In the circumstances, the validity and accuracy of the account balances reflected in the financial statements could not be confirmed.

## **5. Presentation of the Financial Statements**

The financial statements submitted for audit contained the following anomalies:

- (i) While the Public Sector Accounting Standards Board (PSASB) stipulates that the Fund's financial statements be prepared in accordance with the Accrual Basis of Accounting Method under the International Public Sector Accounting Standards (IPSAS), the cover page of the Fund's financial statements indicate that the financial statements are prepared in accordance with the both Accrual and Cash Basis of Accounting Method under the IPSAS. In addition, page 12 and 16 of the financial statements indicate that the financial statements are prepared in accordance with Cash Basis and therefore misleading to the users of the financial statements.
- (ii) The Fund's financial statements reflect County Assembly of Isiolo as part of the header and therefore misleading to the users of the financial statements as to whether they relate to the Fund or to the County Assembly of Isiolo.
- (iii) The Funds financial statements under page 3 and 6 reflects Key Assembly Information and Management and Statement of Management Responsibilities respectively containing information about the County Assembly of Isiolo instead of the Fund's information. Further, PSASB stipulates that the Fund's financial statements should reflects information about the board of trustees, management team, chairperson's report, report of the administrator, corporate governance statement, management discussion and analysis and report of the trustees. However, these details are not included in the Fund's financial statements for the year under review.
- (iv) The Fund's statement of financial performance for the year ended 30 June, 2019 has been reflected as statement of financial performance as at 30 June, 2019 instead of for the year ended 30 June, 2019 in line with IPSAS 1 on presentation of financial statements.
- (v) Note 7 to the financial statements reflects Kshs.21,054,458 in respect to accounts receivables. However, the loans due balance has not been broken down to current accounts receivables and non-current accounts receivables in contravention of Paragraph 76 of IPSAS 1 which provides that an asset shall be classified as current if it is expected to be realized within twelve months after the reporting date. All other assets shall be classified as non-current.
- (vi) The Administrator of the Fund did not indicate his name while the Fund Accountant did not indicate both his name and Institute of Certified Public Accountants of Kenya

(ICPAK) Membership Number contrary to the Public Sector Accounting Standards Board (PSASB) guidelines which stipulates that the statement of financial performance should be signed by Administrator of the Fund who should also indicated his/her name and the Fund Accountant who should also indicate his/her name and his/her (ICPAK) membership number.

- (vii) The progress on follow up of prior years' audit recommendations has not been reflected in the financial statements.

In the circumstances, the Fund's financial statements are not prepared in accordance with the stipulated PSASB guidelines for financial reporting.
