## **I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT**

### **(a) Background information**

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

#### **Mandate**

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided ' under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

#### **Vision**

Equitable Socio-economic development countrywide

#### **Mission**

To provide leadership and policy direction for effective and efficient management of the Fund

**Core Values**

1. **Patriotism** – we uphold the national pride of all Kenyans through our work
2. **Participation of the people**- We involve citizens in making decisions about programmes we fund

---

In the financial year 2019/2020, the NG-CDF Rongai Constituency made great strides in project and programme implementation. The disbursements for the year and the balances for the year 2018/2019 were used efficiently and effectively.

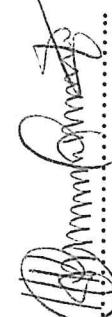

Some of the key flagship projects implemented during the financial year were:

- Losibil Boarding Primary School for both boys and girls.
- Seet Kobor Boarding primary for both boys and girls.
- Construction of eight classrooms in Rift Valley Institute of Science and Technology(RVIST) Primary school.
- Comprehensive renovation of Kipsyenian Primary School to give it a face lift to be a centre of excellence.
- Construction of class rooms at Kinoyo Primary School, moving it from a scratch to a functional modern primary school.

Apart from these flagship projects, the committee realized many key deliverables across the five wards. It is therefore, worth noting that our constituents are a happy lot because bursaries were a pervasive support to pupils and students in secondary and post-secondary school institutions. Having highlighted these key achievements, it is worth noting that two key challenges were noted: One hundred percent (100%) transition from primary to secondary schools has brought pressure to bear on NG-CDF. This calls for increase in funding in order to provide classrooms for pupils from primary to secondary schools.

The second challenge is the delayed disbursement of funds, evidence by the belated receipt of Ksh 68,600,000.00 toward the end of financial year 2019/2020. If timely disbursements were realized, all projects and programmes would be implemented on a timely basis.

One key emerging issue relating to NG-CDF is the constant need for more specialised staff such as ICT and Civil Works experts to handle the ever expanding scope and volume of works handled by the NGCDF staff.  
In a nutshell, NG-CDF is a timely fund which has pervasive positive outcomes and impact at the grassroots.

**IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING**

NGCDF-Rongai Constituency just like any Government entity has the responsibility of ensuring public involvement in the project lifecycle i.e. project identification, prioritization of projects and adequate allocation of funds to the projects. In undertaking the above-mentioned, the Rongai NG-CDF Committee always highlights Corporate Social Responsibility as a tool with relevance for public policy actualization with the aim of enhancing sustainable and inclusive development programmes in the constituency. The financial prudence has a lot of weight in development agenda which drives on a delicate thread of enormous community expectations. In enhancing the financial trust in various sectors, we assessed the risks factors, long term and short-term performance. We further looked at performance on responsible leadership with clear undertone on the interest of the constituents and stakeholders and sufficient respect for environmental, social and governance issues.

This is aimed at ensuring efficient and effective management of public resources at the grassroots level thus transformation of livelihoods. It remains our purpose and the driving force behind everything we do. It's what guides us to deliver our strategies, which is founded on social sector, namely; Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

**V. SUSTAINABILITY STRATEGY AND PROFILE**

The Rongai NG-CDF Committee endeavoured to work within the existing policy guidelines that helped in focusing on the service delivery and drive to better performance with the involvement of both internal and external stakeholders on matters development. The relevance of this was attributed to our vision, mission and core values as provided for in our strategic plan.

| <b>Model</b> | <b>Definition</b>   | <b>Relevance to sustainable strategy</b>  |
|--------------|---|---|
| Vision       | Equitable socio-economic development fostering peace and unity.   | What the constituency is striving for in the future that influence the strategies, purpose and aspirations put in place |
| Mission      | To entrench fairness and inclusivity in resource allocation and distribution, compliance with the mandate of the NGCDF to the satisfaction of its people. | This communicates what the office does to attain sustainable developments   |

|-------------|---|--|--|

To realize effective suitability, the constituency relied on the set targets as a sign of performance ambition. The Goals as provided in our strategic plan remained the focal point for internal and external stakeholders with a clear set of objectives for management and a measure by which external audiences can judge our progress and achievements against their expectations. The frameworks under which we operated included projects identification, allocation of funds, approval, implementation and monitoring.

**VI. ENVIRONMENTAL PERFORMANCE  
Environment Policy and Action Plan**

Protection of the environment in which we live and operate is part of Rongai NG-CDF initiatives.

Care for the environment is one of our key responsibilities and an important aspect in the way in which carry out our operations.

**Our Environmental Policy**

In this policy statement Rongai NG-CDF commits to:

- Developing our management processes to ensure that environmental factors are considered during planning and implementation
- Seeking to leverage our environmental impact by encouraging stakeholders to
  - improve their environmental performance
  - Comply with all relevant environmental legislation, regulations and approved codes of practice.
- Protecting the environment by striving to prevent and minimize our contribution to pollution of land, air, and water.
- Seeking to keep wastage to a minimum and maximize the efficient use of materials and resources.
- Managing and disposing of all waste in a responsible manner.
- Providing training for our CDFC and staff so that we all work in accordance with this and within an environmentally aware culture.

- Regularly communicating our environmental performance to our employees and other significant stakeholders.
- Monitoring and continuously improving our environmental performance.

**Our Environmental Action Plan**

Rongai NG-CDF has identified four areas in which we as an office have direct or indirect environmental impact, and where we can implement initiatives to manage and reduce these impacts. These four areas together with our approach and targets for each are shown below:

| Impact Area                               | Approach  |
|---|---|
| Capacity Building                         | <ul style="list-style-type: none"><li>• Promote environmental awareness by sensitizing the Rongai NG-CDFC, NG-CDFC staff and PMCs on good conservation practices</li><li>• To encourage, through regular communication to Rongai NG-CDFC, staff, and other stakeholders' changes in individual behaviour to emphasise on the importance of caring for the environment.</li></ul>  |
| Conservation of Energy and Resources      | <ul style="list-style-type: none"><li>• To swiftly move to the culture of having a paperless office through use of technology.</li><li>• To encourage our clients to engage with us using electronic means where possible.</li><li>• To maximize on rain water harvesting which would rather go to waste.</li><li>• To make energy efficiency a key factor in the selection of any new electronic gadget being purchased.</li><li>• To invest in available energy saving technologies and devices within our existing premises.</li></ul> |
| Environmental Protection and Conservation | <ul style="list-style-type: none"><li>• To promote use of volt guards to control power surges.</li><li>• We have constructed culverts and gabions to prevent soil erosion.</li><li>• To encourage tree planting in the constituency to improve the forest cover.</li><li>• To promote purchase and installation of fire extinguishers to aid in extinguishing and controlling fires</li></ul>   |
| Pollution Control and Waste Management    | <ul style="list-style-type: none"><li>• To ensure proper human waste disposal through construction of pit latrines, septic tanks.</li></ul>   |

All the staff must always consider safety to themselves and others when performing their duties. They should not compromise on quality, cause injury, ill health, loss or environmental damage.

#### **Emergency Preparedness**

Every Department depending on the nature of work and services shall plan for foreseeable incidents such as accidents, explosions, fire, floods etc. and prepare and outline procedures to be followed in such events.

#### **Fire precautions**

The fire protection facilities have been provided both inside and outside the building and they are adequate and maintained annually.

General information on fire precautions and fire equipment is contained in stickers on the wall next to the fire extinguishers.

---

### **Provision of protective equipment and clothing**

The Fund Account Manager ensures that officers who are employed in any process involving exposure to wet or to any injurious or offensive substances are provided with adequate, effective and suitable protective clothing and appliances.

### **Reporting of an Accident**

Immediately an accident or development of an occupational disease resulting in death or injury to an officer comes to the notice of the officer under whom he/she is directly deployed, the supervisor should make a claim for compensation in accordance with the procedure set out in the Occupational Safety and Health Act 2007 and Work Injury Benefits act 2007.

### **Guidance and Counselling**

The current challenges in the workplace and family environment affects the performance and wellbeing of an officer. To address these challenges, the office undertakes guidance and counselling of the affected staff however, consultation with family members or support system may be sought when deemed necessary.

### **Health Care Services**

The staff, including spouses and children, are eligible to affordable health care services and to benefit from the NHIF medical scheme as statutory deductions are done and remitted on a monthly basis.

### **HIV/AIDS**

HIV and AIDS is a major challenge facing officers in and out of the Institute. It poses a big threat to the individual, the family and the public Service. It is in cognizance of this that the Institute has put in place care and support programs for the infected and affected officers to enable them remain productive.

HIV/AIDS shall be treated like any other challenging issue at the workplace. All officers of the Institute shall have a role to play in the wider struggle to mitigate the effects of the pandemic. An officer shall not be discriminated or stigmatized on the basis of HIV status. It is an offence for any person to discriminate another on the ground of actual, perceived or suspected HIV status.

It is the responsibility of the Fund Account Manager in liaison with NG-CDFC to minimize the risk of HIV/AIDS transmission by adopting first aid/universal infection control precautions at the workplace.

HIV/AIDS screening shall not be a requirement for job seekers, recruitment or for persons in employment. Screening shall be confidential, voluntary and shall be after counselling. There shall be no disclosure of HIV/AIDS test results of any related assessment results to any person without the written consent of the officers.

#### **Drug and Substance Abuse**

Addiction to drugs or substance will be treated like any other disease. An officer who is determined to deal with drug and substance abuse problem by engaging in rehabilitation services will be referred by the office by a Government doctor for evaluation, within the limits and budgets endorsed by the NG-CDFC.

#### **Persons Living with Disability**

An employee with an impairment in his/her body will be expected to confirm their disability status with a doctor after medical examination. Once it is confirmed that he/she is disabled, the employee will register with the National Council for Person with Disabilities. The employee will then present the registration certificate from the National Council for Persons with Disabilities to the Institute which will then recognize them as employees living with disabilities.

The office shall provide facilities and effect such modification, whether physical, administrative or otherwise, in the workplace as may be reasonably required to accommodate persons with disabilities

#### **Sexual harassment and other Forms of Harassment**

Any staff of the office should not harass another officer sexually through, direct or indirect request for favours, use of language whether written or spoken of a sexual nature, use visual material of a sexual nature and show physical behaviour of a sexual nature which directly or indirectly subjects the person to behaviour that is unwelcome or offensive.

Disciplinary action will be taken against an officer of the Institute for harassing another person.

Harassment may be based on racial, tribal, gender, marital status, religious or ethical belief, disability, age, political opinion, employment status, family status, sexual orientation, or involvement in the activities of an employee's organization.

The improper use of power based on administrative or Managerial status (i.e. the use of a position to insult, bully, dominate, manipulate, disadvantage or discriminate) may also constitute harassment.

Bullying – which means repeated, deliberate and targeted conduct by a person towards a staff member which is offensive, intimidating or humiliating and which detrimentally affects that member's well-being.

#### **Reporting Harassment Cases**

Any staff who believes that they have experienced some form of harassment should report harassment cases as outlined in the office complaints procedures manual.

## **IX. MARKET PRACTICES**

NG-CDFC fund was designed to support constituency-level, grass-root development projects. It is aimed to achieve equitable distribution of development resources across regions and to control imbalances in regional development brought about by partisan politics. It targets all constituency

level development projects, particularly those aiming to combat poverty at the grassroots and entrench equitable distribution of development in line with the NG-CDFC Act 2015 provisions.

The objective of the Fund is to provide mechanisms for supplementing implementation of the National Government Development Agenda at the constituency level.

- **Responsible competition practice.**

During projects implementation the office transfers funds to the Project Management Committees who are thereafter guided during tendering process, to ensure that the locals benefit competitively in the provision of services and materials to the projects.

How the organisation ensures responsible competition practices with issues like anticorruption, responsible political involvement, fair competition and respect for competitors

- **Responsible Supply chain and supplier relations**

Payments to suppliers are done promptly upon presentation of requisite supporting documents

- **Responsible marketing and advertisement-outline efforts to maintain ethical marketing practices**

Advertisement for tenders is done publicly and no form of discrimination is applied to unfairly lock out interested bidders

- **Product stewardship**

In order to safeguard consumer rights and interests, the Rongai NG-CDF came up with a service charter and the complaints handling policy, principles and procedures brochure. The service charter points out our commitment in ensuring that we provide quality services to our customers with high level professionalism, dignity, integrity and courtesy, whereas complaints handling policy, principles and procedures shows our commitment to consistent, fair and confidential complaint handling and to resolve complaints as quickly as possible

## **X. COMMUNITY ENGAGEMENTS**

### **Public Participation in Project Identification and Implementation and Monitoring**

The NG-Constituency Development Act 2015 stipulates in part 5 section 27 subsection 1 and 2 that the chairperson of the NG-CDFC shall, within the first year of the commencement of a new Parliament and at least once every two years thereafter, convene open forum public meetings in every ward in the constituency to deliberate on development matters in the ward and in the constituency.

**NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NG-CDF)  
RONGAI CONSTITUENCY**

**Reports and Financial Statements**

**For the year ended June 30, 2020**

The NG-CDFC shall then deliberate on project proposals from all the wards in the constituency and any other projects which the Constituency Committee considers beneficial to the constituency, including joint projects with other constituencies, consider the national development plans and policies and the constituency strategic development plan, and identify a list of priority projects, both immediate and long term, out of which the list of projects to be submitted in accordance with the Act shall be drawn from. There after the list of proposed constituency-based projects to be covered under this Act shall be submitted by NG-CDFC to the Board.

Public participation is the process that directly engages the concerned stakeholders in decision-making and gives full consideration to public input in making that decision.

Public's engagement is a vital part of many projects and the benefits of it are well documented, such as better outcomes for all stakeholders, community ownership and lower project costs. When the public is involved in a project, they feel motivated to work together, recognize the benefits of their involvement and have ownership of the projects and the decision-making process, which is key to a successful project outcome and their sustainability.

Effective public engagement is about recognising that involving the public in a project is no longer about information dissemination and telling the people what is being done, but is a two-way information sharing tool. The more views gathered in the process of making a decision, the more likely the final product will meet the most needs and address the most concerns possible.

In summary stakeholder participation is important since:

- Providing information helps them understand the issues, options, and solutions available for the projects
- Consulting with the public aids in obtaining their feedback on alternatives or decisions
- Involving the public to ensures their concerns are considered throughout the decision process, particularly in the development of decision criteria, options and preferred solutions that are workable, efficient and sustainable.

**Public Awareness**

This includes mechanisms for participation and cooperation with local, regional and national agencies, and for conducting community-based needs assessments and public awareness campaigns and holding community meetings

**XI. STATEMENT OF NG-CDF COMMITTEE MANAGEMENT RESPONSIBILITIES**

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NG-CDF-RONGAI Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year ended on June 30, 2020. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NG-CDF-RONGAI Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the NG-CDF RONGAI financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2020, and of the entity's financial position as at that date. The Accounting Officer charge of the NG-CDF-RONGAI Constituency further confirms the completeness of the accounting records maintained for the NG-CDF-RONGAI Constituency, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NG-CDF-RONGAI Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

## REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCY DEVELOPMENT FUND - RONGAI CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2020

### REPORT ON THE FINANCIAL STATEMENTS

#### Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Rongai Constituency set out on pages 1 to 32, which comprise the statement of financial assets and liabilities as at 30 June, 2020, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation: recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Rongai Constituency as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and the Public Finance Management Act, 2012.

#### Basis for Qualified Opinion

##### 1.0 Presentation of the Financial Statements

During the audit, it was noted that the financial statements show in the significant accounting policies section on page 10, under the reporting currency that the figures have been rounded off to the nearest Kenya shilling. However, some figures in the financial statements have not been rounded off. In addition, the budget execution by programs and sub-programmes report on page 5 reflects the year for budget utilization difference as 2018/2019 instead of 2019/2020.

Consequently, the annual report and financial statements are not in the format prescribed by the Public Sector Accounting Standard Board (PSASB).

## 2.0 Inaccuracies in the Financial Statements

During the audit, it was noted that the financial statements contain some errors which remain uncorrected;

- 2.1. The statement of receipts and payments reflects a comparative other payments figure of Kshs.1,285,000 for the financial year 2018/2019. However, Note 9 to the financial statements reflects a comparative figure of Kshs.7,541,000 resulting to an unexplained difference of Kshs.6,256,000.
  - 2.2. The statement of assets and liabilities shows a fund balance brought forward of Kshs.56,987,574 while the closing fund balance for the financial year 2018/2019 was Kshs.56,987,483. The resultant difference of Kshs.91 has not been explained.
  - 2.3. The summary statement of appropriation: recurrent and development combined reflects a total of budget utilization difference of Kshs.74,343,782 for payments. However, the re-computation revealed a total of Kshs.76,399,212 resulting to an unexplained variance of Kshs.2,055,430.
  - 2.4. The budget execution by programmes and sub-programmes report on page 5 reflects original budget total of Kshs.137,367,724. However, the re-computation reflects an amount of Kshs.134,864,335 resulting to an unexplained variance of Kshs.2,503,389.
- Further, the report reflects total adjustments of Kshs.56,987,783. However, the re-computation reflects Kshs.53,811,670 resulting to an unexplained variance of Kshs.3,176,113.
- In addition, the report reflects a total final budget amount of Kshs.194,355,507. However, the re-computation reflects an amount of Kshs.188,676,004 resulting to an unexplained variance of Kshs.5,679,503. The report also reflects actual on comparable basis total amount of Kshs.120,171,813. However, the re-computation reflects Kshs.117,957,313 resulting to an unexplained variance Kshs.2,214,500.
- The report further reflects a total budget utilization difference of Kshs.74,343,782. However, the re-computation reflects an amount of Kshs.70,718,691 resulting to an unexplained variance of Kshs.3,625,091.
- 2.5. Note 15.3 to the financial statements reflects unutilized funds of Kshs.74,663,782 while re-computation reveals a total of Kshs.72,204,782 resulting to an explained difference of Kshs.2,459,000. Further, the Note reflects comparative unutilized funds of Kshs.56,987,784 while the summary on annex 3 to the financial statements on summary of unutilized funds reflects

an amount of Kshs.74,343,782 resulting to a variance of Kshs.17,355,998. Further, annex 3 to the financial statements reflects a total comparative balance of Kshs.74,343,782. However, the re-computation reflects an amount of Kshs.62,086,443 resulting to an unexplained variance of Kshs.12,257,339. Further, the annex shows a total original budget amount for the year 2019/2020 of Kshs.74,663,794. However, the re-computation reflects an amount of Kshs.80,100,394 resulting to an unexplained variance of Kshs.5,436,600.

- 2.6. Annex 5 to the financial statements on projects management account balances summary reflects a total of Kshs.53,412,147. However, the re-computation reflects an amount Kshs.54,425,065 resulting to a difference of Kshs.1,012,918.

In the circumstance, the accuracy and completeness of the above balances included in these financial statements for the year ended 30 June, 2020 could not be confirmed.

### **3.0 Unsupported and Unverified Fixed Assets**

Annex 4 to the financial statements on the summary of fixed assets register in reflects a transport equipment balance of Kshs.7,841,000 as at 30 June, 2020. However, the asset register was not provided in support of the transport equipment. Available records indicate that the Fund had a vehicle, registration number GK A610V - Land Rover station wagon. However, the vehicle was not availed for physical verification and the management could not explain the location of the vehicle during the audit.

In the circumstance, the accuracy and completeness of transport equipment of Kshs.7,841,000 as at 30 June, 2020 could not be confirmed.

### **4.0 Understatement of Cash and Cash Equivalents Balance – Stale Cheques**

The statement of financial assets and liabilities as at 30 June, 2020 reflects a bank balance of Kshs.5,415,761. However, audit review of the bank reconciliation statement as at 30 June, 2020 indicated payments in cash book not in bank statement in form of un-presented cheques amounting to Kshs.4,355,166, out of which Kshs.277,756 related to stale cheques which had not been reversed in the cash book as at 30 June, 2020. This means that the cash and cash equivalents balance is overstated by a similar amount.

In the circumstance, the accuracy and completeness of the reported cash and cash equivalents balance of Kshs.5,415,761 as at 30 June, 2020 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituency Development Fund-Rongai Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing

audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

### **Other Matter**

#### **1.0 Budgetary Control and Performance**

The summary statement of appropriation: recurrent and development combined reflects final receipts budget and actual on comparable basis of Kshs. 194,355,508 and Kshs.68,600,000 respectively resulting to an under-funding of Kshs.125,755,508 or 65% of the budget. Similarly, the Fund expended Kshs.120,171,813 against an approved budget of Kshs.196,571,025 resulting to an under-expenditure of Kshs.76,399,212 or 39% of the budget.

The underfunding and underperformance affected the planned activities and may have impacted negatively on service delivery to the constituents of Rongai Constituency.

The summary statement further shows a total receipts budget of Kshs. 196,571,025 thus resulting in a budget deficit of Kshs.2,215,517.

Consequently, it was not possible to ascertain how the Fund intends to fund the budget deficit.

#### **2.0 Projects Implementation Status and Verification**

##### **2.1 Project Implementation Status**

Review of the project implementation status report for the year under review revealed that the Fund had planned to implement fifty (50) projects with an allocation of Kshs.81,658,466. Seventeen (17) of the projects or 34% with an allocation of Kshs.21,205,077 had been completed and already in use. Further, thirty-three (33) projects or 66% with an allocation of Kshs.60,453,389 have remained on-going for a period of more than six months and as a result have occasioned delayed usage of the projects. Further, the Fund Management have continued to implement new projects without completing the on-going thereby contravening the Commission on Revenue Allocation circular No. 3/2016 dated 07 November, 2016 which requires a public entity to complete projects first before initiating new ones.

This therefore indicates that though 34% projects were fully implemented as envisaged, the slow progress on completion of ongoing projects may impact negatively on delivery of goods and services to the residents of Rongai Constituency.

## 2.2 Project Verification - Unsatisfactory Implementation of Projects

During the audit, twenty-four (24) projects with total disbursements amounting to Kshs.38,200,001 were inspected and several observations made regarding unsatisfactory performance as shown in **Appendix I**.

In the circumstances, it could not be confirmed whether value for money was obtained from the projects.

## REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

### Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### Basis for Conclusion

#### Project Management Committee (PMC) Bank Accounts

Available records revealed that out of the forty-four (44) project management committee bank balances disclosed under Annex 5 to the financial statements, four (4) projects with a total balance of Kshs.8,344 as at 30 June, 2020 were complete but the accounts had not been closed and funds were still held in the bank. It was however observed that these balances had not been returned to the constituency account contrary to Section 12(8) of the National Government Constituencies Development Fund Act, 2015 which states that all unutilized funds of the project management committee shall be returned to the constituency account.

To this extent, the Fund is in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

### Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matter described in the Basis for Qualified

Opinion and Conclusion on Effectiveness of Internal Controls, Risk Management and Governance sections of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

## Basis for Conclusion

### Lack of a Risk Management Policy

During the year under review, the Fund did not have a risk management policy in place and therefore had no approved processes and guidelines on how to mitigate operational, legal and financial risks. In the circumstance, the Fund is not in compliance with Section 165(1)(a) of the Public Finance Management (National Government) Regulations, 2015 which states that the Accounting Officer shall ensure that the national government entity develops - risk management strategies, which include fraud prevention mechanism.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### Responsibilities of Management and those charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the basis basis of accounting unless Management is aware of intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the Fund monitors compliance with

relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them, and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

## Appendix I – Unsatisfactory Project Implementation

## XVIII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

### 1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPASAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

### 2. Reporting Entity

The financial statements are for the NG-CDF-RONGAI Constituency. The financial statements encompass the reporting entity as specified under section 81 of the Public Finance Management Act 2012

### 3. Reporting Currency

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

### 4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

#### a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

#### Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity

## SIGNIFICANT ACCOUNTING POLICIES

### External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

# NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) –

## RONGAI CONSTITUENCY

### Reports and Financial Statements

For the year ended 30 June 2020

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criterion is applied for loans received in the form of a direct payment.

During the year ended 30<sup>th</sup> June 2020, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

#### Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

#### b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

#### Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

#### Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

#### Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements

#### 5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

#### 6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

## 7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

## 8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

## 9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as ‘memorandum’ or ‘off-balance’ items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

## 10. Utilized Funds

Utilized funds consist of bank balances in the constituency account and previous year(s) balances not yet disbursed by the Board to the constituency at the beginning of the financial year. These balances are available for use in the year under review to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(1) of NG-CDF Act, 2015.

## 11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament in June 2019 for the period 1<sup>st</sup> July 2019 to 30<sup>th</sup> June 2020 as required by Law and there was one. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

## 12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

## 13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30<sup>th</sup> June 2020.

## 14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i). restating the comparative amounts for prior period(s) presented in which the error occurred; or ii). If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.
