The budget performances differ with the actual amount for current year based on economic classification and programmes due to late disbursement of funds.

There have been emerging issues like political, economic, social, legal and global challenges influencing the implementation of NG CDF Projects.

Other issues that normally affect implementation process is the late disbursement of funds, late approval of proposals and reallocations. We wish that the disbursement will be done in time and also to speed up the process of approving project fund reallocations.

### Detail key achievements for the NG CDF

- Uplifted the unfortunate in society through the bursary funding.
- Improved security through provision of offices and houses to AP posts, police post & chiefs camps.
- Development of day and boardingsecondary schools andimproving learning institutions.
- Eradicating poverty at grass root level.

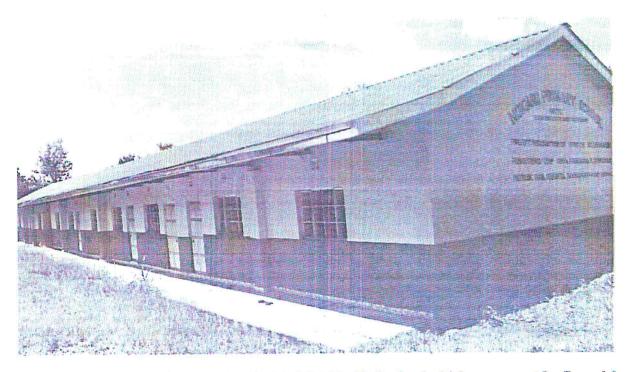

The above Project was funded in 2019/2020. This is a 400 capacity dining hall which was built from scratch upto finishing at a cost of ksh 5,000,000. Previously the school never had a permanent dining hall so this have improved the standard of the school.

Reports and Financial Statements For the year ended June 30, 2020

The above Education Project was funded in 2019/2020 with the allocation of ksh 2,500,000 whose work was to renovate 5 classrooms tiling, plastering box profile roofing painting and fixing of metal doors andwindows. Previously the classes were in sympathetic condition but after renovation this will motivate the pupils hence raising their grades.

The above Education Project was done in 2019/2020with the fund which was meant for financial year 2018/2019 with the allocation of ksh 2,500,000 whose work was to renovate 5 classrooms tiling, roofing and painting doors and windows. These have improved the standard of education.

IV CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

NGCDF – Ndia Constituency exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely; Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

1. Sustainability strategy and profile -

The NG-CDF NDIA Committee endeavored to work within the existing policy guidelines that helped in focusing on the service delivery and drive to better performance with the involvement of both internal and external stakeholders on matters development. The relevance of this was attributed to our vision, mission and core values as provided for in our strategic plan.

In line with the above policies, NGCDF Ndia always organise with all pmc members for regular trainings where they are taught ways to sustain themselves. For example once a certain school has been built a classroom the parents through their effort can add one more or still equip the new classroom with furniture.

Once students have a clean environment for learning, This will lower absenteeism in schools and have healthy learning.

2. Environmental performance

In keeping the environment clean and sustainable NGCDF Ndia involves the community, schools and other like-minded individuals in problem solving on issues about the environment. This is achieved through financing schools and groups in tree planting activities and seed beds preparation where they later sell the seedlings to other members of the community at a lower cost which enable them to offer a hand in conserving the environment.

We also sink boreholes in schools to enable them water the planted trees and grass which in the end prevent soil erosion

3. Employee welfare

NG-CDFC NDIA offers only categories of employment, which are Contract employees who are employed for three year on a renewable contract. Such employees are eligible for employee benefits in line with the statutory requirements.

Casual employees are hired to perform specific duties on a daily or weekly basis on a piece rate payment system. Casuals are not allowed to work continuously for more than three (3) months and are not eligible for any employee benefits in line with statutory requirements.

In addition to this, employees are regularly trained on various issues of the fund to those employees who would like to further their studies they are given an upper hand where they are paid for their school fees. Also the working environment is made conducive by it being clean and comfortable to work in

Employees who feel appreciated will be more fulfilled, satisfied and more productive. This will not only lead to higher productivity but also satisfied customers.

Reports and Financial Statements

For the year ended June 30, 2020

In selecting candidates for promotion, regard is given to merit and extra ordinary ability as reflected in work performance and results after the annual performance appraisal Recommendations for promotion is only made by the NG-CDFC resolution

4. Market place practices-

### I. MARKET PLACE PRACTICES

NG-CDFC fund was designed to support constituency-level, grass-root development projects. It is aimed to achieve equitable distribution of development resources across regions and to control imbalances in regional development brought about by partisan politics. It targets all constituency-level development projects, particularly those aiming to combat poverty at the grassroots and entrench equitable distribution of development in line with the NG-CDFC Act 2015 provisions

The objective of the Fund is to provide mechanisms for supplementing implementation of the National Government Development Agenda at the constituency level.

NGCDF Ndia has formed a habit of advertising tenders in public places and in our website and the notice board.

During projects implementation the office transfers funds to the Project Management Committees who are thereafter guided during tendering process, to ensure that the locals benefit competitively in the provision of services and materials to the projects.

How the organization ensures responsible competition practices with issues like anticorruption, responsible political involvement, fair competition and respect for competitors

### 5.COMMUNITY ENGAGEMENTS

Public Participation in Project Identification and Implementation and Monitoring
The NG-Constituency Development Act 2015 stipulates in part 5 section 27 subsection 1 and 2 that
the chairperson of the NG-CDFC shall, within the first year of the commencement of a new
Parliament and at least once every two years thereafter, convene open forum public meetings in every
ward in the constituency to deliberate on development matters in the ward and in the constituency.

The NG-CDFC shall then deliberate on project proposals from all the wards in the constituency and any other projects which the Constituency Committee considers beneficial to the constituency, including joint projects with other constituencies, consider the national development plans and policies and the constituency strategic development plan, and identify a list of priority projects, both immediate and long term, out of which the list of projects to be submitted in accordance with the Act shall be drawn from. There after the list of proposed constituency based this Act shall be submitted by NG-CDFC to the Board.

Public participation is the process that directly engages the concerned stakeholders in decision making and gives full consideration to public input in making that decision.

Public's engagement is a vital part of many projects and the benefits of it are well documented, such as better outcomes for all stakeholders, community ownership and lower project costs. When the Public is involved in a project, they feel motivated to work together, recognize the benefits of their involvement and have ownership of the projects and the decision making process, which is key to a

Reports and Financial Statements For the year ended June 30, 2020

successful project outcome and their sustainability.

Effective public engagement is about recognizing that involving the public in a project is no longer about information dissemination and telling the people what is being done, but is a two-way information sharing tool. The more views gathered in the process of making a decision, the more likely the final product will meet the most needs and address the most concerns possible. This public participation makes the community to own projects.

V STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES FOR THE YEAR ENDED SOTH JUNE 2020

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-NDIA Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2020. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of Ndia Constituency; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-NDIA Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the NG CDF Ndia financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2020, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF-NDIA Constituency further confirms the completeness of the accounting records maintained for the entity, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF-NDIA Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF-NDIA Constituency financial statements were approved and signed by the Accounting Officer on

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - NDIA CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2020

### REPORT ON THE FINANCIAL STATEMENTS

### **Qualified Opinion**

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Ndia Constituency set out on pages 14 to 51, which comprise of the statement of assets and liabilities as at 30 June, 2020, statement of receipts and payments, statement of cash flows and the summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Ndia Constituency as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with the International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and the Public Finance Management Act, 2012.

### **Basis for Qualified Opinion**

### 1. Inaccuracies in the Summary Statement of Appropriation

The summary statement of appropriation - recurrent and development combined reflects Kshs.364,245,501 on three (3) items while re-computation of the same balances gave Kshs.366,645,501 resulting to an unexplained variance amounting to Kshs.2,400,000 as shown below:

Description	Summary statement of Appropriation Balance (Kshs.)	Recomputed Balance (Kshs.)	Variance (Kshs.)
Total adjustments (Payments)	75,721,469	76,521,469	800,000
Final Budget (Payments)	213,152,193	213,952,193	800,000
Budget utilization (Payments)	75,371,839	76,171,839	800,000
Total	124 114 12 12 12 12 12 12 12 12		2,400,000

Further, the financial statements did not include separate development and recurrent summary statements of appropriation.

In the circumstances, the accuracy, completeness and validity of balances reflected in the summary statement of appropriation for the year ended 30 June, 2020 could not be confirmed.

### 2. Unsupported Fuel

As disclosed in Note 5 to the financial statements, the statement of receipts and payments reflects use of goods and services amounting to Kshs.7,168,990. The balance includes, under routine maintenance - vehicles and other transport equipment, an amount of Kshs.1,455,929 paid to a firm for supply of fuel, oil and lubricants. However, supporting documents including suppliers' statements, fuel registers, and requisition from the user department were not provided.

In the circumstances, the accuracy, completeness and validity of the expenditure totalling to Kshs.1,455,929 for the year ended 30 June, 2020 could not be confirmed.

### 3. Unsupported Refurbishment of the Fund Offices

As disclosed in Note 8 to the financial statements, the statement of receipts and payments reflects acquisition of assets totalling to Kshs.1,150,000 which relates to refurbishment of buildings which was carried out in the Fund's Office during the financial year. However, Engineers Estimates, Completion Certificates and Inspection and Acceptance Committee Certificate were not provided.

In the circumstances, the accuracy, completeness and validity of the acquisition of assets totalling to Kshs.1,150,000 for the year ended 30 June, 2020 could not be confirmed.

### 4. Inaccuracies in Committee Bank Balances

As reported in the previous year, Note 17.5 to the financial statements reflects Project Management Committee (PMC) account balances totalling to Kshs.11,629,877 as further, disclosed in Annex 5. However, the 2018/2019 financial statements reflected a re-casted balance of Kshs.8,101,940 resulting to an unreconciled variance amounting to Kshs.3,527,937. In addition, re-casting of the comparative balance in the 2019/2020 financial statements for the same item reflects an amount of Kshs.9,478,392 resulting to an unexplained variance amounting to Kshs.1,376,452.

In the circumstances, the accuracy, completeness and validity of the comparative balances totalling to Kshs.11,629,877 for the year ended 30 June, 2020 could not be confirmed.

### 5. Inaccuracies in Unutilized Funds

Note 17.3 to the financial statements reflects unutilized fund 2018/2019 comparative balance totalling to Kshs.67,186,578. However, the summary statement of appropriation - recurrent and development combined reflects Kshs.75,721,469 in respect

to adjustments for the year being the unspent funds in the previous year resulting to an unreconciled and unexplained variance of Kshs.8,534,891.

In addition, the same Note reflects unutilized funds amounting to Kshs.75,371,839 for the year under review which includes use of goods and services amount of Kshs.9,071,060. However, the summary statement of appropriation - recurrent and development combined reflects an amount of Kshs.9,871,060 in respect budget utilization difference which relates to unutilized funds for the year under review resulting to an unreconciled variance amounting to Kshs.800,000.

In the circumstances, the accuracy, completeness and validity of the unutilized funds totalling to Kshs.75,371,839 for the year ended 30 June, 2020 could not be confirmed.

### 6. Unsupported Project Implementation Status Report

As disclosed in Note 6 and Note 7 to the financial statements, the statement of receipts and payments reflects transfers to other government entities amount of Kshs.81,603,800 and other grants and other payments amount of Kshs.45,028,259 all totalling to Kshs.126,632,059 spent on project implementation during the year. However, the reflected attached lists in the Notes, supporting documents including funds disbursed, date of projects completion, location of the projects and total funds allocated per project for the 2019/2020 financial year were not provided.

In the circumstances, the accuracy, completeness and validity for the expenditure totalling to Kshs.126,632,059 as per the Report for the year ended 30 June, 2020 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Ndia Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

### **Other Matter**

### 1. Budgetary Control and Performance

The summary statement of appropriation - recurrent and development combined reflects final receipts budget and actual on comparable basis totalling to Kshs.213,152,193 and Kshs.143,784,468 respectively, resulting to an under-funding of Kshs.69,367,725 or 33% of the budget. Similarly, the statement reflects final expenditure budget and actual on comparable basis totalling to Kshs.213,152,193 and Kshs.137,780,354 respectively, resulting to an under expenditure of Kshs.75,371,839 or 36% of the budget.

The underfunding and underperformance affected the planned activities and may have impacted negatively on service delivery to the public.

### 2. Unresolved Prior Year Matters

In the audit report of the previous year, several issues were raised. However, the Management has not provided evidence supporting how the issues were resolved or given any explanation for failure to adhere to the provisions of the Public Sector Accounting Standards Board templates and The National Treasury's Circular Ref: PSASB/1/12 Vol.1(44) of 25 June, 2019.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

### 1. Unsatisfactory Project Implementation - Upper Sagana Primary School

The Management transferred an amount of Kshs.2,700,000 to Upper Sagana Primary School for renovation of six (6) classrooms. However, a review of the bills of quantities and physical verification in December, 2020 revealed that work worth Kshs.52,650 was not done.

In the circumstances, the propriety and value for money of expenditure totalling to Kshs.52,650 in respect to renovation of classrooms for the year ended 30 June, 2020 could not be confirmed.

### 2. Unsatisfactory Project Implementation - Kianjege West Security Project

Management transferred an amount of Kshs.1,500,000 to Kianjege West Security Project for construction of exhaustible toilet and urinal to completion. However, review of the bill of quantities and project verification in December, 2020 revealed that the contractor used blue gum wood which was not treated instead of sawn first grade cypress wood treated with one coat of wood preservative at a cost of Kshs.97,600.

Further, structural drawings and architectural drawings and approvals by the relevant Government Departments were not provided.

In the circumstances, the propriety and value for money of expenditure totalling to Kshs.1,500,000 during the year ended 30 June, 2020 could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the

financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

### Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with Governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the Fund monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and

risk management, and ensuring the adequacy and effectiveness of the control environment.

### Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Reports and Financial Statements

For the year ended June 30, 2020

### XII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

### 2. Reporting Entity

The financial statements are for the NGCDF-NDIA Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

### 3. Reporting Currency

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Governmentand all values are rounded to the nearest Kenya Shilling.

### 4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

### a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

### Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

### Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

### NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) – NDIA CONSTITUENCY

### Reports and Financial Statements

For the year ended June 30, 2020

### SIGNIFICANT ACCOUNTING POLICIES

### External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2020, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

### Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

### b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

### Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

### Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

### Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

SIGNIFICANT ACCOUNTING POLICIES

### 5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

### 6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

### 7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

### 8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

### 9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Fayments in the year in which the payments are made.

### 10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

### NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) – NDIA CONSTITUENCY

Reports and Financial Statements

For the year ended June 30, 2020

### 11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Farliament on June 2019 for the period 1st July 2019 to 30th June 2020 as required by Law and there was none supplementary adjustment to the original budget during the year. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

### 12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

### 13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2020.

### 14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

### 15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.

However, the contractor was paid the full contract amount without evidence of deduction of the retention fee. Further, physical verification carried out on 12 February 2020 revealed a poor workmanship of the project that includedcracked, peeling off floors, and the windows did not have locks for closing them. Further, the	This has been noted and the school management has already embarked on repairing the verandah, the walls and replacing the mishondled locks for the windows. The school admitted to occupying the classrooms before proper curing of the floor and the wall due to the large population of the students versus the number of classes the school has.
