I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

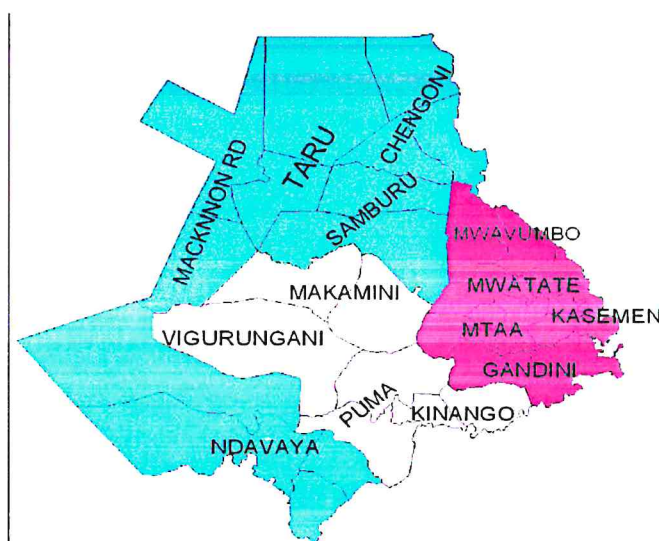

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided ' under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

II.FORWARD BY THE CHAIRMAN NGCDF COMMITTEE

Background

Kinango Constituency is geographically located in Kwale County in the southern region of coastal Kenya. It covers a total area of 4,011 square kilometers and borders Lungalunga in the south, Matuga and Changanwe in the east, Kaloleni, Ganze in the North and Voi in West. According to the most recent census data, it has a total population of 249,560 people with a poverty index of 84.5%. Most of Kinango land mass is semi arid.

Administratively, Kinango Constituency is composed of 7 electorate wards; namely: Kinango ward, Mwavumbo ward, Kasemeni ward, Puma ward, Samburu ward, Mackinnon road ward and Ndavaya ward.

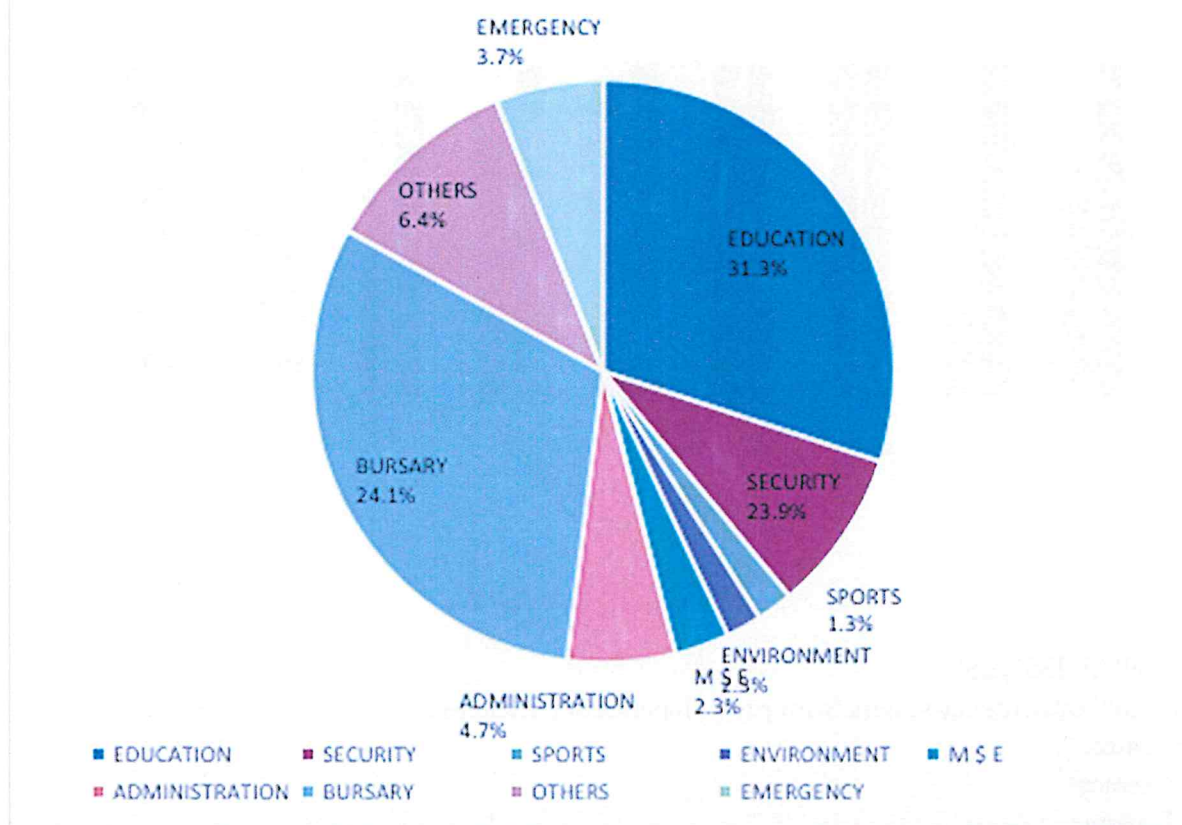

Financial Statement FY 2019-2020

I am pleased to forward the Financial Statements and Reports for NGCDF Kinango Constituency for the period ended 30th June 2020 as the expended Budget for the Financial Year 2019/2020. The actual budget from the NGCDF Board for the referred period was kshs.137,367,724.10 which represents the total annual Project Proposal Budget for the FY 2019/2020. The actual final budget for the referred period was kshs.126,019,713 backed up by an Adjustment (unutilized funds balances brought forward) of kshs.63,519,712.

Total expenditure for the period was kshs.118,760,334 which is equivalent to 59.1% of the actual final budget closing with a unutilized funds balance of kshs.82,127,102 representing a 37.3% of the final actual budget for the referred period

Budget allocations for the period have been summarized in a pie-chart as captured below

1. SECTOR ALLOCATION OF FUNDS FY 2019-2020

As depicted in the pie-chart, education has remained a major priority as it takes a lion's share of the entire budget totaling 55.4% comprised of 31.3% being for education infrastructure projects such as construction of classrooms, dormitories, libraries, laboratories, administration blocks, ablution blocks among others and 24.1% being bursaries for needy and bright students both in secondary and tertiary institutions of learning.

Environment allocation has gone along way to conserve the environment through implementation of projects such as construction of VIP toilets to improve waste disposal and planting of trees in schools and public compounds.

Sports allocation has awoken talents harnessing for the youths as they engage in various sporting activities and competitions.

Emergency allocation has come in hand to arrest life threatening calamities mostly caused by mother nature that may not have been prior planned for as they are unforeseen in nature

Administration allocation capacitates the committee to manage the fund efficiently and effectively

2. PROJECTS OUT PUT AND LEVEL OF FUND UTILIZATION

The low level of project implementation was due to delays occasioned by late disbursement of funds by the Board coupled with the bureaucracies in the procurement laws which makes it virtually unviable to expend the budget within the required time frame

Hence the less than 100% utilization is as shown in the bar-graph below

PERENIAL ISSUES

Kinango Constituency suffers from pre-independence challenges of;

- i) Diseases,
- li) Illiteracy
- lii) Poverty

As a result, the fund has continuously endeavored to lead in the fight against illiteracy by supporting education 100% through infrastructure development and students sponsorship, construction of security facilities notable chief's offices and police posts in every village of the constituency and more so promotion of sports and conservation of the environment.

EMERGING ISSUES

- i. Economic collapse caused by covid-19 pandemic
- ii. Climatic changes causing droughts, unpredictable rainfall
- iii. Ban on charcoal burning
- iv. High rural-urban migration by youth due to joblessness thus stripping the community of much needed man-power for development

Despite a few challenges here and there, NG-CDF continues to be one of the most preferred devolved funds at the grassroots by the society due to its broadened and inclusive management style and the visible tangible results that have brought hope to many villages that not so long ago were leaving in despair and ravaging poverty.

Signed

Chairman - NGCDF Kinango Constituency

III. STATEMENT OF PERFORMANCE AGAINST CONSTITUENCY'S PREDETERMINED OBJECTIVES

Introduction

Section 81 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each National Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board including a statement of the national government entity's performance against predetermined objectives.

Kinango Constituency is mainly made up of the semi-arid lands of Kwale County. Thus the main economic activity is small scale farming and animal husbandry. Arable land is majorly semi-arid though the population practice some crop production mainly food crops such as maize, beans, green grams and sim-sim. They also keep some livestock such as cows and goats.

The constituency has people of diverse culture that co-exist and participate in the development of the constituency but majority of the population is composed of the duruma community

Majority of the population is poor and records high illiteracy rate and perennial food deficit. This is one of the biggest challenges that faces the population of Kinango Constituency. In terms of infrastructural development, the constituency lags behind in poor road network, inadequate safe drinking water, schools, security infrastructure and health facilities.

Majority of the population of Kinango Constituency derive their livelihood from subsistence agriculture and livestock keeping. The area experiences unreliable rainfall and the population has perennial shortage of food and has repeatedly to depend on the government for food relief. Thus 65 per cent of the populations are food poor, 43 per cent are hardcore poor meaning that they cannot meet the basic minimum food requirements even after spending all their income on food alone. About 60 per cent of the adult population cannot meet the minimum cost of food and non food items essential for human life hence are absolutely poor. In terms of gender, 45 percent of the poor are male and 55 percent are female. The highest poverty incidence is found in the hinterland areas of the constituency where majority inhabitants are duruma.

Lack of sufficient and reliable sources of potable water supply and sanitation services in Kinango Constituency have greatly contributed to the high poverty levels inherent of the area. Provision of readily available potable water supply and improved sanitation will impact positively on the livelihoods of the communities by availing adequate time for engagement in farming and other economic activities, eradication of water borne related diseases, improved food security and better health care services.

The constituency has endeavored to come up with strategic objectives and related programmes and projects that have been formulated to better the livelihoods of the constituents as envisaged in the five year strategic plan (2018-2022). This is a commitment by the Kinango NGCDF Committee to initiate projects for a period of five years that is expected to transform the livelihoods of the constituents for the better.

IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

NGCDF – Kinango Constituency exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely; Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

1. SUSTAINABILITY STRATEGY AND PROFILE -

Kinango NGCDF Committee endeavored to work within the existing policy guidelines that help in focusing on the service delivery and drive to better performance with the involvement of both internal and external stakeholders on matters of development. The relevance of this is attributed to our vision, mission and core values as provided for in our strategic plan.

Vision

To be a leader in promoting citizen's driven socio-economic programmes for sustainable development

Mission

To provide an enabling environment to accelerate implementation of socio-economic programmes and projects for the benefit of the communities in Kinango Constituency.

Goal

The goal of Kinango Constituency Development Fund Committee is to improve the socio-economic well being of the marginalized and underprivileged communities.

Core Values

The core values are integral part of an organization's culture and create a sense of identity belonging and purpose. Kinango NGCDF Committee has therefore agreed to uphold the following principles as its core values:-

Team work – *We are deliberately nurturing team spirit, collaboration and consultation and we shall maximize our synergies in working together.*

Customer Satisfaction – *We are committed to satisfying both our internal and external customers.*

Integrity – *We aim to be accountable, transparent, ethical and honesty and at the same time adopt a zero tolerance to corruption.*

Gender Equity – *We shall embrace the principles of gender equity, fairness and balance across gender.*

Creativity and Innovativeness – *We shall remain open and pro-active in seeking better methods of delivery of service.*

Commitment – *We will be committed to our set objectives.*

Respect to diverse culture – *We will accommodate every stakeholder regardless of cultural background.*

2. ENVIRONMENTAL PERFORMANCE

Environment Policy and Action Plan

Protection of the environment in which we live and operate is part of Kinango NGCDF initiatives

Care for the environment is one of our key responsibilities and an important aspect in the way in which we carry out our operations.

Our Environmental Policy

In this policy statement Kinango NGCDF commits to:

- Comply with all relevant environmental legislation, regulations and approved codes of practice
- Protecting the environment by striving to prevent and minimize our contribution to pollution of land, air, and water
- Seeking to keep wastage to a minimum and maximize the efficient use of materials and resources
- Managing and disposing of all wastage in a responsible manner;
- Providing training for our CDFC and staff so that we all work in accordance with this and within an environmentally aware culture
- Regularly communicating our environmental performance to our employees and other significant stakeholders
- Developing our management processes to ensure that environmental factors are considered during planning and implementation
- Monitoring and continuously improving our environmental performance.
- Seeking to leverage our environmental impact by encouraging stakeholders to improve their environmental performance

Our Environmental Action Plan

Kinango NGCDF has identified four areas in which we as an office have direct or indirect environmental impact, and where we can implement initiatives to manage and reduce these impacts. These four areas together with our approach and targets for each are shown below:

Impact Area	Approach
Capacity Building	<ul style="list-style-type: none"> ● Promote environmental awareness by sensitizing the Kinango NGCDFC, NG CDFC staff and PMCs on good conservation practices ● To encourage, through regular communication to Kinango NGCDFC, staff, and other stakeholders changes in individual behaviour to reduce usage
Conservation of Energy and Resources	<ul style="list-style-type: none"> ● To maximize use of available technologies to remove the need to use paper ● To encourage our clients to engage with us using electronic means where possible ● To maximize on rain water harvesting ● To make energy efficiency a key factor in the selection of any new energy device being purchased ● To invest in available energy saving technologies and devices within our existing premises
Environmental Protection and Conservation	<ul style="list-style-type: none"> ● To promote use of volt guards to control power surges ● We have constructed culverts and gabions to prevent soil erosion ● To encourage tree planting in the constituency to improve the forest cover. ● To promote purchase and installation of fire extinguishers to aid in extinguishing and controlling fires

Pollution Control and Waste Management	<ul style="list-style-type: none"> • To ensure that all paper waste is recycled • To ensure segregation of waste • To ensure proper human waste disposal through construction of pit latrines, septic and soak pit tanks
--	---

3. EMPLOYEE WELFARE.

Employee welfare is a specialty within the broader field of management that focuses on managing employees. It is the efficient and effective process of acquisition, development, motivation and maintenance of labour at optimum levels. It is strategic; and it matches people to the strategic and operational needs of the organization, and ensures that the human resources are fully utilized. It is also holistic in nature, and is concerned with the overall people requirements of an organization. It ensures that an organization's people as the most important resource are taken in consideration, as well as, its financial and technological resources.

Categories of Employment

Kinango NGCDF offers two categories of employment, namely - Contractual employment which engages employees for 3 years on a renewable contract subject to satisfactory performance and Temporary employment that offers a 1 year open contract also renewable subject to satisfactory performance and assignments availability.

Casual employees are hired to perform specific duties on a daily or weekly basis on a piece rate payment system. Casuals are not allowed to work continuously for more than three (3) months and are not eligible for any employee benefits in line with statutory requirements.

Recruitment Procedure

Available job vacancies are advertised by the NGCDF Office - Kinango constituency with the blessings of the NGCDF Committee Kinango constituency

The Advertisement contains the following:

- Job title
- Main purpose of the job
- A brief description of the key responsibilities of the job
- Education, experience, skills and competencies required for the job
- Location of the job.
- Clear instructions on how to apply and information to be submitted in the application
- Closing date for receipt of applications

Appointment of a selection and Interview subcommittee

A selection and interview subcommittee is appointed to oversee the selection strategy for application review, determination of testing methodology, administration of tests and scoring, and reference check criteria.

Interviews

Interviews for staff employment are conducted in a manner that complies with the office's commitment to equal employment opportunity, to ensure that qualified candidates are not discriminated based on ethnicity, religion, gender, age, disability, status etc.

Offer of Appointment

A person appointed to the office will be given the appropriate letter of offer of appointment, as the case may be, which may be accepted or rejected by the candidate within the stipulated time.

Letters of Appointment

A written contract of service that is signed by the NGCDF Committee Chairman is then issued, which stipulates specifications of employment which include, the name and address of the employee, job description, date of commencement of the job, form and duration of the contract, place of work, hours of work, remuneration, termination, terms and conditions of employment which the employee is entitled to.

Health, Safety and Well Being

This provides guidelines on the health, safety and well-being of the office staff

Guidelines to General Safety

The office has maintained healthy and safe working conditions for its employees to ensure there is no personal injury caused by accidents.

All the staff must always consider safety to themselves and others when performing their duties. They should not compromise on quality, cause injury, ill health, loss or environmental damage.

Emergency Preparedness

Every Department depending on the nature of work and services shall plan for foreseeable incidents such as accidents, explosions, fire, flood etc. and prepare and outline procedures to be followed in such events.

Fire precautions

The fire protection facilities have been provided both inside and outside the building and they are adequate and maintained annually

General information on fire precautions and fire equipment is contained in stickers on the wall next to the fire extinguishers

Provision of protective equipment and clothing

The Fund Account Manager ensures that officers who are employed in any process involving exposure to wet or to any injurious or offensive substances are provided with adequate, effective and suitable protective clothing and appliances.

Reporting of an Accident

Immediately an accident or development of an occupational disease resulting in death or injury to an officer comes to the notice of the officer under whom he/she is directly deployed, the supervisor should make a claim for compensation in accordance with the procedures set out in the Occupational Safety and Health Act 2007 and Work Injury Benefits Act 2007.

Guidance and Counseling

The current challenges in the workplace and family environment affect the performance and well-being of an officer. To address these challenges, the office undertakes guidance and counseling of the affected staff however, consultation with family members or support system may be sought when deemed necessary.

Health Care Services

The staff, including spouses and children, are eligible to affordable health care services and to benefit from the NHIF medical scheme as statutory deductions are done and remitted on a monthly basis

HIV/AIDS

HIV and AIDS is a major challenge facing officers in and out of the Institute. It poses a big threat to the individual, the family and the public service. It is in cognizance of this that the Institute has put in place care and support programs for the infected and affected officers to enable them remain productive.

HIV/AIDS shall be treated like any other challenging issue at the workplace. All officers of the Institute shall have a role to play in the wider struggle to mitigate the effects of the pandemic. An officer shall not be discriminated or stigmatized on the basis of HIV status. It is an offense for any person to discriminate another on the ground of actual, perceived or suspected HIV status. It is the responsibility of the Fund Account Manager in liaison with NGCDF

Committee to minimize the risk of HIV/AIDS transmission by adopting first aid/universal infection control precautions at the workplace.

HIV/AIDS screenings shall not be a requirement for job seekers, recruitment or for persons in employment. Screenings shall be confidential, voluntary and shall be after counseling. There shall be no disclosure of HIV/AIDS test results of any related assessment results to any person without the written consent of the officers.

Drug and Substance Abuse

Addiction to drugs or substance will be treated like any other disease. An officer who is determined to deal with drug and substance abuse problem by engaging in rehabilitation services will be referred by the office by a Government doctor for evaluation, within the limits and budgets endorsed by the NGCDF Committee.

Persons Living with Disability

An employee with an impairment in his/her body will be expected to confirm their disability status with a doctor after medical examination. Once it is confirmed that he/she is disabled, the employee will register with the National Council for Persons with Disabilities. The employee will then present the registration certificate from the National Council for Persons with Disabilities to the Institute which will then recognize them as employees living with disabilities. The office shall provide facilities and effect such modification, whether physical, administrative or otherwise, in the workplace as may be reasonably required to accommodate persons with disabilities.

Sexual harassment and other Forms of Harassment

Any staff of the office should not harass another officer sexually through, direct or indirect request for favours, use of language whether written or spoken of a sexual nature, use of visual material of a sexual nature and show physical behaviour of a sexual nature which directly or indirectly subjects the person to behaviour that is unwelcome or offensive.

Disciplinary action will be taken against an officer of the Institute for harassing another person.

Harassment may be based on racial, tribal, gender, marital status, religious or ethical belief, disability, age, political opinion, employment status, family status, sexual orientation, or involvement in the activities of an employee's organization.

The improper use of power based on administrative or Managerial status (i.e. the use of a position to insult, bully, dominate, manipulate, disadvantage or discriminate) may also constitute harassment.

Bullying—which means repeated, deliberate and targeted conduct by a person towards a staff member which is offensive, intimidating or

humiliating and which detrimentally affects that member's well-being.

Reporting Harassment Cases

Any staff who believes that they have experienced some form of harassment should report harassment cases as outlined in the office complaints procedures manual

4. MARKET PLACE PRACTICES

The National Government Constituencies Development Fund NGCDF was designed to support constituencies at the grassroots fight inequalities of the marginalized and alleviate poverty. It is aimed to achieve equitable distribution of development resources across regions and to control imbalances in regional development brought about by partisan politics. It targets all constituency-level development projects, particularly those aiming to combat poverty at the grassroots and ensure equitable distribution of development in line with the NGCDF Act 2015 (as amended in 2016)

The objective of the Fund is to provide mechanisms for supplementing implementation of the National Government development Agenda at the constituency level.

a) Responsible competition practice.

During projects implementation the office transfers funds to the Project Management Committees who are thereafter guided during tendering process, to ensure that the locals benefit competitively in the provision of services and materials to the projects.

How the organization ensures responsible competition practices with issues like anti-corruption, responsible political involvement, fair competition and respect for competitors

b) Responsible Supply chain and supplier relations

Payments to suppliers are done promptly upon presentation of requisite supporting documents

c) Responsible marketing and advertisement - outline efforts to maintain ethical marketing practices

Advertisement for tenders is done publicly and no form of discrimination is applied to unfairly lock out interested bidders

d) Product stewardship

In order to safeguard consumer rights and interests, Kinango NGCDF came up with a service charter and the complaints handling policy, principles and procedures brochure.

The service charter points out our commitment in ensuring that we provide quality services to our customers with high level professionalism, dignity, integrity and courtesy, whereas complaints handling policy, principles and procedures shows our commitment to consistent, fair and confidential complaint handling and to resolve complaints as quickly as possible

5. COMMUNITY ENGAGEMENTS

Public Participation in Project Identification, Implementation and Monitoring and Evaluation is a core indicator of transparency and accountability in the management of public resources

The NGCDF Act 2015 (as amended in 2016) stipulates in part 5 section 27 subsection 1 and 2 that the chairperson of the NGCDF Committee shall, within the first year of the commencement of a new Parliament and at least once every two years thereafter, convene open forum public meetings in every ward in the constituency to deliberate on development matters in the ward and in the constituency.

The NGCDF Committee shall then deliberate on project proposals from all the wards in the constituency and any other projects

which the Constituency Committee considers beneficial to the constituency, including joint projects with other constituencies, consider the national development plans and policies and the constituency strategic development plan, and identify a list of priority projects, both immediate and long term, out of which the list of projects to be submitted in accordance with the Act shall be drawn from. There after the list of proposed constituency based projects to be covered under this Act shall be submitted by NGCDF Committee to the NGCDF Board.

Public participation is the process that directly engages the concerned stakeholders in decision-making and gives full consideration to public input in making that decision.

Public's engagement is a vital part of many projects and the benefits of it are well documented, such as better outcomes for all stakeholders, community ownership and lower project costs.

When the public is involved in a project, they feel motivated to work together, recognize the benefits of their involvement and have ownership of the projects and the decision making process, which is key to a successful project outcome and their sustainability.

Effective public engagement is about recognizing that involving the public in a project is no longer about information dissemination and telling the people what is being done, but is a two-way information sharing tool. The more reviews gathered in the process of making a decision, the more likely the final product will meet the most needs and address the most concerns possible.

In summary stakeholders participation is important since:

- Providing information helps them understand the issues, options, and solutions available for the projects
- Consulting with the public aids in obtaining their feedback on alternatives or decisions
- Involving the public to ensure their concerns are reconsidered throughout the decision process, particularly in the development of decision criteria, options and preferred solutions that are workable, efficient and sustainable.

Public Awareness

This includes mechanisms for participation and cooperation with local, regional and national agencies, and for conducting community based needs assessments and public awareness campaigns and holding community meetings

Public Awareness and Sensitization Exercise Provide

- A menu of options for including individuals and organizational actors in identifying development priorities and selecting NGCDF projects.
- Ensuring implementation of NGCDF funded projects are transparent and known to everybody within the community.
- Increase accountability hence ensure local citizens gain skills and confidence to carry out social audits as means to enhanced accountability in management of other devolved funds apart from NGCDF at constituency and other levels within the constituency.
- Increase public participation at all stages of project cycle funded under NGCDF
- Identify control and report any irregularities witnessed during NGCDF project implementation cycle
- Measure the impact of the projects funded by NGCDF
- Enable people to exercise their rights by instilling democratic culture through enhanced

social accountability and transparency among state and non state actors.

- Promote awareness creation on constitution and devolved governance system in Kenya

Covid-19 Mitigation Measures

Taking into consideration the current Corona Virus epidemic, in line with the Government's directive on reducing the chances of being infected or spreading COVID-19, the office resolved in aiding by taking the following precautionary measures.

- Through Kenya Ports Authority distributed 2,000 bottles of 500mls alcoholic sanitizers to the community free of charge.
- The office purchased 120 hand wash pots and basins that were distributed to the Government offices within the constituency
- Through The National Youth Service the office distributed 4,000 facial masks
- Printing of brochures disseminating information regarding Corona Virus protection measures

V. STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF Kinango Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2020. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF Kinango Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that NGCDF Kinango Constituency financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2020, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF Kinango Constituency further confirms the completeness of the accounting records maintained for NGCDF Kinango Constituency, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF Kinango Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF Kinango Constituency financial statements were approved and signed by the Accounting Officer on 30/09/ 2020

Enhancing Accountability

HEADQUARTERS
Anniversary Towers
Monrovia Street
P.O. Box 30084-00100
NAIROBI

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - KINANGO CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2020

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Kinango Constituency set out on pages 22 to 68, which comprise the statement of assets and liabilities as at 30 June, 2020, statement of receipts and payments, statement of cash flows and summary statement of appropriation; recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Kinango Constituency as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituency Development Fund Act, 2015 and Public Finance Management Act, 2012.

Basis for Qualified Opinion

Inaccurate Bank Balance

The statement of assets and liabilities as at 30 June, 2020 reflects Kshs.7,259,378 in respect of bank balance. The supporting bank reconciliation statement as at 30 June, 2020 reflects unrepresented cheques amounting to Kshs.28,235,110. However, included in the unrepresented cheques of Kshs.28,235,110 were stale cheques totalling Kshs.421,426 which had not been reversed in cash book, thereby understating the cash and bank balance by the same amount.

Further, the bank reconciliation reflected Kshs.42,052 as payments in bank statements not yet recorded in cashbook. No explanation was provided for the failure to record the same in cashbook.

Consequently, the accuracy and completeness of bank balance of Kshs.7,259,378 as at 30 June, 2020 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Kinango Constituency in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

1.0 Budgetary Controls and Performance

The statement of appropriation: recurrent and development combined for the year ended 30 June, 2020 reflects a revenue budget of Kshs.200,887,436 against actual receipts of Kshs.126,019,713 , resulting to an under collection of Kshs.74,867,723 or 37% of the budget. Similarly, the statement reflects expenditure budget of Kshs.200,887,436 against actual expenditure of Kshs.118,760,334, resulting to under absorption of Kshs.82,127,102 or 41% of the approved budget.

Based on the approved estimates, under funding and expenditure affected the planned activities and may have impacted negatively on service delivery to the public.

2.0 Project Implementation Status

The project implementation status report availed for audit review indicated that sixty-four (64) projects worth Kshs.57,750,000 were budgeted to be implemented. However, twenty-two (22) projects with a budget of Kshs.4,550,000 (34%) were completed and in use as at 31 December, 2020 while fourteen (14) projects with a budget of Kshs.30,500,000 (22%) were ongoing and twenty-eight (28) projects with a budget of Kshs.22,700,000 (44%) had not started.

Further, audit inspection of ten (10) projects with a total allocation of Kshs.27,363,429.81 in the month of February, 2021 revealed that eight (8) projects were completed and in use; one (1) project for construction of administration block at Gandini Chief's office had cracks on the pavement and wall was falling and one (1) project for purchase of school bus for Ndavoyo Secondary School, confirmed the existence of the bus. However, the log book was not provided for review.

Poor implementation of development projects may impact on service delivery to the residents of Kinango Constituency. Further, the defects noted in workmanship means that value for money may not have been realized from the projects.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

Bank Balances for Closed Projects

Annex 5 to the financial statements reflects bank balances in fifty-six (56) project management committees' bank accounts totaling Kshs.11,473,853.77. Included in the annex are bank balances for eight (8) closed projects totaling Kshs.369,486 and which had not been refunded to the Fund's main account.

This is contrary to Section 12(8) of National Government Constituencies Development Fund Act, 2015 which states that "all unutilized funds of the Project Management Committee shall be returned to the constituency account".

Therefore, the Management is in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash

Basis) and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, management is responsible for assessing the ability of the Fund to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to abolish the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the Fund monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the Fund's financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the Fund's financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015

and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

10 February, 2022

VII. STATEMENT OF RECEIPTS AND PAYMENTS FOR THE YEAR ENDED 30TH JUNE 2020

	Note	2019 - 2020	2018 - 2019

(NB: This statement is a disclosure statement indicating the utilization in the same format at the Entity's budgets which are programme based. This document is completed to enable consolidation by the National Treasury)

XII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include Imprest and salary advances and b) payable that include deposits and retention.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF KINANGO Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

a) Recognition of Receipts

The Entity recognizes all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2020, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognizes all payments when the event occurs and the related cash has actually been paid out by the Entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

SIGNIFICANT ACCOUNTING POLICIES

5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorized public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, deposits and retention held on behalf of third parties have been recognized on an accrual basis (as accounts payable). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfillment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. UN-utilized Fund

UN-utilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

SIGNIFICANT ACCOUNTING POLICIES

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for Imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2019 for the period 1st July 2019 to 30th June 2020 as required by Law and there was one supplementary adjustment to the original budget during the year. Included in the adjustments are the UN-utilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2020.

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.

Other Payments	11,745,993	0	11,745,993		
TOTALS	99,792,494	46,831,840	52,960,654	47%	
	The Fund had a total under-expenditure of Kshs.53,056,666representing 53% of the budget. This implies that public funds were lying idle at the expense of other deserving areas. Although the management has attributed the situation to delays in receiving funds from the National Government Constituencies Development Fund Board, this may affect delivery of goods and services to the residents of Kinango Constituency contrary to values and principles of public service as provided for under Article 232 (1 – c) of the Constitution which requires responsive, prompt, effective, impartial and equitable provision of services.	This is a policy issue. Funds trickle to constituencies as disbursed from National Treasury through the NGCDF Board	NGCDF Board Secretariat	Resolved	June 2019
4.0	Project Implementation Status According to the project implementation status report as at 30 June 2018, the following(18) projects with a total budget of Kshs.40,928,449 were not implemented during the period under review:	Projects have since been implemented	NGCDF Committee Kinango Constituency	Resolved	June 2019
