A.

Additionally, there was no record of professional opinion from both the head of the procuring unit as required by Section 84 (1) of the Public Procurement and Asset Disposal Act, 2015.

In view of these omissions the validity of the expenditure amounting to Kshs.458,612 has not confirmed.

5.0 Uncertainties Regarding Ronald Ngala Utalii College

Kenya Utalii College, Coast Branch was established vide Cabinet Memo Ref: CAB.58/4A of 18 September, 2007 on a 60- acre site donated by REA Vipingo Company Limited.

The development of the College was thereafter transferred from Kenya Utalii College and assigned to Catering and Tourism Development Levy Trustees (now Tourism Fund) and further, a change of name to Ronald Ngala Utalii College was initiated without Cabinet approval. By a Gazette Notice No.3478 of 25 March, 2010, the Minister for Tourism then established Ronald Ngala Utalii Academy and, in notices carried in the Kenya Gazette on 6 August, 2010 and 5 November, 2010, appointed several persons to the Board of Directors established for the Academy. However, the appointments were nullified in 2012 alongside those of other Tourism Agencies by the new Minister for Tourism.

Audit verification has since revealed that the Tourism Fund is constructing buildings on the donated land even though the Fund does not possess the ownership documents for the land. On the other hand, the Kenya Utalii College has valued the land at Kshs.250 million and included it in the financial statements for the year under review. However, the buildings under construction have not been accounted for in the books of Kenya Utalii College or those of the Tourism Fund.

In view of these issues, the ownership of the Academy and accountability for public funds expensed by the Tourism Fund on the ongoing developments has not been clarified.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standard requires that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were

operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the College's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to liquidate the College, or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

The College Council is responsible for overseeing the College's financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities,

financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the College's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the College to cease to continue as a going concern, or to sustain its services.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the College to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

I. NOTES TO THE FINANCIAL STATEMENTS

1. Statement of compliance and basis of preparation

The entity's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings (Kshs), which is the functional and reporting currency of the entity and all values are rounded to the nearest thousand (Ksh000). The accounting policies have been consistently applied to all the years presented.

The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

The Institution will be in existence for the next one year.

2. Summary of significant accounting policies

a) Revenue recognition IPSAS 23

i) Revenue from non-exchange transactions

a) Related party transactions

i. Revenue from Tourism fund

This is the revenue collected by Tourism Fund from hotels and restaurants to cater for both training and marketing needs in the hotel and tourism sector. It is shared between Kenya Utalii College, Kenya Tourist Board and Tourism Fund in accordance with approved budgets.

ii. Grants from Government of Kenya

This is in respect of assistance from the Government of Kenya, through the Ministry of Tourism. It is recognized as revenue when received. The college received Ksh.135.4M for recurrent . Where an official commitment is received from the government or timing differences occur between the time the Government sends the funds and actual receipt, the grants are accrued / deferred.

iii. Rent Income from Housing Units

This is the income arising from rent charged to members of staff occupying the College's housing units

Kenya Utalii College,

Notes to the Financial Statements for the year ended 30th June 2019

ii) Revenue from exchange transactions

Rendering of services-Fees revenue.

The entity recognizes revenue from rendering of services by reference to the stage of completion when the outcome of the transaction can be estimated reliably. The stage of completion is measured by reference to labour hours incurred to date as a percentage of total estimated labour hours.

Where the contract outcome cannot be measured reliably, revenue is recognized only to the extent that the expenses incurred are recoverable.

Students' fees are recognized at the beginning of the term and cover the whole term. Fees paid in advance are treated as liabilities to the College whereas fees in arrears are treated as receivables. Other revenues are recognized in the period they are earned net of VAT and discounts.

Revenue from Commercial Activities

This represents revenue generated from part-time courses and other revenue generating activities by the various departments. This amount is shown net of direct expenses.

Sale of goods and Services -Utalii Hotel

Revenue from the sale of goods and services is recognized when the significant risks and rewards of ownership have been transferred to the buyer, usually on delivery of the goods and services and when the amount of revenue can be measured reliably and it is probable that the economic benefits or service potential associated with the transaction will flow to the entity.

b) Budget information IPSAS 24

The annual budget is prepared on the accrual basis, that is, all planned costs and income are presented in a single statement to determine the needs of the College. As a result of the adoption of the accrual basis for budgeting purposes, there are no basis, timing or entity differences that would require reconciliation between the actual comparable amounts and the amounts presented as a separate additional financial statement in the statement of comparison of budget and actual amounts.

The original budget for FY 2018-2019 was approved by the National Assembly. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities.

Kenya Utalii College,

Notes to the Financial Statements for the year ended 30th June 2019

c) Property, plant and equipment IPSAS 17

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

Depreciation is calculated on straight line basis, at annual rates estimated to write-off carrying values of the assets over their expected useful lives.

The annual depreciation rates in use are:-

	Rate	Estimated Useful Life
Freehold Land	Nil	
Leasehold Land		
Main College		55 Years
Library Complex		71 Years
Utalii Sports Club		70 Years
Utalii Village		56 Years
Vipingo		78 Years
Buildings	2.5%	40 Years
Plant and Machinery	10%	10 Years
Furniture, Technical &		
Teaching Equipment	20%	5 Years
Motor Vehicles	25%	4 Years
Computers	30%	3 ¹ / ₃ Years

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

d) Inventories IPSAS 12

Inventories comprising of food, beverage and general merchandise together with returnable containers and drugs have been valued at cost calculated on average basis.

e) Provisions

Provisions are recognized when the College has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Kenya Utalii College,**Notes to the Financial Statements for the year ended 30th June 2019**

f) A specific provision amounting to **Kshs 169,627,435.00** has been recognized. In addition a 5% general provision for doubtful debts has been created in the financial statement.

	PROVISION FOR BAD AND DOUBFUL DEBTS		
DETAILS	ACCOUNTS RECEIVABLE	SPECIFIC ACCOUNTS	TOTAL

5% 2017-2018 PROVISION	11,149,135	2,992,205	14,141,339

g) Nature and purpose of reserves

The College creates and maintains reserves in terms of specific requirements. The following are the reserves that are maintained by the College and their appropriate policies adopted.

Revaluation Reserve

The College's Assets were revalued in October 2014 by an independent Valuer, Nile Real Appraisers (EA) Ltd. The Revaluation exercise was carried out in order to establish the fair carrying value of the assets. This resulted in a revaluation surplus of kshs 4,320,753,492. Depreciation on the revaluation surplus is charged to the revaluation Reserve Account

Capital Reserve – Refurbishment of Utalii Hotel and Individual Kitchen

During the 2003/2004, 2005/2006 and 2007/2008 financial years, the College received capital grants from the Government of Kenya and Special Capital Grant from Catering and Tourism Development Levy Trustees to refurbish Utalii Hotel and Individual Training Kitchen amounting to Kshs.113,170,486, 15,000,000 and 30,000,000 respectively. These grants are amortized over the expected useful life of the building and useful life of the Equipment on a straight line basis.

The balance has been arrived at as follows:

Kenya Utalii College,**Notes to the Financial Statements for the year ended 30th June 2019**

	2018/2019 Kshs.	2017/2018 Kshs.
Balance at beginning of year	173,060,818	178,140,080
Less: Amortization	5,079,262	5,079,262
Balance at end of year	167,981,556	173,060,818

h) Employee benefits IPSAS 25**Retirement Benefit Obligations**

The College operates a defined contribution benefits scheme for its permanent employees. The assets of the scheme are held in a separate trustee administered fund that is funded by both the College and employees.

The College also contributes to a statutory defined contribution pension scheme, the National Social Security Fund (NSSF). Contributions are determined by local statute and are currently limited to Kshs.200 per employee per month. The College's contributions to the above schemes are charged to the income and expenditure account in the year to which they relate.

i) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year.

i) Taxation

Kenya Utalii College is exempted from taxation under the first schedule of the Income Tax Act Cap 470.

j) Contingent Liabilities and Assets**Contingent Asset**

There were no contingent assets that could lead to possible inflow of resources embodying economic benefits or service potential for the period.

Kenya Utalii College,

Notes to the Financial Statements for the year ended 30th June 2019

Contingent Liability

There were no contingent liabilities that could lead to possible outflow of resources embodying economic benefits or service potential for the period.

k) Capital Commitments

There were no capital commitments.

l) Financial Instruments

Financial Assets

Staff Loans Scheme Fund and Receivables

Loans and receivables are non- derivative financial assets with fixed or determinable payments that are not quoted in an active market. The receivables include trading debtors, student debtors and the staff loan scheme fund.

After initial measurement the financial assets are subsequently measured at amortized cost using the effective interest method less impairment. Losses arising from impairment are recognized in the surplus or deficit.

The Entity assesses at each reporting date whether there is objective evidence that a financial asset is impaired. A financial asset is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset that can be reliably estimated. Evidence of impairment may include the following indicators:

- ☐ The debtors or an entity of debtors are experiencing significant financial difficulty
- ☐ Default or delinquency in interest or principal payments
- ☐ The probability that debtors will enter bankruptcy or other financial reorganization

Financial Liabilities

Staff Loans Scheme Fund and GOK Loan

Financial liabilities are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Entity determines the classification of its financial liabilities at initial recognition. The liabilities include GOK loan and the staff loan scheme fund

Kenya Utalii College,

Notes to the Financial Statements for the year ended 30th June 2019

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in surplus or deficit when the liabilities are derecognized as well as through the effective interest method amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

m) Subsequent Events IPSAS 14

There have were no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2018.

n) Significant Judgements and Sources of Estimation Uncertainty IPSAS 1

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

Depreciation is calculated on straight line basis, at annual rates estimated to write-off carrying values of the assets over their expected useful lives.

The annual depreciation rates in use are:-

	Rate	Estimated Useful Life
Freehold Land	Nil	
Leasehold Land		
Main College		55 Years
Library Complex		71 Years
Utalii Sports Club		70 Years
Utalii Village		56 Years
Vipingo		78 Years

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

Inventories comprising of food, beverage and general merchandise together with returnable containers and drugs have been valued at cost calculated on average basis.

Provisions are recognized when the College has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

A specific provision amounting to **Kshs 169,627,435.00** has been recognized. In addition a 5% general provision for doubtful debts has been created in the financial statement.

p) Comparative Figures

The comparative figures for the previous financial year have been amended or reconfigured, with changes to the development grant received in Financial Year 2017/2018, accumulated depreciation for land from what was reported in the previous financial year's financial statements.

q) Intangible Assets IPSAS 31

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred.

The useful life of the intangible assets is assessed as either finite or indefinite. Amortization is calculated on a straight line basis over estimated useful lives not exceeding period of 5 years.

r) Changes in accounting policies and estimates

The entity recognizes the effects of changes in accounting policy retrospectively. The effect of changes in accounting policy are applied prospectively if retrospective application is impractical.

s) Ultimate and Holding Entity

The entity is a State Corporation under the Ministry of Tourism. Its ultimate parent is the Government of Kenya

t) Currency

The Financial Statements are presented in Kenya Shillings (Kshs)
