CHAIRMAN'S STATEMENT

The Tourism Promotion Fund is a semi-autonomous government agency in the Ministry of Tourism and Wildlife established through the National Assembly delegated duty to the Cabinet Secretary responsible for Finance under Section 24(4) of the Public Finance Management Act 2012, through the Finance Bill in June 2016.

The Tourism Promotion Fund derives its mandate from the Legal Notice No 24, dated 12th April, 2019 on the Public Finance Management (Tourism Promotion Fund) Regulations, 2019, to provide funds to support development, promotion and branding of tourism sector. This is the therefore the first financial report for the Tourism Promotion Fund for the year ended June 2020 as fully consolidated Board of Management for the fund.

The Fund accrues its finances through proceeds realized under section 3 of the Air Passengers Service Charge Act; moneys appropriated by the National Assembly for the purpose of the Fund; income from investments of any surplus funds in the Fund; interest accruing to the Fund; grants, donations or other bequests made to the Fund; moneys paid into the Fund from any other source as may from time to time be approved by the Cabinet Secretary; and any other moneys as may be provided for in an Act of Parliament.

The key projected activities during the year were: to determine the Annual Revenue & Expenditure of the fund; to establish / review Financial Allocation of the Fund revenue; establish & monitor the amount of funds transferred to and from the fund; to determine source of Additional Funding for Fund objects; to review and manage the investment of surplus funds from the Fund; to determine/ & Manage retention funds; to establish and administer Risk Control and Management of the Fund. Further the fund aimed to: promote project/ programs for funding as per the regulations; undertake Project/ program Monitoring & Evaluation as per NIMES guidelines and ensure marketing and branding of funded projects. In addition, the fund aimed to facilitate the Functions of the TPF Oversight Board; to develop and manage Operations Controls and Systems and to facilitate the Management and with Operations facilities, equipment and services. Lastly, the fund aimed to improve mobilization, utilization and management of financial resources; strengthen IEC and ICT for better service delivery; enhance implementing agencies and other stakeholders' partnership, collaboration on effective funds management and to train, capacity build and enhance fund secretariat officers.

Further to these activities, TPF was able to record major achievements in various areas since its inception. Key achievements included: Appointment gazettement and operationalization of Board of Management; establishment of the Fund Secretariat; development of Fund management guidelines; capacity building of the Board members, and the Secretariat; disbursement of funds to support tourism development projects and programmes; creation of awareness of the Fund through sensitization of tourism implementing agencies officers and other stakeholders; establishment of various infrastructural and operational facilities to support the Fund Operations.

Annual Financial Report and Financial Statements for the year ended June 30, 2020

TPF experienced various challenges that constrained full achievement of planned activities. These include: Inadequate budgetary allocation and non-remittance due to the effects of the Tourism and aviation sector by Covid-19 pandemic; inadequate physical infrastructure and equipment; lack of well-defined organizational structure; inadequate skills in proposal development, and project management and poor perception of the Fund's activities.

The future outlook is towards resource mobilization from financial institutions and donors and financing through the government exchequer to complement the revenue from the air passengers levy. Also capacity building for both the fund secretariat Staff and the Officer's in the Tourism implementing agencies so as to ensure effective and efficient management of the Funds; development and enactment of the Fund Career guidelines and Human Resource policy; relooking at the legal instruments and fund regulations to make them more user friendly; and establishing of the Fund Website, online application, tracking and analysis portal, and lastly tracking the implementation progress of TPF funded projects and programs, with quarterly reports.

Hon. Najib Balala, EGH
Cabinet Secretary for Tourism & Wildlife
Chairman of the Board

Annual Financial Report and Financial Statements for the year ended June 30, 2020

REPORT OF THE CHIEF EXECUTIVE OFFICER

I am delighted to report that this year which was the first Financial year of operation for Tourism Promotion Fund, we made significant gains towards achieving the organisational strategic objectives. This was made possible because of the dedicated board of trustees as well as the fund secretariat who have continued putting in tremendous effort for the sake of the Funds objectives.

The Tourism Promotion Fund derives its mandate from the Legal Notice No 24, dated 12th April, 2019 on the Public Finance Management (Tourism Promotion Fund) Regulations, 2019, to provide funds to support development, promotion and branding of tourism sector. During the year, The Funds budget was set at **Ksh.2,425 b**. This was however revised down to **Ksh.2,064 b** due to the Global pandemic of the Covid19 being experienced worldwide which has had a negative impact on the Global Tourism and the Economy in general with unprecedented negative impact to the Sector. The impact being that the Fund could only operate on the actual funds transferred prior to the outbreak of the Pandemic.

During the Financial Year, the total expenditure amounted to **Ksh.317.68 M**. This expenditure was approximately **15%** of the total approved budget, the reason for the low expenditure was the fact that the TPF received the expenditure approval from The National Treasury in the Month of April 2019 which was barely 3 months to the end of the Financial Year hence no much activities could be undertaken. The expenditure comprised of **Ksh.17.68 M** for operational expenses which include Use of goods and Services, Administration and other operating expenses, Remuneration of directors as well as acquisition of Property, Plant and Equipment. **Ksh.300 M** was a core mandate expenditure (**Note 1**) (Grant to KWS); the amount was disbursed to Kenya Wildlife Service for “Revamping of the Nairobi National Park” which was the only project funded among several that had been earmarked for funding/implementation in this Financial Year. Other projects which had been approved by The National Treasury in the FY 2019/2020 including Establishment of KICC Prefab Convention Centre, Establishment of Lake Naivasha Waterfront and Kenya Tourism Covid-19 Recovery Strategy Tourism War Room Consultancy were pushed forward for implementation in the next FY 2020/2021.

The total Assets as at 30th June 2020, amounted to **Ksh.1.195 b** comprising of Property, Plant and Equipment (PPE) of **Ksh.7.23 m** and Cash and Cash Equivalent of **Ksh.1.188 b**. There were no Liabilities as at the end of the Financial year.

Finally, I would to acknowledge Government for continued support, the Board for Strategic Vision and guidance, Kenya Airports Authority and other stakeholders for their support in development, promotion and branding of tourism sector.

MANAGEMENT DISCUSSION AND ANALYSIS

The Tourism Promotion Fund has continued with its mandate of providing funds to support development, promotion and branding of tourism sector in line with Legal Notice No 24, dated 12th April, 2019 on the Public Finance Management (Tourism Promotion Fund) Regulations, 2019. The focus of the year was to fund core mandate objectives including projects in tourism Implementing agencies. However, during the year in focus, only one project was funded, where the implementation is still ongoing in this Financial Year. The total expenditure amounted to **Ksh.317.68 M**. This expenditure was approximately **15 %** of the total approved budget as illustrated in the graph below;

Budget Vs Actual Expenditure

As indicated in the graph, the annual budget had initially been set at **Ksh.2.427B** this was revised down to **Ksh.2.064 B** while the Annual expenditure stood at **Ksh.317M** which was 15 % of the approved budget.

ii. Revamping of Nairobi National Park

Kenya Wildlife Service applied for funds to revamp and rehabilitate Nairobi National park. The specific activities to be undertake by KWS with TPF funding in the NNP master planned included **rehabilitation of Roads (58 Kms in the park**, with various tasks such as Engineering Survey and Investigation of the roads identified, Alignment and pavement designs, drainage and structure designs, Construction of circuit No. 1 (Simba) 019 Kms, Construction of Circuit No. 2 & 3 (Mbuni & Chui)023 Kms, Construction of Circuit No. 4 (Twiga) 016 Kms.(**Topographical Survey**) Detailed topographical survey for existing facilities for upgrading. The output will be the improved visitor experience, numbers and NNP revenue.

iii. Tourism War Room (tourism post Covid-19 recovery Strategy Development)

The covid-19 pandemic has presented the single most devastating challenge on the modern tourism and travel industry. In Kenya tourism which is a key sector of Kenya’s economy has had to contend with a total collapse of its operations. It is therefore of essence that the sector develops a comprehensive strategy to enable it to cope with and recover from the ramifications of the pandemic while building resilience for survival and sustainability in the face of continuing pandemic and similar shocks in future. The proposed consultancy will therefore involve the design and management of the proposed strategic planning engagement process between the Ministry of Tourism and Wildlife and participants from a cross section of sector relevant agencies, associations and businesses (the **Engagement Process**) for a Tourism War Room Strategy.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

Section 81 of the Public Finance Management Act, 2012 and section 14 of the State Corporations Act and Tourism Promotion Fund Regulation 2019, regulation 31 requires the Board to prepare financial statements which give a true and fair view of the state of affairs of TPF at the end of the financial year and the operating results of the TPF for that year. The Directors are also required to ensure that the TPF keeps proper accounting records which disclose with reasonable accuracy its financial position.

This responsibility includes: Oversight on adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; Approval and oversight on proper planning, budget execution, financing and reporting of the fund finance; Approval on procurement and safeguarding of the Fund assets; Directing the application of appropriate accounting policies; Approving and allocating fund estimates that are reasonable in the circumstances; and Overseeing monitoring, evaluation and reporting the utilisation of funding by the implementing entities

The Directors accept responsibility for the TPF's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSSAs), and in the manner required by the PFM Act, 2012 and the State Corporations Act. The Directors are of the opinion that the TPF's financial statements give a true and fair view of its state transactions during the financial year ended June 30, 2020, and its financial position as at that date. The Directors further confirms the completeness of the accounting records maintained for the entity, which have been relied upon in the preparation of this financial statements as well as the adequacy of the systems of internal financial control.

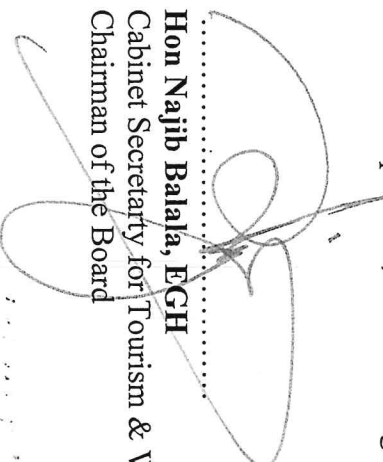

Nothing has come to the attention of the Directors to indicate that the TPF will not remain a going concern for at least the next twelve months from the date of this statement.

REPORT OF THE AUDITOR-GENERAL ON TOURISM PROMOTION FUND FOR THE YEAR ENDED 30 JUNE, 2020

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of Tourism Promotion Fund set out on pages 1 to 20, which comprise the statement of financial position as at 30 June, 2020 and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Tourism Promotion Fund as at 30 June, 2020 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act, 2012.

Basis of Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Tourism Promotion Fund Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Budgetary Control and Performance

The statement of comparison of budget and actual amount reflects final receipts budget and actual on comparable basis of Kshs.2,064,806,650 and Kshs.1,506,255,997 respectively resulting to an under-funding of Kshs.558,550,653 or 27% of the budget. Similarly, the Fund spent Kshs.317,675,967 against an approved budget of Kshs.2,064,806,650 resulting to an under-expenditure of Kshs.1,747,130,683 or 85% of the budget. The underfunding and underperformance affected the planned activities and may have impacted negatively on service delivery to the stakeholders.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

1. Lack of an Audit Committee

Review of the Fund's internal control systems and financial statements revealed that the Fund does not have an audit committee in place contrary to Public Finance Management Act, 2012 section 73(5) which states that 'every national government public entity shall establish an audit committee whose composition and functions shall be as prescribed by the regulations'. There is uncertainty of the Fund achieving the objectives of the Treasury

Circular No.16 of 2005 aimed at enhancing oversight, governance, transparency and accountability in the public sector.

Consequently, the effectiveness of the role of oversight, governance, transparency and accountability in the Fund could not be confirmed.

2. Lack of a Disaster Strategy Plan

The Fund does not have a Disaster Recovery Plan in place for business continuity planning, for reliable Information Technology infrastructure, process, and business model to reduce the impact of natural disasters and outages hence the fund may not recover and protect the IT infrastructure in the event of a disaster.

In the circumstances, reliability and safety of the Information Technology infrastructure, process, and business model could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and the Board of Directors

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015. In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

The Board of Directors is responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

The negative difference is attributed to the Impact of Covid-19 coupled with the closure of the borders and ban of International and Domestic Passenger Flights in Kenya which has resulted to approximately 100% decline in the air passenger Levy that the Fund Revenue results from.

2) The underutilization under various items as indicated under note 2 to 8 is attributed to the time the budget was approved which was the last quarter of the Financial year hence leading to less implementation of the planned activities due to the time constrain

- (i) financing programmes and initiatives geared towards tourism intelligence and information gathering for purposes of developing, promoting and branding tourism in Kenya; and
- (j) standards development and capacity building in the tourism sector

2. Statement of Compliance and Basis of Preparation

The Financial Statements have been prepared in compliance with International Public Sector Accounting Standards (IPSAS) as recommended by The National Treasury and in accordance with the requirements of the PFM Act 2012 as well as Tourism Promotion Fund Regulations. The annual report is prepared under **historical cost convention** except items of Property, Plant and Equipment which are measured at cost less accumulated depreciation and any accumulated impairment losses.

The financial statements have been prepared and presented in Kenya Shillings, rounded to the nearest thousands. Several accounting policies have been adopted in preparation of this Financial Statements.

**Annual Reports and Financial Statements for the year ended June 30, 2020
NOTES TO THE FINANCIAL STATEMENTS (Continued)**

3. Adoption of New and Revised Standards

- i. Relevant new standards and amendments to published standards effective for the year ended 30 June 2020**
The relevant new standard (IPSAS 40) on public Sector Combinations doesn't have an impact on TPF statements.
- ii. New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2020**
The several new and amended standards and interpretations in issue but not yet effective in the Financial Year (FY) ended 30th June 2020 have not been considered in preparation of the TPF financial statements for the FY ended 30th June 2020.
- iii. Early adoption of standards**
The entity did not early – adopt any new or amended standards in year 2020.

4. Summary of Significant Accounting Policies

a) Revenue Recognition

i. Accrual Concept

The annual report is prepared under **Accrual Concept** where accounts receivables and payables are included in the report as well as recording all revenues when they are earned and all expenses when they are incurred.

The original budget for FY 2019/2020 was approved by the National Assembly in April 2020. Subsequent revision were made to the approved budget in accordance with specific approvals from the appropriate authorities to make the final budget. Accordingly, the financial statements are prepared on accrual basis whereas the budget is prepared on cash basis. The amounts in the financial statements have been recast from accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget and therefore a comparison of budget and actual amounts prepared on a comparable basis to the approved budget has been presented in the statement of comparison of budget and actual amounts. A statement to reconcile the amounts on a comparable basis included in the statement of comparison of budget & actual amounts and the actuals as per the financial performance can be presented for the statements.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

ii. Going Concern

The board of Trustees believe that TPF will continue in operational existence for at least twelve months from the date of these financial statements. Its therefore important for the Financial Statements to be prepared on a going concern basis which assumes that TPF will continue to meet its obligations as they fall due including implementation of the Core Mandate Projects for the foreseeable future.

iii. Property, Plant and Equipment

Items of Property, Plant and Equipment have been measured at cost less accumulated depreciation and any accumulated impairment losses (**historical cost convention**). Depreciation is charged so as to allocate the cost of assets less their residual value using the straight-line method. The following annual rates are used for depreciation of property and equipment:

Property	Rate
Motor Vehicles	15%
Furniture & Fittings	10%
Computers	40%
Office Equipment's	10%

For this particular statement, the depreciation has been calculated at the a above rates subject to the time of accusation which was one month to the end of the Financial Year hence depreciation was only subjected on a one month of the year.

If there is an indication that there has been a significant change in the depreciation rate, useful life or residue value of an asset, the depreciation of that asset is revised prospectively to reflect the new expectations.

On disposal, the difference between the net disposal proceeds and the carrying amount of the item sold is recognized in the statement of comprehensive income.

iv. Cash and Cash Equivalent

Cash and cash equivalents include cash in hand as well as deposits in bank accounts (three) being operated by TPF. This are actually Cash balances for the three accounts as at the end of the Financial Year.

v. Foreign Currency Transactions

Transactions during the year that are in the Dollar account are converted into Kenya shillings at rates ruling at the transaction dates. Current assets (Cash and Cash Equivalent) and current liabilities at the statement of financial position date that are expressed in foreign currencies are translated into Kenya Shillings at rates ruling at the statement of financial position date. The resulting differences from conversion and translation are dealt with in the statement of comprehensive income in the year in which they arise.

vi. Subsequent Events

There have been no events/ activities subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30th 2020., Typically, TPF stated its operations in the Financial Year 2019/2020.

b) Budget information

During the year, The Funds budget was set at **Ksh. 2.427 b**. This was revised down to **Ksh. 2.064 b**. However, only **Ksh. 1.506 b** was realized due to the Global pandemic of the Covid-19 being experienced worldwide which has had a negative impact on the Global Tourism and the Economy in general with unprecedented negative impact to the Sector.
